ZBA Meeting
City Council Chambers – 7:00 p.m.

AGENDA

Monday June 6, 2016 - 7:00PM City Council Room

6:30 P.M. **Workshop**

Salute The Flag

Role Call

New Business

1. **#2894 LAWRENTZ HOME OCCUPATION**
126 Crescent Street, area variance to construct a detached garage with second-story music studio; seeking relief to permit a home occupation within a residential accessory structure in an Urban Residential – 2 District.
Documents: [2894 LAWRENTZRESIDENCEHOMEOCCUPATION_APP_REDACTED.PDF](#), [2894 LAWRENTZRESIDENCEHOMEOCCUPATION_ADDTLINFO.PDF](#)
2. **#2896 ICE HOUSE TENT**
70 and 72 Putnam Street, area variance to erect a permanent tent; seeking relief from the minimum two-story, build-to line and maximum frontage buildout requirements in the Transect 6 District.
Documents: [2896 ICEHOUSE TENT_APPLICATION_REDACTED.PDF](#)
3. **#2897 CITY COTTAGE, LLC LOT LINE ADJUSTMENT**
23 Jumel Place and 178 East Avenue, area variance to provide for a lot line adjustment between two lots, seeking relief from the minimum lot size and minimum average lot width requirements for one of the lots in the UR-3 District.
Documents: [2897 CITYCOTTAGELOTLINEADJUSTMENT_APP_REDACTED.PDF](#)

Old Business

1. **#2880 ARMER/DESORBO RESIDENCE**
117 Middle Avenue, area variance for additions to an existing single-family residence; seeking relief from the minimum side and rear yard setbacks and maximum principal building requirements in the Urban Residential – 3 District.
Documents: [2880 ARMERDESORBORESIDENCEADD_ELEVATIONS5-5-16.PDF](#), [2880 ARMERDESORBORESIDENCEADD_CORRBLACK_REDACTED.PDF](#), [2880 ARMERDESORBORESIDENCEADD_REVISMAP4-11-16.PDF](#), [2880 ARMERDESORBORESIDENCEADD_APP_REDACTED.PDF](#), [2880 ARMERDESORBORESIDENCE_ADDTLINFO5-20-16.PDF](#)
2. **#2856.1 MOORE HALL REDEVELOPMENT**
28 Union Avenue/35 White Street, area variance for proposed demolition of an existing dormitory and construction of 26 dwelling units; seeking relief from the minimum lot size per dwelling unit, minimum side (each) and total side yard setbacks (18-unit condominium building), minimum rear and side yard setbacks (2-unit carriage house), minimum front, side and total side yard setbacks (3-unit row house), minimum rear yard setback (1-unit carriage house), maximum principal building coverage (Union Ave. and White St. parcels) requirements in an Urban Residential – 4 District.
Documents: [2856.1 MOOREHALL2_APPLICATION_REDACTED.PDF](#), [2856.1 MOOREHALL2_CORRRUPTONS-23-16_REDACTED.PDF](#), [2856.1 MOOREHALL2_BUILDINSPECTDENIAL.PDF](#), [2856.1 MOOREHALL2_ELEVATIONS.JPG](#), [2856.1 MOOREHALL2_UPDATEDVARIANCEREQ05-10-16_REDACTED.PDF](#), [2856.1 MOOREHALL2_COUNTYREFERRAL.PDF](#), [2856.1 MOOREHALL2_CORRRUPTONS-26-16_REDACTED.PDF](#)
3. **#2890 BARLOW RESIDENCE**
2 Cherry Tree Lane, area variance to construct an attached garage and breezeway to an existing single-family residence; seeking relief from the minimum side yard setback requirements in the Rural Residential District.
Documents: [2890 BARLOWRESIDENCEADDITION_APP_REDACTED.PDF](#), [2890 BARLOWRESIDENCEADDITION_BUILDINSPECTDENIAL.PDF](#)
4. **#2892 RUTHMAN RESIDENCE**
3 Garside Road, area variance to construct a new single-family residence; seeking relief from the minimum front yard setback requirements in the Green Acres PUD.
Documents: [2892 RUTHMANRESIDENCE_BUILDINSPECTDENIAL.PDF](#), [2892 RUTHMANRESIDENCE_ADDTLINFO_REDACTED.PDF](#), [2892 RUTHMANRESIDENCE_APP_REDACTED.PDF](#)
5. **#2895 NEEDHAM/KILMER RESIDENCE**
37 Greenfield Avenue, area variance to construct a new single-family residence; seeking relief from the minimum rear yard, minimum side yard (each), minimum total side yard and maximum principal building coverage requirements in an Urban Residential – 1 District.
Documents: [2895 NEEDHAMKILMERRESIDENCE_APP_REDACTED.PDF](#), [2895 NEEDHAMKILMERRESIDENCE_BUILDINSPECTDENIAL.PDF](#), [2895 NEEDHAM-KILMERRESIDENCE_CORRVLAROWWELLETENDRE_REDACTED.PDF](#)
6. **#2893 223 LAKE AVE. LLC HANDICAP RAMP**
223 Lake Avenue, area variance to construct a handicap ramp to an existing business; seeking relief from the minimum front yard setback requirement in the Urban Residential – 3 District.
Documents: [2893 MARIOPIZZERIAHANDICAPRAMP_APP_REDACTED.PDF](#), [2893 MARIOPIZZERIAHANDICAPRAMP_BUILDINSPECTDENIAL.PDF](#), [2893 MARIOPIZZERIAHANDICAPRAMP_PHOTOS.PDF](#), [2893 MARIOPIZZERIAHANDICAPRAMP_REVISIONS5-13-16_REDACTED.PDF](#)
7. **#2889 CDJT DEVELOPMENT MULTI-FAMILY**
124 Jefferson Street, use variance to convert an existing 6-unit senior housing development to multi-family residential including workforce housing; seeking relief from the permitted uses in the Urban Residential 2 District.
Documents: [2889 CDJT TOWNHOUSES_AMILLERCORR4-25-16_REDACTED.PDF](#), [2889 CDJT TOWNHOUSES_APP_REDACTED.PDF](#), [2889 CDJT TOWNHOUSES_BUILDINSPECTDENIAL.PDF](#)
8. **#2759.1 ANW HOLDINGS RESIDENTIAL DEVELOPMENT**
27 Jumel Place, area variance to demolish existing structure and construct seven single-family residences (condominiums); seeking relief from the maximum principal building coverage, minimum front and rear yard setbacks, maximum number of principal structures on one lot and maximum height for a residential fence requirements in the Urban Residential – 3 District.
Documents: [2759.1 ANWHOLDINGCONDOS_APP_REDACTED.PDF](#), [2759.1 ANWCONDOS_CORRINGLEY5-23-16_REDACTED.PDF](#), [2759.1 ANWHOLDINGCONDOS_SUPPINF05-20-16.PDF](#), [2759.1 ANWHOLDINGCONDOS_ADDTLCORRASOF5-16-16_REDACTED.PDF](#), [2759.1 ANWHOLDINGCONDOS_CORRSHOGAN_REDACTED.PDF](#), [2759.1](#)

[FOR OFFICE USE]

(Application #)

(Date received)

APPLICATION FOR: APPEAL TO THE ZONING BOARD FOR AN INTERPRETATION, USE VARIANCE, AREA VARIANCE AND/OR VARIANCE EXTENSION

	<u>APPLICANT(S)*</u>	<u>OWNER(S) (If not applicant)</u>	<u>ATTORNEY/AGENT</u>
Name	Robert Lawrentz	Robert Lawrentz & Joan Sterling	Michael J. Toohy, Esq., SKTCC
Address	[REDACTED]	[REDACTED]	P. O. Box 4367, 160 West Avenue
Phone	[REDACTED]	[REDACTED]	Saratoga Springs, NY 12866
Email	[REDACTED]	[REDACTED]	[REDACTED]

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

1. Property Address/Location: 126 Crescent Street Tax Parcel No.: 179 29 1 56
(for example: 165.52 - 4 - 37)

2. Date acquired by current owner: 8/11/2014 3. Zoning District when purchased: UR-2

4. Present use of property: Single Family Residence 5. Current Zoning District: UR-2

6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? _____ For what? _____)
 No

7. Is property located within (check all that apply): Historic District Architectural Review District
 500' of a State Park, city boundary, or county/state highway?

8. Brief description of proposed action: _____
 To finish the second floor of the detached garage and use a portion of it for a Home Occupation. Robert Lawrentz is an acoustic guitar player and composer and likes to record his compositions. See Narrative attached.

9. Is there a written violation for this parcel that is not the subject of this application? Yes No

10. Has the work, use or occupancy to which this appeal relates already begun? Yes No The building of the garage is underway.

11. Identify the type of appeal you are requesting (check all that apply):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

USE VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

A use variance is requested to permit the following: _____

For the Zoning Board to grant a request for a use variance, an applicant must prove that the zoning regulations create an unnecessary hardship in relation to that property. In seeking a use variance, New York State law requires an applicant to prove all four of the following "tests".

- I. That the applicant cannot realize a reasonable financial return on initial investment for any currently permitted use on the property. "Dollars & cents" proof must be submitted as evidence. The property in question cannot yield a reasonable return for the following reasons:

A. Submit the following financial evidence relating to this property (attach additional evidence as needed):

1) Date of purchase: _____ Purchase amount: \$ _____

2) Indicate dates and costs of any improvements made to property after purchase:

<u>Date</u>	<u>Improvement</u>	<u>Cost</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____

3) Annual maintenance expenses: \$ _____ 4) Annual taxes: \$ _____

5) Annual income generated from property: \$ _____

6) City assessed value: \$ _____ Equalization rate: _____ Estimated Market Value: \$ _____

7) Appraised Value: \$ _____ Appraiser: _____ Date: _____

Appraisal Assumptions: _____

B. Has property been listed for sale with the Multiple Listing Service (MLS)? Yes If "yes", for how long? _____ No

1) Original listing date(s): _____ Original listing price: \$ _____

If listing price was reduced, describe when and to what extent: _____

2) Has the property been advertised in the newspapers or other publications? Yes No

If yes, describe frequency and name of publications: _____

3) Has the property had a "For Sale" sign posted on it? Yes No

If yes, list dates when sign was posted: _____

4) How many times has the property been shown and with what results? _____

2. That the financial hardship relating to this property is unique and does not apply to a substantial portion of the neighborhood. Difficulties shared with numerous other properties in the same neighborhood or district would not satisfy this requirement. This previously identified financial hardship is unique for the following reasons:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

Table 2 Use Schedule

The applicant requests relief from the following Zoning Ordinance article(s) _____

Dimensional Requirements

To have a Home Occupation in a Permitted Accessory Building

From

To

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- 1. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

The present structure contains a one car garage. That space was not adequate for their vehicular needs and, as a result, they are constructing the detached garage. The Owners never anticipated a problem would arise pertaining to the use of the second floor as the new garage is for a non-residential purpose.

- 2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

The two story garage is permitted in this Zone. Finishing the second floor of the garage for a non-living, residential purpose will have no effect on the character of the neighborhood.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

Please see the attached Narrative. This use meets all of the "Requirements" listed in Section 6.4.3 (B) "Home Occupancy" for the proposed use. Not only is this variance NOT "substantial", we believe it is functionally permitted.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

This is a very limited use of the property. If the decibel level of the Owner playing his acoustic guitar could be louder than the ambient noise level outside of the garage, that fact is mitigated as both the "Mixing Room" and the "Studio" will be constructed with additional soundproofing in place. This will generate only very limited additional traffic or "visits" and certainly no more than normal residential traffic.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

This is not self-created as a "Workshop or studio facility" for a composer is specifically allowed for a "Home Occupancy". The existing single family residential structure does not contain space for this use, while a two-story garage is also allowed on this property.

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

Short Environmental Assessment Form

Part 1 - Project Information

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information			
Name of Action or Project: 126 Crescent Street Home Occupancy			
Project Location (describe, and attach a location map): 126 Crescent Street, Saratoga Springs			
Brief Description of Proposed Action: To finish the second floor of a detached garage and to include two rooms for a music studio			
Name of Applicant or Sponsor: Robert Lawrentz		Telephone: [REDACTED]	
		E-Mail: [REDACTED]	
Address: [REDACTED]			
City/PO: [REDACTED]		State: [REDACTED]	Zip Code: [REDACTED]
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>
			YES <input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other governmental Agency? If Yes, list agency(s) name and permit or approval: Building Permit - City of Saratoga Springs			NO <input type="checkbox"/>
			YES <input checked="" type="checkbox"/>
3.a. Total acreage of the site of the proposed action?		.43 acres	
b. Total acreage to be physically disturbed?		620 acres	
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?		.43 acres	
4. Check all land uses that occur on, adjoining and near the proposed action.			
<input type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input type="checkbox"/> Commercial <input checked="" type="checkbox"/> Residential (suburban)			
<input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input type="checkbox"/> Other (specify): _____			
<input type="checkbox"/> Parkland			

<p>18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)? If Yes, explain purpose and size: _____ _____ _____</p>	<p>NO</p> <p><input checked="" type="checkbox"/></p>	<p>YES</p> <p><input type="checkbox"/></p>
<p>19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ _____ _____</p>	<p>NO</p> <p><input checked="" type="checkbox"/></p>	<p>YES</p> <p><input type="checkbox"/></p>
<p>20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ _____ _____</p>	<p>NO</p> <p><input checked="" type="checkbox"/></p>	<p>YES</p> <p><input type="checkbox"/></p>
<p>I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE</p> <p>Applicant/sponsor name: <u>Robert Lawrentz</u> Date: <u>4/30</u> /2016</p> <p>Signature: <u></u></p>		

NARRATIVE

The subject property located at 126 Crescent Street, Saratoga Springs, New York (Tax Parcel 179.29-1-56) is situated in the Urban Residential - 2 (UR-2) Zone. Within this Zone, a permitted accessory use is a "Home Occupation". A "Home Occupation" is defined within the Zoning Code as "An activity conducted entirely within a dwelling and carried on by the inhabitants thereof, which is clearly incidental and secondary to the use of the residence and does not change the character thereof". This type of use is further defined in Section 6.4.3 of the Zoning Code.

The improvements that exist on the property consist of a two story residential structure with full basement and a detached garage with second story, stair access.

The square footage of the structures are as follows:

House	First Floor:	1600 +/- square feet
	Second Floor:	1600 +/- square feet
	Basement:	1500 +/- square feet
Garage	First Floor:	600 +/- square feet
	Second Floor:	<u>620 +/- square feet</u>
		$5,920 \text{ sq ft} \times 15\% = 888 \text{ sq ft}$

The property owner is an amateur acoustic guitar player that likes to compose, perform and record music. He wishes to finish the second floor of the garage as depicted on Exhibit A. Please note that there are no cooking facilities in this space and the Powder Room does not contain a shower or bathtub. With regard to the utilization of this second floor space, the studio (recording and mix rooms) consist of 325 +/- sq ft.

The requirements for a Home Occupation:

1. The activity shall be conducted entirely within the structure and shall occupy no more than 15% of the total floor area of the residential dwelling units.
 - a) The code uses plural "units", which I believe includes not just the home, but also the associated garage. If the entire second floor of the garage (620 sq ft) is considered the Home Occupation then all we would need to demonstrate is that there is 4,133 sq ft of total floor area within all of the units ($4,133 \times 15\% = 619.95 \text{ sq ft}$). In this case, we have just short of 6,000 sq ft of floor area and thus we meet the 15% rule.
2. Only occupants of the residence and no more than one non-occupant may conduct the activity at any one time.
 - a) For the vast majority of time, the space will only be used by one of the owners. From time to time a "Mixer" may be in attendance, but there would never be more than one person other than the occupants involved in this process.

3. The activity will generate no more than ten visits to the property per day. Visits may not occur before 8:00 am or after 9:00 pm.
 - a) There will be no pattern of visits to the garage, other than the occasional Mixer and the limited visits will be within the permitted time period.
4. Any need for additional parking generated by the activity shall be met on site.
 - a) There is ample room on site for both the residence and the occasional visitor.
5. One non-illuminated wall sign, not exceeding 1 ½ sq ft in area is permitted in association with the activity.
 - a) There will be no signage as this is not intended as a commercial activity.
6. No outdoor storage or display of products or equipment in association with the activity is permitted.
 - a) There will be no outdoor storage. A sound proof room is being created and the second room will contain some mixing equipment. The remaining portion of the second floor will look like a den or small living room.

Listed within the Zoning Code Provision (6.4.3(B)) are four (4) specific non-residential activities that are allowed. The fourth of these options is:

“4. Workshop or studio facilities for artists, composers, crafts persons, photographers, tailors, writers and the like”.

The Owner wishes to use the designated space on the second floor of the garage as a studio for the music he wishes to compose.

Saratoga Springs, NY
(Tax Parcel 179.29-1-56)

Variance for Finished Space: Music Studio

The undersigned ask the Zoning Board of the City of Saratoga Springs to approve the proposed use of the second floor of the detached garage presently being constructed on the real property know as 126 Crescent Street, Saratoga Springs, New York (Tax Parcel 179.29-1-56) owned by Robert Lawrentz and Joan Sterling as finished space to include a Music Studio and music Mixing Room. We do not believe this use will have any adverse impact on the area in which the residence is located."

TRANSMITTAL SHEET

TO: Zoning Board of Appeals	FROM: Tonya Yasenchak
COMPANY: City of Saratoga Springs	DATE: May 9, 2016
FAX NUMBER:	TOTAL NO. OF PAGES INCLUDING COVER: 1 ZBA Application + \$500 App. Fee
PHONE NUMBER:	SENDER'S REFERENCE NUMBER:
RE: Lynch's Tavern: The Ice House #70 & 72 Putnam St., Saratoga Springs	YOUR REFERENCE NUMBER:

URGENT FOR REVIEW PLEASE COMMENT PLEASE REPLY AS REQUESTED

Dear Zoning Board of Appeals members,

Engineering America Co. respectfully submits the attached application for an area variance for the Ice House's permanent tent structure at 70 & 72 Putnam St. in Saratoga Springs, NY. The proposed permanent tent structure will replace the prior temporary canopy / tent that had been used for several years. Due to the prior temporary tent being located towards the rear of the site, the replacement tent will not be located in compliance with the 80% "built out" and 0-12' "build to" standards for a T-6 district. Also, the tent is only one story so does not meet the 2 story min. requirement for the district. Therefore, the project requires variances to allow for the new permanent tent structure to replace the prior temporary tent in the same exact location.

This submittal includes:

- (1) original copy of the Application: Including existing survey & photos
- (1) application fee of \$ 500

We would appreciate if this application could be placed on the next available agenda for discussion, preferably June 6th, 2016.

Please contact my office with any questions or if additional information is required.
Thank you for your time and cooperation.

Tonya Yasenchak, PE
Enc.

Phone _____	_____	_____
Email _____	_____	_____

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

1. Property Address/Location: 70 # 72 PUTNAM ST. Tax Parcel No.: 160 . 60 - 1 - 51 # 52
(for example: 165.52 - 4 - 37)

2. Date acquired by current owner: MAY 2005 3. Zoning District when purchased: UNKNOWN

4. Present use of property: EATING & DRINKING ESTABLISHMENT 5. Current Zoning District: T-6

6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? _____ For what? _____)
 No

7. Is property located within (check all that apply)? Historic District Architectural Review District
 500' of a State Park, city boundary, or (county/state highway) NYS RTE. 50/9

8. Brief description of proposed action: _____
REPLACEMENT OF EXISTING CANOPY/TENT WITH PERMANENT TENT.

9. Is there a written violation for this parcel that is not the subject of this application? Yes No

10. Has the work, use or occupancy to which this appeal relates already begun? Yes No

11. Identify the type of appeal you are requesting (check all that apply):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) TABLE 3: AREA & BULK SCHEDULE

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
<u>MAXIMUM BUILDING HT.</u>	<u>2 STORY MIN.</u>	<u>1 STORY</u>
<u>MINIMUM BUILD OUT ALONG FRONTAGE %</u>	<u>80%</u>	<u>33.2%</u>
<u>BUILD-TO DISTANCE FROM FRONT LINE</u>	<u>0-12'</u>	<u>29'</u>

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- 1. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

THE APPLICANT COULD POSSIBLY LOCATE THE PERMANENT TENT FORWARD TOWARDS
PUNAM ST & NOT REQUIRE VARIANCES FOR FRONT BUILD OUT & DISTANCE TO PROPERTY LINE.
HOWEVER, THE APPLICANT FINDS THE CURRENT PROPOSED LOCATION TO HIS BENEFIT AS:

a) THE PRIOR TEMPORARY TENT WAS LOCATED TOWARDS THE BACK OF THE LOT b) LOCATING THE TENT
FURTHER BACK ALLOWS FOR SOUTH & WEST SUN EXPOSURE INTO THE PATIO & EXISTING BUILDINGS.

THE APPLICANT CAN ONLY AFFORD A TENT STRUCTURE CURRENTLY TO MEET HIS NEEDS
AND THEREFORE 2 STORIES IS NOT AN OPTION. c) MOVING TENT FORWARD WOULD LIMIT FUTURE

- 2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

A TEMPORARY TENT HAS BEEN IN THE PROPOSED LOCATION FOR SEVERAL YEARS.
THE NEW PERMANENT TENT STRUCTURE IS THE SAME SIZE AND WILL PRODUCE
NO CHANGE IN EXISTING CONDITIONS. THEREFORE, NO UNDESIRABLE CHANGE IN THE
CHARACTER OF THE NEIGHBORHOOD OR DETRIMENT TO NEARBY PROPERTIES IS EXPECTED.

-PROJECT HAS ALREADY RECEIVED APPROVAL BY DRC.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

THE VARIANCE FOR THE BUILD OUT IS 58.5% (33.2% VS 80% REQ).
 THE VARIANCE FOR MIN. BUILDING HEIGHT IS 50% (1 STORY VS. 2 STORY)
 THE VARIANCE FOR BUILD TO LINE IS 142% (29' VS. 0-12' REQ)
 -THE VARIANCES APPEAR SUBSTANTIAL. HOWEVER, THE PERMANENT TENT WILL BE
 LOCATED IN THE EXACT LOCATION AS THE PRIOR TEMPORARY TENT; A TENT, BEING MORE
 OF AN "ACCESSORY USE" TYPICALLY IS LOCATED AWAY FROM A MAIN ROAD; THE PATIO
 AREA ALONG THE FRONT PRODUCES A "BUFFER" TO THE TENT.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

THE PROPOSED PERMANENT TENT IS REPLACING THE PRIOR TEMPORARY TENT
 IN THE SAME SIZE & EXACT LOCATION. THE PROPOSED TENT DOES NOT
 INCREASE THE IMPERMEABLE AREA OF THE SITE IN ANY MANNER.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

THE DIFFICULTY IS SELF-CREATED ONLY DUE TO THE DESIRE OF THE OWNER
 FOR THE NEW PERMANENT TENT TO BE LOCATED AT THE BACK OF THE LOT.
 HOWEVER, THIS LOCATION IS NO DIFFERENT THAN WHAT HAS EXISTED
 WITH THE PRIOR TEMPORARY TENT FOR SEVERAL YEARS. RELOCATING THE
 PERMANENT TENT FORWARD, TOWARDS PUTNAM, WOULD REQUIRE EXTENSION
 & RELOCATION OF EXISTING UTILITIES, WIRES AND FOUNDATIONAL SUPPORTS.

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

Part 1 - Project Information

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information			
<i>LYNCHY'S TAVERN, INC.</i>			
Name of Action or Project: <i>INSTALLATION OF PERMANENT TENT STRUCTURE</i>			
Project Location (describe, and attach a location map): <i>70 & 72 PUTNAM ST., SARATOGA SPRINGS, NY</i>			
Brief Description of Proposed Action: <i>REPLACEMENT OF EXISTING, TEMPORARY CANOPY/TENT WITH A PERMANENT TENT.</i>			
Name of Applicant or Sponsor: <i>LYNCHY'S TAVERN, INC.</i>		Telephone: [REDACTED]	
		E-Mail: [REDACTED]	
Address: <i>70 & 72 PUTNAM ST.</i>			
City/PO: <i>SARATOGA SPRINGS</i>		State: <i>NY</i>	Zip Code: <i>12866</i>
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO YES <input checked="" type="checkbox"/> <input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other governmental Agency? If Yes, list agency(s) name and permit or approval: <i>-SARATOGA PLANNING BOARD- SITE PLAN APPROVAL</i> <i>-SARATOGA BUILDING DEPT. - BUILDING PERMIT</i>			NO YES <input type="checkbox"/> <input checked="" type="checkbox"/>
3.a. Total acreage of the site of the proposed action?		<u><i>0.098</i></u> acres	
b. Total acreage to be physically disturbed?		<u><i>0</i></u> acres	
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor?		<u><i>0.098</i></u> acres	
4. Check all land uses that occur on, adjoining and near the proposed action.			
<input checked="" type="checkbox"/> Urban <input type="checkbox"/> Rural (non-agriculture) <input type="checkbox"/> Industrial <input checked="" type="checkbox"/> Commercial <input type="checkbox"/> Residential (suburban) <input type="checkbox"/> Forest <input type="checkbox"/> Agriculture <input type="checkbox"/> Aquatic <input checked="" type="checkbox"/> Other (specify): <i>INSTITUTIONAL: ADJACENT PUBLIC LIBRARY</i> <input type="checkbox"/> Parkland			

5. Is the proposed action, a. A permitted use under the zoning regulations?	NO	YES	N/A
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. Consistent with the adopted comprehensive plan?	NO	YES	N/A
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
6. Is the proposed action consistent with the predominant character of the existing built or natural landscape?	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
7. Is the site of the proposed action located in, or does it adjoin, a state listed Critical Environmental Area? If Yes, identify: _____	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
8. a. Will the proposed action result in a substantial increase in traffic above present levels?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Are public transportation service(s) available at or near the site of the proposed action? PUBLIC BUS	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
c. Are any pedestrian accommodations or bicycle routes available on or near site of the proposed action?	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
9. Does the proposed action meet or exceed the state energy code requirements? If the proposed action will exceed requirements, describe design features and technologies: PROJECT WILL MEET THE ENERGY CONSERVATION CONSTRUCTION CODE OF NYS.	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
10. Will the proposed action connect to an existing public/private water supply? If No, describe method for providing potable water: CONTINUATION OF EXISTING PUBLIC WATER USE IN FACILITY	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
11. Will the proposed action connect to existing wastewater utilities? If No, describe method for providing wastewater treatment: CONTINUATION OF EXISTING PUBLIC SEWER CONNECTION IN EXISTING FACILITY	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
12. a. Does the site contain a structure that is listed on either the State or National Register of Historic Places?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Is the proposed action located in an archeological sensitive area?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
13. a. Does any portion of the site of the proposed action, or lands adjoining the proposed action, contain wetlands or other waterbodies regulated by a federal, state or local agency?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
b. Would the proposed action physically alter, or encroach into, any existing wetland or waterbody? If Yes, identify the wetland or waterbody and extent of alterations in square feet or acres: _____	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
14. Identify the typical habitat types that occur on, or are likely to be found on the project site. Check all that apply: <input type="checkbox"/> Shoreline <input type="checkbox"/> Forest <input type="checkbox"/> Agricultural/grasslands <input type="checkbox"/> Early mid-successional <input type="checkbox"/> Wetland <input checked="" type="checkbox"/> Urban <input type="checkbox"/> Suburban			
15. Does the site of the proposed action contain any species of animal, or associated habitats, listed by the State or Federal government as threatened or endangered?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
16. Is the project site located in the 100 year flood plain?	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
17. Will the proposed action create storm water discharge, either from point or non-point sources? If Yes, a. Will storm water discharges flow to adjacent properties? <input checked="" type="checkbox"/> NO <input type="checkbox"/> YES	NO	YES	
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
b. Will storm water discharges be directed to established conveyance systems (runoff and storm drains)? If Yes, briefly describe: _____	NO	YES	
	<input checked="" type="checkbox"/>	<input type="checkbox"/>	

<p>18. Does the proposed action include construction or other activities that result in the impoundment of water or other liquids (e.g. retention pond, waste lagoon, dam)? If Yes, explain purpose and size: _____ _____ _____</p>	<p>NO</p> <p><input checked="" type="checkbox"/></p>	<p>YES</p> <p><input type="checkbox"/></p>
<p>19. Has the site of the proposed action or an adjoining property been the location of an active or closed solid waste management facility? If Yes, describe: _____ _____ _____</p>	<p>NO</p> <p><input checked="" type="checkbox"/></p>	<p>YES</p> <p><input type="checkbox"/></p>
<p>20. Has the site of the proposed action or an adjoining property been the subject of remediation (ongoing or completed) for hazardous waste? If Yes, describe: _____ _____ _____</p>	<p>NO</p> <p><input checked="" type="checkbox"/></p>	<p>YES</p> <p><input type="checkbox"/></p>
<p>I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE</p>

(Application #)

(Date received)

APPLICATION FOR: APPEAL TO THE ZONING BOARD FOR AN INTERPRETATION, USE VARIANCE, AREA VARIANCE AND/OR VARIANCE EXTENSION

	<u>APPLICANT(S)*</u>	<u>OWNER(s) (If not applicant)</u>	<u>ATTORNEY/AGENT</u>
Name	Cody Wojdyla	City Cottage, LLC	Carter Conboy, P.C.
Address	[REDACTED]	[REDACTED]	480 Broadway, Suite 250 Saratoga Springs, NY 12866
Phone	[REDACTED]	/	[REDACTED]
Email	[REDACTED]		[REDACTED]

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

1. Property Address/Location: 23 Jumel Place Tax Parcel No.: 166 13 1 15
(for example: 165.52 - 4 - 37)

2. Date acquired by current owner: 07/08/2005 3. Zoning District when purchased: UR-3

4. Present use of property: Residential 5. Current Zoning District: UR-3

6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? _____ For what? _____)
 No

7. Is property located within (check all that apply): Historic District Architectural Review District
 500' of a State Park, city boundary, or county/state highway?

8. Brief description of proposed action: _____
Applicant is seeking a small area variance in connection with a lot line adjustment application

9. Is there a written violation for this parcel that is not the subject of this application? Yes No

10. Has the work, use or occupancy to which this appeal relates already begun? Yes No

11. Identify the type of appeal you are requesting (check all that apply):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

USE VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

A use variance is requested to permit the following: _____

For the Zoning Board to grant a request for a use variance, an applicant must prove that the zoning regulations create an unnecessary hardship in relation to that property. In seeking a use variance, New York State law requires an applicant to prove all four of the following "tests".

- I. That the applicant cannot realize a reasonable financial return on initial investment for any currently permitted use on the property. "Dollars & cents" proof must be submitted as evidence. The property in question cannot yield a reasonable return for the following reasons:

A. Submit the following financial evidence relating to this property (attach additional evidence as needed):

1) Date of purchase: _____ Purchase amount: \$ _____

2) Indicate dates and costs of any improvements made to property after purchase:

<u>Date</u>	<u>Improvement</u>	<u>Cost</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____

3) Annual maintenance expenses: \$ _____ 4) Annual taxes: \$ _____

5) Annual income generated from property: \$ _____

6) City assessed value: \$ _____ Equalization rate: _____ Estimated Market Value: \$ _____

7) Appraised Value: \$ _____ Appraiser: _____ Date: _____

Appraisal Assumptions: _____

B. Has property been listed for sale with the Multiple Listing Service (MLS)? Yes If "yes", for how long? _____ No

1) Original listing date(s): _____ Original listing price: \$ _____

If listing price was reduced, describe when and to what extent: _____

2) Has the property been advertised in the newspapers or other publications? Yes No

If yes, describe frequency and name of publications: _____

3) Has the property had a "For Sale" sign posted on it? Yes No

If yes, list dates when sign was posted: _____

4) How many times has the property been shown and with what results? _____

2. That the financial hardship relating to this property is unique and does not apply to a substantial portion of the neighborhood. Difficulties shared with numerous other properties in the same neighborhood or district would not satisfy this requirement. This previously identified financial hardship is unique for the following reasons:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) 2.3

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
Minimum Lot Size	6,600 sq. ft.	6,461 Sq ft.
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

See attached Project Narrative.

- Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

See attached Project Narrative.

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

Saratoga Springs, NY 12866

Att: Bradley Birge

Dear Mr. Birge:

Please allow this letter to serve as authorization to permit Cody Wojdyla to make a Lot Line Adjustment and Area Variance application to the City of Saratoga Springs Planning Board and Zoning Board on the lands belonging to City Cottage, LLC as more fully set forth and delineated in the application being filed herewith. We further authorize Carter, Conboy, Case, Blackmore, Maloney & Laird, P.C., Mr. Wojdyla's representative, to advance the applications to the Planning/Zoning Board.

Should you have any questions on the foregoing, please feel free to contact us directly.

Dated: May 9, 2016

Martha Dexter, Managing Partner

Short Environmental Assessment Form

Part 1 - Project Information

Instructions for Completing

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 - Project and Sponsor Information			
Name of Action or Project: City Cottage, LLC to Cody Wojdyla -- Area Variance			
Project Location (describe, and attach a location map): Saratoga Springs, NY			
Brief Description of Proposed Action: Application for a 139 square foot area variance and a lot line adjustment.			
Name of Applicant or Sponsor: Cody Wojdyla & City Cottage, LLC		Telephone: [REDACTED]	
		E-Mail: [REDACTED]	
Address: [REDACTED]			
City/PO: [REDACTED]		State: [REDACTED]	Zip Code: [REDACTED]
1. Does the proposed action only involve the legislative adoption of a plan, local law, ordinance, administrative rule, or regulation? If Yes, attach a narrative description of the intent of the proposed action and the environmental resources that may be affected in the municipality and proceed to Part 2. If no, continue to question 2.			NO <input type="checkbox"/>
			YES <input type="checkbox"/>
2. Does the proposed action require a permit, approval or funding from any other governmental Agency? If Yes, list agency(s) name and permit or approval:			NO <input type="checkbox"/>
			YES <input type="checkbox"/>
3.a. Total acreage of the site of the proposed action?		.14 acres

<p>I AFFIRM THAT THE INFORMATION PROVIDED ABOVE IS TRUE AND ACCURATE TO THE BEST OF MY KNOWLEDGE</p> <p>Applicant/sponsor name: <u>Cody Wojdyla</u> Date: <u>5/9/16</u></p> <p>Signature: </p>		

23 JUMEL PLACE AREA VARIANCE

PROJECT NARRATIVE

The applicant is seeking a small area variance and lot line adjustment in connection with the sale of an approximate 2,850 sq. ft. portion of property located in the rear of the lands of City Cottage, LLC (Parcel ID 166.13-1-15) located at 23 Jumel Place (“Property”). The Property is to be conveyed to the northerly neighbor, Cody Wojdyla (Parcel ID 166.13-1-46) with a property address of █████ Lake Avenue. The aforementioned parcels are situated in the Urban Residential-3 zoning district and are subject to minimum lot size requirements of 6,600 square feet for 1-unit and 8,000 square feet for 2-units. The proposed purchase and sale would reduce the Property’s lot size from 9,311 square feet to 6,461 square feet while increasing Mr. Wojdyla’s lot size from 5,814 square feet to 8,664 square feet.

RELIEF REQUESTED: A 2% minimum lot size variance from City Zoning Ordinance Section 2.3 for the Property (6600 SF to 6461 SF).

1. Whether the benefit sought by the applicant can be achieved by other feasible means

The applicant has explored alternatives to seeking a variance such as manipulating the boundary line to increase the square footage of the Property to surpass the 6,600 square foot threshold. However, the proposed alternative would result in the creation of a sliver of unusable land, whereas the requested area variance would create one symmetrical rectangular lot. The variance requested herein would create “clean” boundary lines (squared corners) to maximize the functional access to the newly created lot and reduce future lot line confusion.

Furthermore, the alternative of moving the proposed lot line 3 feet north to create two conforming lots would substantially limit Mr. Wojdyla from being able to access the new portion

of his lot because of the narrow pathway between his existing garage structure and the attendant vegetation. On the southeast corner of Mr. Wojdyla's property sits a large maple tree located between Mr. Wojdyla's garage and the boundary line. The tree is approximately two feet in width and limits the access to the new rear acreage. A conforming boundary line would further compound that limitation by reduce accessibility by an additional 3 feet, leaving Mr. Wojdyla's limited functional access to the new lot.

As such, there is no other feasible alternative that will deliver the same benefits to the applicant.

2. Whether the variance is substantial

The applicant is requesting a 139 square foot area variance which is an approximate 2% deviation from the minimum lot size requirement for a 1-unit property in the UR-3 zoning district. An area variance this size is minimal compared to the overall lot size.

3. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties.

The applicant submits that the area variance requested herein would benefit the property owners as well as result in a positive change to the neighborhood. In its current state, Mr. Wojdyla's property is a legal non-confirming lot as it relates to the minimum lot size requirements. Because Mr. Wojdyla owns a 2-unit property, the current minimum lot size for his property is 8,000 square feet and the current lot size is 5,814 square feet. The difference represents an approximate 28% deviation from the applicable minimum lot size requirements. If the requested lot line adjustment and area variance are granted, Mr. Wojdyla's lot size would be increased to 8,664 square feet, placing it into conformance with the minimum dimensional requirements. Given that the area variance requested would result in a minimal 2% deviation

from the lot size requirements applicable to the Property, the net gain in conformance would be 26%.

Therefore, the requested area variance would result in a substantial benefit to the surrounding neighborhood.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district

Due to the *de minimus* nature of the relief requested, there will be no adverse physical or environmental effects on the neighborhood.

5. Whether the alleged difficulty was self-created

The applicant acknowledges that the hardship is self-created; however, this is not fatal to an application for an area variance.

Based on the foregoing, the applicants respectfully request that this Board grant the request for a 139 square foot or 2% area variance from the minimum lot size requirement.

Letter of support for 117 Middle Ave. Variance

From : Gillian Black [REDACTED]

Mon, Apr 04, 2016 11:35 AM

Subject : Letter of support for 117 Middle Ave. Variance**To :** lindsey gonzalez <lindsey.gonzalez@saratoga-springs.org>

To Whom it May Concern,

We received notice that Chris Armer & Teri DeSorbo have applied for a variance. My wife Kathryn Strassner and I own the double lot property at [REDACTED] York Ave. Our driveway (and main entrance) is directly adjacent to the western border of 117 Middle Ave. While at first we were concerned that development may encroach on our privacy, after reviewing the proposed plans we fully support this project. The current structure at 117 Middle Ave. is an eyesore. We believe the proposed construction is in the best interest of our neighborhood and the City of Saratoga Springs, as it replaces a derelict structure and will bolster our local property values. Please grant them their variance.

Best Regards,
Gillian Black

APPLICATION FOR: APPEAL TO THE ZONING BOARD FOR AN INTERPRETATION, USE VARIANCE, AREA VARIANCE AND/OR VARIANCE EXTENSION

	APPLICANT(S)*	OWNER(S) (If not applicant)	ATTORNEY/AGENT
Name	Chris Armer Teri L. DeSorbo		
Address	[REDACTED]		
Phone	[REDACTED]	[REDACTED]	[REDACTED]
Email	[REDACTED]		

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

1. Property Address/Location: 117 Middle Ave Tax Parcel No.: 166 45 3 25
(for example: 165.52 - 4 - 37)
2. Date acquired by current owner: 8/22/2014 3. Zoning District when purchased: UR3
4. Present use of property: Single Family Home 5. Current Zoning District: UR3
6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? For what?)
 No
7. Is property located within (check all that apply): Historic District Architectural Review District
 500' of a State Park, city boundary, or county/state highway?
8. Brief description of proposed action:
Add second story and a small addition to a single family home that is currently on the property. The existing home is outside of the setback requirements in that the east side of the home has a side setback of 2.8' and 3.1'. We are requesting no change in this setback. The rear of the home (north) currently is between 1.5' and 2.1'. We are proposing a small addition to the west side of the building. This corner of this addition would be 1.4' from the property line as opposed to the current 1.5'.
9. Is there a written violation for this parcel that is not the subject of this application? Yes No
10. Has the work, use or occupancy to which this appeal relates already begun? Yes No
11. Identify the type of appeal you are requesting (check all that apply):
 INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) _____

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
Side Setback _____ (Existing home currently has side setback proposed) _____	4 ft _____	2.8 to 3.1' _____
Rear Setback _____ (existing home currently has rear setback of 1.5' to 2.1' - we are proposing an addition that is approx 5' wide and the corner would be 1" closer to property line.) _____ _____	25' _____	1.4' to 2.1' _____ _____

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- 1. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

I have attempted to contact the property owner to the rear of this property who has an oversized lot. I have sent letters and knocked on the door many times and have had no response from either.
 We have explored other designs to try to make the home a bit larger to fit todays standards. The home is very narrow and we feel the small side addition adds much to using the still small square footage to its best use.

- 2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

The nearby neighborhood has many properties that do not fit the current setback requirements and therefore this property would not stand out as being out of character
 As mentioned , the bordering property to the rear has an oversized lot and the home on that property is very close to the far border leaving a large back yard. The bordering property to the East has a home that is also located at the far border(east) of its lot leaving yard in between the 2 properties therefore the homes would not be abnormally close to each other. The bordering property to the West is a double lot that runs between both Middle Ave and York. The portion of the property that borders our lot on Middle ave is used as a driveway. The proposed addition to our property would still be 18.2' from that property line. There is also an existing garage along the same property line that is 8.1' from the property line.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

The requested variance is not substantial because the only difference between the current setback of the existing structure and the proposed changes is only reduced by 1" on one corner of the home.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

There are many similar homes in the area that do not fit the current setback requirements and there will be little impact to neighboring properties.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

This property was purchased knowing that variances would be required but none of the required variances needed are out of character for the surrounding area nor are they substantial.

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) _____

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
Side Setback	4 ft	2.8 to 3.1'
<u>(Existing home currently has side setback proposed)</u>		
Rear Setback	25'	1.4' to 2.1'
<u>(existing home currently has rear setback of 1.5' to 2.1' - we are proposing an addition that is approx 5' wide and the corner would be 1" closer to property line.</u>		
<u>LOT COVERAGE</u>	<u>30%</u>	<u>33.5%</u>

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

I have attempted to contact the property owner to the rear of this property who has an oversized lot. I have sent letters and knocked on the door many times and have had no response from either.
We have explored other designs to try to make the home a bit larger to fit todays standards. The home is very narrow and we feel the small side addition adds much to using the still small square footage to its best use.

THE LOT COVERAGE COULD POSSIBLY BE ADDRESSED BY REDUCING THE SIZE OF THE FRONT PORCH. HOWEVER, IT WOULD REDUCE THE USABILITY OF THE PORCH AND IMPACT THE ARCHITECTURAL DESIGN

- Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

The nearby neighborhood has many properties that do not fit the current setback requirements and therefore this property would not stand out as being out of character
As mentioned , the bordering property to the rear has an oversized lot and the home on that property is very close to the far border leaving a large back yard. The bordering property to the East has a home that is also located at the far border(east) of its lot leaving yard in between the 2 properties therefore the homes would not be abnormally close to each other. The bordering property to the West is a double lot that runs between both Middle Ave and York. The portion of the property that borders our lot on Middle ave is used as a driveway. The proposed addition to our property would still be 18.2' from that property line. There is also an existing garage along the same property line that is 8.1' from the property line.

-THE LOT COVERAGE VARIANCE IS RATHER SMALL AND I BELIEVE IT WOULD NOT HAVE ANY NEGATIVE IMPACT ON THE NEIGHBORHOOD AS MANY PROPERTIES APPEAR TO COVER A LARGE PERCENTAGE OF THE LOTS.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

The requested variance is not substantial because the only difference between the current setback of the existing structure and the proposed changes is only reduced by 1" on one corner of the home.

THE LOT COVERAGE VARIANCE IS NOT SUBSTANTIAL IN THAT IT IS ONLY 3% AND IS KEEPING IN CHARACTER WITH THE NEIGHBORHOOD. THE HOME IS ALSO TOWARDS THE BACK OF THE LOT AND ANY IMPACT WOULD NOT BE NOTICEABLE FROM THE STREET.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

There are many similar homes in the area that do not fit the current setback requirements and there will be little impact to neighboring properties.

THE REQUESTED LOT COVERAGE VARIANCE - WOULD HAVE NO ADVERSE EFFECT ON THE NEIGHBORHOOD OR DISTRICT BECAUSE IT IS MINIMAL (3%) AND IS KEEPING IN CHARACTER WITH THE NEIGHBORHOOD. IT WOULD MOST LIKELY NOT BE NOTICEABLE FROM THE STREET.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

This property was purchased knowing that variances would be required but none of the required variances needed are out of character for the surrounding area nor are they substantial.

THE LOT COVERAGE VARIANCE WOULD BE CONSIDERED SELF-CREATED IN THAT THE PLANS HAVE A SMALL ADDITION TO THE HOME. HOWEVER, THE HOME IS STILL OF A MINIMAL SIZE AND IS KEEPING IN CHARACTER WITH THE REST OF THE NEIGHBORHOOD.

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.
Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

Property Address (No. & St.) 28 Union Avenue/35 White Street Side of St. (north, east, etc.) South of Union Avenue/North of White Street

Tax Parcel No.: 165 . 76 - 1 - 34.13 (for example: 165.52 - 4 - 37) Tax District: Inside Outside

1. Date acquired by current owner: 5/13/2009 2. Zoning District when purchased: UR-4

3. Present use of property: Vacant Dormitory, Parking lots 4. Current Zoning District: UR-4

5. Has a previous ZBA application/appeal been filed for this property? Yes (when? 10/23/06 & 11/20/06 for what? Various Area Variances) No

6. Is property located within (check all that apply)? Historic District Architectural Review District
 500' of a State Park, city boundary, or county/state highway?

7. Brief description of proposed action: Demolition of existing 6 story dormitory building and construction of 26 new residential units .
[See attached Narrative/Exhibit A]

8. Is there a written violation for this parcel that is not the subject of this application? Yes No

9. Has the work, use or occupancy to which this appeal relates already begun? Yes No

10. Identify the type of appeal you are requesting (check all that apply):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance" and attach to top of original application. Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____ 4. Length of extension requested: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?: _____

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

USE VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

A use variance is requested to permit the following: _____

For the Zoning Board to grant a request for a use variance, an applicant must prove that the zoning regulations create an unnecessary hardship in relation to that property. In seeking a use variance, New York State law requires an applicant to prove all four of the following “tests”.

- I. That the applicant cannot realize a reasonable financial return on initial investment for any currently permitted use on the property. “Dollars & cents” proof must be submitted as evidence. The property in question cannot yield a reasonable return for the following reasons:

A. Submit the following financial evidence relating to this property (attach additional evidence as needed):

1) Date of purchase: _____ Purchase amount: \$ _____

2) Indicate dates and costs of any improvements made to property after purchase:

<u>Date</u>	<u>Improvement</u>	<u>Cost</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____

3) Annual maintenance expenses: \$ _____ 4) Annual taxes: \$ _____

5) Annual income generated from property: \$ _____

6) City assessed value: \$ _____ Equalization rate: _____ Estimated Market Value: \$ _____

7) Appraised Value: \$ _____ Appraiser: _____ Date: _____

Appraisal Assumptions: _____

B. Has property been listed for sale with the Multiple Listing Service (MLS)? Yes If "yes", for how long? _____ No

1) Original listing date(s): _____ Original listing price: \$ _____

If listing price was reduced, describe when and to what extent: _____

2) Has the property been advertised in the newspapers or other publications? Yes No

If yes, describe frequency and name of publications: _____

3) Has the property had a "For Sale" sign posted on it? Yes No

If yes, list dates when sign was posted: _____

4) How many times has the property been shown and with what results? _____

2. That the financial hardship relating to this property is unique and does not apply to a substantial portion of the neighborhood. Difficulties shared with numerous other properties in the same neighborhood or district would not satisfy this requirement. This previously identified financial hardship is unique for the following reasons:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) See attached Exhibit C.

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
See Attached Exhibit B		

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- I. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

As described in the Narrative two prior plans were fully developed with regard to this site. One involved the adaptive reuse of the existing structure and the other the demolition of th existing structure. This Project attempts to use the concepts that were previously approved to construct condominiums consistent in mass, scale and design with the neighborhood while proposing a use of the land that is economically viable to finance, build and sell. There is no other adjacent land for sale and building two large single structures up to the permitted 70ft would not be consistent with the neighborhood.

2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

As depicted on the attached plans, elevations and streetscapes, the proposed buildings are consistent with the buildings throughout the neighborhood. Most of the original Skidmore buildings have been converted into multi-family structures. The City of Saratoga Springs has recognized this by modifying the Union Avenue property from Institutional Education Zoning to UR-4 (See October 1990 adopted Zoning Map). The removal of a vacant Moore Hall and construction of those residential units will be to the benefit of the nearby properties and be significantly more consistent with the streetscape of Union Avenue and White Street.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

The reality of this undertaking is that larger numbers of multi-family dwellings are needed to replace the previously approved Moore Hall. The front yard setback for the Union Avenue building is maintained and is at a point that is consistent with the existing structures in close proximity on the south side of Union Avenue. The building on White Street is generally in line with other structures on that side of the street. The placement of the structures on North Lane are also consistent with neighboring improvements. The use of the "build-to line" also allows for structure placement that will allow for the optimum consistency with neighboring structures. Finally, the term "substantial" is not merely a request for a mathematical calculation. It calls on the Board to review "substantiality" in the context of the existing and historic neighborhood. In this case, the requested variances are not "substantial".

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

The use of this Property as proposed is consistent not only with the Zoning Code, but the stated "Intent" for this particular Zone. The placement and size of the structure will be consistent with other historic buildings in this area of the City. There will be no demand or requirement to use on-street parking for the proposed number of units. The granting of this variance will replace, with a permitted use, a structure that is wholly inconsistent with the neighborhood and, as a result, will have a positive effect on the neighborhood.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

The proposed need for Area Variance, may be self-created, but the adaptive re-use of the legal pre-existing, non-conforming structure, did not appear to be consistent with the wishes of many neighbors.

As a result, the construction of an economically viable Project consistent in mass and size with the neighborhood had to be designed. That is what has been done with the proposed utilization of this site. As a result, with the use of some "Area Variances" we have self-created a Project that is consistent with the neighborhood as it actually exists today.

In accord with Article 240-14.4A(1)(b)(6) of the Zoning Ordinance, "any request for an area variance, which shall effect a change in density, shall be applied for and considered as a use variance and decided under criteria for the same". A request that involves any of the following relief will require an application for a use variance and will be decided under the use variance criteria:

- (1) Dimensional relief from minimum lot size requirements that would allow additional permitted units and/or uses
- (2) Relief from on site parking requirements
- (3) Reduction in land area requirements for multi-family units

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

EXHIBIT A

Narrative

The history of Skidmore College within Saratoga Springs is that of a quality institution of higher education that has transitioned from approximately 1100 students in 1957 and 80 buildings predominately in the Union Avenue section of the City to its present location on North Broadway. As the college grew so did its need for a more centralized dormitory facility and cafeteria. As a result, in approximately 1957 Moore Hall was completed and dedicated. This facility, with associated parking, spreads from the south side of Union Avenue, across North Lane and up to the north border of White Street. The building itself is constructed of steel and concrete and, if properly maintained, will continue to be a viable structure for decades to come.

Moore Hall continued to be used as a remote Skidmore dormitory until the turn of the Century when it was sold to 46 Union Avenue, LLC, which intended to demolish the building and replace it with a very high end condominium project. The Project for this redevelopment of the site proved not to be an economically viable project, and as a result, the building remained vacant.

In 2014-2015, amid the communal request to find a more affordable living option for the workers in Saratoga Springs, a project was presented to convert the existing building into 53 residential units. This application, which continues to be before the municipal land use boards, brought forth the concept of urban “micro apartments” to reduce the individual units’ size and thus rental costs. Although the proximity of the structure to the urban core of the City was ideal for eliminating the need for the tenants to own and/or operate a motor vehicle, this application is opposed by many of the neighbors, because of the need for on street parking. As a result, Moore Hall continues to be vacant and looms over this important entrance to the City.

Project

There are certain realities that exist with this site. The only reasonable adaptive reuse of Moore Hall is not acceptable to many of the neighbors and the previously approved condominium project was not large enough to absorb the cost associated with the full redevelopment of this real property.

As a result, this Project presents a proposed use of this site that is consistent in mass, scale and design with this location and neighborhood, presents on-site parking in full compliance with the Zoning Code, is economically viable, and will result in the removal of Moore Hall from the street scape.

The four tax parcels that are to be used are all located in the UR-4 Zone. As depicted on the Plans, elevations and maps attached, the integrated Project consists of 22 units on the Union Avenue Parcel consisting of 18 units in the structure predominantly facing Union Avenue and two (2) units each in the two (2) connected building on the north side of North Lane. The parcel extending from White Street on the south to the south side of North Lane will consist of three (3) units structure facing White Street and one unit on the north side of the site adjacent to North

Lane for a total of twenty six (26) total units in the project. As specified above, all buildings in this land owner's association will have on-site parking as required by the Code.

To give the developer minor flexibility with regard to the placement of the structures, we are seeking Area Variances that are based on a "build-to" line and not the specific location of the overhang roof line of any one of the structures.

The structures on the Union Avenue parcel will share a foundation that connected all proposed buildings so that only one principal structure is being constructed on that Parcel. The Parcel on White Street will contain one 3 unit building and a single unit building. Section 2.3 (A)(2) and (3) of the City Zoning Code allows for more than one principal building on a lot in this zone.

Table 1 set out in Section Two of the Zoning Code specifies that the Urban Residential 4 (UR-4) Zone of the City is set up to "accommodate a mix of single family, two family and multi-family uses". That is exactly and specifically what this Project is intended to achieve.

EXHIBIT B

Union Avenue frontage

Description	From	To
Side yard setback (West and East)	One side 20 min (total 45)	10 (each side)
Total side yard setback	45	20
Rear yard setback (North Lane)	25	16
Building Lot coverage	25%	52.3%
Density per residential unit	3,000 sf/unit	1901 sf/unit

White Street frontage

Description	From	To
Side yard setback (West and East)	One side 20 min (total 45)	10 (each side)
Total side yard setback	45	20
Front yard setback (White Street)	25	5
Rear yard setback (North Lane)	25	10

Advisory Opinion required from Saratoga County Planning Board

**Full Environmental Assessment Form
Part 1 - Project and Setting**

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the project sponsor to verify that the information contained in Part 1 is accurate and complete.

A. Project and Sponsor Information.

Name of Action or Project: Moore Hall Redevelopment (46 Union Ave. & 35 White Street)		
Project Location (describe, and attach a general location map): 46 Union Avenue and 35 White Street, Saratoga Springs		
Brief Description of Proposed Action (include purpose or need): To re-develop the existing parcels to include 26 residential condominiums. The building on Union Avenue will include 18 units, there are four carriage house/townhouse units with entrances onto North Lane, three row house units front on White Street.		
Name of Applicant/Sponsor: Moore Hall, LLC	Telephone: [REDACTED]	E-Mail: [REDACTED]
Address: 18 Division Street, Suite 401		
City/PO: Saratoga Springs	State: NY	Zip Code: 12866
Project Contact (if not same as sponsor; give name and title/role):	Telephone:	E-Mail:
Address:		
City/PO:	State:	Zip Code:
Property Owner (if not same as sponsor): 46 Union Avenue, LLC	Telephone: [REDACTED]	E-Mail: [REDACTED]
Address: 300 South Division Street		
City/PO: Buffalo	State: NY	Zip Code: 14204

B. Government Approvals

B. Government Approvals Funding, or Sponsorship. (“Funding” includes grants, loans, tax relief, and any other forms of financial assistance.)

Government Entity	If Yes: Identify Agency and Approval(s) Required	Application Date (Actual or projected)
a. City Council, Town Board, <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No or Village Board of Trustees		
b. City, Town or Village Planning Board or Commission <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Saratoga Springs Planning Board Site Plan Approval	April 2016
c. City Council, Town or Village Zoning Board of Appeals <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Saratoga Springs Zoning Board Area Variances	March 2016
d. Other local agencies <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Saratoga Springs; Historic Review Approval from Design Review Commission	April 2016
e. County agencies <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	Saratoga County Planning Board Advisory opinion	March 2016
f. Regional agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
g. State agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
h. Federal agencies <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No		
i. Coastal Resources. <i>i.</i> Is the project site within a Coastal Area, or the waterfront area of a Designated Inland Waterway? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes, <i>ii.</i> Is the project site located in a community with an approved Local Waterfront Revitalization Program? <input type="checkbox"/> Yes <input type="checkbox"/> No <i>iii.</i> Is the project site within a Coastal Erosion Hazard Area? <input type="checkbox"/> Yes <input type="checkbox"/> No		

C. Planning and Zoning

C.1. Planning and zoning actions.

Will administrative or legislative adoption, or amendment of a plan, local law, ordinance, rule or regulation be the only approval(s) which must be granted to enable the proposed action to proceed? Yes No

- If Yes, complete sections C, F and G.
- If No, proceed to question C.2 and complete all remaining sections and questions in Part 1

C.2. Adopted land use plans.

a. Do any municipally- adopted (city, town, village or county) comprehensive land use plan(s) include the site where the proposed action would be located? Yes No

If Yes, does the comprehensive plan include specific recommendations for the site where the proposed action would be located? Yes No

b. Is the site of the proposed action within any local or regional special planning district (for example: Greenway Brownfield Opportunity Area (BOA); designated State or Federal heritage area; watershed management plan; or other?) Yes No

If Yes, identify the plan(s):

c. Is the proposed action located wholly or partially within an area listed in an adopted municipal open space plan, or an adopted municipal farmland protection plan? Yes No

If Yes, identify the plan(s):

C.3. Zoning

a. Is the site of the proposed action located in a municipality with an adopted zoning law or ordinance. Yes No
If Yes, what is the zoning classification(s) including any applicable overlay district?
UR-4

b. Is the use permitted or allowed by a special or conditional use permit? Yes No

c. Is a zoning change requested as part of the proposed action? Yes No
If Yes,
i. What is the proposed new zoning for the site? _____

C.4. Existing community services.

a. In what school district is the project site located? Saratoga Springs City School District

b. What police or other public protection forces serve the project site?
City of Saratoga Springs

c. Which fire protection and emergency medical services serve the project site?
City of Saratoga Springs

d. What parks serve the project site?
All parks with the City Limits

D. Project Details

D.1. Proposed and Potential Development

a. What is the general nature of the proposed action (e.g., residential, industrial, commercial, recreational; if mixed, include all components)? Residential

b. a. Total acreage of the site of the proposed action? _____ 1.29 acres
b. Total acreage to be physically disturbed? _____ 1.29 acres
c. Total acreage (project site and any contiguous properties) owned or controlled by the applicant or project sponsor? _____ 1.29 acres

c. Is the proposed action an expansion of an existing project or use? Yes No
i. If Yes, what is the approximate percentage of the proposed expansion and identify the units (e.g., acres, miles, housing units, square feet)? % _____ Units: _____

d. Is the proposed action a subdivision, or does it include a subdivision? Yes No
If Yes,
i. Purpose or type of subdivision? (e.g., residential, industrial, commercial; if mixed, specify types) _____
ii. Is a cluster/conservation layout proposed? Yes No
iii. Number of lots proposed? _____
iv. Minimum and maximum proposed lot sizes? Minimum _____ Maximum _____

e. Will proposed action be constructed in multiple phases? Yes No
i. If No, anticipated period of construction: _____ 12 months
ii. If Yes:
• Total number of phases anticipated _____
• Anticipated commencement date of phase 1 (including demolition) _____ month _____ year
• Anticipated completion date of final phase _____ month _____ year
• Generally describe connections or relationships among phases, including any contingencies where progress of one phase may determine timing or duration of future phases: _____

f. Does the project include new residential uses? Yes No
 If Yes, show numbers of units proposed.

	<u>One Family</u>	<u>Two Family</u>	<u>Three Family</u>	<u>Multiple Family (four or more)</u>
Initial Phase	_____	_____	_____	26 condominiums
At completion of all phases	_____	_____	_____	26 condominiums

g. Does the proposed action include new non-residential construction (including expansions)? Yes No
 If Yes,

i. Total number of structures _____
 ii. Dimensions (in feet) of largest proposed structure: _____ height; _____ width; and _____ length
 iii. Approximate extent of building space to be heated or cooled: _____ square feet

h. Does the proposed action include construction or other activities that will result in the impoundment of any liquids, such as creation of a water supply, reservoir, pond, lake, waste lagoon or other storage? Yes No
 If Yes,

i. Purpose of the impoundment: _____
 ii. If a water impoundment, the principal source of the water: Ground water Surface water streams Other specify: _____
 iii. If other than water, identify the type of impounded/contained liquids and their source. _____
 iv. Approximate size of the proposed impoundment. Volume: _____ million gallons; surface area: _____ acres
 v. Dimensions of the proposed dam or impounding structure: _____ height; _____ length
 vi. Construction method/materials for the proposed dam or impounding structure (e.g., earth fill, rock, wood, concrete): _____

D.2. Project Operations

a. Does the proposed action include any excavation, mining, or dredging, during construction, operations, or both? (Not including general site preparation, grading or installation of utilities or foundations where all excavated materials will remain onsite) Yes No
 If Yes:

i. What is the purpose of the excavation or dredging? Foundation excavation
 ii. How much material (including rock, earth, sediments, etc.) is proposed to be removed from the site?
 • Volume (specify tons or cubic yards): 25 tons
 • Over what duration of time? 6 weeks
 iii. Describe nature and characteristics of materials to be excavated or dredged, and plans to use, manage or dispose of them.
Concrete foundation from existing building
 iv. Will there be onsite dewatering or processing of excavated materials? Yes No
 If yes, describe. _____
 v. What is the total area to be dredged or excavated? _____ .75 acres
 vi. What is the maximum area to be worked at any one time? _____ .75 acres
 vii. What would be the maximum depth of excavation or dredging? _____ 6 feet
 viii. Will the excavation require blasting? Yes No
 ix. Summarize site reclamation goals and plan: _____
The excavated foundation will be the site of new structures or parking.

b. Would the proposed action cause or result in alteration of, increase or decrease in size of, or encroachment into any existing wetland, waterbody, shoreline, beach or adjacent area? Yes No
 If Yes:

i. Identify the wetland or waterbody which would be affected (by name, water index number, wetland map number or geographic description): _____

ii. Describe how the proposed action would affect that waterbody or wetland, e.g. excavation, fill, placement of structures, or alteration of channels, banks and shorelines. Indicate extent of activities, alterations and additions in square feet or acres:

iii. Will proposed action cause or result in disturbance to bottom sediments? Yes No

If Yes, describe: _____

iv. Will proposed action cause or result in the destruction or removal of aquatic vegetation? Yes No

If Yes:

- acres of aquatic vegetation proposed to be removed _____
- expected acreage of aquatic vegetation proposed to be removed _____
- purpose of proposed removal (e.g. beach clearing, invasive species control, boat access): _____

• proposed method of plant removal: _____

• if chemical/herbicide treatment will be used, specify product(s): _____

v. Describe any proposed reclamation/mitigation following disturbance: _____

c. Will the proposed action use, or create a new demand for water? Yes No

If Yes: Existing 53 room dormitory and dining hall - approx. 12,000 gal/day

i. Total anticipated water usage/demand per day: _____ 6,600 gallons/day

ii. Will the proposed action obtain water from an existing public water supply? Yes No

If Yes:

- Name of district or service area: Saratoga Springs
- Does the existing public water supply have capacity to serve the proposal? Yes No
- Is the project site in the existing district? Yes No
- Is expansion of the district needed? Yes No
- Do existing lines serve the project site? Yes No

iii. Will line extension within an existing district be necessary to supply the project? Yes No

If Yes:

• Describe extensions or capacity expansions proposed to serve this project: _____

• Source(s) of supply for the district: Saratoga Springs

iv. Is a new water supply district or service area proposed to be formed to serve the project site? Yes No

If, Yes:

- Applicant/sponsor for new district: _____
- Date application submitted or anticipated: _____
- Proposed source(s) of supply for new district: _____

v. If a public water supply will not be used, describe plans to provide water supply for the project: _____

vi. If water supply will be from wells (public or private), maximum pumping capacity: _____ gallons/minute.

d. Will the proposed action generate liquid wastes? Yes No

If Yes: Existing 53 room dormitory and dining hall - approx. 12,000 gal/day

i. Total anticipated liquid waste generation per day: _____ 6,600 gallons/day

ii. Nature of liquid wastes to be generated (e.g., sanitary wastewater, industrial; if combination, describe all components and approximate volumes or proportions of each): _____
Sanitary waste

iii. Will the proposed action use any existing public wastewater treatment facilities? Yes No

If Yes:

- Name of wastewater treatment plant to be used: Saratoga County Sewer District #1
- Name of district: Saratoga County Sewer District #1
- Does the existing wastewater treatment plant have capacity to serve the project? Yes No
- Is the project site in the existing district? Yes No
- Is expansion of the district needed? Yes No

- Do existing sewer lines serve the project site? Yes No
- Will line extension within an existing district be necessary to serve the project? Yes No

If Yes:

- Describe extensions or capacity expansions proposed to serve this project: _____

- iv. Will a new wastewater (sewage) treatment district be formed to serve the project site? Yes No

If Yes:

- Applicant/sponsor for new district: _____
- Date application submitted or anticipated: _____
- What is the receiving water for the wastewater discharge? _____

- v. If public facilities will not be used, describe plans to provide wastewater treatment for the project, including specifying proposed receiving water (name and classification if surface discharge, or describe subsurface disposal plans):

- vi. Describe any plans or designs to capture, recycle or reuse liquid waste: _____

- e. Will the proposed action disturb more than one acre and create stormwater runoff, either from new point sources (i.e. ditches, pipes, swales, curbs, gutters or other concentrated flows of stormwater) or non-point source (i.e. sheet flow) during construction or post construction? Yes No

If Yes:

- i. How much impervious surface will the project create in relation to total size of project parcel?

_____ Square feet or .96 acres (impervious surface) .88 acres existing

_____ Square feet or 1.29 acres (parcel size)

- ii. Describe types of new point sources. the redevelopment project will have storm pipe connections to existing city storm system. Connections to system exist as part of current development.

- iii. Where will the stormwater runoff be directed (i.e. on-site stormwater management facility/structures, adjacent properties, groundwater, on-site surface water or off-site surface waters)?

Stormwater runoff will be collected on site for infiltration and detention.

- If to surface waters, identify receiving water bodies or wetlands: _____

- Will stormwater runoff flow to adjacent properties? Yes No

- iv. Does proposed plan minimize impervious surfaces, use pervious materials or collect and re-use stormwater? Yes No

- f. Does the proposed action include, or will it use on-site, one or more sources of air emissions, including fuel combustion, waste incineration, or other processes or operations? Yes No

If Yes, identify:

- i. Mobile sources during project operations (e.g., heavy equipment, fleet or delivery vehicles)

- ii. Stationary sources during construction (e.g., power generation, structural heating, batch plant, crushers)

- iii. Stationary sources during operations (e.g., process emissions, large boilers, electric generation)

- g. Will any air emission sources named in D.2.f (above), require a NY State Air Registration, Air Facility Permit, or Federal Clean Air Act Title IV or Title V Permit? Yes No

If Yes:

- i. Is the project site located in an Air quality non-attainment area? (Area routinely or periodically fails to meet ambient air quality standards for all or some parts of the year) Yes No

- ii. In addition to emissions as calculated in the application, the project will generate:

- _____ Tons/year (short tons) of Carbon Dioxide (CO₂)
- _____ Tons/year (short tons) of Nitrous Oxide (N₂O)
- _____ Tons/year (short tons) of Perfluorocarbons (PFCs)
- _____ Tons/year (short tons) of Sulfur Hexafluoride (SF₆)
- _____ Tons/year (short tons) of Carbon Dioxide equivalent of Hydrofluorocarbons (HFCs)
- _____ Tons/year (short tons) of Hazardous Air Pollutants (HAPs)

h. Will the proposed action generate or emit methane (including, but not limited to, sewage treatment plants, landfills, composting facilities)? Yes No

If Yes:

- i. Estimate methane generation in tons/year (metric): _____
- ii. Describe any methane capture, control or elimination measures included in project design (e.g., combustion to generate heat or electricity, flaring): _____

i. Will the proposed action result in the release of air pollutants from open-air operations or processes, such as quarry or landfill operations? Yes No

If Yes: Describe operations and nature of emissions (e.g., diesel exhaust, rock particulates/dust): _____

j. Will the proposed action result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services? Yes No

If Yes:

- i. When is the peak traffic expected (Check all that apply): Morning Evening Weekend
 Randomly between hours of _____ to _____.
- ii. For commercial activities only, projected number of semi-trailer truck trips/day: _____
- iii. Parking spaces: Existing _____ Proposed _____ Net increase/decrease _____
- iv. Does the proposed action include any shared use parking? Yes No
- v. If the proposed action includes any modification of existing roads, creation of new roads or change in existing access, describe: _____

vi. Are public/private transportation service(s) or facilities available within 1/2 mile of the proposed site? Yes No

vii. Will the proposed action include access to public transportation or accommodations for use of hybrid, electric or other alternative fueled vehicles? Yes No

viii. Will the proposed action include plans for pedestrian or bicycle accommodations for connections to existing pedestrian or bicycle routes? Yes No

k. Will the proposed action (for commercial or industrial projects only) generate new or additional demand for energy? Yes No

If Yes:

- i. Estimate annual electricity demand during operation of the proposed action: _____
420,000 kWh
- ii. Anticipated sources/suppliers of electricity for the project (e.g., on-site combustion, on-site renewable, via grid/local utility, or other):
Local grid utility
- iii. Will the proposed action require a new, or an upgrade to, an existing substation? Yes No

l. Hours of operation. Answer all items which apply.

i. During Construction:

- Monday - Friday: _____ 7 am - 9 pm
- Saturday: _____ 7 am - 9 pm
- Sunday: _____ 7 am - 9 pm
- Holidays: _____

ii. During Operations:

- Monday - Friday: _____ 24 Hours - residential
- Saturday: _____ 24 Hours - residential
- Sunday: _____ 24 Hours - residential
- Holidays: _____ 24 Hours - residential

m. Will the proposed action produce noise that will exceed existing ambient noise levels during construction, operation, or both? Yes No
 If yes:
 i. Provide details including sources, time of day and duration:
 Construction and Demolition Activities _____

ii. Will proposed action remove existing natural barriers that could act as a noise barrier or screen? Yes No
 Describe: _____

n.. Will the proposed action have outdoor lighting? Yes No
 If yes:
 i. Describe source(s), location(s), height of fixture(s), direction/aim, and proximity to nearest occupied structures:
 Lighting will be included for building entrances and exits, low level lighting along walks, dark-sky friendly lighting for parking spaces between building.

ii. Will proposed action remove existing natural barriers that could act as a light barrier or screen? Yes No
 Describe: _____

o. Does the proposed action have the potential to produce odors for more than one hour per day? Yes No
 If Yes, describe possible sources, potential frequency and duration of odor emissions, and proximity to nearest occupied structures: _____

p. Will the proposed action include any bulk storage of petroleum (combined capacity of over 1,100 gallons) or chemical products (185 gallons in above ground storage or an amount in underground storage)? Yes No
 If Yes:
 i. Product(s) to be stored _____
 ii. Volume(s) _____ per unit time _____ (e.g., month, year)
 iii. Generally describe proposed storage facilities: _____

q. Will the proposed action (commercial, industrial and recreational projects only) use pesticides (i.e., herbicides, insecticides) during construction or operation? Yes No
 If Yes:
 i. Describe proposed treatment(s):

ii. Will the proposed action use Integrated Pest Management Practices? Yes No

r. Will the proposed action (commercial or industrial projects only) involve or require the management or disposal of solid waste (excluding hazardous materials)? Yes No
 If Yes:
 i. Describe any solid waste(s) to be generated during construction or operation of the facility:
 • Construction: _____ 4 tons per _____ 12 months (unit of time)
 • Operation : _____ 1 tons per _____ 1 month (unit of time)
 ii. Describe any proposals for on-site minimization, recycling or reuse of materials to avoid disposal as solid waste:
 • Construction: Cardboard recycling

 • Operation: Recycling of all recyclable materials

 iii. Proposed disposal methods/facilities for solid waste generated on-site:
 • Construction: Local Hauler

 • Operation: Local Hauler

s. Does the proposed action include construction or modification of a solid waste management facility? Yes No

If Yes:

- i. Type of management or handling of waste proposed for the site (e.g., recycling or transfer station, composting, landfill, or other disposal activities): _____
- ii. Anticipated rate of disposal/processing:
 - _____ Tons/month, if transfer or other non-combustion/thermal treatment, or
 - _____ Tons/hour, if combustion or thermal treatment
- iii. If landfill, anticipated site life: _____ years

t. Will proposed action at the site involve the commercial generation, treatment, storage, or disposal of hazardous waste? Yes No

If Yes:

- i. Name(s) of all hazardous wastes or constituents to be generated, handled or managed at facility: _____
Diasposal of Friable asbestos before building demolition
- ii. Generally describe processes or activities involving hazardous wastes or constituents: _____
An abatement contractor removes the identified materials and disposes of them in the proper way. It is a one time handling of the hazardous material. It is not on going.
- iii. Specify amount to be handled or generated _____ tons/month **20 tons total**
- iv. Describe any proposals for on-site minimization, recycling or reuse of hazardous constituents: _____
- v. Will any hazardous wastes be disposed at an existing offsite hazardous waste facility? Yes No

If Yes: provide name and location of facility: _____
Albany Landfill

If No: describe proposed management of any hazardous wastes which will not be sent to a hazardous waste facility:

E. Site and Setting of Proposed Action

E.1. Land uses on and surrounding the project site

a. Existing land uses.

i. Check all uses that occur on, adjoining and near the project site.

- Urban Industrial Commercial Residential (suburban) Rural (non-farm)
- Forest Agriculture Aquatic Other (specify): Multi-family, Educational, Parkland, Mixed use office/residential

ii. If mix of uses, generally describe:

b. Land uses and covertypes on the project site.

Land use or Covertype	Current Acreage	Acreage After Project Completion	Change (Acres +/-)
• Roads, buildings, and other paved or impervious surfaces	.88	.96	+ .08
• Forested			
• Meadows, grasslands or brushlands (non-agricultural, including abandoned agricultural)			
• Agricultural (includes active orchards, field, greenhouse etc.)			
• Surface water features (lakes, ponds, streams, rivers, etc.)			
• Wetlands (freshwater or tidal)			
• Non-vegetated (bare rock, earth or fill)			
• Other Describe: <u>Lawn</u>	.41	.33	- .08

c. Is the project site presently used by members of the community for public recreation? Yes No
 i. If Yes: explain: _____

d. Are there any facilities serving children, the elderly, people with disabilities (e.g., schools, hospitals, licensed day care centers, or group homes) within 1500 feet of the project site? Yes No
 If Yes,
 i. Identify Facilities:
 Empire State College, Katrina Trask Nursery School at Presbyterian Church, Waldorf School, _____

e. Does the project site contain an existing dam? Yes No
 If Yes:
 i. Dimensions of the dam and impoundment:
 • Dam height: _____ feet
 • Dam length: _____ feet
 • Surface area: _____ acres
 • Volume impounded: _____ gallons OR acre-feet
 ii. Dam's existing hazard classification: _____
 iii. Provide date and summarize results of last inspection:

f. Has the project site ever been used as a municipal, commercial or industrial solid waste management facility, or does the project site adjoin property which is now, or was at one time, used as a solid waste management facility? Yes No
 If Yes:
 i. Has the facility been formally closed? Yes No
 • If yes, cite sources/documentation: _____
 ii. Describe the location of the project site relative to the boundaries of the solid waste management facility:

 iii. Describe any development constraints due to the prior solid waste activities: _____

g. Have hazardous wastes been generated, treated and/or disposed of at the site, or does the project site adjoin property which is now or was at one time used to commercially treat, store and/or dispose of hazardous waste? Yes No
 If Yes:
 i. Describe waste(s) handled and waste management activities, including approximate time when activities occurred:

h. Potential contamination history. Has there been a reported spill at the proposed project site, or have any remedial actions been conducted at or adjacent to the proposed site? Yes No
 If Yes:
 i. Is any portion of the site listed on the NYSDEC Spills Incidents database or Environmental Site Remediation database? Check all that apply: Yes No
 Yes – Spills Incidents database Provide DEC ID number(s): _____
 Yes – Environmental Site Remediation database Provide DEC ID number(s): _____
 Neither database
 ii. If site has been subject of RCRA corrective activities, describe control measures: _____
 iii. Is the project within 2000 feet of any site in the NYSDEC Environmental Site Remediation database? Yes No
 If yes, provide DEC ID number(s): _____
 iv. If yes to (i), (ii) or (iii) above, describe current status of site(s):

v. Is the project site subject to an institutional control limiting property uses? Yes No

- If yes, DEC site ID number: _____
- Describe the type of institutional control (e.g., deed restriction or easement): _____
- Describe any use limitations: _____
- Describe any engineering controls: _____
- Will the project affect the institutional or engineering controls in place? Yes No
- Explain: _____

E.2. Natural Resources On or Near Project Site

a. What is the average depth to bedrock on the project site? _____ < 8 feet

b. Are there bedrock outcroppings on the project site? Yes No
 If Yes, what proportion of the site is comprised of bedrock outcroppings? _____ %

c. Predominant soil type(s) present on project site: WnA Windsor loamy sand _____ 100 %
 _____ %
 _____ %

d. What is the average depth to the water table on the project site? Average: _____ < 10 feet

e. Drainage status of project site soils: Well Drained: _____ 100 % of site
 Moderately Well Drained: _____ % of site
 Poorly Drained: _____ % of site

f. Approximate proportion of proposed action site with slopes: 0-10%: _____ 100 % of site
 10-15%: _____ % of site
 15% or greater: _____ % of site

g. Are there any unique geologic features on the project site? Yes No
 If Yes, describe: _____

h. Surface water features.

i. Does any portion of the project site contain wetlands or other waterbodies (including streams, rivers, ponds or lakes)? Yes No

ii. Do any wetlands or other waterbodies adjoin the project site? Yes No

If Yes to either *i* or *ii*, continue. If No, skip to E.2.i.

iii. Are any of the wetlands or waterbodies within or adjoining the project site regulated by any federal, state or local agency? Yes No

iv. For each identified regulated wetland and waterbody on the project site, provide the following information:

- Streams: Name _____ Classification _____
- Lakes or Ponds: Name _____ Classification _____
- Wetlands: Name _____ Approximate Size _____
- Wetland No. (if regulated by DEC) _____

v. Are any of the above water bodies listed in the most recent compilation of NYS water quality-impaired waterbodies? Yes No

If yes, name of impaired water body/bodies and basis for listing as impaired: _____

i. Is the project site in a designated Floodway? Yes No

j. Is the project site in the 100 year Floodplain? Yes No

k. Is the project site in the 500 year Floodplain? Yes No

l. Is the project site located over, or immediately adjoining, a primary, principal or sole source aquifer? Yes No
 If Yes:

i. Name of aquifer: _____

m. Identify the predominant wildlife species that occupy or use the project site: _____ Multiple bird species _____ Small rodents _____ Insects _____	
n. Does the project site contain a designated significant natural community? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes: i. Describe the habitat/community (composition, function, and basis for designation): _____ ii. Source(s) of description or evaluation: _____ iii. Extent of community/habitat: • Currently: _____ acres • Following completion of project as proposed: _____ acres • Gain or loss (indicate + or -): _____ acres	
o. Does project site contain any species of plant or animal that is listed by the federal government or NYS as endangered or threatened, or does it contain any areas identified as habitat for an endangered or threatened species? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
p. Does the project site contain any species of plant or animal that is listed by NYS as rare, or as a species of special concern? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No	
q. Is the project site or adjoining area currently used for hunting, trapping, fishing or shell fishing? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If yes, give a brief description of how the proposed action may affect that use: _____ _____	
E.3. Designated Public Resources On or Near Project Site	
a. Is the project site, or any portion of it, located in a designated agricultural district certified pursuant to Agriculture and Markets Law, Article 25-AA, Section 303 and 304? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes, provide county plus district name/number: _____	
b. Are agricultural lands consisting of highly productive soils present? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No i. If Yes: acreage(s) on project site? _____ ii. Source(s) of soil rating(s): _____	
c. Does the project site contain all or part of, or is it substantially contiguous to, a registered National Natural Landmark? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes: i. Nature of the natural landmark: <input type="checkbox"/> Biological Community <input type="checkbox"/> Geological Feature ii. Provide brief description of landmark, including values behind designation and approximate size/extent: _____ _____ _____	
d. Is the project site located in or does it adjoin a state listed Critical Environmental Area? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes: i. CEA name: _____ ii. Basis for designation: _____ iii. Designating agency and date: _____	

e. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on, or has been nominated by the NYS Board of Historic Preservation for inclusion on, the State or National Register of Historic Places? Yes No

If Yes:

i. Nature of historic/archaeological resource: Archaeological Site Historic Building or District

ii. Name: Saratoga Springs Downtown District, Union Avenue Historic District

iii. Brief description of attributes on which listing is based:
The structure is within the state listed district. (non-contributing structure)

f. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory? Yes No

g. Have additional archaeological or historic site(s) or resources been identified on the project site? Yes No

If Yes:

i. Describe possible resource(s): _____

ii. Basis for identification: _____

h. Is the project site within five miles of any officially designated and publicly accessible federal, state, or local scenic or aesthetic resource? Yes No

If Yes:

i. Identify resource: All city and state parks within the city limits, Yaddo, NYRA

ii. Nature of, or basis for, designation (e.g., established highway overlook, state or local park, state historic trail or scenic byway, etc.): State park, historic gardens, historic race track

iii. Distance between project and resource: _____ up to 5 miles.

i. Is the project site located within a designated river corridor under the Wild, Scenic and Recreational Rivers Program 6 NYCRR 666? Yes No

If Yes:

i. Identify the name of the river and its designation: _____

ii. Is the activity consistent with development restrictions contained in 6NYCRR Part 666? Yes No

F. Additional Information

Attach any additional information which may be needed to clarify your project.

If you have identified any adverse impacts which could be associated with your proposal, please describe those impacts plus any measures which you propose to avoid or minimize them.

G. Verification

I certify that the information provided is true to the best of my knowledge.

Re: DEC
Moore Hall Demolition & New Construction
28 Union Avenue, Saratoga Springs, NY 12866
16PR00001

Dear Mr. Hale:

Thank you for requesting the comments of the Office of Parks, Recreation and Historic Preservation (OPRHP).

At your request, OPRHP is providing you with our comments regarding the archaeological component of your project's review. During the review OPRHP considers the proposed project's impacts to previously identified archaeological sites as well as the likelihood of there being unidentified archaeological sites and whether or not the project could impact those archaeological resources.

After reviewing the project and our records we determined that there were no previously identified archaeological sites in the project area and the potential for unidentified archaeological deposits being present was limited due to substantial prior ground disturbance from previous development of the site.

OPRHP has no archaeological concerns with the proposed project. Please continue the consultation process as impacts to buildings and structures are still being evaluated by other staff members.

Sincerely,

Daniel A. Bagrow
Scientist (Archaeology)

Re: Moore Hall student residential building, Union Avenue
Town/City: City Of Saratoga Springs. County: Saratoga.

Dear Michael Hale:

In response to your recent request, we have reviewed the New York Natural Heritage Program database with respect to the above project.

We have no records of rare or state-listed animals or plants, or significant natural communities at your site or in its immediate vicinity.

The absence of data does not necessarily mean that rare or state-listed species, significant natural communities, or other significant habitats do not exist on or adjacent to the proposed site. Rather, our files currently do not contain information that indicates their presence. For most sites, comprehensive field surveys have not been conducted. We cannot provide a definitive statement on the presence or absence of all rare or state-listed species or significant natural communities. Depending on the nature of the project and the conditions at the project site, further information from on-site surveys or other resources may be required to fully assess impacts on biological resources.

This response applies only to known occurrences of rare or state-listed animals and plants, significant natural communities, and other significant habitats maintained in the Natural Heritage Database. Your project may require additional review or permits; for information regarding other permits that may be required under state law for regulated areas or activities (e.g., regulated wetlands), please contact the appropriate NYS DEC Regional Office, Division of Environmental Permits, as listed at www.dec.ny.gov/about/39381.html.

Sincerely,

A handwritten signature in black ink that reads "Nick Conrad".

RE: MOORE HALL PROJECT

1/2

1st of two pages

I have several concerns regarding the Moore Hall proposed buildings for White Street.

My Home faces White Street and is located in the northwest corner of the Moore Hall parking lot, facing out over an empty parking lot. It is bordered on three sides by the proposed project, and I am very concerned on several counts the primary being construction, and demolition vibration. The proposed three row house on white street is massive. I will loose my entire view and I am concerned that I will not get any direct sunlight during the winter. The sheer mass and scale of this one building is not in accord with the neighborhood. The proposed units are homes not an apartment building, and in order to be compatible with the neighborhood should be broken up into two separate units. This separation and reduction in size will look and feel like the homes on white street, as well as giving residents a little yard area.

I feel that the density of this project in total is too high. There should be some open areas available for residents, while allowing it to blend with the neighborhood house to yard ratio. If I were attempting to build a house with this small a ratio of building to land I would be denied.

My Primary concerns are;

1) Vibration due to construction which can cause structural damage. My Home is on the Historic registry and is over a hundred years old. It is constructed of soft brick and soft mortar and may well be susceptible to heavy vibration from demolition, construction and heavy traffic. My Home is bordered on three sides by this project and will be impacted more directly than any other properties. It is 30 feet from Moore Hall and very vulnerable, especially during demolition. I would like some guarantees that if structural damage occurs during or after the demolition, and construction process, that My Home will be restored to original condition.

2) Snow build up (from plowing) directly in front of my yard. I would also like to confirm that there will be a snow removal contract as there is nowhere to plow snow (ANYWHERE). I am also concerned that plowing of light snowfalls will cumulatively build up directly in front of my home (there is absolutely nowhere to plow snow anywhere in this project space).

3) Loss of any view except the back of this disproportionately large building

3) Loss of direct sun during the winter due to height and mass of new structure.

4) Inability to see the house from the street. My Home is on the historic Registry and was designed by ??????? a famous architect at the turn of the century. The house is a very beautiful little building. When viewed from White Street it is quite striking, but will be eclipsed and hidden behind all these new structures.

Thank you for your time and consideration

Richard Upton

RE: MOORE HALL PROJECT

1/4 1st of 4 pages

I am writing in protest to the 46 Union Ave building using the North Lane Alley as access for its parking. The access should be on Union Avenue, not North Lane Alley.

Using North lane Alley as parking access for the Union Avenue building will potentially allow hundreds of vehicles per day to be traveling down this narrow, quite Alley. This is more traffic than many of the streets in this neighborhood host during a typical day. Currently North Lane Alley gets 6 to 12 vehicles per day, not HUNDREDS. During the winter this narrow Alley is going to be further narrowed and compromised by snow and plowed snow drifts, limiting visibility, and making it even more dangerous to pedestrians and children.

North Lane is a narrow Alley not designed for Heavy Traffic. Many of the Homes, and buildings have only a two or three foot setback, and no room for a vehicle to maneuver in the event of a problem, especially during the winter with high snow drifts. Should the City require Hundreds of vehicles to use an Alley not designed to support this type of volume it will create an unsafe environment with foreseeable consequences. This is sufficient grounds to include the city in any Litigation should anyone be injured or killed, especially children.

Regent Street has three schools within a 1 1/2 block distance from one of North Lanes entrances, which results in considerable traffic congestions from car and busses picking up and dropping off students. The Waldorf school is on the corner of Regent and North Lane Alley, and has students wandering around as well as busses, parents vehicles, and teachers. Heavy traffic use and Children do not Mix. While North Lane Alley as an exit onto Clark Street has limited visibility of people moving along the sidewalk. (I have personally experienced this, and not seen pedestrians until the last minute). This is also a good reason to keep North Lane Alley a two way street.

Heavy traffic concerns in regards to the previous Moore Hall renovation proposal was one of the primary issues raised. It is my opinion that using North Lane Alley as the access for the Union Ave building will pose a significantly worse traffic and congestion problem. The previous proposed units were single bedroom, meaning one occupant in general. The current condo's are large family units, suggestive of two adults plus children. Parents work and shuttle kids to events, and if the children are of driving age the coming and going will be even higher. Additionally friends visiting, and being dropped off or picked up will add to traffic.

The statement of Hundreds of vehicles using North Lane Alley is not an exaggeration. Here's the math; 44 vehicles (two per condo, for 22 units) coming and going (which is 2 vehicle trips down Alley, ((to and from)).

44 vehicles x 2 (coming and going) x 2(trips) = 176 vehicles traveling through Alley.

44 vehicles x 2 (coming and going) x 3 (trips) = 264 vehicles traveling through Alley.

Twice a day; 176 vehicles traveling down the Alley.

Plus current vehicles, Plus additional traffic, Plus friends and dropoffs

Three a Day 264 vehicles traveling down the Alley.

Plus current vehicles, Plus additional traffic, Plus friends and dropoffs

These are reasonable numbers as these are large Family Unit Condo's, many of which will have children (who might also be playing around or in the Alley) so the number of vehicle trips could be higher.

North Lane Alley is very narrow with homes and buildings set close to the asphalt. Heavy traffic would be both annoying and dangerous to people living on the Alley. Examples of this, and my personal reasons for resisting using the Alley for access to a parking complex not located on North Lane Alley but rather Union Avenue are as follows.

Heavy Traffic will be Dangerous on North Lane Alley

- 1) Waldorf school located on the corner of North Lane Alley, and Regent Street. Children and teachers milling around, busses unloading and loading could be very dangerous
- 2) Heavy traffic congestion on Regent Street during different times of the day as the three schools begin and end. Parents drop off preschoolers and are distracted by thier children while crossing traffic Waldorf School busses, Parents dropping off Children, teachers parking cars and walking to the school
- 3) Vibration due to Heavy Traffic, and construction which can cause structural damage. My Home is on the Historic registry and is over a hundred years old. It is constructed of soft brick and soft mortar and may well be susceptible to heavy vibration from demolition, construction and heavy traffic. My Home is bordered on three sides by this project and will be impacted more directly than any other properties. It is 30 feet from Moore Hall and very vulnerable, especially during demolition, while heavy construction vehicles (cement mixers, dump trucks, heavily laden delivery trucks), and construction equipment pose there own hazards. I would like some guarantees that if structural damage occurs during or after the demolition, and construction process that My Home will be restored to original condition.
- 4) Snow removal from rooftops. Ladders close to or on the blacktop as people

rake snow off their roofs, are not going to be 100% focused on Heavy traffic moving down the Alley. While large snow drifts will limit visibility.

5) Gardening and Working on buildings which may again entail ladders close to or on the Alley. Many of the buildings on North Lane Alley have very narrow setbacks, sometimes only two feet.

6) Loading trucks which are parked for an indefinite period, blocking North Lane Alley. The only direct access I have to my buildings is from the Alley, and I periodically load and unload crates and boxes into a truck.

7) Noise pollution; Heavy traffic on North lane Alley would be very disturbing and disruptive.

8) Vibration due to heavy traffic, and demolition, construction, heavy construction vehicles

9) Vibration due to Heavy traffic, and construction which can cause structural damage. My Home is on the Historic registry and is over a hundred years old. It is constructed of soft brick and soft mortar and may well be susceptible to heavy vibration from demolition, construction and heavy traffic.

I WOULD ALSO LIKE TO STATE THAT I AM AGAINST NORTH LANE ALLEY BEING MADE ONE WAY.

A) North Lane Alley exiting onto Clark Street is dangerous, as it has limited visibility of pedestrians on the sidewalk. In the winter with large snow drifts and people bundled up it will be even worse. Add in an icy Alley and you could have flattened pedestrian.

B) North Lane Alley entering on Regent street will cause more congestion with three shoos on Regent St.

C) Snow will continuously be plowed onto my side of alley, blocking driveway and entrances. During a heavy snow season trucks may not even be able to plow continuously to one side as the drifts may be too large, especially with two to four foot setbacks on some of these buildings. the combination of small setbacks and and one direction plowing could force snow into and up the walls of existing structures resulting in severe damage.

D) Whenever I am loading or unloading my trucks the alley will be blocked and people can choose to access there homes by entering the alley from the other direction. Even if I move my truck every time someone approaches its going to delay traffic

Alley ways are for rear access to building for the purpose of deliveries (loading and unloading), trash pickup, and fire access, and for secondary living accommodations. Local residents also stroll down North Lane Alley during the summer to get away from traffic and have a quitter experience. North Lane Alley is not designed for heavy traffic use, especially for buildings not located on that Alley. They have no sidewalks, limited visibility when entering the alley, and limited room to move out of the way should a driver be distracted or be driving recklessly. These problems will be compounded significantly during the winter months.

Union Avenue parking entrance should be on Union Avenue. They can enter and drive down along the side of the building, turning behind it and enter the parking area. Upon leaving they would exit in the opposite direction, driving down the opposite side of the building and enter Union Avenue. They have sufficient room on the side of the building to make this feasible.

Thank you for your time and consideration

Richard Upton

Subject: RE: Moore Hall

Susan,

We have made some changes to the variances required. I will list the changes below. I will submit a modified variance plan to confirm these variances.

They did not change much.

Remove the yellow highlighted variances because building 5 moved and is now in conformance with the side yard setbacks.

Modify the green highlighted variance because the current version of the building will require this amount. It did fall within the previous 10' we proposed.

Modify the blue highlighted variance to adjust the setbacks to be consist with the zone.

Add three variances for Building 4 the one-unit building on North Lane.

Sideyard setback east side	Required 20'	Proposed 10'	Variance 10' (50%)
Sideyard setback west side	Required 20'	Proposed 14'	Variance 6' (30%)
Sideyard setback total	Required 45'	Proposed 24'	Variance 21' (47%)

Susan let me know if I am off base with any of these changes.

Talk to you later,

Matthew C. Brobston, RLA

Susan Barden, Senior Planner
City of Saratoga Springs
City Hall 474 Broadway
Saratoga Springs, NY 12866

RE: SCPB Referral Review#15-171-Area Variances-Moore Hall LLC/Bonacio

Proposal to demolish existing structures (previous 6-story college residence hall and cafeteria) and obtain variances (setback variances for front yard, side yard, rear yard, and variances for density and maximum building coverage) to construct 26 residential dwelling (condominium) units.
Union Avenue (NYS Route 9P) and White Street

Received from the City of Saratoga Springs Zoning Board of Appeals on March 23, 2016.

Reviewed by the Saratoga County Planning Board on April 21, 2016.

Decision: No Significant County Wide or Inter Community Impact

Previously, in September of 2006, the Saratoga County Planning Board reviewed a near-identical appeal for a special use permit and for area variances that was followed three months later by a referral for site plan review. On September 21, 2006 the SCPB rendered a recommendation of No Significant Countywide or Intercommunity Impact on the area variances and special use permit. On December 21, 2006 the county board approved the site plan associated with Norstar Development's proposal for demolition and construction of 18 residential condominium units. Prior to the Norstar application for redevelopment of the properties under review they were zoned Institutional, then re-zoned to UR-4, and remain so zoned now.

The review of area variances requires the board of appeals to conduct a test in which it considers the benefits sought by the applicant (through the proposed project) in balance with any potential detriment to a community's health, safety and welfare. Just as the previous proposals warranted positive recommendations from this body, we found the newly-proposed concepts as being consistent in mass, scale, and design with the neighborhood and warranting again a positive recommendation (No Significant...).

We noted that the 1.3 acres under consideration are split by an alley and front on two different streets (Union Ave. and White Street), accentuating the need for variances.

50 WEST HIGH STREET
BALLSTON SPA, NY 12020

(518) 884-4705 PHONE
(518) 884-4780 FAX

Additionally, there are no vacant parcels or adjacent lands/lots for sale which might help to minimize or eliminate the need for variances. It does not appear that the option of constructing two large structures up to the permitted height of 70 feet would create residential uses consistent with that of the existing neighborhood. Over the years since the college has relocated to its North Broadway campus, the surrounding neighborhood(s) has/have experienced the conversion of many large single-family residences and former college structures into multi-family residential buildings which have resulted in a mix of residential types along with apartments and offices. We see the proposed development as complementing the existing neighborhood.

In our review of the submitted materials and visits to the project site, we are aware that the same variances as approved in 2006 are being presented with this application (with only minor variation in degrees of measurement for some). We note that from the main visual approach of Union Avenue there is no front yard setback variance required. On White Street the required 25' setback is not met but it should be noted that the setbacks of existing residences are approximately at a build-to line or setback of 5' and the proposed construction is designed to match the context of the existing neighborhood. In regard to the appearance and context of new construction it should be noted that in the April 5, 2016 correspondence from OPRHP the project's demolition and new construction "will have no adverse impact upon the Union Avenue Historic District" if:

1. Bldg materials used are sympathetic to surrounding architecture and work well within the streetscape of the historic district, and
2. Setbacks and lawn areas on both streets are consistent with neighboring properties.

We understand that the project was before the city's DRC last Wednesday night (20th) and it appears that the project was seen as positive for the neighborhood and contextually presented no problem with mass of scale.

Michael Valentine, Senior Planner
Authorized Agent for Saratoga County

DISCLAIMER: Recommendations made by the Saratoga County Planning Board on referrals and subdivisions are based upon the receipt and review of a "full statement of such proposed action" provided directly to SCPB by the municipal referring agency as stated under General Municipal Law section 239. A determination of action is rendered by the SCPB based upon the completeness and accuracy of information presented by its staff. The SCPB cannot be accountable for a decision rendered through incomplete or inaccurate information received as part of the complete statement.

RE: MOORE HALL PROJECT 1/2 1st of two pages

I have several concerns regarding the Moore Hall proposed buildings for White Street.

I am not against the project, on the contrary it may add something to the area. The neighborhood residents also seem happy with the proposal. I just have a few concerns, some of them potentially serious.

My Home faces White Street and is located in the northwest corner of the Moore Hall parking lot, facing out over an empty parking lot. It is bordered on three sides by the proposed project, and I am very concerned on several counts the primary being demolition, and construction vibration. The proposed three row house on white street is massive. I will lose my entire view and I am concerned that I will not get any direct sunlight during the winter. The sheer mass and scale of this one building is not in accord with the neighborhood. The proposed units are homes not an apartment building, and in order to be compatible with the neighborhood should be broken up into two separate units. This separation and reduction in size will look and feel like the homes on white street, as well as giving residents a little yard area.

I feel that the density of this project in total is too high. There should be some open areas available for residents, which would allow it to blend with the neighborhood house to yard ratio. If the average homeowner were attempting to build a house with this small a ratio of building to land the Zoning and permits would be denied.

My Primary concerns are;

1) Vibration due to demolition, and construction which can cause structural damage. My Home was built in 1906, and is constructed of soft brick and soft mortar and may well be susceptible to heavy vibration from demolition, construction and heavy traffic. My Home is bordered on three sides by this project which will amplify vibration, impacting it more directly than any other properties. It is 30 feet from Moore Hall and very vulnerable, especially during demolition. I would like some guarantees that if structural damage occurs during or after the demolition, and construction process, that My Home will be restored to original condition.

2) Snow build up (from plowing) directly in front of my yard. I would also like to confirm that there will be a snow removal contract as there is nowhere to plow snow (ANYWHERE). I am also concerned that plowing of light snowfalls will cumulatively build up directly in front of my home (there is absolutely nowhere to plow snow anywhere in this project space).

3) Loss of any view except the back of this disproportionately large building

3) Loss of direct sun during the winter due to height and mass of new structure.

4) Inability to see the house from the street. My Home maybe on the historic Registry (still checking) and was designed by (still researching) a famous architect at the turn of the century. The home is a very beautiful little brick and mortar building built in 1906. When viewed from White Street it is quite striking, but will be eclipsed and hidden behind all these new structures.

Thank you for your time and consideration

Richard Upton

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

1. Property Address/Location: 2 Cherry Tree Lane Saratoga Springs Tax Parcel No.: 167 - 1 - 61
(for example: 165.52 - 4 - 37)

2. Date acquired by current owner: 2008 3. Zoning District when purchased: _____

4. Present use of property: Residence 5. Current Zoning District: _____

6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? _____ For what? _____)
 No

7. Is property located within (check all that apply): Historic District Architectural Review District 500' of a State Park, city boundary, or county/state highway? NA

8. Brief description of proposed action: Adding 2 car garage + breezeway

9. Is there a written violation for this parcel that is not the subject of this application? Yes No

10. Has the work, use or occupancy to which this appeal relates already begun? Yes No

11. Identify the type of appeal you are requesting (check all that apply):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) 2.3

Dimensional Requirements

From

To

30' SIDE SET BACK

30'

10'

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

1. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

There are no other alternatives than to place a 2 car garage where proposed. Needs to be next to current driveway of existing garage.

2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

It would not create an undesirable change. Most of our neighbors have 3-4 car garages, while we only have a 2 car garage. Adding the additional garage will make our house more consistent with the other houses on our street.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

We are a family of 5. We need the additional garage space for our children's vehicles & for pool ^{furniture} storage. If we don't add garage, we'll have to park additional cars on grass which would be more problematic for our neighbors.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

Will not have adverse physical or environmental effects:

①: ~~of~~ additional vehicles stored in garage rather than on road or yard.

② Pool furniture stored in garage & not on property.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

Our house was placed on property by our builder. We didn't realize house close one side of our house / driveway is to property line.

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

Re: Rex and Elisabeth Ruthman Variance application
3 Garside Drive, Saratoga Springs NY

Dear Ms. Barden

I enclose pages six and seven of the previously submitted application for a variance with area variance information properly inserted in the correct spaces. Please let me know if there is anything further I should do.

I note as a point of information, that the neighbor at five Garside Drive (Dunn) recently had work done along my southerly lot line including a new deck, fence and parking area that my surveyor advises includes a fence and paved parking area encroaching ten feet inside my southerly lot line. The work is new. The property has been owned by Dunn (from Barter) about three years or so. The encroachment is indicated on the survey maps provided with my application.

I mention this so there is no confusion, if there is a site visit and review regarding the proposed

location of my structure as effecting the neighbors, or if the neighbor at 5 Garside objects on the grounds of proximity to my proposed work. In any case the side yard encroachment does not bear upon the setback issue regarding Garside Road'

Nevertheless, the work at 5 Garside DOES raise a question: How did the deck, fence and etc. for 5 Garside get approved, clearly outside any building envelope for lot 5 Garside, without ME getting a notice of any request for a variance? I would have been agreeable to any variance but not any permitting an encroachment.

I have put the neighbor on notice of the encroachment identified by the survey and frankly don't know what reaction there will be.

Very truly yours

Rex S. Ruthman

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

The variance requested is not substantial

[1] It would not change the character or use of the land.

[2] It would not be inconsistent with the existing neighborhood

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

The variance will not have an adverse physical or environmental effect. In fact it will stabilize and protect wetland resources and uncontrolled runoff from the Applicant site into the lake; It will stabilize a steep slope area and the adjacent roadway; it will not adversely affect lake views, but rather preserve them compared to construction closer to the lake front.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

The hardship was not self created. At the time of purchase of the lot for 180,000 Applicant relied upon approved Subdivision plat that did not reference any site restriction related to the topography, the lake front, etc. The Plat did reference elevations and included a 100 year flood notation but nothing indicating the lot was not buildable as shown on the approved subdivision plat, which specified a building envelope with no noted restriction.

No restriction of any kind was known until Applicant was told that his application for a Building Permit would require a letter from DEC regarding wetlands. IN the process of contacting DEC, Applicant was told there were no NYS wetlands, but Applicant should also check the United States Army Corps of Engineers for federal wetlands. There were none of record, but Applicant was nevertheless directed to do a wetland survey, which was done at Applicant's expense, resulting in a wetland area that reduced the building envelope to approximately eighteen feet, which was about twelve feet inside the foundation of the proposed home, and several more feet inside a retaining wall required to stabilize the lot for construction. (see site maps submitted)

As a result of the original 25 foot set back, combined with the wetland determination well after subdivision approval, applicant has no practical way to build within the site envelope and requires a variance. Even with a variance the proposed structure will not be buildable without USAC permit to fill in part of the wetland established. Applicant needs the variance to mitigate the Wetland intrusion, and believes the resulting adjustments will serve the purposes of the original PUD, the Subdivision Plat, and Federal Wetland regulatory guidelines.

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):
C -127: (Green Acres PUD)

The applicant requests relief from the following Zoning Ordinance article(s) _____

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
Extend building envelope shown on subdivision plan by ten feet	25' from Garside	10' from Garside
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Other: _____
My basic request is permission to build a @28 x 40 residence within fifteen feet of Garside instead of twenty five, because of a wetland now established that leaves about 43 feet of buildable lot depth including the present 25 foot setback.

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- 1. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

I have applied for a permit to fill in the federal wetland (the application has been submitted herewith) but even if granted, a federal permit would NOT permit construction of the proposed residence unless the requested variance were also granted.

There is no other available relief except a variance, and in fact, if a federal wetland permit is denied, I will have to abandon the submitted building permit application entirely. There would not be sufficient area to build another structure more than ten feet deep and still leave necessary space to construct a required retaining wall.

There is no additional land available between Garside drive and Saratoga Lake, and side yard spaces are not an issue.

- 2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

Existing adjacent properties at 1 and 5 Garside Drive would actually benefit by having the applicant construct with the least intrusion of their lake views, which the requested set back would accomplish.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

3 Garside Drive, Saratoga NY 180.17-1 -19
 1. Property Address/Location: _____ Tax Parcel No.: _____
 (for example: 165.52 - 4 - 37)
 2. Date acquired by current owner: 1/20/2006 3. Zoning District when purchased: PUD
 vacant PUD(Green Acres)
 4. Present use of property: _____ 5. Current Zoning District: _____
 6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? _____ For what? _____)
 No
 7. Is property located within (check all that apply)? Historic District Architectural Review District
 500' of a State Park, city boundary, or county/state highway?
 8. Brief description of proposed action: _____
 To secure a variance of the "set Back" of 25 feet, as provided in the PUD Legislation for the subject lot. The reason is a determination of federally regulated wetlands within the building envelope to an extent prohibiting use of the entire lot.

9. Is there a written violation for this parcel that is not the subject of this application? Yes No

10. Has the work, use or occupancy to which this appeal relates already begun? Yes No

11. Identify the type of appeal you are requesting (check all that apply):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:
 Zoning Ordinance, Appendices, C-127 "Green Acres PUD" (see submission "APPENDIX C" provided herewith.
 Section(s) _____

2. How do you request that this section be interpreted? _____
 I request that the "building envelope" detailed on the Subdivision Map be varied to permit construction of a residence within fifteen feet of Garside Road, rather than the twenty five feet provided, to allow adjustment because of Federally Delineated wetlands in the approved bulding envelope, making its original permitted use impossible. (See wetlands designation, Exhibit "H" provided herewith.

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No
4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area
3. Date original variance expired: _____
5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

USE VARIANCE -- PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

A use variance is requested to permit the following: _____

For the Zoning Board to grant a request for a use variance, an applicant must prove that the zoning regulations create an unnecessary hardship in relation to that property. In seeking a use variance, New York State law requires an applicant to prove all four of the following "tests".

I. That the applicant cannot realize a reasonable financial return on initial investment for any currently permitted use on the property. "Dollars & cents" proof must be submitted as evidence. The property in question cannot yield a reasonable return for the following reasons:

If the matter is considered a "USE" variance, then loss of the building envelope after purchase of the property for @200,000 imposes a severe hardship, as it cannot be used as approved by the City of Saratoga in the first instance, cannot be constructed on as the approved lot shows, and is essentially converted to a green space. I believe the City should have required the wetland determination in the first instance as part of SEQRA, and failure to do so should not impose a penalty amounting to a ~~confiscation on the applicant.~~

A. Submit the following financial evidence relating to this property (attach additional evidence as needed):

2006 18,000.00

1) Date of purchase: _____ Purchase amount: \$ _____

2) Indicate dates and costs of any improvements made to property after purchase:

<u>Date</u>	<u>Improvement</u>	<u>Cost</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____

3) Annual maintenance expenses: \$ _____ 4) Annual taxes: \$ _____

5) Annual income generated from property: \$ _____

6) City assessed value: \$ _____ Equalization rate: _____ Estimated Market Value: \$ _____

7) Appraised Value: \$ _____ Appraiser: _____ Date: _____

Appraisal Assumptions: _____

B. Has property been listed for sale with the Multiple Listing Service (MLS)? Yes If "yes", for how long? _____ No

1) Original listing date(s): _____ Original listing price: \$ _____

If listing price was reduced, describe when and to what extent: _____
With the current wetland determination the property has lost significant value but I have not had it appraised.

2) Has the property been advertised in the newspapers or other publications? Yes No

If yes, describe frequency and name of publications: _____

3) Has the property had a "For Sale" sign posted on it? Yes No

If yes, list dates when sign was posted: _____

4) How many times has the property been shown and with what results? _____

2. That the financial hardship relating to this property is unique and does not apply to a substantial portion of the neighborhood. Difficulties shared with numerous other properties in the same neighborhood or district would not satisfy this requirement. This previously identified financial hardship is unique for the following reasons:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) _____

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

1. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

Re: # 3 Garside Road; Rex and Elisabeth Ruthman, application for a Building Permit; Application for a variance of the set back requirement for a single family lot at Green Acres Subdivision

Dear Ms. Barden, Dear Mr. Miller,

I write this letter to cover different specific and one general object. The general object is to get approval of a building permit for a single family home, the plans for which have been submitted for some time.

At the time of the original submission I was directed to notify the United States Corps of Engineers and secure a wetland determination regarding the lot in question, which I have done. I am herewith submitting a copy of the full application presently before the Corps of Engineers.

As you can see the Application has information pertinent both to the building permit presently pending, and the variance I propose.

[1] There is a full original subdivision map, a site plan, a flood plane plan showing the location of the proposed house, copies of plans already submitted to the Building Department, a history of the site, the lot and the Subdivision, photos of the lot in question.

[2] There is a full boundary survey.

[3] There is a full wetland study and wetland boundary map

[4] There is a full detail of the planned structure on the site with topological data.

[5] There is the original legislation and zoning specifications for the Green Acres Subdivision.

[6] There is NYS DEC determination no historic or parkland sites are affected.

The purpose of this data, one set for the Building Department, is to resolve outstanding issues that have or may exist with regard to the property. The set for the Board of Zoning

Appeals is to accompany the enclosed copie(s) of the application for a variance being submitted herewith.

It is my understanding an application for a variance may be made from a finding of the building department denyinig a request for relief. I have requested, and been advised, I am not entitled to construct the planned residence within less than twenty five feet from Garside Road without a variance. I am seeking that variance now.

The basis for the request for a variance is that a hardship now exists by reason of wetland identification. Construction of the proposed residence was planned before any wetland was known to exist, based upon the approved subdivision lot set forth in the Green Acres subdivision site map and details. That approval was in 1999. There was no note or mention of any wetland on or affecting 3 Garside Drive, nor was such a wetland ever disclosed. It is my view that the SEQRA review of the proposed subdivision should have disclosed actual or possible wetlands, or at least acknowledged the possibility. I paid \$180,000 for the property in question in 2006.

Because of the "overlap" of the planned structure with the new wetland, a permit has to be secured to permit any construction at all. Applicant is seeking permission to fill 2500± square feet of the site, which would create a site for the building and very limited working space.

If the building could be built fifteen feet, rather than twenty five feet, from Garside Road, the extra ten feet would not be inconsistent with properties already located on the subdivision (see included subdivision map), and since the Applicant property is the last property on the street, would not impact the street. The House faces Saratoga lake, and the site does not present any "back yard" fronting on Garside Drive in any case. In fact the "back yard " would be used for parking.

The extra frontage facing Sarartoga Lake would open the view for the adjacent properties, allow for grading and terracing between the wetland and the proposed residence, and alleviate a substantial unexpected hardship in having half the lot determined to be a wetland.

In closing, please find submitted with my Application for Variance, a site plan detail showing the intended relocation of the residence, and profile resulting. The request is very straight forward even though the effort to get to this point has not been.

Thank you very much for your attention to this matter.

RE: PROPOSED RESIDENCE OF REX S. & ELISABETH A. RUTHMAN"
3 GARSIDE ROAD EXTENSION
CITY OF SARATOGA SPRINGS, NY
APPLICATION No. NAN-2015-00404-UDE

Dear Christine:

On behalf of the applicants, Rex S, and Elisabeth A. Ruthman, we are requesting that an Approved Jurisdictional Determination be issued for Application No. NAN-2015-00404-UDE. The application is being submitted for permission to construct a single family residence at 3 Garside Road Extension. (Joint Application is enclosed in Appendix "A").

We also request that you review the data we are submitting in support of our request that the proposed project be considered a "stand-alone-site". The supporting data for the stand-alone-site is enclosed in the Appendices, as is the required information needed to progress the application for the proposed project.

In your letter of October 15, 2015 under Item 3 you state that you checked the Corps records and were unable to find anything pertinent to Green Acres. Following review the City of Saratoga Springs Planning and Zoning Boards meeting minutes from January 2000 to November 2015 we find that Green Acres of Saratoga Lake, Inc., PUD was created by the City of Saratoga Springs by an ordinance for the purpose of promoting flexibility in the development and design of Green Acres by incorporating the area which has existed and been developed over the past 30 years into the City's zoning jurisdiction. There is a statement in the Ordinance that the area had been developed over the past 30 years. Actually development of the area started in 1923 which would have been 67 years prior to the PUD in 1999.

The property was acquired in 1922 by Mary F. Green. Following acquisition of the property lots were created and leased to individuals on which the lessors would construct cottages. The cottages and any other structures that were constructed on the leased lots would be owned by the lessors. According to City tax data, the first cottage was constructed in 1923. That cottage is the structure presently located at 26 Garside Road. According to City tax data several cottages were constructed in 1925, of which eight still remain. Four additional residences were constructed between 1935 and 1978.

PROPOSED RESIDENCE OF REX S.
& ELISABETH A. RUTHMAN"
3 GARSIDE ROAD EXTENSION
CITY OF SARATOGA SPRINGS, NY
APPLICATION No. NAN-2015-00404-UDE

MARCH 19, 2016
PAGE 2

Since Green Acres PUD was approved in 1999, two structures that existed at the time of the PUD have been improved and replaced; one at 21 Garside Road and the other at 17 Garside Road. Both were removed and replaced with new residences constructed in 2002 and 2003, respectively. At the time of the approval of the PUD in 1999 Ruthmans', Lot 3 was occupied by a 450 square foot cottage. This is indicated on the enclosed PUD map as well as on the site plan prepared by Richard H. Green, P.E., dated February 16, 2006.

In 1967 Frederick Kmen, George E. Barter and Donald Todd, as trustees for Green Acres Association acquired the property from Grace Green Graham, daughter of Mary Green. At that time, according to the "Declaration of Protective Covenants, Restrictions, Easements and Liens of Green Acres of Saratoga Lake, Inc., (A Homeowners' Association)," all property, (land), was conveyed to the Association by deed dated September 7, 1967 recorded in the office of the Saratoga County Clerk on September 15, 1967 in Liber 816 of Deeds at Page 85. Subsequently, as shown on a Subdivision Plan prepared in 1999 entitled "Green Acres of Saratoga Lake, Inc. PUD" and filed in the office of the Saratoga County Clerk in Drawer "G" as Map No. 291 A & B, the Lot appurtenant to each home, with two homes existing on lot identified as 21/21A Garside Road, was conveyed to the owner of such home and homes. "Green Acres of Saratoga Lake, Inc.," was filed with the State of New York on January 4, 1972.

In 1999 to better control the future development of the site the Green Acres of Saratoga Lake, Inc., a PUD was created by the City of Saratoga Springs by an ordinance entitled - AN ORDINANCE PROVIDING FOR THE ESTABLISHMENT OF PLANNED UNIT DEVELOPMENT DISTRICT TO BE KNOWN AS "GREEN ACRES PLANNED UNIT DEVELOPMENT". (A copy of the Ordinance is enclosed in Appendix "C").

As evidence that the site occupied by Green Acres has been a long standing cottage development, we have quoted excerpts from portions of the Ordinance:

From Section IV - Purpose: (Page 127)

Historically the area included in Green Acres developed outside the now applicable zoning ordinance. It is the purpose of the Ordinance to provide a means to establish regulations and limit residential growth in the already developed area. It is the further purpose of this Ordinance to promote flexibility in the development and design of Green Acres by incorporating this area which has existed and been developed over the last 30 years into the City's zoning ordinance so as to legislative ratify the residential nature of the area and facilitate the use of land, promote good site design and visual quality and result in a more pleasing environment than otherwise possible. The Comprehensive Plan of the City of Saratoga Springs (as revised) proposes that this area be developed as a PUD.

From Section V - Use and Density: (Page 127 - Quote on Page 128)

Each lot will be established by surveyed descriptions incorporated in this legislation by reference on the attached sketch plan. No further development will be permitted on said lots other than as expressly provided for in this act.

From Section VI: Ownership, Tenancies and Homeowner's Association: (Page 128)

The PUD shall consist of 19 parcels (totaling approximately 7 acres) leased to corporation members and the remaining land (approximately 6 acres) shall be common space retained by the corporation. The leased lots are surveyed and the lot lines described in the PUD will be the same as the lot lines contained in the member's leases. Green Acres retains the right to convey the leased premises to its members or to other persons in fee simple. The common space shall be maintained by the corporation and expenses for the same shall be paid through revenues generated by the leases to the tenants. In the event that the lots are transferred to individuals, the corporation shall require the lot owners as a condition of the conveyance to agree through association or otherwise to contribute sufficient funds to maintain all common property retained by Green Acres.

From Section VII - Sketch Plan: (Page 128)

The attached Sketch Plan, Appendix B, shall be used by the City and the developer as a guide for overall development of "Green Acres Planned Unit Development". It may be amended and modified by the Saratoga Springs Planning Board so long as the use, density and development regulations as set forth in this Ordinance are met.

Sketch Plan, Appendix B, (Page 135) dated August 1999 indicates existing structures and owners as of that date and the area of each lot.

Enclosed is a copy of Green Acres Of Saratoga Lake, Inc. P.U.D., dated September 28, 1999, approved by Planning Board of the City of Saratoga Springs on October 20, 1999 and filed in the Saratoga County Clerk's Office on March 6, 2000. You will note that on each lot it states Lands N/F of Green Acres of Saratoga Lake, Inc. leased to the individual lease holders. Following the filing of the PUD map the lots were Quit Claim deeded to each leaseholder.

We have enclosed property descriptions from the City of Saratoga Springs Tax Records for each of the lots to establish the type of structure, square footage and the year built. The records also indicate the current owners.

The original site plan prepared by Richard H. Green, P.E. dated February 16, 2006 indicated an existing cottage as of that date. The site plan prepared by Richard Green proposed a fill that would impact approximately 5,626 sq. ft. of potential wetlands. A revised site plan has been developed that would employ the construction of a retaining wall that would traverse the site at point approximately 82 feet to the east of the front property line. Constructing the retaining wall at this location would reduce the impact on the potential wetlands to approximately 2,686 sq. ft. (Plans for the original site plan and revised site plan are enclosed in Appendix "G").

The Ruthman's proposed to construct a two-story single family residence with a walk-out basement. The first floor living area will be approximately 1,296 square feet, the same square footage as the walk-out basement. The second floor would have an area of approximately 638 square feet. The total living area would be approximately 1,934 square feet. A retaining wall will be constructed at a point approximately 30 feet to the rear of the residence which will create a level yard area from the walk-out basement. (Building plans are enclosed in Appendix "L").

PROPOSED RESIDENCE OF REX S.
& ELISABETH A. RUTHMAN"
3 GARSIDE ROAD EXTENSION
CITY OF SARATOGA SPRINGS, NY
APPLICATION No. NAN-2015-00404-UDE

MARCH 19, 2016
PAGE 4

A portion of the site immediately along the lake is within the 100 year flood as indicated on FEMA Map #36091C0461E. The normal elevation of the lake is 203 feet above sea level with the 100 year flood level at 210. The elevation of Garside Road Extension is 228+- feet, the elevation of the first floor of the proposed structure. The building plan shows a finished basement floor elevation of 217+- feet, approximately 7+- feet above the 100 year flood elevation. (The FEMA Map is included in Appendix "I").

In conclusion, and based on the foregoing, we request that an approved jurisdictional determination be issued allowing for this project to proceed on a "stand-alone basis, and for the project for the project to proceed on the basis of the wetland impact described herein.

As always, thank you for your assistance and help in this matter.

Sincerely,

BREWER ENGINEERING ASSOCIATES, P.C.

Richard Tice

JOINT APPLICATION FORM - PAGE 2 OF 2
Submit this completed page as part of your Application.

9. Project Description and Purpose: Provide a complete narrative description of the proposed work and its purpose. Attach additional page(s) if necessary. Include: description of current site conditions and how the site will be modified by the proposed project; structures and fill materials to be installed; type and quantity of materials to be used (i.e., square ft of coverage and cubic yds of fill material and/or structures below ordinary/mean high water) area of excavation or dredging, volumes of material to be removed and location of dredged material disposal or use; work methods and type of equipment to be used; pollution control methods and mitigation activities proposed to compensate for resource impacts; and where applicable, the phasing of activities. **ATTACH PLANS ON SEPARATE PAGES.**

Please see attached narrative and plans explaining plan to construct a residential dwelling in an approved subdivision.

The lot is a lake front lot showing 98.19 feet of frontage and about 105 feet of depth.

The building envelope shown on the approved subdivision requires a "front yard" of 25 feet, leaving about 80 feet from the furthest part of the building envelope to the water line. The plan would result in construction at an elevation of 211 feet, with the level of the lake shown as 202 feet, and the flood level at 206 feet.

An ACOE representative has visited the land and flagged it at "the base of the slope, as generally shown on the profile submitted hereto.

Applicant respectfully requests a finding the jurisdictional wetland area shown is .10 acre or less, permit to engage in construction, dredging or filling in any jurisdictional wetland up to .10 acres; a permit to construct the applicants residence within the approved subdivision building envelope, as shown on the submitted site plan.

A copy of the approved subdivision lot, a profile showing the elevation of the proposed finished slab of the new home. A site drawing showing elevations and the building location are included with other papers deemed useful or necessary.

Proposed Use: <input checked="" type="checkbox"/> Private <input type="checkbox"/> Public <input type="checkbox"/> Commercial	Proposed Start Date: August 1 2015	Estimated Completion Date: December 1 2015
Has Work Begun on Project? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No If Yes, explain.		
The proposed new home in the approved subdivision has been designed.		
Will Project Occupy Federal, State or Municipal Land? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No If Yes, please specify.		

10. List Previous Permit / Application Numbers (if any) and Dates:
A building Permit has been applied for with the City Of Saratoga Springs but is on hold pending wetland review.

11. Will this project require additional Federal, State, or Local Permits including zoning changes? Yes No If yes, please list:
 [1] NYSDEC has advised no NY wetlands within a mile, but this permit requires submission to DEC and perhaps OGS.
 [2] There will be a buiding permit required
 [3] Nationwide General Permit Number 29, ACOE

12. Signatures. If applicant is not the owner, both must sign the application.
 I hereby affirm that information provided on this form and all attachments submitted herewith is true to the best of my knowledge and belief. False statements made herein are punishable as a Class A misdemeanor pursuant to Section 210.45 of the Penal Law. Further, the applicant accepts full responsibility for all damage, direct or indirect, of whatever nature, and by whomever suffered, arising out of the project described herein and agrees to indemnify and save harmless the State from suits, actions, damages and costs of every name and description resulting from said project. In addition, Federal Law, 18 U.S.C., Section 1001 provides for a fine of not more than \$10,000 or imprisonment for not more than 5 years, or both where an applicant knowingly and willingly falsifies, conceals, or covers up a material fact; or knowingly makes or uses a false, fictitious or fraudulent statement.

Appendix C:

9. Green Acres Planned Unit Development (formerly 241.9)

AN ORDINANCE PROVIDING FOR THE ESTABLISHMENT OF PLANNED
UNIT DEVELOPMENT DISTRICT TO BE KNOWN AS
"GREEN ACRES PLANNED UNIT DEVELOPMENT"

BE IT ORDAINED by the City Council of the City of Saratoga Springs, New York, following a public hearing as follows:

Section 1 - Name:

This Ordinance shall be known as "Green Acres Planned Unit Development" and amends Chapter 240 of the Code of the City of Saratoga Springs, New York entitled "Zoning".

Section II - Zoning Change:

The Zoning Ordinance of the City of Saratoga Springs and the zoning map of the City of Saratoga Springs as set forth herein be and the same are hereby amended by changing from the existing zoning district of UR-2 as hereinafter described, and creating within the boundaries of said newly described area a residential planned unit development district to be known and described as "Green Acres Planned Unit Development", hereinafter referred to as "Green Acres".

Section III - Boundaries:

The area of "Green Acres Planned Unit Development" owned by Green Acres of Saratoga Lake, Inc., hereinafter the "Corporation") consists of approximately thirteen (13.2) acres located in the City of Saratoga Springs and is bounded and described as set forth in Appendix A- Legal Description, and Appendix B - Sketch Plan, attached hereto and made a part hereto.

The property is designated on the Assessor's Map of the Outside Tax District as set forth on Appendix C - Tax Map Identification.

Section IV - Purpose:

Historically, the area included in Green Acres developed outside the now applicable zoning ordinance. It is the purpose of this Ordinance to provide a means to establish regulations and limits of residential growth in the already developed area. It is the further purpose of this Ordinance to promote flexibility in the development and design of Green Acres by incorporating this area which has existed and been developed over the last 30 years into the City's zoning ordinance so as to legislative ratify the residential nature of the area and facilitate the use of land, promote good site design and visual quality and result in a more pleasing environment than otherwise possible. The Comprehensive Plan for the City of Saratoga Springs (as revised) proposes that this area be developed as a PUD.

Section V - Uses and Density:

There shall be constructed within the boundaries of "Green Acres Planned Unit Development" residential use types consisting of single family detached dwelling

units. The maximum number of units that can be constructed shall be twenty (20). The maximum number of lots upon which said units can be constructed is nineteen (19). No more than one unit can be constructed upon a lot unless other provided for in this ordinance.

Within the PUD the following uses are allowed:

Single family detached:

Each lot will be established by surveyed descriptions incorporated in this legislation by reference on the attached sketch plan. No further development will be permitted on said lots other than as expressly provided for in this act.

Recreation:

Recreational facilities may be established on the 4.092 acre lot described as remaining lands of Green Acres of Saratoga Lake, Inc., which facilities may include a Clubhouse Center and related recreational amenities (swimming pool, outdoor court games, etc.). PUD site plan approval shall be required for development of the open space and/or common land.

Accessory:

Accessory uses permitted are as follows: private garages, storage sheds, swimming pools, solar/heating/ventilation equipment, private docks (up to 110 feet in length), temporary accessory dwelling, antennas and satellite dishes, home occupation and greenhouses (non-commercial).

Section VI: Ownership, Tenancies and Homeowner's Association:

The PUD shall consist of 19 parcels (totaling approximately 7 acres) leased to corporation members and the remaining land (approximately 6 acres) shall be common space retained by the corporation. The leased lots are surveyed and the lot lines described in the PUD will be the same as the lot lines contained in the members' leases. Green Acres retains the right to convey the leased premises to its members or to other persons in fee simple. The common space shall be maintained by the corporation and expenses for the same shall be paid through revenues generated by the leases to the tenants. In the event that the lots are transferred to individuals, the corporation shall require said lot owners as a condition of the conveyance to agree through association or otherwise to contribute sufficient funds to maintain all common property retained by Green Acres.

Section VII - Sketch Plan:

The attached Sketch Plan, Appendix B, shall be used by the City and the developer as a guide for overall development of "Green Acres Planned Unit Development". It may be amended and modified by the Saratoga Springs Planning Board so long as the use, density and development regulations as set forth in this Ordinance are met.

Section VIII - Utilities:

The entire "Green Acres Planned Unit Development" area will be serviced by municipal water and sanitary sewer lines in the manner directed by the Saratoga Springs Planning Board during the PUD site plan review process.

The water lines shall service all units on Garside Road as well as Garside Road Extension. Access to the water lines on Garside Road and Garside Road Extension shall be insured by Green Acres giving to the City a thirty two (32) foot permanent easement to Garside Road and a twenty (20) foot permanent easement to Garside Road Extension for the maintenance of said water lines.

All water lines shall be constructed to City standards and when completed shall be offered for dedication to the City of Saratoga Springs.

All lots shall continue to be serviced by County Sewer District #1. Said sanitary sewer facilities will be owned and maintained by the Saratoga County Sewer District #1.

Development Process:

Prior to the issuance of a building permit to develop any of the residential lots within "Green Acres Planned Unit Development" (other than a building permit which would otherwise be permitted under the Code) the Corporation shall receive PUD site plan approval from the Planning Board of the City of Saratoga Springs pursuant to Chapter 240-3.5. Such PUD site plan approval shall be limited to road improvements and all other right-of-way improvements, on or off-site, utilities and drainage system and shall be in conformance with Chapter 240-3.5 of the Zoning Ordinance of the City of Saratoga Springs. If in the development of the PUD site plan it becomes apparent that certain elements of the Site Plan are infeasible and in need of significant modification, any significant modification thereof must be approved in accordance with the Zoning Ordinance of the City of Saratoga Springs. Any standard concerning the construction of residential units to be constructed within "Green Acres Planned Unit Development" shall be governed by and comply with the appropriate codes, laws, rules and regulations, including the New York State Building Codes in force and effect at the time of site plan approval for the units to be so constructed.

Once PUD site plan approval has been granted for Phase I, PUD site plan approval shall not be required for any residential lot in the PUD.

Section X - Streets Roads:

Garside Road, which services the "Green Acres Planned Unit Development" as indicated upon the Sketch Plan, shall remain owned by Green Acres. It shall be constructed in accordance with city specifications, excluding width, curve radius, turnaround and slope. Its paved width shall be fourteen (14) feet. There shall also be installed along Garside Road wing curbs, along with street lights. No sidewalks will be installed. A permanent easement shall be given to the City for maintenance of the City water lines running under said extension.

Garside Road Extension shall remain owned by Green Acres. It shall be improved by paving of the same to a width of ten (10) feet. A permanent easement shall be given to the City for maintenance of the City water lines running under said extension.

Should any emergency cause the City of Saratoga Springs to operate, maintain or repair Garside Road, Garside Road Extension, or the drainage system in order to protect the health, safety and welfare of the residents, the City Department of Public Works shall be empowered to bill the real property owners of the improved land in an amount to be determined by the Commissioner of Public Works so as to reimburse the Department of Public Works for all expense incurred for such purpose.

Section XI - Off-site Improvements:

The developer, or its successor, shall not be responsible for any curbs, pavement improvements, street trees, street lighting within the existing public rights of ways of that portion of Crescent Street or Kaydeross Park Road that has frontage on the PUD.

Section XII - Phasing:

"Green Acres Planned Unit Development" shall be developed in accordance with the following phasing plan:

PHASE I RESIDENTIAL AREA

Water System, Drainage, Road Improvements,
and Residential Lot Designations

PUD site plan approval must be obtained by December 31, 1999. If not obtained by said date, the zoning for the PUD shall expire and the property shall revert to RR-1 zoning.

PHASE II: RECREATION AREA

Clubhouse and Recreation Amenities

PUD site plan approval can be obtained at any time. There shall be no expiration date.

The approximate boundaries of these phases are shown on the sketch plan in Appendix B.

Section XIII - Drainage:

Storm Sewer. A storm sewer system for the road improvement shall be constructed that shall be sufficient to convey a 25 year storm.

Storm Management Facility. A storm management facility shall be constructed that shall be sufficient to treat the first flush and will utilize an overflow basin that will

protect sediments and potential pollutants from entering Saratoga Lake.

Section 4IV - Height, Setback, Area and Bulk Regulations (and Exceptions):

All lots shall comply with the requirements set forth in Schedule D attached hereto and made a part of this act, subject to the exceptions which appear in the schedule entitled "Green Acres Planned Unit Development, Area and Bulk Schedule Exceptions" attached hereto as Appendix E.

Height setback and area and bulk regulations for recreation facilities shall be determined by the Planning Board during PUD site plan approval for Phase II.

Section XV Reconstruction of Existing Structures:

The owner, its successors, assigns or its lessee of each lot shall have the right to replace, reconstruct or otherwise improve any existing structure including principal buildings and accessory buildings now situate (as shown on the site plan or as permitted pursuant to Appendix E herein) on a lot, whether or not within the area, bulk and/or setback requirements contained herein so long as said replacement, reconstruction, improvement does not require construction outside the existing footprint of said structure or said footprint as permitted in Appendix E.

Section XVI - Severability:

If any provision of this Ordinance shall be held invalid, the remainder of the Ordinance shall not be affected thereby.

Section XVII - Construction Standards:

All construction standards for buildings, private and public improvements and for utilities shall be prepared and approved by licensed architects, landscape architects, or engineers. All costs associated with this shall be borne by the owner whether the plans are provided by the City of Saratoga Springs or by the owner. Further, all completed construction shall be certified to the City of Saratoga Springs by licensed architects, landscape architects, or engineers as being completed in the manner called for in the plans and shall be certified in accordance therewith. City may require any or all costs connected with this to be borne by the owner.

Section XVIII - Change In Ownership:

In the event that ownership of the area wholly encompassed by "Green Acres Planned Unit Development", is transferred or conveyed to any third person, firm, corporation, partnership or other entity by the applicant herein, the City of Saratoga Springs reserves the right to require proof of financial responsibility of the transferee in accordance with the same procedures set forth in Chapter 240-3.5 of the Zoning Ordinance of the City of Saratoga Springs.

Section XIX - Effective Date:

This Ordinance shall take effect the day after publication as provided by the provisions of the City Charter of the City of Saratoga Springs, New York.

ADOPTED: September 22, 1999

APPENDIX "A"
Legal Description

BOUNDARIES OF GREEN ACRES PLANNED UNIT DEVELOPMENT DISTRICT

GREEN ACRES OF SARATOGA LAKE, NY
SARATOGA SPRINGS, NY

ALL THAT CERTAIN TRACT, PIECE OR PARCEL OF LAND SITUATE in the City of Saratoga Springs, County of Saratoga, State of New York lying along the southeasterly line of Crescent Avenue, County Road No. 22 and the easterly line of Kaydeross Park Road and being further bounded and described as follows:

Beginning at a point marked with a capped iron rod found at the point of intersection of the southeasterly line of Crescent Avenue, County Road No. 22 with the common the division line of lands now or formerly of Saratoga Settlement, Inc. as conveyed in Book 1028 of Deeds at Page 1163 to the northeast and the parcel herein being described to the southwest; thence from said point of beginning along said common division line the following two (2) courses and distances:

- 1) South 53 deg. 53 min. 50 sec. East, 292.50 feet to a point;
- 2) South 64 deg. 52 min. 00 sec. East, 304.75 feet to a marked with a capped iron rod found near the west shore line of Saratoga Lake; thence along the west shore line of Saratoga Lake as it winds and turns in a general southerly direction approximately 1,050 feet to the point of intersection of said west shore line with the common division line lands now of formerly of Mary Jane

900 Route 146, Clifton Park, New York 12065

phone (518) 371-7621 fax (518) 371-8500

Hales and Timothy Ross as conveyed in Book 1191 of Deeds as Page 322 to the south and the parcel herein being described to the north, said shore line having the following twelve (12) tie line courses and distances:

- 1) South 50 deg. 22 min. 10 sec. West, 115.27 feet to a point;
 - 2) South 49 deg. 11 min. 00 sec. West, 103.45 feet to a point;
 - 3) South 35 deg. 10 min. 00 sec. West, 45.96 feet to a point;
 - 4) South 28 deg. 29 min. 30 sec. West, 47.53 feet to a point;
 - 5) South 18 deg. 52 min. 10 sec. West, 111.98 feet to a point;
 - 6) South 07 deg. 07 min. 10 sec. West, 120.32 feet to a point;
 - 7) South 04 deg. 32 min. 00 sec. West, 59.16 feet to a point;
 - 8) South 10 deg. 07 min. 10 sec. East, 67.14 feet to a point;
 - 9) South 14 deg. 56 min. 20 sec. East, 82.85 feet to a point;
 - 10) South 67 deg. 29 min. 40 sec. East, 94.16 feet to a point;
 - 11) South 12 deg. 06 min. 40 sec. East, 51.98 feet to a point;
 - 12) South 43 deg. 01 min. 30 sec. East, 117.94 feet to a point;
- thence along said common division line in part, and the common division line of lands now or formerly of Milton Ross Associates, Inc. as conveyed in Book 1092 of Deeds at Page 203 to the south and the parcel herein being described to the north the following three (3) courses and distances:

- 1) North 68 deg. 44 min. 40 sec. West, 559.83 feet to a point marked with a concrete monument found;
- 2) North 39 deg. 29 min. 30 sec. West, 9.70 feet to a point;

3) North 68 deg. 59 min. 30 sec. West, 328.97 feet to a point marked with an iron rod found in the easterly line of Kaydeross Park Road; thence along the easterly line of Kaydeross Park Road and the southeasterly line of Crescent Avenue, County Road No. 22 the following four (4) courses and distances:

1) North 24 deg. 26 min. 20 sec. East, 524.76 feet to a point;
2) North 23 deg. 07 min. 40 sec. East, 113.48 feet to a point of curvature;

3) Along a curve to the right an arc length of 113.29 feet to a point of tangency, said curve having a radius of 375.00 feet and a chord length of North 31 deg. 45 min. 50 sec. East, 112.86 feet;

4) North 40 deg. 26 min. 10 sec. East, 216.41 feet to a the point or place of beginning containing 13.2± acres of land to be the same more or less.

Said parcel made subject to any and all enforceable covenants, conditions, easements and restrictions of record as they may appear.

The purpose of this description is to describe a proposed P.U.D. and not to be used for the conveyance of Real Property.

APPENDIX "D"
"Green Acres Planned Unit Development
Area and Bulk Schedule Exceptions

General:

a. All lots bordering Saratoga Lake shall be permitted to construct a dock extending to the shoreline.

Specific:

a. The owner or lessee of lot No. 9 shall be permitted to construct a twenty (20) foot by twenty four (24) foot garage extending from and parallel to the northerly line of the principal building. No side setback or lot coverage variance shall be required for construction of the same.

b. The owner or lessee of Lot No. 17 shall be permitted to construct improvements and additions to the principal building (including an attached garage). No side setback or lot coverage variance shall be required so long as the lot coverage shall not exceed sixteen (16) percent for the principal building and eight (8) percent for the ancillary building. In addition, said building shall be permitted to encroach on the southerly side setback only.

c. The owner or lessee of Lot No. 21 shall be permitted to construct or otherwise retain two (2) principal buildings on said lot subject to the following conditions:

1. The existing building located nearest the westerly line of the property shall be limited in size to the footprint currently existing on said lot as shown on the site plan.

2. The second building shall be constructed upon the existing foundation located nearest the easterly line of the property. The owner or lessee shall of Lot No. 21 shall be permitted to construct a twenty eight (28) foot by forty four (44) foot residence, which building shall be confined to the existing northerly and southerly lines of said foundation (i.e. 28 feet) and shall extend the easterly and/or westerly lines of said foundation to a maximum of forty four (44) feet. No side setback or lot coverage variance shall be required for construction of the same.

d. The owner or lessee of Lot No. 27 shall be permitted to construct a twenty (20) foot by twenty four (24) foot garage and ten (10) foot enclosed walkway connecting said garage and principal building. No side setback or lot coverage variance shall be required for construction of the same so long as said garage and walkway shall be located on

the westerly side of the premises and encroach upon the southerly side setback only.

e The owner or lessee of Lot No. 3 shall be permitted to construct a walkway/ramp from the northerly entrance of the principal building to a deck to be constructed on the easterly side of the principal building. No side setback or lot coverage variance shall be required for construction of the same so long as the walkway/ramp is of not in excess of five (5) feet in width and of the minimum length necessary to connect the northerly entrance to said deck.

f. The owner or lessee of lot No. 4 shall be permitted to construct a thirty five (35) foot by thirty five (35) (35) foot garage attached to the principal residence within the required setbacks. In addition, said owner or lessee shall be permitted to construct a thirty (30) foot by thirty (30) foot boathouse over the permitted dock. No set back or lot coverage variance shall be required for construction of the same.

APPENDIX "E"
"Green Acres Planned Unit Development
Area and Bulk Schedule Exceptions

General:

a. All lots bordering Saratoga Lake shall be permitted to construct a dock extending to the shoreline which dock shall not exceed 110 feet in length.

Specific:

- a. The owner or lessee of lot No. 9 shall be permitted to construct a twenty (20) foot by twenty four (24) foot garage extending from and parallel to the northerly line of the principal building. No side setback or lot coverage variance shall be required for construction of the same.
- b. The owner or lessee of Lot No. 17 shall be permitted to construct improvements and additions to the principal building (including an attached garage). No side setback or lot coverage variance shall be required so long as the lot coverage shall not exceed sixteen (16) percent for the principal building and eight (8) percent for the ancillary building. In addition, said building shall be permitted to encroach on the southerly side setback only.
- c. The owner or lessee of Lot No. 21 shall be permitted to construct or otherwise retain two (2) principal buildings on said lot subject to the following conditions:
 1. The existing building located nearest the westerly line of the property shall be limited in size to the footprint currently existing on said lot as shown on the site plan.
 2. The second building shall be constructed upon the existing foundation located nearest the easterly line of the property. The owner or lessee shall of Lot No. 21 shall be permitted to construct a twenty eight (28) foot by forty four (44) foot residence, which building shall be confined to the existing northerly and southerly lines of said foundation (i.e. 28 feet) and shall extend the easterly and/or westerly lines of said foundation to a maximum of forty four (44) feet. No side setback or lot coverage variance shall be required for construction of the same.
- d. The owner or lessee of Lot No. 27 shall be permitted to construct a twenty (20) foot by twenty four (24) foot garage and ten (10) foot enclosed walkway connecting said garage and principal building. No side setback or lot coverage variance shall be required for construction of the same so long as said garage and walkway shall be located on the westerly side of the premises and encroach upon the southerly side setback only.

- e. The owner or lessee of Lot No. 3 shall be permitted to construct a walkway/ramp from the northerly entrance of the principal building to a deck to be constructed on the easterly side of the principal building. No side setback or lot coverage variance shall be required for construction of the same so long as the walkway/ramp is of not in excess of five (5) feet in width and of the minimum length necessary to connect the northerly entrance to said deck.

- f. The owner or lessee of lot No. 4 shall be permitted to construct a thirty five (35) foot by thirty five (35) (35) foot garage attached to the principal residence within the required setbacks. In addition, said owner or lessee shall be permitted to construct a thirty (30) foot by thirty (30) foot boathouse over the permitted dock. No set back or lot coverage variance shall be required for construction of the same.

D

HISTORY OF GREEN ACRES AT SARATOGA LAKE

HISTORY
OF
GREEN ACRES OF SARATOGA LAKE, INC. P.U.D.

Following review of the City of Saratoga Springs Planning and Zoning Boards meeting minutes from January 2000 to November 2015 and found that Green Acres of Saratoga Lake, Inc., PUD was created by City of Saratoga Springs ordinance for the purpose of incorporating the existing Green Acres development into the City's zoning jurisdiction. There is a statement in the Ordinance that the area had been developed over the past 30 years. Actually development of the area started in 1923 which would have been 67 years prior to the PUD in 1999.

The property was acquired in 1922 by Mary F. Green. Following acquisition of the property lots were created and leased to individuals on which the lessors would construct cottages. The cottages and any other structures that were constructed on the leased lots would be owned by the lessors. According to City tax data, the first cottage was constructed in 1923. That cottage is the structure presently located at 26 Garside Road. According to City tax data several cottages were constructed in 1925, of which eight still remain. Four additional residences were constructed between 1935 and 1978.

Since Green Acres PUD was approved in 1999, two structures that existed at the time of the PUD was approved; one at 21 Garside Road and the other at 17 Garside Road. Both were removed and replaced with new residences constructed in 2002 and 2003, respectively. At the time of the approval of the PUD in 1999 Ruthmans', Lot 3 was occupied by a 450 square foot cottage. This is indicated on the enclosed PUD map as well as on the site plan prepared by Richard H. Green, P.E., dated February 16, 2006. .

In 1967 Frederick Kmen, George E. Barter and Donald Todd, as trustees for Green Acres Association acquired the property from Grace Green Graham, daughter of Mary Green. At that time, according to the "Declaration of Protective Covenants, Restrictions, Easements and Liens of Green Acres of Saratoga Lake, Inc., (A Homeowners' Association)," all property, (land), was conveyed to the Association by deed dated September 7, 1967 recorded in the office of the Saratoga County Clerk on September 15, 1967 in Liber 816 of Deeds at Page 85. Subsequently, as shown on a Subdivision Plan prepared in 1999 entitled "Green Acres of Saratoga Lake, Inc. PUD" and filed in the office of the Saratoga County Clerk in Drawer "G" as Map No. 291 A & B, the Lot appurtenant to each home, with two homes existing on lot identified as 21/21A Garside Road, was conveyed to the owner of such home and homes. "Green Acres of Saratoga Lake, Inc.," was filed with the State of New York on January 4, 1972.

In 1999 to better control the future development of the site the Green Acres of Saratoga Lake, Inc., a PUD was created by the City of Saratoga Springs by an ordinance entitled - AN ORDINANCE PROVIDING FOR THE ESTABLISHMENT OF PLANNED UNIT DEVELOPMENT DISTRICT TO BE KNOWN AS "GREEN ACRES PLANNED UNIT DEVELOPMENT". (A copy of the Ordinance is enclosed in Appendix "J").

HISTORY
OF
GREEN ACRES OF SARATOGA LAKE, INC. P.U.D.

As evidence that the site occupied by Green Acres has been a long standing cottage development, we have quoted excerpts from portions of the Ordinance:

From Section IV - Purpose: (Page 127)

Historically the area included in Green Acres developed outside the now applicable zoning ordinance. It is the purpose of the Ordinance to provide a means to establish regulations and limit residential growth in the already developed area. It is the further purpose of this Ordinance to promote flexibility in the development and design of Green Acres by incorporating this area which has existed and been developed over the last 30 years into the City's zoning ordinance so as to legislative ratify the residential nature of the area and facilitate the use of land, promote good site design and visual quality and result in a more pleasing environment than otherwise possible. The Comprehensive Plan of the City of Saratoga Springs (as revised) proposes that this area be developed as a PUD.

From Section V - Use and Density: (Page 127 - Quote on Page 128)

Each lot will be established by surveyed descriptions incorporated in this legislation by reference on the attached sketch plan. No further development will be permitted on said lots other than as expressly provided for in this act.

From Section VI: Ownership, Tenancies and Homeowner's Association: (Page 128)

The PUD shall consist of 19 parcels (totaling approximately 7 acres) leased to corporation members and the remaining land (approximately 6 acres) shall be common space retained by the corporation. The leased lots are surveyed and the lot lines described in the PUD will be the same as the lot lines contained in the member's leases. Green Acres retains the right to convey the leased premises to its members or to other persons in fee simple. The common space shall be maintained by the corporation and expenses for the same shall be paid through revenues generated by the leases to the tenants. In the event that the lots are transferred to individuals, the corporation shall require the lot owners as a condition of the conveyance to agree through association or otherwise to contribute sufficient funds to maintain all common property retained by Green Acres.

From Section VII - Sketch Plan: (Page 128)

The attached Sketch Plan, Appendix B, shall be used by the City and the developer as a guide for overall development of "Green Acres Planned Unit Development". It may be amended and modified by the Saratoga Springs Planning Board so long as the use, density and development regulations as set forth in this Ordinance are met.

Sketch Plan, Appendix B, (Page 135) dated August 1999 indicates existing structures and owners as of that date and the area of each lot.

Enclosed is a copy of Green Acres Of Saratoga Lake, Inc. P.U.D., dated September 28, 1999, approved by Planning Board of the City of Saratoga Springs on October 20, 1999 and filed in the Saratoga County Clerk's Office on March 6, 2000. You will note that on each lot it states Lands N/F of Green Acres of Saratoga Lake, Inc. leased to the i

HISTORY
OF
GREEN ACRES OF SARATOGA LAKE, INC. P.U.D.

Individual lease holders. Following the filing of the PUD map the lots were Quit Claim deeded to each leaseholder.

We have enclosed property descriptions from the City of Saratoga Springs Tax Records for each of the lots to establish the type of residence, (Cottage, etc.), square footage and the year the residence was built. The records also indicate the current owners. (The property descriptions are enclosed in Appendix "L").

RE: Garside Extension Property

Dear Dick,

On Wednesday March 30, 2016 I went to the property on Garside Road Extension on the west shore of Saratoga Lake near the north end of the Lake.

The upland on the property consists of a "bench" of old stable fill material on the east side of Garside Road Extension with a steep bank extending down to the edge of the wetland. There is an additional narrow strip of old stable fill along the north edge of the wetland placed to extend the lawn area of the adjacent landowner. The lawn area goes out to the edge of the Lake.

The wetland between the base of the steep slope and the Lake is very well defined. The vegetative community between the upland and the edge of the lake is 100 percent hydrophytic plants including sensitive fern, cattails and sphagnum moss over saturated mucky silt.

The wetland boundary is flagged along the base of the steep slope from south to north and then along the edge of the filled lawn area out to the edge of the Lake. There are eight flags in the wetland boundary.

It may be possible for the client to construct steps down the steep bank at the north edge of the parcel to the lawn area that extends out to the lake and then get a permit to build a dock for recreational access to the lake.

The other option may be to reconstruct the ruins of the stairway down the steep bank to the edge of the wetland. Then get a permit to construct a boardwalk across the wetland to the edge of the Lake and build a dock there.

If I can be of any further assistance please don't hesitate to call.

Sincerely,

Roger J. Case, CPSS, CPSC
President, D.S.S., ltd

Above: The herbaceous layer in the wetland is nearly a monoculture of sensitive fern (FACW).

Below: The shrub layer in the wetland is composed of silky dogwood, stiff gray dogwood and speckled alders (FACW).

Above: There are a couple of small patches of cattails (OBL) on mucky silt sediment.
Below: Near the south property line at the base of the steep bank there is a mossy seep with ankle deep water.

Above: The upland has staghorn sumac (FACU) on a steep bank of old stable fill material including some CD and other non soil materials. There is a narrow nearly level apron of overgrown upland between the top of the steep bank and Garside Extension.

N
DEED TO PROPERTY

250331341

This Indenture,

Made the first day of January two thousand and Six

Between

Robert L. Barter and Linda L. Barter, husband and wife, residing at 1 Garside Road Ext., Saratoga Springs New York 12866

, party of the first part, and

R.R.H.

Rex S. Ruthman and Elisabeth A. Ruthman, husband and wife, residing at 14 Aspen Heights, Slingerlands New York 12159

party of the second part.

WITNESSETH that the party of the first part in consideration of Ten and 00/100 (\$10.00) Dollars lawful money of the United States, and other good and valuable consideration paid by the parties of the second part, does hereby grant and release unto the parties of the second part, their heirs, successors and assigns forever

ALL THAT CERTAIN PIECE OR PARCEL OF LAND, situate in the City of Saratoga, County of Saratoga and State of New York, known as 3 Garside Road Extension, as more particularly described on Schedule "A" attached hereto and made a part hereof.

BEING the same premises as conveyed to Robert L. Barter and Linda Barter, husband and wife, by deed from Green Acres of Saratoga Lake, Inc., dated June 29, 2000, and recorded in the office of the Saratoga County Clerk on September 24 2001, in Book 01591 of Deeds at page 00709.

SUBJECT TO any and all enforceable covenants, conditions, easements and restrictions of record and affecting said premises, including specifically The By Laws of Green Acres Association of Saratoga Lake as filed in the office of the Saratoga County Clerk in Book 1375 of Deeds at Page 169, or as amended according to law and as provided therein.

TOGETHER with the appurtenances and all the estate and rights of the party of the first part in and to said premises,

TO HAVE AND TO HOLD the premises herein granted unto the parties of the second part, their heirs, successors and assigns forever.

County Clerk

Congratulations on the acquisition of your new property!

Enclosed you will find your original deed that has been officially recorded in my office.

Through recording, your valuable document has been protected. Each deed has been indexed and scanned into our computer system. We also microfilm recorded documents. We keep a working copy of this microfilm here at the County Clerk's Office. The original microfilm is sent to a separate offsite storage facility. This facility provides secure, temperature controlled storage which safeguards our records should any catastrophe (such as fire, flood, etc.) occur. Should the need ever arise, certified copies of the original document could be produced quickly.

We want to assure you that your very important documents are well cared for. If I can be of further service, please do not hesitate to contact me.

Sincerely,

Kathleen A. Marchione

Re: Single family residence at 3 Garside Road Extension, Lot 3, Green Acres at Saratoga Lake
Town/City: City Of Saratoga Springs. County: Saratoga.

Dear Richard Tice:

In response to your recent request, we have reviewed the New York Natural Heritage Program database with respect to the above project.

We have no records of rare or state-listed animals or plants, or significant natural communities at your site or in its immediate vicinity.

The absence of data does not necessarily mean that rare or state-listed species, significant natural communities, or other significant habitats do not exist on or adjacent to the proposed site. Rather, our files currently do not contain information that indicates their presence. For most sites, comprehensive field surveys have not been conducted. We cannot provide a definitive statement on the presence or absence of all rare or state-listed species or significant natural communities. Depending on the nature of the project and the conditions at the project site, further information from on-site surveys or other resources may be required to fully assess impacts on biological resources.

This response applies only to known occurrences of rare or state-listed animals and plants, significant natural communities, and other significant habitats maintained in the Natural Heritage Database. Your project may require additional review or permits; for information regarding other permits that may be required under state law for regulated areas or activities (e.g., regulated wetlands), please contact the NYS DEC Region 4 Office, Division of Environmental Permits, as listed at www.dec.ny.gov/about/39381.html.

Sincerely,

A handwritten signature in cursive script that reads "Nick Conrad".

Attn: Ms. Jean Pietrusiak, Information Services

RE: PROPOSED RESIDENCE OF REX S. & ELISABETH A. RUTHMAN"
3 GARSIDE ROAD EXTENSION
LOT 3, "GREEN ACRES AT SARATOGA LAKE, PUD"
CITY OF SARATOGA SPRINGS, NY

Dear Ms. Pietrusiak:

Our clients, Rex and Elisabeth Ruthman, intend to construct a single family residence on the property located at 3 Garside Road Extension, Lot 3, "Green Acres At Saratoga Lake, PUD". On their behalf we are requesting information on the presence of endangered or threatened species in the vicinity of our proposed project.

In 1999 to better control the future development of the site the Green Acres of Saratoga Lake, Inc., a PUD was created by the City of Saratoga Springs by an ordinance entitled - AN ORDINANCE PROVIDING FOR THE ESTABLISHMENT OF PLANNED UNIT DEVELOPMENT DISTRICT TO BE KNOWN AS "GREEN ACRES PLANNED UNIT DEVELOPMENT".

There is a statement in the Ordinance that the area had been developed over the past 30 years. Actually development of the area started in 1923 which would have been 67 years prior to the PUD in 1999.

The property was acquired in 1922 by Mary F. Green. Following acquisition of the property lots were created and leased to individuals on which the lessors would construct cottages. The cottages and any other structures that were constructed on the leased lots would be owned by the lessors. According to City tax data, the first cottage was constructed in 1923. That cottage is the structure presently located at 26 Garside Road. According to City tax data several cottages were constructed in 1925, of which eight still remain. Four additional residences were constructed between 1935 and 1978.

Since Green Acres PUD was approved in 1999, two structures that existed at the time of the PUD was approved; one at 21 Garside Road and the other at 17 Garside Road were removed and replaced with new residences constructed in 2002 and 2003, respectively. At the time of the approval of the PUD in 1999 Ruthman's, Lot 3 was

occupied by a 450 square foot cottage. This is indicated on the enclosed PUD map as well as on the site plan prepared by Richard H. Green, P.E., dated February 16, 2006.

In 1967 Frederick Kmen, George E. Barter and Donald Todd, as trustees for Green Acres Association acquired the property from Grace Green Graham, daughter of Mary Green. At that time, according to the "Declaration of Protective Covenants, Restrictions, Easements and Liens of Green Acres of Saratoga Lake, Inc., (A Homeowners' Association)," all property, (land), was conveyed to the Association by deed dated September 7, 1967 recorded in the office of the Saratoga County Clerk on September 15, 1967 in Liber 816 of Deeds at Page 85. Subsequently, as shown on a Subdivision Plan prepared in 1999 entitled "Green Acres of Saratoga Lake, Inc. PUD" and filed in the office of the Saratoga County Clerk in Drawer "G" as Map No. 291 A & B, the Lot appurtenant to each home, with two homes existing on lot identified as 21/21A Garside Road, was conveyed to the owner of such home and homes. "Green Acres of Saratoga Lake, Inc.," was filed with the State of New York on January 4, 1972.

Following the approval and filing of the PUD in the office of the Saratoga County Clerk the individual lots were "Quit Claim" deeded to each lessee.

To assist you in your review of our request we have included the items listed below:

RE: PROPOSED RESIDENCE OF REX S. & ELISABETH A. RUTHMAN"
3 GARSIDE ROAD EXTENSION
LOT 3, "GREEN ACRES AT SARATOGA LAKE, PUD"
CITY OF SARATOGA SPRINGS, NY

Dear Ms. Pierpont:

Our clients, Rex and Elisabeth Ruthman, intend to construct a single family residence on the property located at 3 Garside Road Extension, Lot 3, "Green Acres At Saratoga Lake, PUD". On their behalf we are requesting information as to any impact the proposed project may have upon cultural resources in or eligible for inclusion in the State and National Register of Historic Places.

In 1999 to better control the future development of the site the Green Acres of Saratoga Lake, Inc., a PUD was created by the City of Saratoga Springs by an ordinance entitled - AN ORDINANCE PROVIDING FOR THE ESTABLISHMENT OF PLANNED UNIT DEVELOPMENT DISTRICT TO BE KNOWN AS "GREEN ACRES PLANNED UNIT DEVELOPMENT".

There is a statement in the Ordinance that the area had been developed over the past 30 years. Actually development of the area started in 1923 which would have been 67 years prior to the PUD in 1999.

The property was acquired in 1922 by Mary F. Green. Following acquisition of the property lots were created and leased to individuals on which the lessors would construct cottages. The cottages and any other structures that were constructed on the leased lots would be owned by the lessors. According to City tax data, the first cottage was constructed in 1923. Needham/Kilmer Residence

Zoning Board of Appeals

Variance Application — 37 Greenfield Avenue

City of Saratoga Springs, New York

May 9, 2016

**SCOTT
LEONARD
RAND AIA**

ARCHITECT

02 May 2016

City of Saratoga Springs
474 Broadway
Saratoga Springs, NY 12866

RE: 37 Greenfield Avenue

Attention: Zoning Board Members

The subject lot is a nonconforming UR-1 lot with dimensions similar to a UR-3 lot. Two dimensions hamper the design of a house that conforms to the size and scale of the neighborhood: 1) The average width is 69.5' instead of the UR-1 minimum of 100' and 2) The lot size is 11,454 sq. ft. instead of the UR-1 minimum of 12,500 sq. ft..

Greenfield Avenue is the dividing line between zoning districts UR-1 and UR-3. The lot is located on the UR-1 side of Greenfield, across the street from UR-3 houses, and between UR-1 properties (including a 9-unit condominium).

UR-1 allows 20 percent lot coverage for the principal structure plus 8 percent for an accessory structure, 28% total coverage. UR-3 permits 30 percent for the principal structure plus 10 percent for an accessory structure, 40% total coverage. UR-1 requires 30' combined side setbacks (12' minimum) and a 30' rear yard setback. UR-3 only requires a 12' combined side yard setback (4' minimum) and a 25' rear setback.

The intent of the Applicant is to build a single family house that complements the neighborhood — size, scale, and architecture — while, at the same time, accommodating the owner's health need for an attached 2-car garage.

Due to the unique circumstances, we request the following variances:

- 1. Coverage.** Lot coverage of 27.2% for house & attached garage, plus 3.5% for roof overhangs, and 2.1% for the front open porch, 32.8% total coverage.
- 2. Side Yard Setbacks.** Combined side yard of 21' (19' including roof overhangs) and single side of 9' (8' including roof overhangs).
- 3. Rear Yard Setback.** Only on one corner - Rear yard setback of 27.5' (25' with overhang).

The Owner tried to purchase: 1) a driveway easement from 35 Greenfield, 2) a driveway easement from 45 Greenfield, and 3) side yard land from 35 Greenfield. No agreement could be finalized.

There is precedent of homes in this neighborhood for both increased lot coverage and reduced setbacks. Extensive time and effort have gone into considering design options. This submission is the most viable. It meets the needs of the applicant, enhances the neighborhood, and minimizes the relief requested.

We trust that this will help clarify our request.

Sincerely -

Scott L. Rand

APPLICATION FOR: APPEAL TO THE ZONING BOARD FOR AN INTERPRETATION, USE VARIANCE, AREA VARIANCE AND/OR VARIANCE EXTENSION

APPLICANT(S)*

OWNER(S) (If not applicant)

ATTORNEY/AGENT

Name	_____	_____	_____
Address	_____	_____	_____
Phone	_____	_____ / _____	_____
Email	_____	_____	_____

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

1. Property Address/Location: 37 GREENFIELD AVENUE Tax Parcel No.: 165 . 36 - 1 - 15.1
(for example: 165.52 - 4 - 37)

2. Date acquired by current owner: JULY 31, 2015 3. Zoning District when purchased: UR-1

4. Present use of property: UNIMPROVED LOT 5. Current Zoning District: UR-1

6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? 12/2014 For what? Lot line adjustment)
 No Lot width - adjacent lot

7. Is property located within (check all that apply): Historic District Architectural Review District
 500' of a State Park, city boundary, or county/state highway?

8. Brief description of proposed action: CONSTRUCT NEW SINGLE FAMILY DWELLING ON UNIMPROVED LOT.

9. Is there a written violation for this parcel that is not the subject of this application? Yes No

10. Has the work, use or occupancy to which this appeal relates already begun? Yes No

11. Identify the type of appeal you are requesting (*check all that apply*):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) _____

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
REAR YARD SETBACK	30'	25'
SIDE YARD SETBACK - TOTAL	30'	21' (w/o roof) 19' (with roof)
SIDE YEAR SETBACK - MINIMUM	12'	9' (w/o roof) 8' (with roof)
COVERAGE - PRINCIPAL BUILDING	20%	27.2% (w/o roof & porch) 32.8% (with roof & porch)

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- I. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

THE APPLICANT EXPLORED NUMEROUS DESIGNS OVER THE PAST 10 MONTHS. AS THE LOT IS ALREADY NONCONFORMING, ALL OF THE DESIGNS EXCEEDED THE 20% LOT COVERAGE, THE 30' TOTAL AND 12' MINIMUM SIDE YARD SETBACKS, AND THE 30' REAR YARD SETBACK. THE APPLICANT ATTEMPTED TO PURCHASE:
 1) A DRIVEWAY EASEMENT FROM 35 GREENFIELD
 2) A DRIVEWAY EASEMENT FROM 45 GREENFIELD
 3) SIDE YARD LAND FROM 35 GREENFIELD.
 NO AGREEMENT COULD BE FINALIZED.

2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

- A. THIS NONCONFORMING UR-1 LOT IS UNIQUE -- SMALLER THAN THE MINIMUM SIZE UR-1 LOT, ACROSS THE STREET FROM UR-3 HOUSES, AND ADJACENT TO LARGE UR-1 STRUCTURES, INCLUDING A 9-UNIT CONDO.
- B. THE CHALLENGE IS TO FIND BALANCE -- A HOUSE DESIGN THAT ADDS BEAUTY TO THE STREETScape, PROVIDES OPENNESS BETWEEN PROPERTIES, AND MEETS THE OWNER'S PROGRAM.
- C. THE HOUSE HAS THE ARCHITECTURAL ELEMENTS, SCALE, AND OPENNESS TO ENHANCE THE CHARACTER OF THE NEIGHBORHOOD.
- D. THE INTENT IS TO RETAIN AS MANY TREES AS POSSIBLE AND LANDSCAPE EXTENSIVELY WITH NATIVE SPECIES.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:
- A) COVERAGE WILL BE 27.2% FOR THE HOUSE AND ATTACHED GARAGE (WHEN IT COULD BE 28% FOR A PRINCIPLE STRUCTURE AND AN ACCESSORY STRUCTURE). THE OPEN FRONT PORCH WILL BE 2.1% AND OVERHANGS WILL BE 3.5%. THE FRONT PORCH AND OVERHANGS WILL BE IN HARMONY WITH THE POSITIVE CHARACTERISTICS OF NEARBY BUILDINGS.
 - B) ONE SMALL LOCATION WILL HAVE A REAR YARD SETBACK OF 27.5' (25' WITH OVERHANG) WHEN IT COULD BE 5' FOR AN ACCESSORY STRUCTURE.
 - C) THE HOUSE WILL BE 49' WIDE (INCLUDING OVERHANGS). A HOUSE ON A CONFORMING UR-1 LOT COULD BE 70' WIDE. BECAUSE THIS LOT IS VERY NARROW, SIDE YARD SETBACKS TO STRUCTURE TOTAL 21' (9' AND 12' SINGLE SIDES) AND 19' TO OVERHANGS (8' AND 11' SINGLE SIDES). THESE PROPORTIONS ARE IN HARMONY WITH THE CHARACTER OF THE SIDE NEIGHBORS. MORE THAN 50' OF OPEN SPACE REMAINS ON EACH SIDE.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:
- A) THE HOUSE WILL BE ARCHITECTURALLY IN HARMONY WITH THE REST OF THE NEIGHBORHOOD.
 - B) THE INTENT IS TO LEAVE AS MANY TREES AS POSSIBLE AND CREATE MAXIMUM GREEN SPACE WHICH MAY BE VISIBLE FROM GREENFIELD AVENUE AND STATE STREET.
 - C) THE PROJECT WILL SOLVE ANY EXISTING GRADE AND RUN-OFF PROBLEMS.
 - D) THE INTENT IS TO UTILIZE THE LATEST TECHNOLOGIES FOR ENERGY AND WATER EFFICIENCIES.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:
- NO. THE DIFFICULTY EXISTS BECAUSE OF THE SIZE AND SHAPE OF THIS UR-1 NONCONFORMING LOT.

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

RE	Needham Request for Area Variance at 37 Greenfield Avenue

COVER MESSAGE

Fax of letter opposing an area variance for 37 Greenfield Avenue.

Volney LaRowe & Linda LeTendre
Greenfield Avenue
Saratoga Springs, NY 12866-1503

May 17, 2016

City of Saratoga Springs
Zoning Board of Appeals
City Hall - 474 Broadway
Saratoga Springs, NY 12866

Re: Needham Request for Area Variance at 37 Greenfield Avenue

Dear Zoning Board of Appeals:

We are vehemently opposed to granting an area variance for the proposed new construction for 37 Greenfield Avenue. We are tired of people coming into our neighborhood, buying a substandard sized lot and then expecting to build a mansion which would be more appropriate for a lot twice the size.

The Needhams, which we are sure are lovely people, knew the size of the lot when they purchased it and should have planned for house that would fit into the size requirements of said lot. Having large homes "shoehorned" onto small lots, especially when subdivided from other properties, has significantly detracted from the character and quality of our neighborhood, two reasons we moved here in the first place.

This has also caused an increase in the density of the housing on Greenfield Avenue, affecting traffic, noise and parking. It is no longer the quiet and tranquil neighborhood it use to be, again reasons we moved here over a decade ago.

We understand that Saratoga Springs is a popular residential destination and everybody wants to live here. We hope the Zoning Board of appeals will maintain what's left of the character and integrity of Greenfield Avenue, deny this request, and encourage the Needhams to design a building that fits the size requirements of the lot as stipulated by the existing zoning regulations.

Thank you for your time and kind consideration of our concerns.

Sincerely,

Volney LaRowe and Linda LeTendre

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

1. Property Address/Location: 223 Lake Avenue Tax Parcel No.: 166 46 2 59
(for example: 165.52 - 4 - 37)

2. Date acquired by current owner: 1/9/2015 3. Zoning District when purchased: UR-3

4. Present use of property: Deli/Pizza shop with commercial kitchen 5. Current Zoning District: UR-3

6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? 7/20/88 For what? Use Variance /Commercial Kitchen/Deli
 No 12/22/00 12/22/00 Use Variance (Sign)
Area Variance (Cooler)

7. Is property located within (check all that apply)?: Historic District Architectural Review District
 500' of a State Park, city boundary, or county/state highway?

8. Brief description of proposed action: To install a handicap ramp to the front (South) entrance to the business.
See Narrative Attachment "A".

9. Is there a written violation for this parcel that is not the subject of this application? Yes No

10. Has the work, use or occupancy to which this appeal relates already begun? Yes No

11. Identify the type of appeal you are requesting (check all that apply):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

USE VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

A use variance is requested to permit the following: _____

For the Zoning Board to grant a request for a use variance, an applicant must prove that the zoning regulations create an unnecessary hardship in relation to that property. In seeking a use variance, New York State law requires an applicant to prove all four of the following “tests”.

I. That the applicant cannot realize a reasonable financial return on initial investment for any currently permitted use on the property. “Dollars & cents” proof must be submitted as evidence. The property in question cannot yield a reasonable return for the following reasons:

A. Submit the following financial evidence relating to this property (attach additional evidence as needed):

1) Date of purchase: _____ Purchase amount: \$ _____

2) Indicate dates and costs of any improvements made to property after purchase:

<u>Date</u>	<u>Improvement</u>	<u>Cost</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____

3) Annual maintenance expenses: \$ _____ 4) Annual taxes: \$ _____

5) Annual income generated from property: \$ _____

6) City assessed value: \$ _____ Equalization rate: _____ Estimated Market Value: \$ _____

7) Appraised Value: \$ _____ Appraiser: _____ Date: _____

Appraisal Assumptions: _____

B. Has property been listed for sale with the Multiple Listing Service (MLS)? Yes If "yes", for how long? _____ No

1) Original listing date(s): _____ Original listing price: \$ _____

If listing price was reduced, describe when and to what extent: _____

2) Has the property been advertised in the newspapers or other publications? Yes No

If yes, describe frequency and name of publications: _____

3) Has the property had a "For Sale" sign posted on it? Yes No

If yes, list dates when sign was posted: _____

4) How many times has the property been shown and with what results? _____

2. That the financial hardship relating to this property is unique and does not apply to a substantial portion of the neighborhood. Difficulties shared with numerous other properties in the same neighborhood or district would not satisfy this requirement. This previously identified financial hardship is unique for the following reasons:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

Table 3: Area and Bulk

The applicant requests relief from the following Zoning Ordinance article(s) Schedule

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
Front yard setback	10 ft	.35 ft
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

The necessity for a handicap ramp is a relatively new requirement. There is only one practical way for the length of the ramp to be extended to allow access to into the public space of the business. A ramp on the east side of the property would interfere with parking and at its turn, would still intrude on the front yard setback. This would also require a handicapped person to make two turns on the ramp to get into the building.

- Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

The use and function of the building is not being effected by the ramp, as a result, there will be no functional change to the use of the property other than the positive change allowing handicap persons, or those for whom steps are a challenge, better access to the business.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

The placement of the structure on the Property in relative close proximity to Lake Avenue pre-exists the Zoning Code. The introduction of the ramp is not only a code requirement, but is also societally beneficial. The ramp, while close to the property line, still leaves the sidewalk and greenstrip between it and the paved portion of Lake Avenue. As a result, the impact of the placement of the ramp will not be substantial.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

The non-conforming use of the site has been established over time and by the granting of variances. The introduction of a ramp for the handicapped, injured or elderly will have a POSITIVE physical and environmental impact on the neighborhood not an ADVERSE one.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

The requirement for the ramp was not self created by the Applicant, it is a statutory requirement imposed on the property for communal good.

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

Attachment A

Narrative

The building located at 223 Lake Avenue has had a history of a mixed-residential use and commercial use prior to the modern zoning code being introduced to the City of Saratoga Springs. Attached as Exhibit "A" is a page from the 1960 Saratoga Springs Directory showing this property as the residence of William J. Davis and the William J. Davis Grocery Store. This mixed use utilization of this structure was augmented by the granting of a Use Variance on July 20, 1988, allowing the building to be used as a commercial kitchen and deli.

The position of the front of the building, facing Lake Avenue, is as it was historically. Attached is a copy of the 1954 Sandborn Map, the original of which is located in the "Saratoga Room" of the City of Saratoga Springs Public Library. See attached Exhibit "B". The relative position of the building in relation to Lake Avenue is the same as it was in 1954.

The Project site is located within the Urban Residential 3 Zone (UR-3) and the Owner intends to make an Application to the City of Saratoga Springs Planning Board to use the property as a Commercial Sales location, which is a use that is permitted in this Zone upon the granting of a Special Use Permit and Site Plan Approval.

The sole reason for this Application is to allow for the construction of a handicap ramp to the only public entrance to this building.

ZONING AND BUILDING INSPECTOR DENIAL
OF APPLICATION FOR LAND USE AND/OR BUILDING

APPLICANT: 223 LAKE AVE., LLC

TAX PARCEL No.: 166.46-2-59

PROPERTY ADDRESS: 223 LAKE AVENUE
ZONING DISTRICT: UR-3

This applicant has applied to use the identified property within the City of Saratoga Springs for the following:

Proposed construction of a handicap ramp.

This application is hereby denied upon the grounds that such use of the property would violate the City Zoning Ordinance article(s):

240-2.3 Table 3. As such, the following relief would be required to proceed:

Extension of existing variance Interpretation

Use Variance to permit the following: _____

Area Variance seeking the following relief:

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
<u>Minimum front yard setback:</u>	10 feet	.35 feet
<u>Maximum principal building coverage:</u>	30%	32%

RE: 223 Lake Avenue, City of Saratoga Springs, New York

Dear Susan,

Thank you very much for your insight and patience with regard to this Zoning Application. I enclose to you a hard copy of the two new elevations of the property and the revision to the written section of the Area Variance Application (Pages 6 and 7). I would ask you to insert those pages into the original Application. We have also forwarded this information to you via email for distribution as you deem appropriate.

If any further information is needed, please do not hesitate to contact me.

Very truly yours,

Michael J. Toohey

MJT/cb

Enclosures

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) Table 3: Area and Bulk Schedule

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
Front yard setback	10 ft	.35 ft
Principal Building Coverage	30%	32%

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

The necessity for a handicap ramp is a relatively new requirement. There is only one practical way for the length of the ramp to be extended to allow access to into the public space of the business. A ramp on the east side of the property would interfere with parking and at its turn, would still intrude on the front yard setback. This would also require a handicapped person to make two turns on the ramp to get into the building. The Principal Building as it presently exists is code compliant. It is only when you add the mandatory handicap ramp to the building that the percentage exceeds the permitted percentage.

- Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

The use and function of the building is not being effected by the ramp, as a result, there will be no functional change to the use of the property other than the positive change allowing handicap persons, or those for whom steps are a challenge, better access to the business. No one would recognize that approximately 180 sq ft more is covered by the expanded Principal Building, but they will recognize the positive change, that making the building handicap accessible, will have on the patrons.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

The placement of the structure on the Property in relative close proximity to Lake Avenue pre-exists the Zoning Code. The introduction of the ramp is not only a code requirement, but is also societally beneficial. The ramp, while close to the property line, still leaves the sidewalk and greenstrip between it and the paved portion of Lake Avenue. As a result, the impact of the placement of the ramp will not be substantial. The addition of 180 sq ft of coverage on this parcel for this purpose is not substantial.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

The non-conforming use of the site has been established over time and by the granting of variances. The introduction of a ramp for the handicapped, injured or elderly will have a POSITIVE physical and environmental impact on the neighborhood not an ADVERSE one. The limited additional lot coverage caused by the construction of the ramp will not have an adverse effect.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

The requirement for the ramp was not self created by the Applicant, it is a statutory requirement imposed on the property for communal good.

[REDACTED] >, Bill [REDACTED] helickezba
[REDACTED] >, shsteer [REDACTED]
Cc : Susan Barden <susan.barden@saratoga-springs.org>

Board Members,

This morning I received a call from a concerned citizen who received a neighbor notification for the above referenced project. She reflected that she was unable to access internet at this time to provide her own statement, so I am summarizing her concerns below:

Aimee Miller
121 Madison St
Re: 124 Jefferson St Use Variance Request

Was comfortable with said property being utilized for senior housing, but NOT for workforce housing. Does not want another Jefferson Terrace in the neighborhood, and feels there is not enough senior housing in Saratoga. Disagrees with any further expansion as there is already a lack of greenspace in the neighborhood.

Lindsey A. Gonzalez, M.P.A.

FOR OFFICE USE
(Application #)
(Date received)

APPLICATION FOR:
APPEAL TO THE ZONING BOARD FOR AN
INTERPRETATION, USE VARIANCE, AREA VARIANCE AND/OR VARIANCE EXTENSION

Table with columns: APPLICANT(S)*, OWNER(S) (If not applicant), ATTORNEY/AGENT. Rows: Name, Address, Phone, Email.

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: [X] Owner [] Lessee [] Under option to lease or purchase

PROPERTY INFORMATION

- 1. Property Address/Location: 124 jefferson st Tax Parcel No.: 178 36 3 21
2. Date acquired by current owner: 2110 3. Zoning District when purchased:
4. Present use of property: 6 townhomes 5. Current Zoning District:
6. Has a previous ZBA application/appeal been filed for this property?
7. Is property located within (check all that apply)?
8. Brief description of proposed action: repurpose public benefit from senior to workforce
9. Is there a written violation for this parcel that is not the subject of this application?
10. Has the work, use or occupancy to which this appeal relates already begun?
11. Identify the type of appeal you are requesting (check all that apply):

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

USE VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

A use variance is requested to permit the following: _____
2 market rate units and 4 workforce units

For the Zoning Board to grant a request for a use variance, an applicant must prove that the zoning regulations create an unnecessary hardship in relation to that property. In seeking a use variance, New York State law requires an applicant to prove all four of the following “tests”.

I. That the applicant cannot realize a reasonable financial return on initial investment for any currently permitted use on the property. “Dollars & cents” proof must be submitted as evidence. The property in question cannot yield a reasonable return for the following reasons:

7 years of marketing to seniors and not a single offer

A. Submit the following financial evidence relating to this property (attach additional evidence as needed):

1) Date of purchase: ²⁰¹⁰ _____ Purchase amount: \$ ^{377,000} _____

2) Indicate dates and costs of any improvements made to property after purchase:

<u>Date</u>	<u>Improvement</u>	<u>Cost</u>
2010	6 townhomes	\$1,800,000
_____	_____	_____
_____	_____	_____
_____	_____	_____

3) Annual maintenance expenses: \$ ^{20,000} _____ 4) Annual taxes: \$ ^{12,000} _____

6) City assessed value: \$ ^{492,000} _____ Equalization rate: ^{80%} _____ Estimated Market Value: \$ ^{615,000} _____

7) Appraised Value: \$ ^{na} _____ Appraiser: _____ Date: _____

Appraisal Assumptions: _____

B. Has property been listed for sale with the Multiple Listing Service (MLS)? Yes If "yes", for how long? 7 years No

1) Original listing date(s): 2010 Original listing price: \$ 325,000

If listing price was reduced, describe when and to what extent: \$299,000 in 2011

2) Has the property been advertised in the newspapers or other publications? Yes No

If yes, describe frequency and name of publications: all senior outlets 55+ Living Guide

3) Has the property had a "For Sale" sign posted on it? Yes No

If yes, list dates when sign was posted: since 2010

4) How many times has the property been shown and with what results? multiple times with no offers

2. That the financial hardship relating to this property is unique and does not apply to a substantial portion of the neighborhood. Difficulties shared with numerous other properties in the same neighborhood or district would not satisfy this requirement. This previously identified financial hardship is unique for the following reasons:

seniors do no want this type of housing which is twpo story 2 and 3 bedroom with full basement and attached garage.

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) _____

<u>Dimensional Requirements</u>	<u>From</u>	<u>To</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

1. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

* An applicant must be the property owner, lessee, or one with an option to lease or purchase the property in question.

Applicant's interest in the premises: Owner Lessee Under option to lease or purchase

PROPERTY INFORMATION

1. Property Address/Location: 124 jefferson st Tax Parcel No.: 178 36 3 21
(for example: 165.52 - 4 - 37)

2. Date acquired by current owner: 2110 3. Zoning District when purchased: UR 7

4. Present use of property: 6 townhomes 5. Current Zoning District: UR 7

6. Has a previous ZBA application/appeal been filed for this property?
 Yes (when? _____ For what? _____)
 No

7. Is property located within (check all that apply)? Historic District Architectural Review District
 500' of a State Park, city boundary, or county/state highway?

8. Brief description of proposed action: _____
 Repurpose the original public benefit, (which was required by the 4 unit density bonus received) from Senior housing to Workforce housing, wherein buyers must have a maximum income not to exceed 80 to 120% of Saratoga AMI (Area Median Income)

9. Is there a written violation for this parcel that is not the subject of this application? Yes No

10. Has the work, use or occupancy to which this appeal relates already begun? Yes No

11. Identify the type of appeal you are requesting (check all that apply):

INTERPRETATION (p. 2) VARIANCE EXTENSION (p. 2) USE VARIANCE (pp. 3-6) AREA VARIANCE (pp. 6-7)

FEES: Make checks payable to the "Commissioner of Finance". Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) na

2. How do you request that this section be interpreted? _____

na

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: _____ 2. Type of variance granted? Use Area

3. Date original variance expired: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

USE VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

A use variance is requested to permit the following: _____
Allow the sale of 2 market rate units, and 4 workforce units to persons whose income does not exceed 80-120% of the Saratoga County AMI (Area Median Income)

For the Zoning Board to grant a request for a use variance, an applicant must prove that the zoning regulations create an unnecessary hardship in relation to that property. In seeking a use variance, New York State law requires an applicant to prove all four of the following "tests".

I. That the applicant cannot realize a reasonable financial return on initial investment for any currently permitted use on the property. "Dollars & cents" proof must be submitted as evidence. The property in question cannot yield a reasonable return for the following reasons:

In 2110, six senior units were completed and marketing began. Each townhome consisted of 2 or 3 bedrooms, 2 story, full basements and attached garage. Price was \$325,000. From the outset, buyers were available in the 30 to 40 year old range, with none over the 55 age as required by the project approvals. The price was then lowered to \$299,000 (actual builder cost) and subsequently to \$250,000 to determine if price was indeed the factor. It clearly was not. For 7 years and 3 realtors, we still have no buyers over 55.

A. Submit the following financial evidence relating to this property (attach additional evidence as needed):

1) Date of purchase: 2010 Purchase amount: \$ 377,000

2) Indicate dates and costs of any improvements made to property after purchase:

<u>Date</u>	<u>Improvement</u>	<u>Cost</u>
2010	6 townhomes	\$1,800,000
_____	_____	_____
_____	_____	_____
_____	_____	_____

3) Annual maintenance expenses: \$ 20,000 4) Annual taxes: \$ 12,000

5) Annual income generated from property: \$ 10,000

6) City assessed value: \$ 492,000 Equalization rate: 80% Estimated Market Value: \$ 615,000

7) Appraised Value: \$ na Appraiser: _____ Date: _____

Appraisal Assumptions: _____

B. Has property been listed for sale with the Multiple Listing Service (MLS)? Yes If "yes", for how long? 7 years No

1) Original listing date(s): 2010 Original listing price: \$ 325,000

If listing price was reduced, describe when and to what extent: From \$325,000 to 299,000 to \$250,000 in 2011 as well as "Rent With Option To Buy"

2) Has the property been advertised in the newspapers or other publications? Yes No

If yes, describe frequency and name of publications: all senior outlets including 55+ Living Guide for 7 years.

3) Has the property had a "For Sale" sign posted on it? Yes No

If yes, list dates when sign was posted: since 2010

4) How many times has the property been shown and with what results? multiple times weekends, open houses, with no offers over 7 years.

2. That the financial hardship relating to this property is unique and does not apply to a substantial portion of the neighborhood. Difficulties shared with numerous other properties in the same neighborhood or district would not satisfy this requirement. This previously identified financial hardship is unique for the following reasons:

After 7 years of marketing, price reductions and 3 realtors, it is clear that while persons in the age bracket of 30 to 40 will purchase these homes, seniors will not.

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

Attachments
and supporting materials.

124 Jefferson St. – Project History

Background- In 2010, the project was approved for 6 units of senior housing (2 units allowed, plus 4 units (density bonus). Marketing began immediately with age restriction originally at 60, subsequently changed to 55 by the city. However, customers who were willing to purchase were always 30 to 40 years of age.

Unit Design – Two and Three Bedroom, Two story, and full basement with attached garage.

Pricing – \$325,000 in 2010 subsequently reduced to \$299,000 in 2011 and briefly to \$250,000 that year.

Marketing - (Utilized three realtors) (Roohan ,Hunt ,Pro Realty of New York) with specialized outreach to seniors through flyers and visits to all Saratoga Senior centers. In addition, targeted advertising in “55 + Living Guide”. (Attached)

2016 Situation- After 7 years of marketing, it is clear that there is a market for these homes in the 30 to 40 year age range. We are proposing to repurpose the Public Benefit derived from the 4 unit density bonus to “Workforce Housing”

Workforce Housing - would restrict buyers to a maximum of 80 to 120% of the Area Median Income (AMI) for Saratoga County, thus providing affordable housing opportunities for the city, which it sorely needs.

Danielle Warrington at 518-698-9955 (cell)

DOWNSIZE TO UPSCALE SOPHISTICATION AND STYLE.

New construction, luxury 55+ condominiums within walking distance to Broadway and historic Saratoga Race Course. A six unit building with two floor plans to choose from. Attached garage, small front porch and back patios overlooking common backyard areas for total outdoor enjoyment.

To whom it may concern:

I (Danielle Warrington) started working with Charles Touhey and property managing 124 Jefferson St. about 4 years ago. Seeming I work for a successful local builder and broker Cecil Provost, and being a realtor myself, we figured this would really help us sell these units. During this time I have set forth several different marketing avenues for 55+ senior living. We have advertised in Saratoga Living, a local magazine, 55 plus living guide, local papers, printed marketing brochures at the Y ,the race track, local business, as well as social media and that's just to name a few. I have spent years showing these units to 55+ seniors week after week just to continue to get the same result. I've done several open house events in hopes to attract seniors. 55+ seniors have no interests in buying these units due to the floor design and layout. They do not want to purchase their final home with 2 sets of stairs and no Bedroom on first floor, and no handicap access. We have rented a few units to 55+ seniors, and as a show of good faith brought every lease and photo id to Brad Birge so he knew we were doing the right thing. All Tenants at this time are moved out due to the reasons I listed above or they have purchased a place with the amenities they need, 1st. floor living.

Also during this time I couldn't even begin to count the number of sales, and rent with option, we have turned away due to the age restriction. What I have seen is that it's the 30+ middle age class that want to buy these condos. We have exhausted every idea, marketing strategy, to get these sold and it's just not happening. We have been honest and worked diligently in this process with just no success!

124 Jefferson Street units 1-6

List of potential sales, rentals lost due to age restriction:

1. Showing, from glens falls area, owned a home looking to downsize age 46 years old, pre approved, owns a business. Age restriction only reason for not purchasing, Jan 2013.

2. Showing, from Saratoga young professional, age 35 works for a marketing firm in town. Age restriction only reason for not renting or purchasing. March 2013

3. Showing, from Albany area, works at Albany Med, age 27, looking to buy 1st time. Pre Approval letter, age restriction can not rent or sell. Bought a condo in malta. April 2013

4. Showing, age 32, from Latham area wanted to move to Saratoga, I sold him a house in Stillwater as the age restriction only reason I could not rent or sell to him. June 2013.

5. Showing, from burnt hills, age 45 looking to downsize wanted a townhome or condo. Age restriction only reason sale lost. Bought in ballston spa. June 2013

6. Showing, from Morgan Stanley, lives in NYC age 37. Looking for summer townhome in saratoga. Age restriction only reason for loss of sale. A track goer for reason loved location. July 2013.

7. Showing, from Albany area wanting to move to Saratoga, 1st time home buyer. Pre-approved age 35. Bought house in Albany due to age restriction. Aug 2013

8. Showing, from Albany area, age 45 looking to downsize, second home. Wants to move to Saratoga Area. pre- approval. Age restriction the issue. Nov. 2013

9. Showing, from Saratoga, age 33, first time home buyer. Age restriction reason for not purchasing. Dec 2013

10. Showing, from Queensbury, 36 first time homebuyer, pre-approved, loved property, lack of age requirement. Bought a home in Queensbury. Feb 2014

11. Showing, from Saratoga, 2nd home, downsizing. Age 43 unsure of statis if purchased. Age was the issue. April 2014

12. Showing, from Watervliet, age 39. 1st time home buyer. Wanted to move to Saratoga. Wanted to buy, age was the issue. Bought a home in malta area. June 2014.

13. Showing, age 29, 1st time home buyer, works at GE. Loved the townhomes. Age restriction the issue. Bought a home in ballston spa with her husband. June 2014.

14. Showing,, age 34 moving here from NYC. Wanted to put in an offer, age again and bought a townhouse in Clifton Park. July 2014

15. Showing, from NJ. wanted to purchase for summer home. Lost deal due to age restriction. Aug 2014.

16. Showing, 30. Works at Navy base in Saratoga. 1st time home buyer. Age restriction only reason for no offer submitted. Oct. 2014.

17. Showing, 45 looking for second home in Saratoga. Lives in NH. Wanted a summer townhome in town. Decided to build due to age restriction. Dec. 2014

18. Showing, Married early 40's. Were looking for a second home. Built in still water a Townhome. Age was reason for loss of sale. March 2015.

19. Showing, 42 2nd home, looking to downsize. from Saratoga Area, loss sale to age. Moved to Ballston Spa. April 2015.

20. Showing, 1st time home buyer. from Saratoga. Age reason for loss of sale. bought in ballston spa. June 2015.

21. Showing, 43, second home. downsizing. moved from latham to saratoga, not sure where tho. Age was loss of sale. July 2015.

22. Showing, age 31, from saratoga. works at globalfoundries. loss of sale due to age. relocated to Vermont for job. Aug. 2015

23. Showing, age 33, from saratoga area works at local business, loss of sale due to age.

Every month 1 open house since 2013-2016, no sales due to age restriction!

This is just some of the contacts that I kept record of. There were also several agents in Saratoga that brought clients to show, age the number one reason for loss of sale. Second reason 55+ does not want to buy due to design layout being 2 story, the concern is in a few years from now the stairs being a huge issue. Just wanted to give you an idea of the hardship we have dealt with on this project. Thank you Brad for your time and consideration.

Sincerely,

Danielle

I'm reachable at [REDACTED], if there is any further questions.

ZONING AND BUILDING INSPECTOR DENIAL
OF APPLICATION FOR LAND USE AND/OR BUILDING

APPLICANT: CDJT DEVELOPMENT, LLC

TAX PARCEL NO.: 178.36-3-21

FEES: Make checks payable to the "Commissioner of Finance" and attach to top of original application. Fees are cumulative and required for each request below.

- Interpretation \$ 400
- Use variance \$1,000
- Area variance
- Residential use/property: \$ 150
- Non-residential use/property: \$ 500
- Extensions: \$ 150

INTERPRETATION – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Identify the section(s) of the Zoning Ordinance for which you are seeking an interpretation:

Section(s) _____

2. How do you request that this section be interpreted? _____

3. If interpretation is denied, do you wish to request alternative zoning relief? Yes No

4. If the answer to #3 is "yes," what alternative relief do you request? Use Variance Area Variance

EXTENSION OF A VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

1. Date original variance was granted: 5/1/14 2. Type of variance granted? Use Area

3. Date original variance expired: 11/1/15 4. Length of extension requested: _____

5. Explain why the extension is necessary. Why wasn't the original timeframe sufficient?: We were unable to close on the property due to it being held up in probate for the last several months. We are anticipating to close within the next few weeks.

When requesting an extension of time for an existing variance, the applicant must prove that the circumstances upon which the original variance was granted have not changed. Specifically demonstrate that there have been no significant changes on the site, in the neighborhood, or within the circumstances upon which the original variance was granted:

Nothing has changed to this area & no new development

on or near this site.

USE VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

A use variance is requested to permit the following: _____

For the Zoning Board to grant a request for a use variance, an applicant must prove that the zoning regulations create an unnecessary hardship in relation to that property. In seeking a use variance, New York State law requires an applicant to prove all four of the following “tests”.

- I. That the applicant cannot realize a reasonable financial return on initial investment for any currently permitted use on the property. “Dollars & cents” proof must be submitted as evidence. The property in question cannot yield a reasonable return for the following reasons:

A. Submit the following financial evidence relating to this property (attach additional evidence as needed):

1) Date of purchase: _____ Purchase amount: \$ _____

2) Indicate dates and costs of any improvements made to property after purchase:

<u>Date</u>	<u>Improvement</u>	<u>Cost</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____

3) Annual maintenance expenses: \$ _____ 4) Annual taxes: \$ _____

5) Annual income generated from property: \$ _____

6) City assessed value: \$ _____ Equalization rate: _____ Estimated Market Value: \$ _____

7) Appraised Value: \$ _____ Appraiser: _____ Date: _____

Appraisal Assumptions: _____

B. Has property been listed for sale with the Multiple Listing Service (MLS)? Yes If "yes", for how long? _____
 No

1) Original listing date(s): _____ Original listing price: \$ _____

If listing price was reduced, describe when and to what extent: _____

2) Has the property been advertised in the newspapers or other publications? Yes No

If yes, describe frequency and name of publications: _____

3) Has the property had a "For Sale" sign posted on it? Yes No

If yes, list dates when sign was posted: _____

4) How many times has the property been shown and with what results? _____

2. That the financial hardship relating to this property is unique and does not apply to a substantial portion of the neighborhood. Difficulties shared with numerous other properties in the same neighborhood or district would not satisfy this requirement. This previously identified financial hardship is unique for the following reasons:

AREA VARIANCE – PLEASE ANSWER THE FOLLOWING (add additional information as necessary):

The applicant requests relief from the following Zoning Ordinance article(s) _____.

Dimensional Requirements

	From	To	→ To
Fencing (exterior fence only)	6'	8'	
Lot Coverage	30%	(Prev. Appr.) 43.5%	46.0%
Front Yard Setback	10'	(Pre. Appr.) 5'	1'

Other: _____

To grant an area variance, the ZBA must balance the benefits to the applicant and the health, safety, and welfare of the neighborhood and community, taking into consideration the following:

- I. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible.

Our fencing request is new, asking for the height limit to go from 6 – 8' (exterior fence only). This creates privacy along the perimeter, a benefit to both sides of the fence. What is currently there is dilapidated and run down, hence aesthically a great improvement. Our modified request for front setback of 1' is what currently exists and consistent with surrounding homes. The 5' granted does not allow for our (2) front porches to be placed on the unit. This style entry fits with the street scape. Finally, the area coverage request of 46% is what was originally asked for, and necessary for the option of adding additional back porches on the homes; an opportunity for our clients to enjoy their backyards, since their fronts are quite limited-in size. These variance alternatives are reasonable and contiguous with the urban feel of downtown.

2. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties. Granting the variance will not create a detriment to nearby properties or an undesirable change in the neighborhood character for the following reasons:

Granting the area variance will enhance the neighborhood by creating privacy, align the two front porches with the neighboring homes, and allow only 2.5% more in area coverage which was originally requested.

3. Whether the variance is substantial. The requested variance is not substantial for the following reasons:

This request is minimal and less than what currently exists on the property. The fence height increase is not substantial and benefits both the current and new homeowners.

4. Whether the variance will have adverse physical or environmental effects on neighborhood or district. The requested variance will not have an adverse physical or environmental effect on the neighborhood or district for the following reasons:

This is one lot, seven homes, a singular curb cut and permissible use of the land in lieu of its current nonconforming commercial use. Permeability exceeds the minimum, peaking at 35-10%, parking accommodations are onsite and traffic is reduced due to the applicable Urban Residential 3 zone. The lot will be properly cleaned and abated, a favorable influence both physically and environmentally on the neighborhood.

5. Whether the alleged difficulty was self-created (although this does not necessarily preclude the granting of an area variance). Explain whether the alleged difficulty was or was not self-created:

The difficulty was created by the need to change a non-conforming structure to a residential economically feasible solution. A win for all involved; neighbors, city, and a proper sustainable usage by City Standards.

In accord with Article 240-14.4A(1)(b)(6) of the Zoning Ordinance, "any request for an area variance, which shall effect a change in density, shall be applied for and considered as a use variance and decided under criteria for the same". A request that involves any of the following relief will require an application for a use variance and will be decided under the use variance criteria:

- (1) Dimensional relief from minimum lot size requirements that would allow additional permitted units and/or uses
- (2) Relief from on site parking requirements
- (3) Reduction in land area requirements for multi-family units

DISCLOSURE

Does any City officer, employee, or family member thereof have a financial interest (as defined by General Municipal Law Section 809) in this application? No Yes If "yes", a statement disclosing the name, residence and nature and extent of this interest must be filed with this application.

APPLICANT CERTIFICATION

I/we, the property owner(s), or purchaser(s)/lessee(s) under contract, of the land in question, hereby request an appearance before the Zoning Board of Appeals.

By the signature(s) attached hereto, I/we certify that the information provided within this application and accompanying documentation is, to the best of my/our knowledge, true and accurate. I/we further understand that intentionally providing false or misleading information is grounds for immediate denial of this application.

Furthermore, I/we hereby authorize the members of the Zoning Board of Appeals and designated City staff to enter the property associated with this application for purposes of conducting any necessary site inspections relating to this appeal.

PART II - IMPACT ASSESSMENT (To be completed by Lead Agency)

A. DOES ACTION EXCEED ANY TYPE I THRESHOLD IN 6 NYCRR, PART 617.4? If yes, coordinate the review process and use the FULL EAF.
 Yes No

B. WILL ACTION RECEIVE COORDINATED REVIEW AS PROVIDED FOR UNLISTED ACTIONS IN 6 NYCRR, PART 617.6? If No, a negative declaration may be superseded by another involved agency.
 Yes No

C. COULD ACTION RESULT IN ANY ADVERSE EFFECTS ASSOCIATED WITH THE FOLLOWING: (Answers may be handwritten, if legible)
C1. Existing air quality, surface or groundwater quality or quantity, noise levels, existing traffic pattern, solid waste production or disposal, potential for erosion, drainage or flooding problems? Explain briefly:

C2. Aesthetic, agricultural, archaeological, historic or other natural or cultural resources; or community or neighborhood character? Explain briefly:

C3. Vegetation or fauna, fish, shellfish or wildlife species, significant habitats, or threatened or endangered species? Explain briefly:

C4. A community's existing plans or goals as officially adopted, or a change in use or intensity of use of land or other natural resources? Explain briefly:

C5. Growth, subsequent development, or related activities likely to be induced by the proposed action? Explain briefly:

C6. Long term, short term, cumulative, or other effects not identified in C1-C5? Explain briefly:

C7. Other impacts (including changes in use of either quantity or type of energy? Explain briefly:

D. WILL THE PROJECT HAVE AN IMPACT ON THE ENVIRONMENTAL CHARACTERISTICS THAT CAUSED THE ESTABLISHMENT OF A CRITICAL ENVIRONMENTAL AREA (CEA)?
 Yes No If Yes, explain briefly:

E. IS THERE, OR IS THERE LIKELY TO BE, CONTROVERSY RELATED TO POTENTIAL ADVERSE ENVIRONMENTAL IMPACTS?
 Yes No If Yes, explain briefly:

PART III - DETERMINATION OF SIGNIFICANCE (To be completed by Agency)

INSTRUCTIONS: For each adverse effect identified above, determine whether it is substantial, large, important or otherwise significant. Each effect should be assessed in connection with its (a) setting (i.e. urban or rural); (b) probability of occurring; (c) duration; (d) irreversibility; (e) geographic scope; and (f) magnitude. If necessary, add attachments or reference supporting materials. Ensure that explanations contain sufficient detail to show that all relevant adverse impacts have been identified and adequately addressed. If question d of part ii was checked yes, the determination of significance must evaluate the potential impact of the proposed action on the environmental characteristics of the CEA.

Check this box if you have identified one or more potentially large or significant adverse impacts that **MAY** occur. Then proceed directly to the FULL EAF and/or prepare a positive declaration.

Check this box if you have determined, based on the information and analysis above and any supporting documentation, that the proposed action **WILL NOT** result in any significant adverse environmental impacts **AND** provide, on attachments as necessary, the reasons supporting this determination.

ACCOUNTS DEPARTMENT

IN THE MATTER OF THE APPEAL OF
ANW Holdings, Inc. of 564 Broadway
Saratoga Springs, NY 12866

from the Building Inspector's Denial of Application for Land Use and/or Building for the premises at 27 Jumel Place, Saratoga Springs, New York, identified as Tax Parcel No.: 166.13-1-50.2 in the inside district of the City.

The Applicant has applied for an area variance for relief from the current City Zoning Ordinance applicable to the Urban Residential - 3 zoning district to construct a seven unit condominium development seeking relief from the maximum principal buildings permitted on one lot, maximum principal building coverage, the minimum front yard setback requirements for the two units fronting on Jumel Place, and from the minimum rear yard setback requirements for the two units located at the rear of the property, and public notice having been duly given of a hearing on said application on July 9, 2013 and October 28, 2013.

In consideration of the balance between the benefit to the Applicant with the detriment to the health, safety and welfare of the community, the Board makes the following resolution that the requested area variance for the following relief or such lesser amount, as described in the submitted application, BE APPROVED:

Type of Requirement	Required	Existing	Proposed	Total Relief Requested
Maximum Principal Buildings on one lot	One (1)	One (1)	Seven (7)	6 (600%)
Maximum Building Coverage	30%	49.4%	43.5%	13.5% (45%)
Minimum Front Yard Setback for the 2 units fronting on Jumel Place	10 feet	1 foot	5 feet	5 feet (50%)
Minimum Rear Yard Setback for the 2 units located at the rear	25 feet	.7 foot	6 feet	19 feet (76%)

1. The Applicant has demonstrated that this benefit cannot be achieved by other means feasible. This Board has been asked to consider several prior applications to redevelop this property. It is currently used for mixed commercial and residential purposes with a large cement structure, formerly a manufacturing facility, located on the property. The current use is not conducive to a residential neighborhood and the noise and traffic generated by the current use has been an issue of concern for many of the neighbors. The unique nature

of this property and the prior failed attempts to arrive at a use for this property that is acceptable to neighbors, conforming with the neighborhood and economically feasible has demonstrated that the redevelopment of this property raises unusual and distinct issues. Not only has the Applicant explored alternate means to achieve the requested benefit including a smaller number of units which were evaluated and found to be economically unfeasible, but prior applicants have also attempted to use the structure for varied uses, all of which demonstrates that other alternatives have not been shown to be practical or economically feasible. The applicant has demonstrated that redeveloping this property from an unsightly cement structure used for commercial purposes into a seven unit residential condominium development is the best economically feasible use as shown on the proposed site plan for this property.

2. The Applicant has demonstrated that granting these variances will not create an undesirable change in neighborhood character or a detriment to nearby properties. Applicant had shown that removal of the current cement structure and construction of a seven unit condominium will result in a development that substantially conforms with the residential homes in the neighborhood. The Applicant has demonstrated, and several neighbors have testified in support, that this redevelopment will have a very beneficial impact on the neighborhood. The granting of these variances will result in the removal of a varied use (ballet school), unauthorized use (karate school) and prior nonconforming use (manufacturing facility) and result in a conforming use which is in keeping with the character of the neighborhood. We note that the City Planning Board issued a favorable advisory opinion identifying that "This site can adequately accommodate development of this scale, and that the overall density proposed is compatible with the surrounding neighborhood." Based on the foregoing, the granting the variances will improve the appearance of the property and will not create an undesirable change in neighborhood character or impact on nearby properties, but rather a desirable and valuable change.

3. The relief requested may be considered substantial, but is mitigated by the fact that the current existing structure is non-conforming and by the fact that the lot, at 34,765.50 square feet, would accommodate either five single-family lots or four two-family buildings for total of eight residences. The requested variance, for seven units, is one less than the permitted 8 residences. In order to develop this property in a manner that is most conducive to current needs of our citizens, creating smaller free standing condominiums is beneficial. The construction of one continuous unit would have eliminated the need for a variance for seven units, but would not have resulted in a project that meets the current needs of some members of the community. The minimum front and rear setback variances are necessary to maximize the available parking and the need for service vehicles to access the property. Due to the non-conformance of the current structure and some of the existing structures in the neighborhood, these variances will not have a substantial impact on the neighborhood and therefore mitigates the substantial nature of the variances.

4. The Applicant has demonstrated that the variance will not have a significant adverse physical or environmental effect on the neighborhood. The Applicant has demonstrated, and several neighbors have testified in support, that this redevelopment will have a significant beneficial physical impact on the neighborhood. Not only will the current commercial use with resulting traffic and noise generated by such use no longer interfere with the quiet residential neighborhood, but the physical change to the property will be a significant improvement to the appearance of the neighborhood. Additionally, the proposed construction will improve the permeability of the lot to 35.1%, in excess of the required 25%.

5. The alleged difficulty may be considered self-created in that the Applicant desires to re-develop this property in a manner that will meet the needs of residents of Saratoga Springs who are looking to down size and still create a development that conforms to the neighborhood as a residential development in an economic

manner, however, this is not necessarily fatal to the application.

Notifications/Approvals/Conditions of Approval:

Prior variances are discontinued.

Saratoga Springs City Planning Board site plan review is required – the Planning Board will address local concerns as identified by the Saratoga County Planning Board.

Saratoga County Planning Board issued a finding of no significant county side or inter community impact.

Adopted by the following vote:

AYES: 6 (B. Moore, K. Kaplan, A. McNeill, G. Hasbrouck, S. Carlson, O. Ludd)

NAYES: 0

Dated: October 28, 2013

This variance shall expire 18 months following the filing date of such decision unless the necessary building permit has been issued and actual construction begun as per 240-8.5.1.

Appeal #2759
IN THE MATTER OF THE APPEAL OF
ANW Holdings, Inc.
564 Broadway
Saratoga Springs, NY 12866

from the Building Inspector's Denial of Application for Land Use and/or Building for the premises at 27 Jumel Place, Saratoga Springs, New York, identified as Tax Parcel No.: 166.13-1-50.2 in the inside district of the City.

The Applicant has applied for modification to Appeal # 2714, a variance granted October 23, 2013, seeking modification of the relief from the maximum principal building coverage and the minimum front yard setback requirements for the two units fronting on Jumel Place, and for additional relief from maximum height of a residential fence, all as provided in the current City Zoning Ordinance applicable to the Urban Residential - 3 zoning district, and public notice having been duly given of a hearing on said application on April 21, 2014 and April 28, 2014.

In consideration of the balance between the benefit to the Applicant with the detriment to the health, safety and welfare of the community, the Board makes the following resolution that the requested area variance for the following relief or such lesser amount, as described in the submitted application, BE APPROVED:

Type of Requirement	Required/ Permitted	Previously Approved	Proposed	Total Relief Requested
Maximum Building Coverage	30%	43.5%	46%	16% (53%)
Minimum Front Yard Setback for the 2 units fronting on Jumel Place	10 feet	5 foot	1 feet	9 feet (90%)
Maximum Height residential fence	6 feet	N/A	8 feet	2 feet (33%)

1. The Applicant has demonstrated that this benefit cannot be achieved by other means feasible. This Board has previously determined in Appeal #2714 that the Applicant has demonstrated that redeveloping this property from an unsightly cement structure used for commercial purposes into a seven unit residential condominium development is the best economically feasible use as shown on the proposed site plan for this property. The modifications to the maximum principal building coverage and the minimum front yard setback requested by Applicant, subject to the conditions provided below, do not change the Board's prior determinations. The request to increase the maximum height of the residential fence is requested to ensure added privacy for the units and for adjacent neighbors. Providing this privacy cannot be achieved by other means due to the limited size of the property.

2. The Applicant has demonstrated that granting the modification to these variances will not create an undesirable change in neighborhood character or a detriment to nearby properties. In granting variance #2714, the Board concluded the granting the variances will improve the appearance of the property and will not create an undesirable change in

neighborhood character or impact on nearby properties, but rather a desirable and valuable change. The modifications do not change this conclusion. Additionally, granting the variance for an increased height in the fence will enhance the character of the neighborhood.

3. The modifications to the relief requested may be considered substantial. However, due to the proximity of the proposed developed structures to the neighbors and to one another, the Board finds the benefit of privacy fencing to offset the adverse impact.

4. The Applicant has demonstrated that the modification of the variances will not have a significant adverse physical or environmental effect on the neighborhood. In the prior Appeal, the Applicant demonstrated and several neighbors testified in support, that this redevelopment will have a significant beneficial physical impact on the neighborhood. The modifications requested in this application do not alter the conclusions reached by this Board in Appeal #2714. Additionally, the request for an increase in the height of the fence does not have an adverse physical or environmental effect on the neighborhood.

5. The alleged difficulty may be considered self-created, however, this is not necessarily fatal to the application.

Notifications/Approvals/Conditions of Approval:

The minimum front yard setback of 5 feet previously approved in Appeal #2714 is modified only to permit front stoops or stairways within the 5 foot setback to the 1 foot setback.

No eight (8) foot fence shall be permitted to be constructed along Jumel Place or extending beyond the front foundation line along Jumel Place.

County Planning Board issued a decision of "No Significant County Impact" on April 17, 2014.

Adopted by the following vote:

AYES: 7 (B. Moore, K. Kaplan, A. McNeill, G. Hasbrouck, S. Carlson O. Ludd and J. Helicke)

NAYES: 0

Dated: April 28, 2014

This variance shall expire 18 months following the filing date of such decision unless the necessary building permit has been issued and actual construction begun as per 240-8.5.1.

City Hall – 474 Broadway
Saratoga Springs, New York 12866

Re: ANW Holdings, LLC, 27 Jumel Place; Area Variance Application

Dear Zoning Board of Appeals:

We represent Samuel Brewton, Gerald and Debra Mattison, and Sandra Cohen in connection with the above-referenced matter. Mr. Brewton, Mr. and Mrs. Mattison, and Ms. Cohen each either own or reside at property at [REDACTED] Lake Avenue (Tax Map Parcel No. 166.13-1-4) and [REDACTED] Lake Avenue (166.13-1-6), located in close proximity to 27 Jumel Place, the site of the proposed Downtown Walk project. This letter is submitted in connection with the application by ANW Holdings, LLC for several area variances for the Downtown Walk project, proposed for 27 Jumel Place. Submission of this comment letter should not be construed as any waiver of the interpretation appeal filed by Mr. Brewton, Mr. and Mrs. Mattison, and Mrs. Cohen.

As set forth below, the several variances sought should be denied in the absence of a project modification or an effort by ANW Holdings to lessen the requested variances.

In making its determination on the area variance application, the ZBA must consider, among other things, “whether the benefit sought by the applicant can be achieved by some method feasible for the applicant to pursue, other than an area variance”, and, if inclined to grant an area variance, the ZBA “shall grant the minimum variance that it shall deem necessary and adequate and at the same time preserve and protect the character of the neighborhood and the health, safety and welfare of the community” (N.Y. General City Law § 81-b [4] [a] [ii], [c]).

Finding that the proposed design is either the “best” or “an” economically feasible use of the property is not sufficient. The burden rests upon the applicant to establish that other feasible alternatives do not exist (see Katz v. Town of Bedford Zoning Bd. of Appeals, 202 AD2d 504, 504 [2d Dep’t 1994]). To meet its burden, the applicant must demonstrate that it has sought other alternatives to no avail (see Durler v. Accettella, 165 AD2d 872, 873 [1990]). Even where the applicant has established that the variance sought is insubstantial and will not adversely affect the character of the neighborhood, an applicant’s failure to demonstrate that no reasonable alternatives

Please Reply to Albany Office, 54 State Street, Suite 803, Albany, New York, 12207

exist will support a denial of the area variance (see Stengel v. Town of Woodstock Zoning Bd. of Appeals, 155 AD2d 854, 856 [3d Dep't 1989]).

As the ZBA has previously found for this particular parcel, the subject lot can accommodate either five single-family lots or four two-family lots. Proof that the property may be used *more* profitably by developing it as a seven-unit condominium than as five single-family lots or four two-family lots does not adequately demonstrate significant economic injury to warrant the grant of an area variance (Stengel, supra, 155 AD2d at 856; see also Ifrac v. Utschig, 98 NY2d 304, 309 [2002]; Orchard Michael, Inc. v. Falcon, 110 AD2d 1048, 1048 [4th Dep't 1985]). "Proof that the ordinance caused the applicant mere inconvenience, or that the property could be utilized more profitably if an area variance were granted, is ordinarily not sufficient to justify the issuance of a variance, irrespective of the application's seeming reasonableness (Human Dev. Servs. of Port Chester, Inc. v. Zoning Bd. of Appeals of Vill. of Port Chester, 110 AD2d 135, 140 [2d Dep't 1985]; Fuhst v. Foley, 45 NY2d 441, 447 [1978]).

Here, the Applicant has indicated that it will incur approximately \$754,700 in site development costs expenses, including land purchase costs, professional fees, interest, taxes, soil testing, construction, fill dirt, demolition and asbestos removal, lot clearing, silt fencing, electric lines, and trees. The Applicant represented at the February 22, 2016 ZBA meeting that the proposed condominium units will be offered for sale at prices between \$700,000 and \$1.5 million.

The Applicant has failed to demonstrate that the variances requested are the minimum variances necessary or adequate to achieve its objectives, or that there is not a feasible alternative available to achieve its legitimate objectives. As noted above, that the Applicant's proposal may be its preferred proposal or may be the one expected to generate the most profit does not mean that it is the *only* feasible alternative. For instance, the record demonstrates that a four-lot subdivision (each lot with a two-family dwelling) or a five-lot subdivision (each lot with a single-family dwelling) could be achievable on the subject site. At the proposed home prices quoted by the Applicant, such a conforming project could be profitable for the Applicant. Thus, there is a feasible alternative, and the variances requested are not the minimum required to achieve the Applicant's objective.

On behalf of Mr. Brewton, Mr. and Mrs. Mattison, and Ms. Cohen, we respectfully request that the ZBA require the Applicant to develop the site in accordance with the Zoning Ordinance, including by making application for an appropriate subdivision, and in the absence of the Applicant's agreement to seek a more appropriately sized project, that the ZBA deny the area variances requested.

Very truly yours,

TUCZINSKI, CAVALIER & GILCHRIST, P.C.

Re: ANW Holdings, Inc. – Area Variance Renewal Application
27 Jumel Place – UR-3

Dear Chairman Moore:

We represent the interests of ANW Holdings, Inc. (“ANW”) with respect to its application for the renewal of area variances granted by the Saratoga Springs Zoning Board of Appeals (“Board”) in 2013 and 2014 related to 27 Jumel Place (“Property”). The area variances lapsed due to delays related to the death of the current owner and the inability of ANW to close on the purchase of the Property due to estate and probate issues. However, all issues related to the sale have now been resolved and we respectfully request that the Zoning Board of Appeals adhere to its prior precedent and findings related to this project and renew the relief previously granted.

A. Background and History

The Property has been before the Board on several occasions prior to the instant application and dating back as far as 1957. The site was home to a manufacturing operation in what was, then and now, a largely residential area. The pre-existing, non-conforming building is a large concrete structure covering approximately 49.5% of the lot. At the front and rear of the lot, there is currently under one foot of setback as the building is located directly on the property lines. Over time, the use on the site evolved from manufacturing to a ballet school and apartment building; and, even at one time, a non-conforming karate studio.

CARTER, CONBOY, CASE, BLACKMORE, MALONEY & LAIRD, P.C.

In 2013, John Witt, ANW’s representative, came before the Board to present a new use on the site which had the potential to reduce the overall lot coverage and density in the form of seven residential single family condominium units. The 2013 application (formerly known as “Magnolia Lane” and now referred to as “Downton Walk”) set forth plans to demolish the existing non-conforming structure and requested several area variances to construct the project, to wit: maximum building coverage, maximum principal building on one lot, minimum front yard setback for two units on Jumel Place, and minimum rear yard setback for two units at the rear. The Board requested an advisory opinion from the Planning Board which was issued in favor of the project, specifically finding that the “site can adequately accommodate development of this scale, and that the overall density proposed is compatible with the surrounding neighborhood.” (See 11/18/13 Resolution of the ZBA) Moreover, the Board requested alternatives to the proposed project from ANW which Mr. Witt provided in the form of an itemized list of land development costs and scenarios involved in erecting fewer than the seven lots shown. Following a public hearing on the matter, the Board voted to approve the area variances as requested and made several specific factual findings related to the relief granted. Below is a summary of the relief and those findings:

Type of Relief	Required	Existing	Proposed	Total Relief
Maximum Principal Building Coverage	30%	49.4%	43.58%	13.58% (45%)
Maximum Principal Buildings	1	1	7	6 (600%)
Minimum Front Yard Setback for 2 units on Jumel Place	10 ft	1 ft	5 ft	5 ft (50%)
Minimum Rear Yard Setback for 2 units located at the rear	25 ft	.7	6	19 ft (76%)

Factual Findings and Legal Precedent pursuant to New York State City Law §81-b(4); Saratoga Springs City Zoning Ordinance §8.0, et seq:

1. Feasible Alternatives (Whether the benefit cannot be achieved by other feasible means):
The Board reiterated that several prior applications had been made prior to ANW’s application in 2013 for redevelopment of the Property which were unsuccessful. The current use of the Property was described as “mixed commercial and residential purposes with a large cement structure, formerly a manufacturing facility” which uses are “not conducive to a residential neighborhood” with noise and traffic that is disturbing to neighbors. The Board found that the Property presented unique non-conforming concerns

and evidence of previous economically infeasible redevelopment proposals. Specifically, the Board determined that “[n]ot only has the Applicant explored alternate means to achieve the requested benefit *including a smaller number of units* which were evaluated and found to be economically unfeasible, but *prior applications* have also attempted to use the structure for varied uses, all of which demonstrates that other alternatives have not been shown to be practical or economically feasible. In short, the ANW proposal “is the best economically feasible use as shown on the proposed site plan for this property.” [emphasis supplied]

2. Undesirable Change (Whether the variance will create an undesirable change in the neighborhood character or a detriment to nearby properties): First, the Board noted that the application involves the complete removal of a non-conforming commercial structure from a UR-3 residential zone with a project that “substantially conforms to the residential homes in the neighborhood.” The Board specifically articulated the *beneficial* impacts of the project including the removal of a varied use, as well as an illegal use, and replaced with a residential use in keeping with the zone. Second, the Board pointed to the favorable advisory opinion from the Saratoga Springs Planning Board which specifically opined that the “site can adequately accommodate development of this scale and that the overall density is compatible with the surrounding neighborhood.” In sum, the Board concluded that (i) the project would improve the appearance of the Property and (ii) the project would not create an undesirable change in the character or impact on nearby properties.
3. Substantiality (Whether the relief requested is substantial): The Board found that the variances were substantial but that the substantiality was mitigated by (i) the existence of a structure that is non-conforming; (ii) the fact that the lot would support either 5 subdivided lots with single family homes or four duplex homes (8 units) while the project only calls for 7 units (which is one less than the maximum allowed under current zoning; (iii) the need of access behind the units for parking and service vehicles to access the rear; and (iv) the current building has less setbacks than are currently requested in the front and rear. In sum, the Board found that the substantiality is mitigated by the project’s beneficial improvement to the current status of the Property.
4. Physical or Environmental Impact (Whether the relief requested will have an adverse impact on the physical or environmental impact on the neighborhood): The Board found that the project will reduce traffic and noise from the existing use which would return quietude to the residential neighborhood. Furthermore, the Board determined that the

project would be a substantial improvement to the overall neighborhood and its impact positive rather than adverse; specifically including an increase in permeability of more than 10%.

5. **Self-Created Hardship** (Is the requested relief self-created): Yes but not fatal to the application because it is outweighed by the installation of a use and structures more in conformance with the neighborhood than currently exists.
6. **Additional Findings**: All prior variances (including a use variance) were removed and replaced with the Resolution on ANW’s application.

In 2014, ANW had to once again come before the Board in order to expand upon the relief requested in the 2013 application. First, ANW requested the ability to increase the fence height from 6 feet to 8 feet in order to provide additional screening to neighbors. Second, the front stoops on the units closest to Jumel Place required additional relief from the front yard setback. Third, the maximum building coverage request increased from 43.5% to 46%; representing a 2.5% change. Attached is a copy of the Resolution of the Board dated May 1, 2014. Following a public hearing on the matter, the Board voted to approve the area variances as requested and made several specific factual findings related to the relief granted. Below is a summary of the 2014 relief and findings:

	Required	1st Approval (10/28/13)	2nd Approval (5/1/14)	Total Relief granted by prior approvals
Maximum Building Coverage	30%	43.5%	46%	53%
Minimum Front Yard (2 units on Jumel for front stoops only)	10 ft	5 ft	1 ft	90%
Maximum Fence Height	6 ft	n/a	8 ft	2 ft (33%)
Minimum Principle Building	1	7	n/a	6 (600%)
Minimum Rear Yard	25 ft	6 ft	n/a	19 ft (76%)

Factual Findings and Legal Precedent pursuant to New York State City Law §81-b(4); Saratoga Springs City Zoning Ordinance §8.0, et seq:

1. Feasible Alternatives: Citing to its prior precedent of 2013, the Board determined that the additional relief requested from the minimum front yard setback and maximum building coverage did not alter the rational and findings from the 2013 decision. Furthermore, the Board found that the fence height was necessary to provide additional privacy which could not be achieved by an alternative means on the property limited by size.
2. Undesirable Change: Citing to its prior precedent of 2013, the Board reiterated that the project created a desirable change for the neighborhood and that the finding was in no way altered by the additional relief requested by ANW. Furthermore, it found that the fence would increase the character of the neighborhood.
3. Substantiality: While the relief may be considered substantial, the Board concluded that this was offset by the benefit of privacy fencing.
4. Physical and Environmental Impact: Citing to the prior precedent of 2013, the Board reaffirmed that the project would have a beneficial physical impact on the neighborhood and nothing about the additional relief changed the Board's original findings. Furthermore, the fence relief would not have an adverse impact on the neighborhood.
5. Self-Created Hardship: Yes but not fatal to the application.
6. Additional Findings: Minimum front yard setback of 5 feet to 1 foot modified to permit front stoops and stairways on the two Jumel Place residences; no eight (8) foot fence shall be constructed along Jumel Place or extend beyond the front foundation line along Jumel Place.

B. Current Application

In 2016, ANW was finally able to move forward with the process of purchasing the Property following the resolution of issues related to the estate probate process involving the current owner. However, ANW's variances from 2014 had lapsed pursuant to the Saratoga Springs Zoning Ordinance eighteen months after the approval (November 1, 2015). As a result, ANW must renew its application for the requested area variance relief in order to proceed with the project. On January 19, 2016, ANW filed an application for the reconsideration of the area variances and the application was first heard on February 22, 2016 by the Board. At the meeting,

ANW presented the application and reiterated several times on the record that none of the project elements has changed since the 2013 and 2014 approvals. Mr. Witt, as representative for ANW, confirmed that the pricing of the units has increased in direct proportion to the increase in the land development and build costs brought about in the market place in the preceding three years. As a result, the original economic premise justifying seven units as opposed to an alternative (or lesser) number remains valid. A summary and analysis of land acquisition and development costs from 2013 to 2016 is provided in the table below:

Land Acquisition & Development Costs - 2013 to 2016			
Cost Item	2013	2016	Difference
Land Purchase	\$370,000	\$37,000	n/a
Professional Fees	23,000	60,000	\$37,000
Interest	42,000	45,000	3,000
Taxes	20,000	20,800	800
Soil Testing	11,700	112,500	800
Construction (water line)	60,000	212,000	152,000
Dirt (Fill)	21,000	22,000	1,000
Demo and Asbestos Removal	155,000	165,850	10,850
Lot Clearing	10,000	10,700	700
Silt Fencing	6,000	6,500	500
Electric Lines (x2)	24,000	48,000	24,000
Trees	12,000	12,800	800
Administrative Cost	Unreported	\$100,000	\$100,000
Sub-total	\$754,700	\$1,086,150	\$331,450
Reasonable Return for Risk	20%	20%	
TOTAL ACQUISITION AND LAND DEVELOPMENT COSTS	\$905,640	\$1,303,380	↑44.%

The table above outlines the increase in costs of acquisition and development of the site from 2013 to 2016 and provides an overall cost increase of \$331,450 or 44%. In order to address the cost increases, the price of each unit must also increase in proportion in order to have the project remain economically viable. The table below indicates the Minimum Average Price per home in 2013 and 2016 according to the number of units in the project which utilizes the industry standard of a land to home price ratio of 20%.

Number of Units	% of Land to Home Cost	Land Cost per Unit - 2013	Min Average Home Price -2013	Land Cost Per Unit -2016	Min Average Home Price -2016
7 units	20%	\$129,377	\$646,885	\$186,197	\$930,000
5 units	20%	\$181,128	\$905,640	\$260,676	\$1.3M
3 units	20%	\$301,880	\$1.5M	\$434,460	\$2.18M
2 units	20%	\$452,820	\$2.2M	\$651,690	\$3.25M

The results indicate that the average home cost of \$640,000 for 7 units reported in the 2013 application process was accurate at that time, but the rising cost development costs has increased the average home price to \$930,000 in 2016. In order to address the varied market, ANW is proposing several price points ranging from \$587,045 to \$1.255M for a median price of \$921,022 (See Exhibit C of Application). These price points indicate that: (1) two of the units will experience a loss related to the development costs; (2) two units will likely provide a net neutral return; and (3) three units will provide the economic benefit of a return. ANW intentionally varied the pricing of the units to provide a stratum of available home prices in keeping with the UR-3 and the East Avenue/Jumel Place neighborhood in general. As evidenced by the above table, ANW's position is that an average minimum home price of \$1.3M is not consistent with the market for the neighborhood and it would not move forward with the project at 5 units.

Additionally, it was noted in the 2013 approval specifically that the project would increase the permeability of the site which remains true to the current application. In 2013 and 2014, the ANW applications indicate an estimated permeability of 35.1% on the site which is 40% more permeability than required by the City Code at 25%. The 2013 permeability calculation was 40.6% based upon the concept plan and, in 2014, had been revised to 38.7%. However, in each plan submitted to the Board, the permeability calculation has remained above both the applicant estimate of 35.1% and well above the City minimum of 25%. The final configuration of the project, including owner-optional pools, porches, and overhangs is not expected to exceed the 35.1% permeability and will provide a net permeability increase to the existing site conditions. Copies of the 2013 and 2014 concept plans are attached to this letter with the 2014 version representing the current concept plan.

C. Legal Support for the Approval of the 2016 Application

It is ANW's position that the state of the law in New York is clear as it relates to the renewal of variances following their expiration by time. In American Red Cross, Thompkins County Chapter v. Board of Zoning Appeals of the City of Ithaca, the applicant's variance expired three years after the initial approval and, upon rehearing, the Board of Zoning Appeals denied the

variances while none of the project elements had changed. 161 A.D.2d 878 (3d Dep't 1990) In reversing the Zoning Board's denial, the Appellate Division, Third Department found, "Absent such material changes, the [Board of Zoning Appeals] is bound to its earlier decision and may not refuse a variance previously granted . . . In our view, the record contains insufficient evidence evincing a change in circumstances sufficient to support [the Board of Zoning Appeal's] reversal of its previous position. Id. (internal citations and quotations omitted). This requirement is grounded in the principles of res judicata and collateral estoppel which give conclusive effect to the quasi-judicial determinations made by a Zoning Board of Appeals. See Jensen v Zoning Bd. of Appeals of the Village of Old Westbury, 130 AD2d 549, 550 (2nd Dept. 1987) (citing Ryan v NY Tel. Co., 62 NY2d 494, 499 (1984)). This proposition includes reapplications for the same variance after a time condition has expired. American Red Cross, supra; Center Square Ass'n v. City of Albany Zoning Bd. of Appeals, 19 A.D.3d 968, 972 (3d Dep't 2005); Cohen v. Vil. of Irvington Zoning Bd. of Appeals, 29 Misc.3d 1231[A] (Sup Ct, Westchester County 2010) (a frontage variance 24 years expired must be renewed when there is no material change in the project).

Facing these overriding principles, we submit that the Board is bound by its original findings in its October 30, 2013 resolution - and the subsequent May 1, 2014 resolution - granting the area variances because the facts and justifications have not changed in any material manner. There has been no empirical evidence presented before the Board to demonstrate that a material change in the project or the surrounding neighborhood has occurred since the variances were issued in 2013 and 2014. Moreover, ANW is not seeking any additional or different relief which would change the previously considered impacts to the neighborhood.

As a result of the foregoing, we respectfully request that the Board observe the legal and factual precedent of its prior findings, especially in light of the testimony of Mr. Witt before the Board on February 22, 2016 that none of the project elements has changed since the original relief was granted in 2013 and 2014, as well as the information provided within the written submissions. Absent empirical evidence in the record contradicting the testimony of Mr. Witt concerning a lack of material changes to the project, we believe there is insufficient basis on which the Board may alter its prior determinations.

C. Purpose of Zoning Board and Generalized Community Objection

As part of this renewal application, there have been several neighbors who have written or spoken out against the project. There has even been a region-wide online petition circulated articulating the position that the project should be denied because it is contrary to zoning and has

the potential to set a negative precedent. It is ANW's position that these generalized community objections are (1) insufficient to demonstrate a material change in the project components or the neighborhood composition since the original precedential decisions were made; (2) unsupported by empirical evidence sufficient to raise an issue of fact related to the findings made during the deliberation of the original approvals; and (3) mischaracterizations of the character of the neighborhood composition. ANW has twice satisfied the area variance standard and its entitled by law to rely upon the precedent of the prior findings.

Leaving aside momentarily the legal precedent provided by American Red Cross, *supra*, a review of the written objections, as well as the vast majority of comments from the neighbors who oppose the project, reveals that there is one overarching objection raised continuously, to wit: the project is not zoning compliant and therefore flies in the face of the land use plan for the City of Saratoga Springs. As such, it is incumbent upon the applicant to note the Zoning Board of Appeals exists for the primary purpose of varying the zoning requirements for appropriate projects when they are not zoning compliant if the applicant has met the statutory test – which has been twice found met in this case. Therefore, it follows that *any* relief granted by the Board will, to some extent, be out of compliance with the City's land use code and we submit that this is the very purpose of the Board. Opposition to the project based upon its alleged inconsistency with zoning or the Comprehensive Plan¹ would obviate the statutory purpose and scope of the Board itself. Back in 1925, the Supreme Court of Oneida County noted, "The creation of a board of appeals, with discretionary powers to meet specific cases of hardship or specific instances of improper classification, is not to destroy zoning as a policy, but to save it. The property of citizens cannot and ought not to be placed within a strait-jacket. Not only may there be grievous injury caused by the immediate act of zoning, but time itself works changes which require adjustment." People v. Kerner, 125 Misc. 526 (Sup. Ct. Oneida Co, 1925). It is a zoning board's duty to act as a "safety valve" to provide relief from rigid and inflexible zoning laws. Salkin, *New York Zoning Law and Practice*, 4th Ed., §27.08.

¹The Comprehensive Plan is a planning tool used to assist the City Council in its rezoning or updated zoning efforts, as opposed to the statutory evaluation charged to the Zoning Board. Even assuming for the moment that the Comprehensive Plan was relevant to this application, it notes the following goals: (i) Efforts to strengthen and enhance this area through Infill Development and reuse are integral to the overall success of the city." pp 51. Housing 3.4-50; (ii) Encourage a range of residential opportunities that will be available to all residents to promote the social and economic diversity vital to a balanced community." 3.4-51; (iii) Promote diversity of housing types in close proximity to employment centers such as downtown, the hospital, Skidmore College, the Racetrack; and (iv) Encourage the development of higher density residential alternatives within the urban core including the conversion to residential use of upper floors in commercial districts.

Along with the statutory test, the zoning law also permits the opportunity for members of the public to be heard concerning applications which directly affect them. Neighbors may come to voice concerns with an application, but in order to raise an issue of fact with the evidence presented by the applicant, they must present more than mere objection – it must be empirical evidence which is contrary to that of the applicant. As with any land use determination, zoning boards of appeals may not base a decision to deny an area variance on what has come to be termed ‘generalized community objections.’” Metro Enviro Transfer, LLC v. Village of Croton-on-Hudson, 5 N.Y.3d 236, 240 (2005) (citing Constantino v. Moline, 4 A.D.3d 820, 821 (4th Dep’t 2004)). Where a zoning board of appeals fails to engage in the statutory balancing and instead bases its decision on general community opposition to a project, its decision to deny an application for an area variance is arbitrary and capricious. See e.g., Matter of Marro v Libert, 40 A.D.3d 1100, 1102 (2nd Dept. 2007); Matter of Lessings, Inc. v Scheyer, 16 A.D.3d 418, 419 (2nd Dept. 2005).

In this particular case, it is ANW’s position that the Board must only consider whether there is evidence in the record of a material change in circumstances upon which to deviate from its twice prior precedent, as opposed to generalized neighborhood objection to the project. Furthermore, ANW is prepared to submit a number of neighbor letters in support of the project to the Board for consideration at its May 23rd meeting – thereby only further supporting the fact that neither neighbor opposition nor support acts as a referendum on entitlement to variance relief.

For all of the reasons set forth above, we respectfully request that the Board adhere to its prior precedent concerning this application, given that no evidence has been provided on the record of any material changes in the project which would affect the original approvals of 2013 and 2014 and the facts indicate that the project continues to demonstrate entitlement to the relief under the standard of review for the area variances. Thank you for your time and attention to this matter.

Respectfully submitted,

M. Elizabeth Coreno

Saratoga Neighbors for Zoning Enforcement

Recipient: Saratoga Springs Zoning Board of Appeals - Office of Planning & Economic Development

Letter: Greetings,

Keep Saratoga Springs Neighborhoods Special: Enforce our Zoning codes!

Comments

Name	Location	Date	Comment
Sam Brewton	Saratoga Springs, NY	2016-03-15	We're not against developing this plot, but we opposed the massive scope of the requested variances, loss of setbacks, and the cramming-in of more buildings than this lot is zoned for. What's the point of zoning if it can be this easily skirted? This lot can be successfully developed, and we'd welcome this same developer if a more reasonable plan were presented.
Holly Bates	Saratoga Springs, NY	2016-03-16	Saratoga Springs is changing far too quickly and losing the character that made it so beloved. These changes are so often the result of wealthy developers making their way around zoning laws that are there for a reason. Our officials have been elected by the citizens of Saratoga Springs, and as such, they are the people to whom they should listen.
jeannine moran	saratoga springs, NY	2016-03-16	Uphold our zoning laws and do not cave to developers.
Kira Cohen	Saratoga Springs, NY	2016-03-16	I grew up in Saratoga Springs and have lived 25 years in the neighborhood that is threatened by this development. I do not want to see my neighborhood put at risk by the casting aside of our city's zoning ordinance. The Saratoga Neighbors for Zoning Enforcement does not oppose new housing in our neighborhood, we simply feel that the scale of this project is beyond necessary and asks for too many variances to the zoning laws of our district. This puts not only our homes at risk, but the new homes as well. It also opens the door for these types of overboard developments to move into other residential neighborhoods throughout town - thus dismantling the core ideology behind our comprehensive plan and zoning ordinance, and disrupting the historical character and dignity of our beautiful town.
Margaret Selikoff	Saratoga Springs, NY	2016-03-16	There is no reason for this type of development in this neighborhood.
Kim Fonda	Saratoga Springs, NY	2016-03-16	I am sick and tired of double standards. The Zoning Board is a disgrace and our hopes for good stewardship decline day by day!
Janice Pancake	Saratoga Springs, NY	2016-03-16	If this goes as planned, it will set a precedent in our city that builders can get zoning laws changed and build wherever they want. Seems to me that our city has allowed all kinds of new, unaffordable, condos, etc. and taken the charm away from my hometown...
Joann Lorman	Porter Corners, NY	2016-03-16	Saratoga is getting to many large buildings. ..let's not lose its charm!
Robert Bostick	Arlington, VA	2016-03-16	I love the Saratoga of my childhood, my youth and to alter those memories of the alleys, streets and diverse neighborhoods would be sacrilege.
John Veitch	Saratoga Springs, NY	2016-03-16	This is not proper for that neighborhood. Simply out of character. I live next to the old St. John Neumann residence, and that conversion was fine for that building. This is not appropriate for Jumel Place
Liam Sheji	Saratoga Springs, NY	2016-03-16	It's important to preserve our cities history, and replacing our historic buildings is a crime to our lifestyle
Marie falls	Lorton, VA	2016-03-16	I hate seeing my hometown lose its charm!
Steven McCarthy	Saratoga Springs, NY	2016-03-16	Enough is Enough
Martha Strohl	Saratoga Springs, NY	2016-03-16	The Comprehensive Plan and our zoning codes are meant to be observed, not abused.
Lillian Spost	Saratoga Springs, NY	2016-03-16	Saratoga risks losing the charm that is its reputation.
Michael Gent	Saratoga Springs, NY	2016-03-16	Once you open the floodgates,there'll be no stopping them.The town is enough of a mess already.

Name	Location	Date	Comment
Anthony Smith	Washington, DC	2016-03-16	I'm shocked that the lovely tree-lined streets of my hometown would be destroyed by this condo developer. Enforce the zoning laws and stop this blight on the community.
shawn banner	Saratoga Springs, NY	2016-03-16	Our town is special because far sighted folk created a charter and zoning codes that preserve what is best about Saratoga. Lately, it seems that special dispensation keeps getting given to folks who want to build exactly what those far-sighted zoning laws and city planning decisions were meant to avoid. Growth is good--in fact, growth is great, but not growth that breaks the carefully crafted rules that make Saratoga a pleasure to reside in. Please do not keep giving in to developers' whims at the expense of what makes our fair city both fair and special!
Z. Parisi	Saratoga Springs, NY	2016-03-16	cp
Amber Duffney	Keeseville, NY	2016-03-16	O remember Saratoga the way it used to be. I have seen neighborhoods destroyed by "improvement", I would hate to see Saratoga to become a city of high rises, and lose its charm and historic value.
Sunshine Stewart	Greenfield Center, NY	2016-03-16	Keep Saratoga beautiful!!!!
Meghan Cherny	Corinth, NY	2016-03-16	Bit by bit we are losing our history and our roots, that which makes it all beautiful. Saratoga is beautifully old, we must fight for her.
Janice Bellamy	Saratoga Springs, NY	2016-03-16	Too many extreme variances requested. This won't blend in with the neighborhood. The builder is asking the Zoning Board for special treatment.
Amy Barakat	Saratoga Springs, NY	2016-03-16	I don't like the direction my hometown has headed since I was a child. Too much commercialization and too much building.
patricia rubio	saratoga springs, NY	2016-03-16	I am concerned about the violation of the City zoning laws the variance would entail.
Kathleen Brown	Saratoga Springs, NY	2016-03-16	Wrong plan, wrong place, & more overpriced real estate not needed!
bob mctague	saratoga sp, NY	2016-03-16	Our neighborhoods are under attack by greedy builders who have no regard for families that live in the communities.
Daniel Schwank	xxxxxxxx, NY	2016-03-16	I'm against the overdevelopment that's destroying this town
Shealyn Heritage	Ballston Spa, NY	2016-03-16	I for one may not live I Toga directly but was born at Saratoga hospital lived in the outside towns all my life and have many Saratoga relatives of all era of Saratoga. It sadden my heart thinking about the stories I've heard of old Saratoga, Stories I have from Saratoga In the times before all the condo when we went to see our Saratoga family and The Saratoga now. Why does everything have to be so glamorized. We need some original and not just Original historical. Stop changing zoning laws for these big wig glamizatation.
Cindy June	Ballston Spa, NY	2016-03-16	Save my hometown from the developers who only see \$\$\$\$\$
Lori LeBarron	Gansevoort, NY	2016-03-16	There seems to an influx of developers who are presenting proposals that do not adhere to Saratoga Springs zoning laws. This needs to stop!
Leslie Brown	Saratoga Springs, NY	2016-03-16	There is way too much development in Saratoga and we're losing the quietness of the city. Please stop the building.
Joan Nellhaus	Saratoga Springs, NY	2016-03-16	This is wrong in so many ways. Integrity must be maintained.
Hillary Takahashi	Saratoga Springs, NY	2016-03-16	Protect our picturesque and wonderful neighborhoods.
Mary O'Donnell	Saratoga Springs, NY	2016-03-16	As a native, I have watched our city change way too much and not for the better in my estimation. This project would set a precedent and continue to ruin the very reason some people moved here. We want to keep our city's character.

Name	Location	Date	Comment
Jay Rogoff	Saratoga Springs, NY	2016-03-16	Approval of Downton Walk, a development entirely out of character with the neighborhood, would send a signal to developers that our zoning regulations are meaningless and can be circumvented at will.
Judi Duclos	Saratoga Springs, NY	2016-03-16	I do not like the path that our beautiful city seems to be on!!!!
Penny Jolly	Saratoga Springs, NY	2016-03-16	This is a residential neighborhood, protected supposedly by our zoning laws. Please observe those laws! Do NOT permit all these special variances. Don't overcrowd our neighborhoods and try to make them into something they are not: a pretentious "Downton Walk" with expensive condos instead of separate one-family homes of modest size.
Brucie Rosch	Saratoga Springs, NY	2016-03-16	Developers can make their money elsewhere. It would be one thing if they had a track record of building affordable housing in Saratoga Springs, but They. Do. Not.
Tracy Millis	Saratoga Springs, NY, NY	2016-03-16	The entire project is foolish.
Regina Camilletti	Saratoga Springs, NY	2016-03-16	This development will scar an otherwise homogenous, established neighborhood of older homes. People are invested in these homes and that neighborhood. Who has the right to step in and on behalf of a builder and his cohort, threaten their investment? If anything goes, how about lets build some stables next to City Hall and put those 7 condos on East, really close to Skidmore. Sure. I would sue you if I could.
Jacklyn Clark	Saratoga Springs, NY	2016-03-16	I don't want this in my neighborhood, I've lived on this street for 24 years and to alter the streetscape with gaudy condos would be a disgrace. More importantly if the city government allows this to become reality that would be sinful. Keep within the parameters of the neighborhood, amen!!!!!!
Barbara Ungar	Saratoga Springs, NY	2016-03-16	Developers and greed are ruining what makes Saratoga Springs a desirable place to live and visit.
Celete Caruso	Saratoga springs, NY	2016-03-16	I'm signing because the Integrity of each neighborhood within the city needs to be maintained
Suzanne kwasniewski	Saratoga Springs, NY	2016-03-16	Too many projects are approved that deviate from zoning ordinances.
Richard Hibbert	Burlington, VT	2016-03-16	My mother has lived on Jumel Place, in the other block, since 1959. My siblings and I spent part of our formative years in that neighborhood. The house belongs to our family, and we value the character of the neighborhood. That includes the portion of the street for which this project is proposed. I believe that this would be a drastic, and negative, change in the character of this part of the city.
Annette Damron	Lecanto, FL	2016-03-16	I was born and raised there and don't want to come home to a metropolis.
Susan Traylor	Saratoga Springs, NY	2016-03-16	I don't want Saratoga Springs, my beautiful home town to turn into a Clifton Park!
Marisa Wade	Saratoga Springs, NY	2016-03-16	Saratoga is starting to loose some of it's charm to all of these apartments and condominiums
JOHN DUANE	Middle Grove, NY	2016-03-16	to keep saratoga saratoga !
Arthur Porter III	Saratoga Springs, NY	2016-03-16	I believe that this is yet another example of the abuse of the zoning variance process to circumvent existing zoning designations and the Comprehensive Plan.
Katherine Totten	Saratoga Springs, NY	2016-03-16	Enough is enough
Karin Vollkommer	Saratoga Springs, NY	2016-03-16	This project is too big for the neighborhood.
kathleen oreifice	westport, CT	2016-03-16	I want Saratoga to stay the way it is. It's already changing too much.

Name	Location	Date	Comment
Amy Syrell	South Glens Falls, NY	2016-03-16	Saratoga Springs needs to be a place for all people, not just those with a lot of money.
Jill P McMahon	Saratoga Springs, NY	2016-03-16	The project seems too large for the space available. More shoehorning of big houses out of character with the neighborhood that loom over their neighbors.
Frank Capone	Saratoga Springs, NY	2016-03-16	preserve the residential character
Bette Brill	Saratoga Springs, NY	2016-03-16	Just do not change the zoning laws for this or any project in a neighborhood that is not zoned for it....
amejo amyot	saratoga springs, NY	2016-03-16	I like green space around homes and consistent density in neighborhoods. this is a 1 and 2 family area.
Patricia Cornute	Saratoga Springs, NY	2016-03-16	Too many developments already in our town, hard to recognize the charming place it used to be., when the sun can't even shine down on you as you walk down certain streets any more.
sue scherer	Saratoga Springs, NY	2016-03-16	Enough with the overgrowth.
linda battiste	Schenectady, NY	2016-03-16	I grew up in Saratoga and it's beautiful the way it is!
Mary Frances Healy	Saratoga Springs, NY	2016-03-16	I have lived here my whole life and don't like the direction we are going
MaryAnn Wager	Saratoga Springs, NY	2016-03-16	I have lived in Saratoga my entire life and I am concerned for the future of our beautiful city. It is quickly losing its historical look and feel.
Patricia Mathews	Sanford, ME	2016-03-16	I strongly believe in preserving the integrity of all cities, but most importantly those cities that represent the history of our country. I lived on Jumel Place until I graduated from college. When I go back to visit family I am often disappointed to see yet another set of new and expensive Town Houses, apartment buildings, hotels, and condos. With each change Saratoga Springs loses a little of its identity. Just take a walk on Jumel Place, and you will clearly see that a development of this type is out of character with the neighborhood. Saratoga, a city I have always been proud to call my hometown, should not lose its charm to moneymaking investments.
Deb Garrelts	Saratoga Springs, NY	2016-03-16	I agree that we are being over-run with condominiums and that our neighborhoods need protection
Denise Dart	Clifton Park, NY	2016-03-16	I'm signing because I am a native Saratogian and the alleged zoning codes worked against my Dad and now we have foreigners coming in and being allowed to build wherever and however big they want just because they have the money.
Barbara Claydon	Saratoga Springs, NY	2016-03-16	inappropriate development of the space for the existing neighborhood in which I happen to live
Paul Hibbert	Broken Arrow, OK	2016-03-16	My family has property on Jumel place
Chris Pringle	Saratoga Springs, NY	2016-03-16	I've lived in saratoga almost all my life and I'm sick of seeing this great little town desecrated by these monstrosities being built with no thought what so ever. The west side of town now looks like a haven for yuppies and has driven out the families that have resided there for years. Downtown hardly looks the same as I remember it as a child. All the once family owned businesses that occupied Broadway are now gone and these corporate goons have bullied their way in forcing the rent to a ridiculous level that only 6 figure a year income families can afford. This use to be a great place to live a place I called home now I don't even recognize the town I grew up in. Enough is enough.
Joyce McKnight	Lake Luzerne, NY	2016-03-16	Saratoga Springs already has empty developments...the zoning board is either ineffectual or "on the take."

Name	Location	Date	Comment
Ann Diller	Gansevoort, NY	2016-03-16	I am appalled at the over-development that has changed our city so that it unaffordable to longtimers, courtesy of boards that are overly generous to developers.
Randy Hammond	Porter Corners, NY	2016-03-16	Saratoga is heading in the wrong direction
helen travis	Saratoga Springs, NY	2016-03-16	They are destroying Saratoga making hard for families to live homeless rase now its more homeless families working families that can't effored Saratoga price or anywhere els for that matter rent has raise so high everywhere its sad and decrees
kayla rynasko	Schenectady, NY	2016-03-16	Born and raised in Saratoga. Graduate of Saratoga high. All my family lives here!
Kathy Becker	Greenfield Center, NY	2016-03-16	I was born and raised in Saratoga Springs. I am so upset by huge changes that have been made in Saratoga. What ever happened to preserving the historical buildings in the city. It looks like the almighty dollar has won out. It is such a shame and so sad.
Liz Mark	Gansevoort, NY	2016-03-16	Saratoga is being overrun by greedy developers like Bonacio and losing its charm.
Charles Kish	Saratoga Springs, NY	2016-03-17	The character of too many neighborhoods are at stake when projects are granted that require numerous large scale changes to existing zoning. When developers profit concerns trump zoning considerations and justifiable and considered opposition by neighbors to this degree, who's opposition is totally supported by current zoning, the zoning board is not doing it's job. There is zoning for a reason based on long term plans and consideration for the city as a whole. Wholesale variances granted solely for the purpose of developer profit is a travesty.
Nancy Flynn	Buskirk, NY	2016-03-17	We have a family home on the other block of Jumel Place that my mom lives in and believe this will hurt the whole street and set a bad precedent.
Ann Haller	Saratoga Springs, NY	2016-03-17	This is an inappropriate use if the land. It is not in accordance with the zoning. developers should not be exempt from rules just because they want to maximize their profits. The city is running out of build-able lots, so the developer is trying to squeeze as much profit as he can out of this lot.
renee harder	gansevoort, NY	2016-03-17	way to much development now
Richard Dunham	Saratoga Springs, NY	2016-03-17	I do not believe that a previous factory/Dance Studio in a residential neighborhood needs to be re-zoned to accommodate more living space than the current regulations allow. Enough croneism. Build a house, or two.
Kelly Mackison	Gansevoort, NY	2016-03-17	I am bored in raided is Saratoga
Jodi Stevens	Saratoga Springs, NY	2016-03-17	I grew up on this area and just can't stand by and watch the integrity of this beautiful, quaint neighborhood be destroyed...
Jennifer Kleindienst	Middletown, CT	2016-03-17	I grew up near Saratoga and visit often. I would hate to see the city's charm erode with a project like this.
Patricia Duval	Portland, OR	2016-03-17	To oppose approvals requested for this project. Plan is totally irrelevant to the existing neighborhood. Approving these requests would set a bad precedent and many of Saratoga neighborhoods would be at risk.
Gloria Burke	Waterville, ME	2016-03-17	This would set a terrible president.
Dorene Couch	Saratoga Springs, NY	2016-03-17	I want to show my support for our local residents and weigh in on matters of development that will have a negative impact on our neighborhoods

Name	Location	Date	Comment
Wayne T. Senecal	Saratoga Springs, NY	2016-03-17	I believe the developer's application is a change in use requiring City Council Approval not just Zoning Board of Appeals approval.
Jerome Luhn	Saratoga Springs, NY	2016-03-17	People are entitled to know what development plans are being proposed so that they, and the officials entrusted with authority over zoning decisions, can make informed judgments that affect the character of the place where they live over the long term. Seemingly material omissions in presentation, together with behavior by the developer and relevant board officials, have given neighbors reason to raise questions, such as whose interests enjoy primacy in this proposal? No one wants to wake to rude surprises after the foundations are poured. That's something any developer should understand.
Sheila Levo	Saratoga Springs, NY	2016-03-17	I'm signing because although I am a Saratoga native, I no longer live in the city. After my husband died, I sold my house as the upkeep (lawn, snow, etc.) was too much for me. The prices for decent rentals in the city were outrageous. I was forced to look elsewhere and as a consequence, I now live in Ballston. This project, if allowed, would be another example of pricing the middle class out of Saratoga.
Melanie Herter	New York City, NY	2016-03-17	Trying to keep my neighborhood from illegal property use and major congestion
Ina Harney	Saratoga Springs, NY	2016-03-17	This has to stop in Saratoga, not only in my backyard but this one too. Residents have to pay attention to all of these plans, not only their neighborhoods. Every time the builders manage to get one over on our city government leaders and build these monstrosities it gives them permission to ruin another neighborhood.
Nicholas Rossi	Parrish, FL	2016-03-17	I lived in Saratoga 62yrs. I grew up in that part of town & owned a home at 213 East AVE. Allowing this development is wrong
James Lestrangle	Saratoga Springs, NY	2016-03-17	Stop putting the interests of the wealthy ahead of long time Saratoga residents. We have enough development already. Too many people moving in making everything more expensive and causing traffic congestion.
richard bradley	Ballston Spa, NY	2016-03-17	developers are destroying the Saratoga I grew up in. they just need to leave things alone. they are just fine as they are
Henry Bovee	Saratoga Springs, NY	2016-03-17	For my friend
Michael Graul	Granby, CO	2016-03-17	I would like to see the zoning laws upheld in this single family neighborhood where I grew up. I hope those individuals on the zoning board haven't lost sight of doing what is right.
HEATHER STABLES	SARATOGA SPRINGS, NY	2016-03-18	This is NOT NYC....
Michael Stoneback	Saratoga Springs, NY	2016-03-18	developers are ruining the city with maximizing land use with the approval of city boards and their own interpretation of zoning
Barbara Bovee	Saratoga Springs, NY	2016-03-18	To preserve Saratoga
deborah koransky	Saratoga Springs, NY	2016-03-18	i am opposed to this Witt project.
Maureen Curtin	Saratoga Springs, NY	2016-03-18	There are an excessive number of substantial variances, which if granted would make our zoning laws useless.
Deb Mattison	Saratoga Springs, NY	2016-03-18	Following the zoning ordinances will create a home more in character with the neighborhood in which we live and work.
Tara graul	Lyndhurst, NJ	2016-03-18	I oppose this development. Anyone else who truly loves Saratoga Springs and the neighborhood surrounding Jumel Place knows that approving zoning for this project would be inappropriate. I hope that the board does the right thing.
Deb Mattison	Saratoga Springs, NY	2016-03-18	Following the zoning ordinances will create a home more in character with the neighborhood in which we live and work.

Name	Location	Date	Comment
Margaret Bradley	Saratoga Springs, NY	2016-03-18	Again, our "City in the Country" is being challenged.
Jamie Barss	Saratoga Springs, NY	2016-03-18	I grew up in this neighborhood and I can stand the way developers are ruin my home town Saratoga has turn in to a town for the rich and are push the every day people out This was always a family friendly town but not anymore I think this will ruin the charm of the eastside
Virginia Ponessa	Saratoga Springs, NY	2016-03-19	I used to live on Jumel Place and am so sad to see how negatively the town has been changing.
Mary-Ellen Callahan	Edgewater, NJ	2016-03-19	My family lives in Saratoga Springs and this is a dangerous proposal to all future zoning. There is a greater need for protecting the zoning code than a need for a seven unit development.
Reginald Lilly	Saratoga Springs, NY	2016-03-19	I live around the corner from this project and it would transform the character of the neighborhood in a very negative way. It would have a negative impact as well on property values in the neighborhood. I strongly oppose this project.
Connie Crawford	Ballston Spa, NY	2016-03-19	I'm sick of all the condos and ugly huge boxy buildings going up in Saratoga, especially the UNAFFORDABLE high rents they charge....
Nancy Toole	Saratoga Springs, NY	2016-03-19	DOWNTON WALK should NOT be allowed to be built in this neighborhood. And if it is, a bad precedent will have been set.
Joyce Dart	saratoga springs, NY	2016-03-19	I'm signing because I like having neighborhoods with homes and sidewalks. I don't want big box buildings that block the sun.
Dillon Moran	Saratoga Springs, NY	2016-03-19	The invasiveness of development in Saratoga Springs is more than enough without bending all of the rules put in place to govern it. This project is simply too much
Steven Mattison	Saratoga Springs, NY	2016-03-20	I think it is ridiculous that there are zoning laws in place and a high profile builder can sweep in and have multiple zoning ordinances changed just to get the big buck without regard to the neighbors and neighborhood.
Christiana HOLLAND	SARATOGA SPGS, NY	2016-03-20	We have enough apartments and condos for now! Let's all take a break
M.Thomas Porter	Saratoga Springs, NY	2016-03-20	This is a terrible precedent to set for the future in old established Saratoga Springs neighborhoods.
Linda Church	Saratoga Springs, NY	2016-03-20	I disagree with the variances being requested. Present something more in line with the area. This is too dense, and too big!
Grant Gentner	Saratoga Springs, NY	2016-03-20	We are losing too much of our charm to building. We also are losing green space. If we lose our Saratoga charm, it will be difficult to come back.
Kathleen Bryan	Niskayuna, NY	2016-03-20	I've seen too many changes in Saratoga over the last 27 years. It would be nice to keep the neighborhoods family friendly.
Robert Vogel	Saratoga Springs, NY	2016-03-20	I am opposed to the Downtown Walk development project
Kim Stevens	Saratoga Springs, NY	2016-03-20	I live in the neighborhood and I don't want to start the precedent of building large condos among single family homes.
Joanie Rupprecht	Saratoga Springs, NY	2016-03-20	I like the feel of Saratoga w/ old, private houses, I esp. like that feel on JUMEL where I LIVE !!! Please respect the current zoning !!!
Peggy Tayler-MacNeill	Saratoga Springs, NY	2016-03-20	I care about keeping keeping this a family neighborhood without the density discussed in this petition. Imagine if each condo had 4 children? Or more? It is an outrageous expectation for that small property to expect to fit seven condos with any size family. What about sewer and water capacity?
James Pollard	Saratoga Springs, NY	2016-03-20	I object to this development in my neighborhood because it violates current zoning law, seeks variances and exceptions which, if granted, would significantly and negatively impact the density and character my immediate environment, and of the city

Name	Location	Date	Comment
John Boardman	Saratoga Springs, NY	2016-03-20	The stepped up assault on the zoning ordinances, under the cover of the vaguely worded "Comprehensive Plan", has got to stop. This is the third major project in 6 months (see Moore Hall and the hospital expansion) where developers have attempted to slip projects that would need a major zoning change as simple variances. The ZBA and Planning Board need to see these for what they are and insist development comply with the existing ordinance. The Comprehensive Guide does not overrule the Zoning Ordinance - it's the reverse.
James Pollard	Saratoga Springs, NY	2016-03-20	I object to the project as proposed because it is non-compliant with current zoning regulations, and because it seeks an audacious and unprecedented number of variances, most of which (if granted) would have a severe negative impact to the density and character of my neighborhood and are therefore unacceptable.
Lisa Wilcox	Huntsville, AL	2016-03-20	I loved the old Saratoga. Too many changes, too fast
Laura Giannini	Saratoga Springs, NY	2016-03-20	Although I support rejuvenation of the property at 27 Jumel Place, I strongly feel that the proposed project is not appropriate for our neighborhood. I down the street from the subject property, and we ask the zoning board to respect the wishes of our family and our neighbors and reject the requested radical variances to the current laws. We feel this project itself is not beneficial to the neighborhood and its invaluable character, and allowing the violation of the zoning laws would set a dangerous precedent moving forward.
Russell Pittenger	Saratoga, NY	2016-03-20	The variances asked for seem excessive.
Chris Bernd	Saratoga Springs, NY	2016-03-20	The condominium/townhouse growth in Saratoga is out of control, taking away open spaces and I believe zoning laws need to be followed.
Albert Mather	Saratoga Springs, NY	2016-03-20	I'm signing because I do not want our neighborhood to become "mansionized" like the neighborhood from which we moved in Wellesley MA
Tina K. Morris	Saratoga Springs, NY	2016-03-20	The proposed Downton Walk Development is near my home. A large development is not in keeping with the existing small early 20th century homes. I strongly object to waiving zoning regulations which will set a negative precedent for the entire city of Saratoga Springs.
Ralph Yusavage	Saratoga Springs, NY	2016-03-21	Its not okay to ignore the rules whenever its convenient. The developers will build the charm right out of our city if we let them.
Jack Hyndman	Saratoga Springs, NY	2016-03-21	This kind of development is unprecedented in this area of downtown Saratoga. I do not support the radical zoning variances requested and overall site plan as currently designed and submitted. Too many units for the property. The addition of up to 14 additional cars in or around the location is unacceptable.
Katie Claydon-Jones	Saratoga Springs, NY	2016-03-21	I grew up in that neighborhood. While I don't disagree the property is an eyesore and could use a face lift, this is not appropriate development.
Barbara Opitz	Saratoga Springs, NY	2016-03-21	I feel that this project raises too many density and variance exceptions to be approved.
Merry J Menden	Lewes, DE	2016-03-21	As a frequent visitor to your charming town for decades, I am appalled that the zoning board would consider upending the zoning law for the wilful greed and change it would bring. The slippery slope of decay will descend upon your town.
Annamarie Cipollo	Saratoga Springs, NY	2016-03-21	The City needs to start hearing the residents' pleas to maintain and enforce the current character of residential neighborhoods. We have been repeatedly asking, hear us now.
Colleen Sleight	Saratoga Springs, NY	2016-03-22	I live on East ave and do not want the old saratoga neighborhood to change!!!

Name	Location	Date	Comment
d. morse	gansevoort, NY	2016-03-22	That area should stay as is the condos can stay downtown . I grew up here . The east should always keep its character
Barry Fisher	Saratoga Springs, NY	2016-03-22	If our city is to stay the wonderful way it is, it needs to not replace neighborhoods that have been here for years with condos that look like every other place in the US. Little by little, the character of our town is being sucked away by soulless construction so that developers can make more money. We will become another anywhere USA if it doesn't stop.
Linda Fennell	Encinitas, CA	2016-03-22	I want my home town to remain the way it is and not gentrified by a big conglomerate of a builder making the city look like every other urban sprawl. We've got culture, beauty, natural springs and those of us who've been part of Saratoga for generations want it to be preserved as such for many many more generations. Heartbreaking to see money buy new zoning laws and be granted variances and build on state and public land.
Diane Lachtrupp	Saratoga Springs,, NY	2016-03-22	They did not follow the building rules. They procured permits and did what they wanted.
Doug Haller	Saratoga Springs, NY	2016-03-22	The zoning for this area doesn't allow this high density development. Zoning should be followed unless there are extraordinary circumstances.
Nancy Coleman	Saratoga Springs, NY	2016-03-22	Developers are routinely applying for building/zoning variances that were established in our city for a reason.
Jeff Bendavid	Saratoga Springs, NY	2016-03-22	I'm tired of contractors/builders thinking they can re-write the zoning and other regulations to suit their needs. Regardless of how beautiful the homes they build, and how much they donate to popular non-profits, the laws were put into place to protect the best interests of the community.
Michelle Hendrickson Arpey	Saratoga Springs, NY	2016-03-24	I object to the proposed plan for condominium development on Jumel Place. It will have a negative affect on the neighborhood. Too many people, too many parking/congestion problems for what is currently a great area. Change is not necessarily a good thing. Does this city honestly need another condominium project?
Zoe Nousiainen	Saratoga Springs, NY	2016-03-26	I'm concerned about the residential fabric of our city in terms of overcrowding and inappropriate variances granted to builders, along with little consideration for the character of existing neighborhoods.
Rachel Feldman	Raleigh, NC	2016-03-31	At 10 years old I first visited Saratoga Springs, not knowing yet that it would soon become my home. Within a year, my family and I moved there. It was - and even with the many changes and facelifts over the years - still uniquely historic and beautiful. It broke my heart when the YMCA on Broadway was torn down, but the new facility that was opened and the new buildings still kept Saratoga Springs feeling like, well, Saratoga. I understand the need to grow, and the impact not building this condominium might have on the economy, but I feel that there are better ventures to pursue in the name of profit that would still be true to the nature of this beautiful little city.
Eliza Carey	Ballston Spa, NY	2016-03-31	Keep it special!
Michael Jerling	Saratoga Springs, NY	2016-03-31	I think this is inappropriate for our neighborhood. It is too dense, and out of character with the surrounding houses. I fear it could set a precedent for further such projects
Deborah La Brake Maddock	Williamsburg, VA	2016-04-01	They are ruining my home town. I spent many years enjoying walks in this neighborhood. It needs to be stopped. Let them build on the outskirts
bob mctague	saratoga sp, NY	2016-04-01	I would like to join Saratoga Neighbors for Zoning Enforcement.

Name	Location	Date	Comment
Tara Steven	Aliso Viejo, CA	2016-04-02	Saratoga is my hometown (I lived on Jumel Place, then on Spring Street) and has always been a refuge from the ever-developing cities that end up losing any type of luster they once had. Please let's keep this special.
Eve Mulholland	Saratoga Springs, NY	2016-04-04	We ALL need to enforce zoning - it is NOT for the few!
Leta Betor	Saratoga Springs, NY	2016-04-13	I'm signing it because the area in question is such a nice quiet neighborhood. Zoning laws were established for a reason. I don't think this should be allowed to be changed for the betterment of the Developer. The residents should have some say in any changes to the current zoning and if the majority do not want it, it should not be allowed.
Brian La Belle	Saratoga Springs, NY	2016-04-13	My birthplace is being invaded by carpetbaggers.
BETTY FRENCH	Saratoga Springs, NY	2016-04-13	It's time that residents have a say in how their neighborhood is developed & zoning laws followed.
Loraine ORourke	Saratoga Springs, NY	2016-04-13	This development project does not fit in the neighborhood and will destroy the area. It is against the zoning laws and it should stay that way. Please do not allow this to happen!!
Whitney orozco	Ballston Spa, NY	2016-04-13	I grew up on Jumel and my parents still live there
Darlene Neville	Saratoga Springs, NY	2016-04-13	I'm a concerned neighbor. Enough is enough!
Beth Seller	Saratoga Springs, NY	2016-04-13	I'm a saratogian. It's seems like there won't be any neighborhoods left
Melody Kemble	Saratoga Springs, NY	2016-04-13	I've already seen what happens to a neighborhood when developers are allowed to build however they wish. Let's put a stop to it NOW!
Ann Haller	Saratoga Springs, NY	2016-04-13	This threatens the quality of our neighborhoods and is being considered because undue power is given to developers
Megan Perez	Saratoga Springs, NY	2016-04-13	I love in the neighborhood and think this kind of development will change it too much, parking is already an issue, the park and pre school near by will also be negatively affected by high density housing.
Lou Anne Piccirillo	Saratoga Springs, NY	2016-04-13	tired of changes for a select few
Susan Senecal	Rexford, NY	2016-04-13	Yet again a violation of zoning in Saratoga. Dysfunction in progress
Kimberly Relyea	Saratoga Springs, NY	2016-04-13	Jumel is a close residential street. Adding apartment complex there is not conducive to Saratoga living. There are plenty of apartments in town. Don't need anymore. One change will lead to more. It has to stop somewhere.
Sean A. Nolan	Saratoga Springs, NY	2016-04-14	When does the selling of Saratoga stop? When nobody but 150k + a year people call Saratoga home and condos are the majority of the housing in the city and the workers who make under 20k a year can shop, work, etc. but not be able to afford to live in this city.
Peggy Brown	Saratoga Springs, NY	2016-04-14	Is this the same board that approved the monstrosity that Witt is building on the corner of State and Alger? Don't ruin another neighborhood!
Jen Caruso	Lutz, FL	2016-04-14	I'm signing because I grew up in Saratoga- and I believe in keeping saratoga's rich history and beauty. It is the timeless classic piece in history that should not change
Debbie Sekulski	Grimesland, NC	2016-04-18	I recently moved from Saratoga but come back quite often I have plans on moving back and love the area the way it is now
Harriet EGGLESTON	Bonita Springs, FL	2016-04-19	i don't like it when a developer runs our city council, this is not the right thing for this area.
Patrick Jankowski	Saratoga Springs, NY	2016-04-21	It will set an unwanted precedent that builders can build whatever they want changing the look of the neighborhood

OUR STANCE AS NEIGHBORS of proposed "Downton Walk":

- We don't oppose Mr. Witt per se, or that he should develop this property.
- But we are concerned about the scale of the variances he is requesting and of the project as currently designed.
- We are concerned that the current design and density of the proposal and the number and size of the proposed homes are out of character with this historic neighborhood.
- We would like a revised more reasonable proposal.

Downtown Walk

From : Amanda Dugan [REDACTED] >

Mon, May 09, 2016 08:54 AM

Subject : Downtown Walk**To :** susan barden <susan.barden@saratoga-springs.org>

Ms. Barden,

My name is Amanda and I'm a 29 year old, life-long resident of Saratoga Springs. In the past 5 years alone I've seen my home town swallowed up by condominium buildings that can't even fill themselves, and more of them being built seemingly by the day just for fun. It's gross and we'll be an under occupied ghost town like some of our post-industrial neighboring towns (*cough*CohoesTroyAmsterdam*cough*) before we know it. The condo bubble isn't about to pop, but it's already past. There's a giant building going up where the pink palace is anyway! Just what, two blocks away from Jumel? Please, please don't let avarice take over your good senses. We won't be able to come back from the mess that's already being made.

Thank you,
Amanda

Opposition to Downton Walk

From : Laura Giannini [REDACTED]

Sun, May 08, 2016 09:54 PM

Subject : Opposition to Downton Walk**To :** susan barden <susan.barden@saratoga-springs.org>

Ms. Barden,

I'd like to express my objection to the proposed Downton Walk project and the associated variance requests for the 27 Jumel Place property. I live several houses away on Jumel Place, and I strongly feel that the scope of the project is not fitting or appropriate for our neighborhood. Additionally, the proposed density and the number of requested variances are concerning for both this particular property and the precedent that approval may set moving forward. I am not opposed to rejuvenation of this property in general, just the specifics of this particular proposal and the nature of the requested variances. I would support a more balanced project in line with the invaluable character of our neighborhood.

I often walk past this property on my way to East Side Rec with my young son, and I do not want that part of our street to be built up in a fashion so incongruous with the scale, architecture, and lot set-up as the rest of the street.

Thank you for your consideration of the views of the neighbors as you evaluate this decision.

Laura Giannini

Downton Walk project

From : Cynthia Whalen [REDACTED] >

Thu, May 05, 2016 10:03 PM

Subject : Downton Walk project**To :** susan barden <susan.barden@saratoga-springs.org>

I will be out of town on Monday so cannot attend the zoning board meeting and express my thoughts on this project.

I realize that we cannot "freeze Saratoga in time" however I am dismayed by the new trend to pack as many buildings as possible onto the available land. Zoning requirements were written for good reason - to make sure that Saratoga Springs doesn't lose the wonderful character that attracts people to our city. It seems that in case after case the wishes of current residents are disregarded and decisions made in favor of the developers.

I would like to see our city officials pay more attention to the residents of our fair city. It is not unheard of that a city or town overdoes a good thing and in the process damages the very area they think they are improving. Remember: Developers are in business to make money for themselves and do not always see things in the same way as the people who are impacted by their projects.

I am against disregarding the zoning laws for this project!

Subject: Downton Walk Project Saratoga Springs

Hello,

My name is Stephanie Hogan and I live at [REDACTED] Ritchie Place. I attended the Zoning Board Meeting last night, May 9th, to speak in favor of Witt Construction's Downton Walk for 27 Jumel Place. As a nearby neighbor, Jumel Place is almost always on our daily dog walking route. For years we have walked by the large, dilapidated concrete structure near East Side Rec; and every time we walk by and stare, we privately lament about its poor structural condition and its visually unappealing character; all while asking ourselves (like countless others in the neighborhood) how did this happen and why has this prime location not been utilized. Needless to say when I read about Witt Construction's proposal for the property I was more than pleasantly surprised. Not only would this out-of-place eyesore be removed, but the property would be developed into single family residences by one of the top builders in Saratoga Springs and the Capital Region. We are a unique community that prides itself on preservation and protection. Witt Construction's proposed residences would be a welcomed addition to this residential neighborhood and complement the character of Saratoga Springs that we all enjoy.

Thank you for your time.

Sincerely,
Stephanie Hogan

Subject: for ZBA: Jumel Petition+signatures+comments

Susan,

Thanks in advance

Please see the email below (and the attachments). Could you please forward this email (with attachments) to the ZBA.

We very much appreciate your continued assistance.

Thanks so much.

Sam Brewton
[REDACTED] Lake Ave

To the Members of the Saratoga Springs Zoning Board of Appeals,

re: DOWNTON WALK, 27 JUMEL PLACE

Thank you, in advance, for looking this over before Monday's ZBA meeting.

As you may know, we went door-to-door in the surrounding neighborhood to proposed Downton Walk and with very few exceptions the neighbors were opposed to the proposal.

We also have an online petition.

We have attached updated files to reflect the current state of both our online

petition and Neighborhood petition in opposition to the current design of "Downtown Walk". Our online petition has 462 signatures as of now, almost all from Saratoga residents, and many comments. Our neighborhood petition has 38 signatures.

Attached are:

- PDF of NEIGHBORHOOD petition (38 signatures at the moment)
- PDF of ONLINE signatures (462 at the moment)
- PDF of ONLINE comments from signers.

The change.org petition is here:

<https://www.change.org/p/saratoga-springs-zoning-board-of-appeals-keep-saratoga-springs-neighborhoods-special-enforce-our-zoning-codes>

Thank you for looking these over and considering in advance of Monday's ZBA meeting.

I can be contacted at [REDACTED]

Thank you,
Sam Brewton

Saratoga Neighbors for Zoning Enforcement

Recipient: Saratoga Springs Zoning Board of Appeals - Office of Planning & Economic Development

Letter: Greetings,

Keep Saratoga Springs Neighborhoods Special: Enforce our Zoning codes!

Comments

Name	Location	Date	Comment
Sam Brewton	Saratoga Springs, NY	2016-03-15	We're not against developing this plot, but we opposed the massive scope of the requested variances, loss of setbacks, and the cramming-in of more buildings than this lot is zoned for. What's the point of zoning if it can be this easily skirted? This lot can be successfully developed, and we'd welcome this same developer if a more reasonable plan were presented.
Holly Bates	Saratoga Springs, NY	2016-03-16	Saratoga Springs is changing far too quickly and losing the character that made it so beloved. These changes are so often the result of wealthy developers making their way around zoning laws that are there for a reason. Our officials have been elected by the citizens of Saratoga Springs, and as such, they are the people to whom they should listen.
jeannine moran	saratoga springs, NY	2016-03-16	Uphold our zoning laws and do not cave to developers.
Kira Cohen	Saratoga Springs, NY	2016-03-16	I grew up in Saratoga Springs and have lived 25 years in the neighborhood that is threatened by this development. I do not want to see my neighborhood put at risk by the casting aside of our city's zoning ordinance. The Saratoga Neighbors for Zoning Enforcement does not oppose new housing in our neighborhood, we simply feel that the scale of this project is beyond necessary and asks for too many variances to the zoning laws of our district. This puts not only our homes at risk, but the new homes as well. It also opens the door for these types of overboard developments to move into other residential neighborhoods throughout town - thus dismantling the core ideology behind our comprehensive plan and zoning ordinance, and disrupting the historical character and dignity of our beautiful town.
Margaret Selikoff	Saratoga Springs, NY	2016-03-16	There is no reason for this type of development in this neighborhood.
Kim Fonda	Saratoga Springs, NY	2016-03-16	I am sick and tired of double standards. The Zoning Board is a disgrace and our hopes for good stewardship decline day by day!
Janice Pancake	Saratoga Springs, NY	2016-03-16	If this goes as planned, it will set a precedent in our city that builders can get zoning laws changed and build wherever they want. Seems to me that our city has allowed all kinds of new, unaffordable, condos, etc. and taken the charm away from my hometown...
Joann Lorman	Porter Corners, NY	2016-03-16	Saratoga is getting to many large buildings. ..let's not lose its charm!
Robert Bostick	Arlington, VA	2016-03-16	I love the Saratoga of my childhood, my youth and to alter those memories of the alleys, streets and diverse neighborhoods would be sacrilege.
John Veitch	Saratoga Springs, NY	2016-03-16	This is not proper for that neighborhood. Simply out of character. I live next to the old St. John Neumann residence, and that conversion was fine for that building. This is not appropriate for Jumel Place
Liam Sheji	Saratoga Springs, NY	2016-03-16	It's important to preserve our cities history, and replacing our historic buildings is a crime to our lifestyle
Marie falls	Lorton, VA	2016-03-16	I hate seeing my hometown lose its charm!
Steven McCarthy	Saratoga Springs, NY	2016-03-16	Enough is Enough
Martha Strohl	Saratoga Springs, NY	2016-03-16	The Comprehensive Plan and our zoning codes are meant to be observed, not abused.
Lillian Spost	Saratoga Springs, NY	2016-03-16	Saratoga risks losing the charm that is its reputation.
Michael Gent	Saratoga Springs, NY	2016-03-16	Once you open the floodgates,there'll be no stopping them.The town is enough of a mess already.

Name	Location	Date	Comment
Anthony Smith	Washington, DC	2016-03-16	I'm shocked that the lovely tree-lined streets of my hometown would be destroyed by this condo developer. Enforce the zoning laws and stop this blight on the community.
shawn banner	Saratoga Springs, NY	2016-03-16	Our town is special because far sighted folk created a charter and zoning codes that preserve what is best about Saratoga. Lately, it seems that special dispensation keeps getting given to folks who want to build exactly what those far-sighted zoning laws and city planning decisions were meant to avoid. Growth is good--in fact, growth is great, but not growth that breaks the carefully crafted rules that make Saratoga a pleasure to reside in. Please do not keep giving in to developers' whims at the expense of what makes our fair city both fair and special!
Z. Parisi	Saratoga Springs, NY	2016-03-16	cp
Amber Duffney	Keeseville, NY	2016-03-16	O remember Saratoga the way it used to be. I have seen neighborhoods destroyed by "improvement", I would hate to see Saratoga to become a city of high rises, and loose it's charm and historic value.
Sunshine Stewart	Greenfield Center, NY	2016-03-16	Keep Saratoga beautiful!!!!
Meghan Cherny	Corinth, NY	2016-03-16	Bit by bit we are losing our history and our roots, that which makes it all beautiful. Saratoga is beautifully old, we must fight for her.
Janice Bellamy	Saratoga Springs, NY	2016-03-16	Too many extreme variances requested. This won't blend in with the neighborhood. The builder is asking the Zoning Board for special treatment.
Amy Barakat	Saratoga Springs, NY	2016-03-16	I don't like the direction my hometown has headed since I was a child. Too much commercialization and too much building.
patricia rubio	saratoga springs, NY	2016-03-16	I am concerned about the violation of the City zoning laws the variance would entail.
Kathleen Brown	Saratoga Springs, NY	2016-03-16	Wrong plan, wrong place, & more overpriced real estate not needed!
bob mctague	saratoga sp, NY	2016-03-16	Our neighborhoods are under attack by greedy builders who have no regard for families that live in the communities.
Daniel Schwank	xxxxxxxxx, NY	2016-03-16	I'm against the overdevelopment that's destroying this town
Shealyn Heritage	Ballston Spa, NY	2016-03-16	I for one may not live I Toga directly but was born at Saratoga hospital lived in the outside towns all my life and have many Saratoga relatives of all era of Saratoga. It sadden my heart thinking about the stories I've heard of old Saratoga, Stories I have from Saratoga In the times before all the condo when we went to see our Saratoga family and The Saratoga now. Why does everything have to be so glamorized. We need some original and not just Original historical. Stop changing zoning laws for these big wig glamizatation.
Cindy June	Ballston Spa, NY	2016-03-16	Save my hometown from the developers who only see \$\$\$\$\$\$
Lori LeBarron	Gansevoort, NY	2016-03-16	There seems to an influx of developers who are presenting proposals that do not adhere to Saratoga Springs zoning laws. This needs to stop!
Leslie Brown	Saratoga Springs, NY	2016-03-16	There is way too much development in Saratoga and we're losing the quietness of the city. Please stop the building.
Joan Nellhaus	Saratoga Springs, NY	2016-03-16	This is wrong in so many ways. Integrity must be maintained.
Hillary Takahashi	Saratoga Springs, NY	2016-03-16	Protect our picturesque and wonderful neighborhoods.
Mary O'Donnell	Saratoga Springs, NY	2016-03-16	As a native, I have watched our city change way too much and not for the better in my estimation. This project would set a precedent and continue to ruin the very reason some people moved here. We want to keep our city's character.

Name	Location	Date	Comment
Jay Rogoff	Saratoga Springs, NY	2016-03-16	Approval of Downton Walk, a development entirely out of character with the neighborhood, would send a signal to developers that our zoning regulations are meaningless and can be circumvented at will.
Judi Duclos	Saratoga Springs, NY	2016-03-16	I do not like the path that our beautiful city seems to be on!!!!
Penny Jolly	Saratoga Springs, NY	2016-03-16	This is a residential neighborhood, protected supposedly by our zoning laws. Please observe those laws! Do NOT permit all these special variances. Don't overcrowd our neighborhoods and try to make them into something they are not: a pretentious "Downton Walk" with expensive condos instead of separate one-family homes of modest size.
Brucie Rosch	Saratoga Springs, NY	2016-03-16	Developers can make their money elsewhere. It would be one thing if they had a track record of building affordable housing in Saratoga Springs, but They. Do. Not.
Tracy Millis	Saratoga Springs, NY, NY	2016-03-16	The entire project is foolish.
Regina Camilletti	Saratoga Springs, NY	2016-03-16	This development will scar an otherwise homogenous, established neighborhood of older homes. People are invested in these homes and that neighborhood. Who has the right to step in and on behalf of a builder and his cohort, threaten their investment? If anything goes, how about lets build some stables next to City Hall and put those 7 condos on East, really close to Skidmore. Sure. I would sue you if I could.
Jacklyn Clark	Saratoga Springs, NY	2016-03-16	I don't want this in my neighborhood, I've lived on this street for 24 years and to alter the streetscape with gaudy condos would be a disgrace. More importantly if the city government allows this to become reality that would be sinful. Keep within the parameters of the neighborhood, amen!!!!!!
Barbara Ungar	Saratoga Springs, NY	2016-03-16	Developers and greed are ruining what makes Saratoga Springs a desirable place to live and visit.
Celete Caruso	Saratoga springs, NY	2016-03-16	I'm signing because the Integrity of each neighborhood within the city needs to be maintained
Suzanne kwasniewski	Saratoga Springs, NY	2016-03-16	Too many projects are approved that deviate from zoning ordinances.
Richard Hibbert	Burlington, VT	2016-03-16	My mother has lived on Jumel Place, in the other block, since 1959. My siblings and I spent part of our formative years in that neighborhood. The house belongs to our family, and we value the character of the neighborhood. That includes the portion of the street for which this project is proposed. I believe that this would be a drastic, and negative, change in the character of this part of the city.
Annette Damron	Lecanto, FL	2016-03-16	I was born and raised there and don't want to come home to a metropolis.
Susan Traylor	Saratoga Springs, NY	2016-03-16	I don't want Saratoga Springs, my beautiful home town to turn into a Clifton Park!
Marisa Wade	Saratoga Springs, NY	2016-03-16	Saratoga is starting to loose some of it's charm to all of these apartments and condominiums
JOHN DUANE	Middle Grove, NY	2016-03-16	to keep saratoga saratoga !
Arthur Porter III	Saratoga Springs, NY	2016-03-16	I believe that this is yet another example of the abuse of the zoning variance process to circumvent existing zoning designations and the Comprehensive Plan.
Katherine Totten	Saratoga Springs, NY	2016-03-16	Enough is enough
Karin Vollkommer	Saratoga Springs, NY	2016-03-16	This project is too big for the neighborhood.
kathleen oreifice	westport, CT	2016-03-16	I want Saratoga to stay the way it is. It's already changing too much.

Name	Location	Date	Comment
Amy Syrell	South Glens Falls, NY	2016-03-16	Saratoga Springs needs to be a place for all people, not just those with a lot of money.
Jill P McMahon	Saratoga Springs, NY	2016-03-16	The project seems too large for the space available. More shoehorning of big houses out of character with the neighborhood that loom over their neighbors.
Frank Capone	Saratoga Springs, NY	2016-03-16	preserve the residential character
Bette Brill	Saratoga Springs, NY	2016-03-16	Just do not change the zoning laws for this or any project in a neighborhood that is not zoned for it....
amejo amyot	saratoga springs, NY	2016-03-16	I like green space around homes and consistent density in neighborhoods. this is a 1 and 2 family area.
Patricia Cornute	Saratoga Springs, NY	2016-03-16	Too many developments already in our town, hard to recognize the charming place it used to be., when the sun can't even shine down on you as you walk down certain streets any more.
sue scherer	Saratoga Springs, NY	2016-03-16	Enough with the overgrowth.
linda battiste	Schenectady, NY	2016-03-16	I grew up in Saratoga and it's beautiful the way it is!
Mary Frances Healy	Saratoga Springs, NY	2016-03-16	I have lived here my whole life and don't like the direction we are going
MaryAnn Wager	Saratoga Springs, NY	2016-03-16	I have lived in Saratoga my entire life and I am concerned for the future of our beautiful city. It is quickly losing its historical look and feel.
Patricia Mathews	Sanford, ME	2016-03-16	I strongly believe in preserving the integrity of all cities, but most importantly those cities that represent the history of our country. I lived on Jumel Place until I graduated from college. When I go back to visit family I am often disappointed to see yet another set of new and expensive Town Houses, apartment buildings, hotels, and condos. With each change Saratoga Springs loses a little of its identity. Just take a walk on Jumel Place, and you will clearly see that a development of this type is out of character with the neighborhood. Saratoga, a city I have always been proud to call my hometown, should not lose its charm to moneymaking investments.
Deb Garrelts	Saratoga Springs, NY	2016-03-16	I agree that we are being over-run with condominiums and that our neighborhoods need protection
Denise Dart	Clifton Park, NY	2016-03-16	I'm signing because I am a native Saratogian and the alleged zoning codes worked against my Dad and now we have foreigners coming in and being allowed to build wherever and however big they want just because they have the money.
Barbara Claydon	Saratoga Springs, NY	2016-03-16	inappropriate development of the space for the existing neighborhood in which I happen to live
Paul Hibbert	Broken Arrow, OK	2016-03-16	My family has property on Jumel place
Chris Pringle	Saratoga Springs, NY	2016-03-16	I've lived in saratoga almost all my life and I'm sick of seeing this great little town desecrated by these monstrosities being built with no thought what so ever. The west side of town now looks like a haven for yuppies and has driven out the families that have resided there for years. Downtown hardly looks the same as I remember it as a child. All the once family owned businesses that occupied Broadway are now gone and these corporate goons have bullied their way in forcing the rent to a ridiculous level that only 6 figure a year income families can afford. This use to be a great place to live a place I called home now I don't even recognize the town I grew up in. Enough is enough.
Joyce McKnight	Lake Luzerne, NY	2016-03-16	Saratoga Springs already has empty developments...the zoning board is either ineffectual or "on the take."

Name	Location	Date	Comment
Ann Diller	Gansevoort, NY	2016-03-16	I am appalled at the over-development that has changed our city so that it unaffordable to longtimers, courtesy of boards that are overly generous to developers.
Randy Hammond	Porter Corners, NY	2016-03-16	Saratoga is heading in the wrong direction
helen travis	Saratoga Springs, NY	2016-03-16	They are destroying Saratoga making hard for families to live homeless rase now its more homeless families working families that can't effored Saratoga price or anywhere els for that matter rent has raise so high everywhere its sad and decrees
kayla rynasko	Schenectady, NY	2016-03-16	Born and raised in Saratoga. Graduate of Saratoga high. All my family lives here!
Kathy Becker	Greenfield Center, NY	2016-03-16	I was born and raised in Saratoga Springs. I am so upset by huge changes that have been made in Saratoga. What ever happened to preserving the historical buildings in the city. It looks like the almighty dollar has won out. It is such a shame and so sad.
Liz Mark	Gansevoort, NY	2016-03-16	Saratoga is being overrun by greedy developers like Bonacio and losing its charm.
Charles Kish	Saratoga Springs, NY	2016-03-17	The character of too many neighborhoods are at stake when projects are granted that require numerous large scale changes to existing zoning. When developers profit concerns trump zoning considerations and justifiable and considered opposition by neighbors to this degree, who's opposition is totally supported by current zoning, the zoning board is not doing it's job. There is zoning for a reason based on long term plans and consideration for the city as a whole. Wholesale variances granted solely for the purpose of developer profit is a travesty.
Nancy Flynn	Buskirk, NY	2016-03-17	We have a family home on the other block of Jumel Place that my mom lives in and believe this will hurt the whole street and set a bad precedent.
Ann Haller	Saratoga Springs, NY	2016-03-17	This is an inappropriate use if the land. It is not in accordance with the zoning. developers should not be exempt from rules just because they want to maximize their profits. The city is running out of build-able lots, so the developer is trying to squeeze as much profit as he can out of this lot.
renee harder	gansevoort, NY	2016-03-17	way to much development now
Richard Dunham	Saratoga Springs, NY	2016-03-17	I do not believe that a previous factory/Dance Studio in a residential neighborhood needs to be re-zoned to accommodate more living space than the current regulations allow. Enough croneism. Build a house, or two.
Kelly Mackison	Gansevoort, NY	2016-03-17	I am bored in raided is Saratoga
Jodi Stevens	Saratoga Springs, NY	2016-03-17	I grew up on this area and just can't stand by and watch the integrity of this beautiful, quaint neighborhood be destroyed...
Jennifer Kleindienst	Middletown, CT	2016-03-17	I grew up near Saratoga and visit often. I would hate to see the city's charm erode with a project like this.
Patricia Duval	Portland, OR	2016-03-17	To oppose approvals requested for this project. Plan is totally irrelevant to the existing neighborhood. Approving these requests would set a bad precedent and many of Saratoga neighborhoods would be at risk.
Gloria Burke	Waterville, ME	2016-03-17	This would set a terrible president.
Dorene Couch	Saratoga Springs, NY	2016-03-17	I want to show my support for our local residents and weigh in on matters of development that will have a negative impact on our neighborhoods

Name	Location	Date	Comment
Wayne T. Senecal	Saratoga Springs, NY	2016-03-17	I believe the developer's application is a change in use requiring City Council Approval not just Zoning Board of Appeals approval.
Jerome Luhn	Saratoga Springs, NY	2016-03-17	People are entitled to know what development plans are being proposed so that they, and the officials entrusted with authority over zoning decisions, can make informed judgments that affect the character of the place where they live over the long term. Seemingly material omissions in presentation, together with behavior by the developer and relevant board officials, have given neighbors reason to raise questions, such as whose interests enjoy primacy in this proposal? No one wants to wake to rude surprises after the foundations are poured. That's something any developer should understand.
Sheila Levo	Saratoga Springs, NY	2016-03-17	I'm signing because although I am a Saratoga native, I no longer live in the city. After my husband died, I sold my house as the upkeep (lawn, snow, etc.) was too much for me. The prices for decent rentals in the city were outrageous. I was forced to look elsewhere and as a consequence, I now live in Ballston. This project, if allowed, would be another example of pricing the middle class out of Saratoga.
Melanie Herter	New York City, NY	2016-03-17	Trying to keep my neighborhood from illegal property use and major congestion
Ina Harney	Saratoga Springs, NY	2016-03-17	This has to stop in Saratoga, not only in my backyard but this one too. Residents have to pay attention to all of these plans, not only their neighborhoods. Every time the builders manage to get one over on our city government leaders and build these monstrosities it gives them permission to ruin another neighborhood.
Nicholas Rossi	Parrish, FL	2016-03-17	I lived in Saratoga 62yrs. I grew up in that part of town & owned a home at 213 East AVE. Allowing this development is wrong
James Lestrage	Saratoga Springs, NY	2016-03-17	Stop putting the interests of the wealthy ahead of long time Saratoga residents. We have enough development already. Too many people moving in making everything more expensive and causing traffic congestion.
richard bradley	Ballston Spa, NY	2016-03-17	developers are destroying the Saratoga I grew up in. they just need to leave things alone. they are just fine as they are
Henry Bovee	Saratoga Springs, NY	2016-03-17	For my friend
Michael Graul	Granby, CO	2016-03-17	I would like to see the zoning laws upheld in this single family neighborhood where I grew up. I hope those individuals on the zoning board haven't lost sight of doing what is right.
HEATHER STABLES	SARATOGA SPRINGS, NY	2016-03-18	This is NOT NYC....
Michael Stoneback	Saratoga Springs, NY	2016-03-18	developers are ruining the city with maximizing land use with the approval of city boards and their own interpretation of zoning
Barbara Bovee	Saratoga Springs, NY	2016-03-18	To preserve Saratoga
deborah koransky	Saratoga Springs, NY	2016-03-18	i am opposed to this Witt project.
Maureen Curtin	Saratoga Springs, NY	2016-03-18	There are an excessive number of substantial variances, which if granted would make our zoning laws useless.
Deb Mattison	Saratoga Springs, NY	2016-03-18	Following the zoning ordinances will create a home more in character with the neighborhood in which we live and work.
Tara graul	Lyndhurst, NJ	2016-03-18	I oppose this development. Anyone else who truly loves Saratoga Springs and the neighborhood surrounding Jumel Place knows that approving zoning for this project would be inappropriate. I hope that the board does the right thing.
Deb Mattison	Saratoga Springs, NY	2016-03-18	Following the zoning ordinances will create a home more in character with the neighborhood in which we live and work.

Name	Location	Date	Comment
Margaret Bradley	Saratoga Springs, NY	2016-03-18	Again, our "City in the Country" is being challenged.
Jamie Barss	Saratoga Springs, NY	2016-03-18	I grew up in this neighborhood and I can stand the way developers are ruin my home town Saratoga has turn in to a town for the rich and are push the every day people out This was always a family friendly town but not anymore I think this will ruin the charm of the eastside
Virginia Ponessa	Saratoga Springs, NY	2016-03-19	I used to live on Jumel Place and am so sad to see how negatively the town has been changing.
Mary-Ellen Callahan	Edgewater, NJ	2016-03-19	My family lives in Saratoga Springs and this is a dangerous proposal to all future zoning. There is a greater need for protecting the zoning code than a need for a seven unit development.
Reginald Lilly	Saratoga Springs, NY	2016-03-19	I live around the corner from this project and it would transform the character of the neighborhood in a very negative way. It would have a negative impact as well on property values in the neighborhood. I strongly oppose this project.
Connie Crawford	Ballston Spa, NY	2016-03-19	I'm sick of all the condos and ugly huge boxy buildings going up in Saratoga, especially the UNAFFORDABLE high rents they charge....
Nancy Toole	Saratoga Springs, NY	2016-03-19	DOWNTON WALK should NOT be allowed to be built in this neighborhood. And if it is, a bad precedent will have been set.
Joyce Dart	saratoga springs, NY	2016-03-19	I'm signing because I like having neighborhoods with homes and sidewalks. I don't want big box buildings that block the sun.
Dillon Moran	Saratoga Springs, NY	2016-03-19	The invasiveness of development in Saratoga Springs is more than enough without bending all of the rules put in place to govern it. This project is simply too much
Steven Mattison	Saratoga Springs, NY	2016-03-20	I think it is ridiculous that there are zoning laws in place and a high profile builder can sweep in and have multiple zoning ordinances changed just to get the big buck without regard to the neighbors and neighborhood.
Christiana HOLLAND	SARATOGA SPGS, NY	2016-03-20	We have enough apartments and condos for now! Let's all take a break
M.Thomas Porter	Saratoga Springs, NY	2016-03-20	This is a terrible precedent to set for the future in old established Saratoga Springs neighborhoods.
Linda Church	Saratoga Springs, NY	2016-03-20	I disagree with the variances being requested. Present something more in line with the area. This is too dense, and too big!
Grant Gentner	Saratoga Springs, NY	2016-03-20	We are losing too much of our charm to building. We also are losing green space. If we lose our Saratoga charm, it will be difficult to come back.
Kathleen Bryan	Niskayuna, NY	2016-03-20	I've seen too many changes in Saratoga over the last 27 years. It would be nice to keep the neighborhoods family friendly.
Robert Vogel	Saratoga Springs, NY	2016-03-20	I am opposed to the Downtown Walk development project
Kim Stevens	Saratoga Springs, NY	2016-03-20	I live in the neighborhood and I don't want to start the precedent of building large condos among single family homes.
Joanie Rupprecht	Saratoga Springs, NY	2016-03-20	I like the feel of Saratoga w/ old, private houses, I esp. like that feel on JUMEL where I LIVE !!! Please respect the current zoning !!!
Peggy Tayler-MacNeill	Saratoga Springs, NY	2016-03-20	I care about keeping keeping this a family neighborhood without the density discussed in this petition. Imagine if each condo had 4 children? Or more? It is an outrageous expectation for that small property to expect to fit seven condos with any size family. What about sewer and water capacity?
James Pollard	Saratoga Springs, NY	2016-03-20	I object to this development in my neighborhood because it violates current zoning law, seeks variances and exceptions which, if granted, would significantly and negatively impact the density and character my immediate environment, and of the city

Name	Location	Date	Comment
John Boardman	Saratoga Springs, NY	2016-03-20	The stepped up assault on the zoning ordinances, under the cover of the vaguely worded "Comprehensive Plan", has got to stop. This is the third major project in 6 months (see Moore Hall and the hospital expansion) where developers have attempted to slip projects that would need a major zoning change as simple variances. The ZBA and Planning Board need to see these for what they are and insist development comply with the existing ordinance. The Comprehensive Guide does not overrule the Zoning Ordinance - it's the reverse.
James Pollard	Saratoga Springs, NY	2016-03-20	I object to the project as proposed because it is non-compliant with current zoning regulations, and because it seeks an audacious and unprecedented number of variances, most of which (if granted) would have a severe negative impact to the density and character of my neighborhood and are therefore unacceptable.
Lisa Wilcox	Huntsville, AL	2016-03-20	I loved the old Saratoga. Too many changes, too fast
Laura Giannini	Saratoga Springs, NY	2016-03-20	Although I support rejuvenation of the property at 27 Jumel Place, I strongly feel that the proposed project is not appropriate for our neighborhood. I down the street from the subject property, and we ask the zoning board to respect the wishes of our family and our neighbors and reject the requested radical variances to the current laws. We feel this project itself is not beneficial to the neighborhood and its invaluable character, and allowing the violation of the zoning laws would set a dangerous precedent moving forward.
Russell Pittenger	Saratoga, NY	2016-03-20	The variances asked for seem excessive.
Chris Bernd	Saratoga Springs, NY	2016-03-20	The condominium/townhouse growth in Saratoga is out of control, taking away open spaces and I believe zoning laws need to be followed.
Albert Mather	Saratoga Springs, NY	2016-03-20	I'm signing because I do not want our neighborhood to become "mansionized" like the neighborhood from which we moved in Wellesley MA
Tina K. Morris	Saratoga Springs, NY	2016-03-20	The proposed Downton Walk Development is near my home. A large development is not in keeping with the existing small early 20th century homes. I strongly object to waiving zoning regulations which will set a negative precedent for the entire city of Saratoga Springs.
Ralph Yusavage	Saratoga Springs, NY	2016-03-21	Its not okay to ignore the rules whenever its convenient. The developers will build the charm right out of our city if we let them.
Jack Hyndman	Saratoga Springs, NY	2016-03-21	This kind of development is unprecedented in this area of downtown Saratoga. I do not support the radical zoning variances requested and overall site plan as currently designed and submitted. Too many units for the property. The addition of up to 14 additional cars in or around the location is unacceptable.
Katie Claydon-Jones	Saratoga Springs, NY	2016-03-21	I grew up in that neighborhood. While I don't disagree the property is an eyesore and could use a face lift, this is not appropriate development.
Barbara Opitz	Saratoga Springs, NY	2016-03-21	I feel that this project raises too many density and variance exceptions to be approved.
Merry J Menden	Lewes, DE	2016-03-21	As a frequent visitor to your charming town for decades, I am appalled that the zoning board would consider upending the zoning law for the wilful greed and change it would bring. The slippery slope of decay will descend upon your town.
Annamarie Cipollo	Saratoga Springs, NY	2016-03-21	The City needs to start hearing the residents' pleas to maintain and enforce the current character of residential neighborhoods. We have been repeatedly asking, hear us now.
Colleen Sleight	Saratoga Springs, NY	2016-03-22	I live on East ave and do not want the old saratoga neighborhood to change!!!

Name	Location	Date	Comment
d. morse	gansevoort, NY	2016-03-22	That area should stay as is the condos can stay downtown . I grew up here . The east should always keep its character
Barry Fisher	Saratoga Springs, NY	2016-03-22	If our city is to stay the wonderful way it is, it needs to not replace neighborhoods that have been here for years with condos that look like every other place in the US. Little by little, the character of our town is being sucked away by soulless construction so that developers can make more money. We will become another anywhere USA if it doesn't stop.
Linda Fennell	Encinitas, CA	2016-03-22	I want my home town to remain the way it is and not gentrified by a big conglomerate of a builder making the city look like every other urban sprawl. We've got culture, beauty, natural springs and those of us who've been part of Saratoga for generations want it to be preserved as such for many many more generations. Heartbreaking to see money buy new zoning laws and be granted variances and build on state and public land.
Diane Lachtrupp	Saratoga Springs,, NY	2016-03-22	They did not follow the building rules. They procured permits and did what they wanted.
Doug Haller	Saratoga Springs, NY	2016-03-22	The zoning for this area doesn't allow this high density development. Zoning should be followed unless there are extraordinary circumstances.
Nancy Coleman	Saratoga Springs, NY	2016-03-22	Developers are routinely applying for building/zoning variances that were established in our city for a reason.
Jeff Bendavid	Saratoga Springs, NY	2016-03-22	I'm tired of contractors/builders thinking they can re-write the zoning and other regulations to suit their needs. Regardless of how beautiful the homes they build, and how much they donate to popular non-profits, the laws were put into place to protect the best interests of the community.
Michelle Hendrickson Arpey	Saratoga Springs, NY	2016-03-24	I object to the proposed plan for condominium development on Jumel Place. It will have a negative affect on the neighborhood. Too many people, too many parking/congestion problems for what is currently a great area. Change is not necessarily a good thing. Does this city honestly need another condominium project?
Zoe Nousiainen	Saratoga Springs, NY	2016-03-26	I'm concerned about the residential fabric of our city in terms of overcrowding and inappropriate variances granted to builders, along with little consideration for the character of existing neighborhoods.
Rachel Feldman	Raleigh, NC	2016-03-31	At 10 years old I first visited Saratoga Springs, not knowing yet that it would soon become my home. Within a year, my family and I moved there. It was - and even with the many changes and facelifts over the years - still uniquely historic and beautiful. It broke my heart when the YMCA on Broadway was torn down, but the new facility that was opened and the new buildings still kept Saratoga Springs feeling like, well, Saratoga. I understand the need to grow, and the impact not building this condominium might have on the economy, but I feel that there are better ventures to pursue in the name of profit that would still be true to the nature of this beautiful little city.
Eliza Carey	Ballston Spa, NY	2016-03-31	Keep it special!
Michael Jerling	Saratoga Springs, NY	2016-03-31	I think this is inappropriate for our neighborhood. It is too dense, and out of character with the surrounding houses. I fear it could set a precedent for further such projects
Deborah La Brake Maddock	Williamsburg, VA	2016-04-01	They are ruining my home town. I spent many years enjoying walks in this neighborhood. It needs to be stopped. Let them build on the outskirts
bob mctague	saratoga sp, NY	2016-04-01	I would like to join Saratoga Neighbors for Zoning Enforcement.

Name	Location	Date	Comment
Tara Steven	Aliso Viejo, CA	2016-04-02	Saratoga is my hometown (I lived on Jumel Place, then on Spring Street) and has always been a refuge from the ever-developing cities that end up losing any type of luster they once had. Please let's keep this special.
Eve Mulholland	Saratoga Springs, NY	2016-04-04	We ALL need to enforce zoning - it is NOT for the few!
Leta Betor	Saratoga Springs, NY	2016-04-13	I'm signing it because the area in question is such a nice quiet neighborhood. Zoning laws were established for a reason. I don't think this should be allowed to be changed for the betterment of the Developer. The residents should have some say in any changes to the current zoning and if the majority do not want it, it should not be allowed.
Brian La Belle	Saratoga Springs, NY	2016-04-13	My birthplace is being invaded by carpetbaggers.
BETTY FRENCH	Saratoga Springs, NY	2016-04-13	It's time that residents have a say in how their neighborhood is developed & zoning laws followed.
Loraine ORourke	Saratoga Springs, NY	2016-04-13	This development project does not fit in the neighborhood and will destroy the area. It is against the zoning laws and it should stay that way. Please do not allow this to happen!!
Whitney orozco	Ballston Spa, NY	2016-04-13	I grew up on Jumel and my parents still live there
Darlene Neville	Saratoga Springs, NY	2016-04-13	I'm a concerned neighbor. Enough is enough!
Beth Seller	Saratoga Springs, NY	2016-04-13	I'm a saratogian. It's seems like there won't be any neighborhoods left
Melody Kemble	Saratoga Springs, NY	2016-04-13	I've already seen what happens to a neighborhood when developers are allowed to build however they wish. Let's put a stop to it NOW!
Ann Haller	Saratoga Springs, NY	2016-04-13	This threatens the quality of our neighborhoods and is being considered because undue power is given to developers
Megan Perez	Saratoga Springs, NY	2016-04-13	I love in the neighborhood and think this kind of development will change it too much, parking is already an issue, the park and pre school near by will also be negatively affected by high density housing.
Lou Anne Piccirillo	Saratoga Springs, NY	2016-04-13	tired of changes for a select few
Susan Senecal	Rexford, NY	2016-04-13	Yet again a violation of zoning in Saratoga. Dysfunction in progress
Kimberly Relyea	Saratoga Springs, NY	2016-04-13	Jumel is a close residential street. Adding apartment complex there is not conducive to Saratoga living. There are plenty of apartments in town. Don't need anymore. One change will lead to more. It has to stop somewhere.
Sean A. Nolan	Saratoga Springs, NY	2016-04-14	When does the selling of Saratoga stop? When nobody but 150k + a year people call Saratoga home and condos are the majority of the housing in the city and the workers who make under 20k a year can shop, work, etc. but not be able to afford to live in this city.
Peggy Brown	Saratoga Springs, NY	2016-04-14	Is this the same board that approved the monstrosity that Witt is building on the corner of State and Alger? Don't ruin another neighborhood!
Jen Caruso	Lutz, FL	2016-04-14	I'm signing because I grew up in Saratoga- and I believe in keeping saratoga's rich history and beauty. It is the timeless classic piece in history that should not change
Debbie Sekulski	Grimesland, NC	2016-04-18	I recently moved from Saratoga but come back quite often I have plans on moving back and love the area the way it is now
Harriet EGGLESTON	Bonita Springs, FL	2016-04-19	i don't like it when a developer runs our city council, this is not the right thing for this area.
Patrick Jankowski	Saratoga Springs, NY	2016-04-21	It will set an unwanted precedent that builders can build whatever they want changing the look of the neighborhood

OUR STANCE AS NEIGHBORS of proposed "Downton Walk":

- We don't oppose Mr. Witt per se, or that he should develop this property.
- But we are concerned about the scale of the variances he is requesting and of the project as currently designed.
- We are concerned that the current design and density of the proposal and the number and size of the proposed homes are out of character with this historic neighborhood.
- We would like a revised more reasonable proposal.

Subject: Downton Walk project

I will be out of town on Monday so cannot attend the zoning board meeting and express my thoughts on this project.

I realize that we cannot "freeze Saratoga in time" however I am dismayed by the new trend to pack as many buildings as possible onto the available land. Zoning requirements were written for good reason - to make sure that Saratoga Springs doesn't lose the wonderful character that attracts people to our city. It seems that in case after case the wishes of current residents are disregarded and decisions made in favor of the developers.

I would like to see our city officials pay more attention to the residents of our fair city. It is not unheard of that a city or town overdoes a good thing and in the process damages the very area they think they are improving. Remember: Developers are in business to make money for themselves and do not always see things in the same way as the people who are impacted by their projects.

I am against disregarding the zoning laws for this project!

Saratoga Neighbors for Zoning Enforcement

Recipient: Saratoga Springs Zoning Board of Appeals and Susan Barden

Letter: Greetings,

Keep Saratoga Springs Neighborhoods Special: Enforce our Zoning codes!

Comments

Name	Location	Date	Comment
Sam Brewton	Saratoga Springs, NY	2016-03-15	We're not against developing this plot, but we opposed the massive scope of the requested variances, loss of setbacks, and the cramming-in of more buildings than this lot is zoned for. What's the point of zoning if it can be this easily skirted? This lot can be successfully developed, and we'd welcome this same developer if a more reasonable plan were presented.
Holly Bates	Saratoga Springs, NY	2016-03-16	Saratoga Springs is changing far too quickly and losing the character that made it so beloved. These changes are so often the result of wealthy developers making their way around zoning laws that are there for a reason. Our officials have been elected by the citizens of Saratoga Springs, and as such, they are the people to whom they should listen.
jeannine moran	saratoga springs, NY	2016-03-16	Uphold our zoning laws and do not cave to developers.
Kira Cohen	Saratoga Springs, NY	2016-03-16	I grew up in Saratoga Springs and have lived 25 years in the neighborhood that is threatened by this development. I do not want to see my neighborhood put at risk by the casting aside of our city's zoning ordinance. The Saratoga Neighbors for Zoning Enforcement does not oppose new housing in our neighborhood, we simply feel that the scale of this project is beyond necessary and asks for too many variances to the zoning laws of our district. This puts not only our homes at risk, but the new homes as well. It also opens the door for these types of overboard developments to move into other residential neighborhoods throughout town - thus dismantling the core ideology behind our comprehensive plan and zoning ordinance, and disrupting the historical character and dignity of our beautiful town.
Margaret Selikoff	Saratoga Springs, NY	2016-03-16	There is no reason for this type of development in this neighborhood.
Kim Fonda	Saratoga Springs, NY	2016-03-16	I am sick and tired of double standards. The Zoning Board is a disgrace and our hopes for good stewardship decline day by day!
Janice Pancake	Saratoga Springs, NY	2016-03-16	If this goes as planned, it will set a precedent in our city that builders can get zoning laws changed and build wherever they want. Seems to me that our city has allowed all kinds of new, unaffordable, condos, etc. and taken the charm away from my hometown...
Joann Lorman	Porter Corners, NY	2016-03-16	Saratoga is getting to many large buildings. ..let's not lose its charm!
Robert Bostick	Arlington, VA	2016-03-16	I love the Saratoga of my childhood, my youth and to alter those memories of the alleys, streets and diverse neighborhoods would be sacrilege.
John Veitch	Saratoga Springs, NY	2016-03-16	This is not proper for that neighborhood. Simply out of character. I live next to the old St. John Neumann residence, and that conversion was fine for that building. This is not appropriate for Jumel Place
Liam Sheji	Saratoga Springs, NY	2016-03-16	It's important to preserve our cities history, and replacing our historic buildings is a crime to our lifestyle
Marie falls	Lorton, VA	2016-03-16	I hate seeing my hometown lose its charm!
Steven McCarthy	Saratoga Springs, NY	2016-03-16	Enough is Enough
Martha Strohl	Saratoga Springs, NY	2016-03-16	The Comprehensive Plan and our zoning codes are meant to be observed, not abused.
Lillian Spost	Saratoga Springs, NY	2016-03-16	Saratoga risks losing the charm that is its reputation.
Michael Gent	Saratoga Springs, NY	2016-03-16	Once you open the floodgates,there'll be no stopping them.The town is enough of a mess already.

Name	Location	Date	Comment
Anthony Smith	Washington, DC	2016-03-16	I'm shocked that the lovely tree-lined streets of my hometown would be destroyed by this condo developer. Enforce the zoning laws and stop this blight on the community.
shawn banner	Saratoga Springs, NY	2016-03-16	Our town is special because far sighted folk created a charter and zoning codes that preserve what is best about Saratoga. Lately, it seems that special dispensation keeps getting given to folks who want to build exactly what those far-sighted zoning laws and city planning decisions were meant to avoid. Growth is good--in fact, growth is great, but not growth that breaks the carefully crafted rules that make Saratoga a pleasure to reside in. Please do not keep giving in to developers' whims at the expense of what makes our fair city both fair and special!
Z. Parisi	Saratoga Springs, NY	2016-03-16	cp
Amber Duffney	Keeseville, NY	2016-03-16	O remember Saratoga the way it used to be. I have seen neighborhoods destroyed by "improvement", I would hate to see Saratoga to become a city of high rises, and loose it's charm and historic value.
Sunshine Stewart	Greenfield Center, NY	2016-03-16	Keep Saratoga beautiful!!!!
Meghan Cherny	Corinth, NY	2016-03-16	Bit by bit we are losing our history and our roots, that which makes it all beautiful. Saratoga is beautifully old, we must fight for her.
Janice Bellamy	Saratoga Springs, NY	2016-03-16	Too many extreme variances requested. This won't blend in with the neighborhood. The builder is asking the Zoning Board for special treatment.
Amy Barakat	Saratoga Springs, NY	2016-03-16	I don't like the direction my hometown has headed since I was a child. Too much commercialization and too much building.
patricia rubio	saratoga springs, NY	2016-03-16	I am concerned about the violation of the City zoning laws the variance would entail.
Kathleen Brown	Saratoga Springs, NY	2016-03-16	Wrong plan, wrong place, & more overpriced real estate not needed!
bob mctague	saratoga sp, NY	2016-03-16	Our neighborhoods are under attack by greedy builders who have no regard for families that live in the communities.
Daniel Schwank	xxxxxxxxx, NY	2016-03-16	I'm against the overdevelopment that's destroying this town
Shealyn Heritage	Ballston Spa, NY	2016-03-16	I for one may not live I Toga directly but was born at Saratoga hospital lived in the outside towns all my life and have many Saratoga relatives of all era of Saratoga. It sadden my heart thinking about the stories I've heard of old Saratoga, Stories I have from Saratoga In the times before all the condo when we went to see our Saratoga family and The Saratoga now. Why does everything have to be so glamorized. We need some original and not just Original historical. Stop changing zoning laws for these big wig glamizatation.
Cindy June	Ballston Spa, NY	2016-03-16	Save my hometown from the developers who only see \$\$\$\$\$
Lori LeBarron	Gansevoort, NY	2016-03-16	There seems to an influx of developers who are presenting proposals that do not adhere to Saratoga Springs zoning laws. This needs to stop!
Leslie Brown	Saratoga Springs, NY	2016-03-16	There is way too much development in Saratoga and we're losing the quietness of the city. Please stop the building.
Joan Nellhaus	Saratoga Springs, NY	2016-03-16	This is wrong in so many ways. Integrity must be maintained.
Hillary Takahashi	Saratoga Springs, NY	2016-03-16	Protect our picturesque and wonderful neighborhoods.
Mary O'Donnell	Saratoga Springs, NY	2016-03-16	As a native, I have watched our city change way too much and not for the better in my estimation. This project would set a precedent and continue to ruin the very reason some people moved here. We want to keep our city's character.

Name	Location	Date	Comment
Jay Rogoff	Saratoga Springs, NY	2016-03-16	Approval of Downton Walk, a development entirely out of character with the neighborhood, would send a signal to developers that our zoning regulations are meaningless and can be circumvented at will.
Judi Duclos	Saratoga Springs, NY	2016-03-16	I do not like the path that our beautiful city seems to be on!!!!
Penny Jolly	Saratoga Springs, NY	2016-03-16	This is a residential neighborhood, protected supposedly by our zoning laws. Please observe those laws! Do NOT permit all these special variances. Don't overcrowd our neighborhoods and try to make them into something they are not: a pretentious "Downton Walk" with expensive condos instead of separate one-family homes of modest size.
Brucie Rosch	Saratoga Springs, NY	2016-03-16	Developers can make their money elsewhere. It would be one thing if they had a track record of building affordable housing in Saratoga Springs, but They. Do. Not.
Tracy Millis	Saratoga Springs, NY, NY	2016-03-16	The entire project is foolish.
Regina Camilletti	Saratoga Springs, NY	2016-03-16	This development will scar an otherwise homogenous, established neighborhood of older homes. People are invested in these homes and that neighborhood. Who has the right to step in and on behalf of a builder and his cohort, threaten their investment? If anything goes, how about lets build some stables next to City Hall and put those 7 condos on East, really close to Skidmore. Sure. I would sue you if I could.
Jacklyn Clark	Saratoga Springs, NY	2016-03-16	I don't want this in my neighborhood, I've lived on this street for 24 years and to alter the streetscape with gaudy condos would be a disgrace. More importantly if the city government allows this to become reality that would be sinful. Keep within the parameters of the neighborhood, amen!!!!!!
Barbara Ungar	Saratoga Springs, NY	2016-03-16	Developers and greed are ruining what makes Saratoga Springs a desirable place to live and visit.
Celete Caruso	Saratoga springs, NY	2016-03-16	I'm signing because the Integrity of each neighborhood within the city needs to be maintained
Suzanne kwasniewski	Saratoga Springs, NY	2016-03-16	Too many projects are approved that deviate from zoning ordinances.
Richard Hibbert	Burlington, VT	2016-03-16	My mother has lived on Jumel Place, in the other block, since 1959. My siblings and I spent part of our formative years in that neighborhood. The house belongs to our family, and we value the character of the neighborhood. That includes the portion of the street for which this project is proposed. Annette Damron	Lecanto, FL	2016-03-16	I was born and raised there and don't want to come home to a metropolis.
Susan Traylor	Saratoga Springs, NY	2016-03-16	I don't want Saratoga Springs, my beautiful home town to turn into a Clifton Park!
Marisa Wade	Saratoga Springs, NY	2016-03-16	Saratoga is starting to loose some of it's charm to all of these apartments and condominiums
JOHN DUANE	Middle Grove, NY	2016-03-16	to keep saratoga saratoga !
Arthur Porter III	Saratoga Springs, NY	2016-03-16	I believe that this is yet another example of the abuse of the zoning variance process to circumvent existing zoning designations and the Comprehensive Plan.
Katherine Totten	Saratoga Springs, NY	2016-03-16	Enough is enough
Karin Vollkommer	Saratoga Springs, NY	2016-03-16	This project is too big for the neighborhood.
kathleen orefice	westport, CT	2016-03-16	I want Saratoga to stay the way it is. It's already changing too much.

Name	Location	Date	Comment
Amy Syrell	South Glens Falls, NY	2016-03-16	Saratoga Springs needs to be a place for all people, not just those with a lot of money.
Jill P McMahon	Saratoga Springs, NY	2016-03-16	The project seems too large for the space available. More shoehorning of big houses out of character with the neighborhood that loom over their neighbors.
Frank Capone	Saratoga Springs, NY	2016-03-16	preserve the residential character
Bette Brill	Saratoga Springs, NY	2016-03-16	Just do not change the zoning laws for this or any project in a neighborhood that is not zoned for it....
amejo amyot	saratoga springs, NY	2016-03-16	I like green space around homes and consistent density in neighborhoods. this is a 1 and 2 family area.
Patricia Cornute	Saratoga Springs, NY	2016-03-16	Too many developments already in our town, hard to recognize the charming place it used to be., when the sun can't even shine down on you as you walk down certain streets any more.
sue scherer	Saratoga Springs, NY	2016-03-16	Enough with the overgrowth.
linda battiste	Schenectady, NY	2016-03-16	I grew up in Saratoga and it's beautiful the way it is!
Mary Frances Healy	Saratoga Springs, NY	2016-03-16	I have lived here my whole life and don't like the direction we are going
MaryAnn Wager	Saratoga Springs, NY	2016-03-16	I have lived in Saratoga my entire life and I am concerned for the future of our beautiful city. It is quickly losing its historical look and feel.
Patricia Mathews	Sanford, ME	2016-03-16	I strongly believe in preserving the integrity of all cities, but most importantly those cities that represent the history of our country. I lived on Jumel Place until I graduated from college. When I go back to visit family I am often disappointed to see yet another set of new and expensive Town Houses, apartment buildings, hotels, and condos. With each change Saratoga Springs loses a little of its identity. Just take a walk on Jumel Place, and you will clearly see that a development of this type is out of character with the neighborhood. Saratoga, a city I have always been proud to call my hometown, should not lose its charm to moneymaking investments.
Deb Garrelts	Saratoga Springs, NY	2016-03-16	I agree that we are being over-run with condominiums and that our neighborhoods need protection
Denise Dart	Clifton Park, NY	2016-03-16	I'm signing because I am a native Saratogian and the alleged zoning codes worked against my Dad and now we have foreigners coming in and being allowed to build wherever and however big they want just because they have the money.
Barbara Claydon	Saratoga Springs, NY	2016-03-16	inappropriate development of the space for the existing neighborhood in which I happen to live
Paul Hibbert	Broken Arrow, OK	2016-03-16	My family has property on Jumel place
Chris Pringle	Saratoga Springs, NY	2016-03-16	I've lived in saratoga almost all my life and I'm sick of seeing this great little town desecrated by these monstrosities being built with no thought what so ever. The west side of town now looks like a haven for yuppies and has driven out the families that have resided there for years. Downtown hardly looks the same as I remember it as a child. All the once family owned businesses that occupied Broadway are now gone and these corporate goons have bullied their way in forcing the rent to a ridiculous level that only 6 figure a year income families can afford. This use to be a great place to live a place I called home now I don't even recognize the town I grew up in. Enough is enough.
Joyce McKnight	Lake Luzerne, NY	2016-03-16	Saratoga Springs already has empty developments...the zoning board is either ineffectual or "on the take."

Name	Location	Date	Comment
Ann Diller	Gansevoort, NY	2016-03-16	I am appalled at the over-development that has changed our city so that it unaffordable to longtimers, courtesy of boards that are overly generous to developers.
Randy Hammond	Porter Corners, NY	2016-03-16	Saratoga is heading in the wrong direction
helen travis	Saratoga Springs, NY	2016-03-16	They are destroying Saratoga making hard for families to live homeless rase now its more homeless families working families that can't effored Saratoga price or anywhere els for that matter rent has raise so high everywhere its sad and decrees
kayla rynasko	Schenectady, NY	2016-03-16	Born and raised in Saratoga. Graduate of Saratoga high. All my family lives here!
Kathy Becker	Greenfield Center, NY	2016-03-16	I was born and raised in Saratoga Springs. I am so upset by huge changes that have been made in Saratoga. What ever happened to preserving the historical buildings in the city. It looks like the almighty dollar has won out. It is such a shame and so sad.
Liz Mark	Gansevoort, NY	2016-03-16	Saratoga is being overrun by greedy developers like Bonacio and losing its charm.
Charles Kish	Saratoga Springs, NY	2016-03-17	The character of too many neighborhoods are at stake when projects are granted that require numerous large scale changes to existing zoning. When developers profit concerns trump zoning considerations and justifiable and considered opposition by neighbors to this degree, who's opposition is totally supported by current zoning, the zoning board is not doing it's job. There is zoning for a reason based on long term plans and consideration for the city as a whole. Wholesale variances granted solely for the purpose of developer profit is a travesty.
Nancy Flynn	Buskirk, NY	2016-03-17	We have a family home on the other block of Jumel Place that my mom lives in and believe this will hurt the whole street and set a bad precedent.
Ann Haller	Saratoga Springs, NY	2016-03-17	This is an inappropriate use if the land. It is not in accordance with the zoning. developers should not be exempt from rules just because they want to maximize their profits. The city is running out of build-able lots, so the developer is trying to squeeze as much profit as he can out of this lot.
renee harder	gansevoort, NY	2016-03-17	way to much development now
Richard Dunham	Saratoga Springs, NY	2016-03-17	I do not believe that a previous factory/Dance Studio in a residential neighborhood needs to be re-zoned to accommodate more living space than the current regulations allow. Enough croneism. Build a house, or two.
Kelly Mackison	Gansevoort, NY	2016-03-17	I am bored in raided is Saratoga
Jodi Stevens	Saratoga Springs, NY	2016-03-17	I grew up on this area and just can't stand by and watch the integrity of this beautiful, quaint neighborhood be destroyed...
Jennifer Kleindienst	Middletown, CT	2016-03-17	I grew up near Saratoga and visit often. I would hate to see the city's charm erode with a project like this.
Patricia Duval	Portland, OR	2016-03-17	To oppose approvals requested for this project. Plan is totally irrelevant to the existing neighborhood. Approving these requests would set a bad precedent and many of Saratoga neighborhoods would be at risk.
Gloria Burke	Waterville, ME	2016-03-17	This would set a terrible president.
Dorene Couch	Saratoga Springs, NY	2016-03-17	I want to show my support for our local residents and weigh in on matters of development that will have a negative impact on our neighborhoods

Name	Location	Date	Comment
Wayne T. Senecal	Saratoga Springs, NY	2016-03-17	I believe the developer's application is a change in use requiring City Council Approval not just Zoning Board of Appeals approval.
Jerome Luhn	Saratoga Springs, NY	2016-03-17	People are entitled to know what development plans are being proposed so that they, and the officials entrusted with authority over zoning decisions, can make informed judgments that affect the character of the place where they live over the long term. Seemingly material omissions in presentation, together with behavior by the developer and relevant board officials, have given neighbors reason to raise questions, such as whose interests enjoy primacy in this proposal? No one wants to wake to rude surprises after the foundations are poured. That's something any developer should understand.
Sheila Levo	Saratoga Springs, NY	2016-03-17	I'm signing because although I am a Saratoga native, I no longer live in the city. After my husband died, I sold my house as the upkeep (lawn, snow, etc.) was too much for me. The prices for decent rentals in the city were outrageous. I was forced to look elsewhere and as a consequence, I now live in Ballston. This project, if allowed, would be another example of pricing the middle class out of Saratoga.
Melanie Herter	New York City, NY	2016-03-17	Trying to keep my neighborhood from illegal property use and major congestion
Ina Harney	Saratoga Springs, NY	2016-03-17	This has to stop in Saratoga, not only in my backyard but this one too. Residents have to pay attention to all of these plans, not only their neighborhoods. Every time the builders manage to get one over on our city government leaders and build these monstrosities it gives them permission to ruin another neighborhood.
Nicholas Rossi	Parrish, FL	2016-03-17	I lived in Saratoga 62yrs. I grew up in that part of town & owned a home at 213 East AVE. Allowing this development is wrong
James Lestrangle	Saratoga Springs, NY	2016-03-17	Stop putting the interests of the wealthy ahead of long time Saratoga residents. We have enough development already. Too many people moving in making everything more expensive and causing traffic congestion.
richard bradley	Ballston Spa, NY	2016-03-17	developers are destroying the Saratoga I grew up in. they just need to leave things alone. they are just fine as they are
Henry Bovee	Saratoga Springs, NY	2016-03-17	For my friend
Michael Graul	Granby, CO	2016-03-17	I would like to see the zoning laws upheld in this single family neighborhood where I grew up. I hope those individuals on the zoning board haven't lost sight of doing what is right.
HEATHER STABLES	SARATOGA SPRINGS, NY	2016-03-18	This is NOT NYC....
Michael Stoneback	Saratoga Springs, NY	2016-03-18	developers are ruining the city with maximizing land use with the approval of city boards and their own interpretation of zoning
Barbara Bovee	Saratoga Springs, NY	2016-03-18	To preserve Saratoga
deborah koransky	Saratoga Springs, NY	2016-03-18	i am opposed to this Witt project.
Maureen Curtin	Saratoga Springs, NY	2016-03-18	There are an excessive number of substantial variances, which if granted would make our zoning laws useless.
Deb Mattison	Saratoga Springs, NY	2016-03-18	Following the zoning ordinances will create a home more in character with the neighborhood in which we live and work.
Tara graul	Lyndhurst, NJ	2016-03-18	I oppose this development. Anyone else who truly loves Saratoga Springs and the neighborhood surrounding Jumel Place knows that approving zoning for this project would be inappropriate. I hope that the board does the right thing.
Deb Mattison	Saratoga Springs, NY	2016-03-18	Following the zoning ordinances will create a home more in character with the neighborhood in which we live and work.

Name	Location	Date	Comment
Margaret Bradley	Saratoga Springs, NY	2016-03-18	Again, our "City in the Country" is being challenged.
Jamie Barss	Saratoga Springs, NY	2016-03-18	I grew up in this neighborhood and I can stand the way developers are ruin my home town Saratoga has turn in to a town for the rich and are push the every day people out This was always a family friendly town but not anymore I think this will ruin the charm of the eastside
Virginia Ponessa	Saratoga Springs, NY	2016-03-19	I used to live on Jumel Place and am so sad to see how negatively the town has been changing.
Mary-Ellen Callahan	Edgewater, NJ	2016-03-19	My family lives in Saratoga Springs and this is a dangerous proposal to all future zoning. There is a greater need for protecting the zoning code than a need for a seven unit development.
Reginald Lilly	Saratoga Springs, NY	2016-03-19	I live around the corner from this project and it would transform the character of the neighborhood in a very negative way. It would have a negative impact as well on property values in the neighborhood. I strongly oppose this project.
Connie Crawford	Ballston Spa, NY	2016-03-19	I'm sick of all the condos and ugly huge boxy buildings going up in Saratoga, especially the UNAFFORDABLE high rents they charge....
Nancy Toole	Saratoga Springs, NY	2016-03-19	DOWNTON WALK should NOT be allowed to be built in this neighborhood. And if it is, a bad precedent will have been set.
Joyce Dart	saratoga springs, NY	2016-03-19	I'm signing because I like having neighborhoods with homes and sidewalks. I don't want big box buildings that block the sun.
Dillon Moran	Saratoga Springs, NY	2016-03-19	The invasiveness of development in Saratoga Springs is more than enough without bending all of the rules put in place to govern it. This project is simply too much
Steven Mattison	Saratoga Springs, NY	2016-03-20	I think it is ridiculous that there are zoning laws in place and a high profile builder can sweep in and have multiple zoning ordinances changed just to get the big buck without regard to the neighbors and neighborhood.
Christiana HOLLAND	SARATOGA SPGS, NY	2016-03-20	We have enough apartments and condos for now! Let's all take a break
M.Thomas Porter	Saratoga Springs, NY	2016-03-20	This is a terrible precedent to set for the future in old established Saratoga Springs neighborhoods.
Linda Church	Saratoga Springs, NY	2016-03-20	I disagree with the variances being requested. Present something more in line with the area. This is too dense, and too big!
Grant Gentner	Saratoga Springs, NY	2016-03-20	We are losing too much of our charm to building. We also are losing green space. If we lose our Saratoga charm, it will be difficult to come back.
Kathleen Bryan	Niskayuna, NY	2016-03-20	I've seen too many changes in Saratoga over the last 27 years. It would be nice to keep the neighborhoods family friendly.
Robert Vogel	Saratoga Springs, NY	2016-03-20	I am opposed to the Downtown Walk development project
Kim Stevens	Saratoga Springs, NY	2016-03-20	I live in the neighborhood and I don't want to start the precedent of building large condos among single family homes.
Joanie Rupprecht	Saratoga Springs, NY	2016-03-20	I like the feel of Saratoga w/ old, private houses, I esp. like that feel on JUMEL where I LIVE !!! Please respect the current zoning !!!
Peggy Tayler-MacNeill	Saratoga Springs, NY	2016-03-20	I care about keeping keeping this a family neighborhood without the density discussed in this petition. Imagine if each condo had 4 children? Or more? It is an outrageous expectation for that small property to expect to fit seven condos with any size family. What about sewer and water capacity?
James Pollard	Saratoga Springs, NY	2016-03-20	I object to this development in my neighborhood because it violates current zoning law, seeks variances and exceptions which, if granted, would significantly and negatively impact the density and character my immediate environment, and of the city

Name	Location	Date	Comment
John Boardman	Saratoga Springs, NY	2016-03-20	The stepped up assault on the zoning ordinances, under the cover of the vaguely worded "Comprehensive Plan", has got to stop. This is the third major project in 6 months (see Moore Hall and the hospital expansion) where developers have attempted to slip projects that would need a major zoning change as simple variances. The ZBA and Planning Board need to see these for what they are and insist development comply with the existing ordinance. The Comprehensive Guide does not overrule the Zoning Ordinance - it's the reverse.
James Pollard	Saratoga Springs, NY	2016-03-20	I object to the project as proposed because it is non-compliant with current zoning regulations, and because it seeks an audacious and unprecedented number of variances, most of which (if granted) would have a severe negative impact to the density and character of my neighborhood and are therefore unacceptable.
Lisa Wilcox	Huntsville, AL	2016-03-20	I loved the old Saratoga. Too many changes, too fast
Laura Giannini	Saratoga Springs, NY	2016-03-20	Although I support rejuvenation of the property at 27 Jumel Place, I strongly feel that the proposed project is not appropriate for our neighborhood. I down the street from the subject property, and we ask the zoning board to respect the wishes of our family and our neighbors and reject the requested radical variances to the current laws. We feel this project itself is not beneficial to the neighborhood and its invaluable character, and allowing the violation of the zoning laws would set a dangerous precedent moving forward.
Russell Pittenger	Saratoga, NY	2016-03-20	The variances asked for seem excessive.
Chris Bernd	Saratoga Springs, NY	2016-03-20	The condominium/townhouse growth in Saratoga is out of control, taking away open spaces and I believe zoning laws need to be followed.

Tina K. Morris	Saratoga Springs, NY	2016-03-20	The proposed Downton Walk Development is near my home. A large development is not in keeping with the existing small early 20th century homes. I strongly object to waiving zoning regulations which will set a negative precedent for the entire city of Saratoga Springs.
Ralph Yusavage	Saratoga Springs, NY	2016-03-21	Its not okay to ignore the rules whenever its convenient. The developers will build the charm right out of our city if we let them.

Thomas and Rachel Uccellini
[REDACTED] Granger Avenue
Saratoga Springs, NY 12866

March 21, 2016

Susan Barden
The Zoning Board of Appeals
City Hall
474 Broadway
Saratoga Springs, NY 12866

Dear Zoning Board of Appeals:

We are writing in favor and to further offer our resounding support for Witt Construction's proposed Downton Walk Project. It goes without saying that Downton's European exterior would be a welcome improvement from the dilapidated, vacant building that exists on Jumel Place today, but, moreover, these variance's have previously been approved and this site plan of single-family condominiums are better suited for the wholly residential neighborhood.

Three years ago, we, too, were up against varying public discourse from both the neighbors and the City of Saratoga Springs. After a year of meetings with the Zoning Board of Appeals, we were approved for a front yard setback of 27.3 feet (91% relief) and rear yard setback of 24 feet (80% relief) from the minimum 30 feet setback requirement. In addition, we also received maximum building coverage of principal building of 11% (55% relief). Given what on paper appears to be a huge concession, the finished product fits perfectly on this city lot and has garnered positive feedback from most of the people that were against the project. One of the most common comments is that the house "looks like it has been on the lot for years." This is a testament to Mr. Witt's ability to uphold the characteristic of the neighborhood, as well as, the city of which he has been a lifelong resident.

It is apparent that our Witt home added both aesthetic beauty and increased surrounding property values. Downton Walk will enhance our neighborhood and add to the continued development and enrichment of the City of Saratoga Springs.

Sincerely,

Thomas and Rachel Uccellini

Subject: Condos on Jumel

Susan,

I used to live at [REDACTED] Jumel and I currently live at [REDACTED] Circular St., on the corner of Circular and York.

Please do not approve the proposed multi-unit condo unit at 27 Jumel place. It would not be a good precedent to start on the east side. I have seen this pattern in other communities and it really breaks up the neighborhood.

I know we have many single family homes that have been split into 2 -3 apartments, but 7 units, surrounded by small modest homes would not work. The one apartment-only home in the other section of Jumel already creates some stress on that block.

I appreciate the controlled home renovations that have been taking place on York. The upgraded homes fit in with their neighbors. Please keep with this pattern.

Thanks,
Kim Stevens

Subject: Downtown Walk John Witt

Good Morning Susan, my wife and I live at [REDACTED] Lake Ave very close to the proposed sub-division. I am opposed to this project as the size of the houses proposed do not fit with the neighborhood, the total lack of yard and space between the new houses and the neighborhood and the asking price of the new houses. Currently the old factory has no set back to any of its neighbors and the drawings Mr. Witt has passed around seem to carry this forward with the proposed project. All the houses that border this project are very modest at best and this would upset the balance and perhaps lead to further demolition and more upscale housing in the neighborhood.

Subject: Jumel Place project proposal

Dear Ms. Barden,

I am a nearby neighbor to the project area of John Witt's proposal, and wish to register my opposition to the scale and density required by it. I have to say I share the dismay registered by other neighbors in whose judgment this undertaking, however skillfully crafted in the abstract, is simply too much for the neighborhood and, in a word, wrong.

The zoning plan for that area is relatively recent and thoughtful, and could even accommodate the greater part of the proposal being put forward. I urge you to exert your influence and your own best judgment to keep faith with the plan we have for this area, and in so doing to protect the character of the neighborhoods around Jumel Place and elsewhere in town.

Respectfully,
Jerry Luhn

Susan,

Good afternoon, I would like to express my support for the Down-Ton Walk project. This will be an enormous improvement to the neighborhood, I'd really like to see this moving forward, since being on hold for some time now. There are more positives than negatives to this wonderful project. I know and trust Witt construction to do the right thing, for us as neighbors, and to the great city of Saratoga Springs.

Thank you, Richard Ball

Also, my property at [REDACTED] Granger Avenue, border's 150 feet of the existing structure, which is in dire need of demolition. Looking forward to it.

Thank you once again!

Subject: Jumel Place development

Hi Susan,

As a homeowner on Lake Ave, I am writing to encourage you to deny the existing "Downton Walk" proposal. East Side Saratoga is known for its authenticity and community. A high-end cookie-cutter development does not fit with this neighborhood. The high fence is especially upsetting. The people who might buy these homes have no idea how unwelcome this development will be - and why would we put them in a position of being resented rather than welcomed by their new neighbors? It doesn't make any sense to change the existing zoning. Let him build five single family homes with tasteful architecture and appropriate fencing - he'll still make money, the new homeowners will be welcomed, and the existing neighborhood will retain its unique and historic character.

Best,
Elizabeth DiNuzzo

Subject: Downtown walk

We are writing to express concern about the proposed project referred to as "Downtown Walk" located on Jumle Place. John Witt came to our door last week looking for support, he presented the project in a way that made sense. That he was planning on knocking down a old unused building and would like to replace it with some nice homes. This sounded great except Mr. Witt was not forthcoming with the fact that he was looking for exemptions and variances with the code for the area and that he was looking to exceed what was allowed. Because of this I (Mark) signed a paper in support when in fact after seeing off the facts I do not support this project in its current state.

The amount of housing Mr. Witt wants to place on this lot exceeds what it should hold. Looking at the first hand, I have no idea how he would be able to fit everything he wishes, for if he did he would create a distraction in the neighborhood. Multiple structures that would not fit in with the pre-existing homes, as well as creating a problem with parking. Mr. Witt isn't just asking for one exemption, or modification to the code, he is asking for numerous ones which just prove that his plans need to be scalled back because in their current state they do not fit the land or the neighborhood.

I do however believe and would support a project to replace this building that followed the city guidelines and code for our neighborhood. After all the codes were created for a reason, to make sure over crowding did not happen and to preserve the community and

neighborhood. I'm sure when the codes were created much care and thought was put into them.

With these concerns and more I sincerely hope the Zoning Board of Appeals rejects proposal and requests Mr.Witt to modify his plans to fit within the zoning regulations the city has set.

Thank you for your time.

Susan,

I agree that the density of the project is too high and should comply with the zoning codes currently in place. I live across the street and was denied a variance for expanding my carriage house beyond the allowable lot coverage, therefore I built it according to the allowable size.

I'm for a project that is in compliance with the zoning codes.

Enjoy,

Johnny Miller

Subject: 27 Jumel Proposal

Ms. Barden:

First, please know I appreciate the dedication and excellent work by the Zoning Board in dealing with the many challenging issues and proposals in our city.

The proposed development at 27 Jumel concerns me deeply. As currently documented, I object to it strenuously.

I'm a (retired) architect, I live at [REDACTED] Ludlow Street and the view from my property is up Jumel Place to the project site.

The character and density of my neighborhood is surely worth preserving. My wife and I have owned our home since 1977 and are grateful that zoning regulations have guided construction and development here, including several appropriate zoning variances that we've supported. We believe the neighborhood's defining character has (to date) been successfully retained.

The variances and exceptions requested for the 27 Jumel Place project are truly astonishing! If approved, their dramatic negative impact to the neighborhood character would be devastating in my opinion. The proposed change in density and contrasting setbacks is an affront to abutting neighbors and to the design vocabulary of the area.

The property at 27 Jumel is potentially a clean slate. But the applicant has chosen a design which seems to totally ignore its context and city regulations, creating a self imposed dilemma. It

completely disrespects the neighborhood and its long established and protected attributes.

I remain confident that the Board will reject such wrongheaded proposals, and further, will foster the possibility that the applicant may make future application for a project at 27 Jumel Place that is consistent with Saratoga's Comprehensive Plan and with zoning regulations, and which would require minimal, if any, variances. Thank you, and your Board colleagues, for your continued attention to this matter.

James (Jay) Pollard

The Zoning Board of Appeals of the City of Saratoga Springs, NY

Re: Application for "seven single family condominiums,"
and requests for substantial Zoning Variances at
27 Jumel Place, Saratoga Springs, by ANW Holdings, Builder, John Witt
Public Hearing #2 to be held at the Zoning Board of Appeals meeting on March 21, 2016

I am writing this letter prior to the March 21st, 2016 meeting of the Saratoga Springs Zoning Board in regard to the proposed zoning variances being requested by builder John Witt for the property located at 27 Jumel Place in Saratoga Springs, New York. I am hoping that you will forward this to members of The Zoning Board of Appeals of Saratoga Springs.

Mr. Witt is creating an oversized project which is out of character with the existing homes on the street. He is making intrusive variance requests. In his letter to neighbors dated February 11, 2016 he understated the variances requested, (3 rather than 5). Therefore neighbors were given incomplete and deceptive information about the project. His letter asked for:

- Increased lot coverage by 16%
- Decrease minimum front yard setback by 9 feet
- Raise the height of the residential fence by 2 feet

In actuality, there are five variances being requested that include:

1 – The maximum building coverage allowed on this lot is 30%. The previous request was for a 43.5% building coverage allowance, or 45% more than what is allowed. The request has been increased to 46%, or 53.3% more than what is allowed.

2 – The rear yard setback required for each unit is 25 feet. The applicant is asking that this requirement be eliminated by 100% for five units, going from the 25 feet required to zero (0) feet. For the remaining two units he is asking for a 76% reduction in the rear yard setback from 25 feet to 6 feet.

3 – The front yard setback required for the two front units is 10 feet. The applicant is asking for one (1) foot, a 90% reduction in the front yard setback.

4 – The fence height allowed in this UR-3 residential area is six feet. The applicant is asking for an eight foot fence, a 33% increase in height over what is allowed.

5 – The applicant is asking for a maximum principal building on one lot to be increased from one to seven, a 600% increase.

It would be a travesty for the board to disregard the above facts and override zoning ordinances that have been in effect for years. At the very least, a compromise of the extreme variance requests needs to be negotiated.

It is my hope that these substantial variances, as they are proposed, be denied.

Sincerely,
Debra Mattison

Saratoga Neighbors for Zoning Enforcement

Recipient: Saratoga Springs Zoning Board of Appeals and Susan Barden

Letter: Greetings,

Keep Saratoga Springs Neighborhoods Special: Enforce our Zoning codes!

Comments

Name	Location	Date	Comment
Sam Brewton	Saratoga Springs, NY	2016-03-15	We're not against developing this plot, but we opposed the massive scope of the requested variances, loss of setbacks, and the cramming-in of more buildings than this lot is zoned for. What's the point of zoning if it can be this easily skirted? This lot can be successfully developed, and we'd welcome this same developer if a more reasonable plan were presented.
Holly Bates	Saratoga Springs, NY	2016-03-16	Saratoga Springs is changing far too quickly and losing the character that made it so beloved. These changes are so often the result of wealthy developers making their way around zoning laws that are there for a reason. Our officials have been elected by the citizens of Saratoga Springs, and as such, they are the people to whom they should listen.
jeannine moran	saratoga springs, NY	2016-03-16	Uphold our zoning laws and do not cave to developers.
Kira Cohen	Saratoga Springs, NY	2016-03-16	I grew up in Saratoga Springs and have lived 25 years in the neighborhood that is threatened by this development. I do not want to see my neighborhood put at risk by the casting aside of our city's zoning ordinance. The Saratoga Neighbors for Zoning Enforcement does not oppose new housing in our neighborhood, we simply feel that the scale of this project is beyond necessary and asks for too many variances to the zoning laws of our district. This puts not only our homes at risk, but the new homes as well. It also opens the door for these types of overboard developments to move into other residential neighborhoods throughout town - thus dismantling the core ideology behind our comprehensive plan and zoning ordinance, and disrupting the historical character and dignity of our beautiful town.
Margaret Selikoff	Saratoga Springs, NY	2016-03-16	There is no reason for this type of development in this neighborhood.
Kim Fonda	Saratoga Springs, NY	2016-03-16	I am sick and tired of double standards. The Zoning Board is a disgrace and our hopes for good stewardship decline day by day!
Janice Pancake	Saratoga Springs, NY	2016-03-16	If this goes as planned, it will set a precedent in our city that builders can get zoning laws changed and build wherever they want. Seems to me that our city has allowed all kinds of new, unaffordable, condos, etc. and taken the charm away from my hometown...
Joann Lorman	Porter Corners, NY	2016-03-16	Saratoga is getting to many large buildings. ..let's not lose its charm!

Liam Sheji	Saratoga Springs, NY	2016-03-16	It's important to preserve our cities history, and replacing our historic buildings is a crime to our lifestyle
Marie falls	Lorton, VA	2016-03-16	I hate seeing my hometown lose its charm!
Steven McCarthy	Saratoga Springs, NY	2016-03-16	Enough is Enough
Martha Strohl	Saratoga Springs, NY	2016-03-16	The Comprehensive Plan and our zoning codes are meant to be observed, not abused.
Lillian Spost	Saratoga Springs, NY	2016-03-16	Saratoga risks losing the charm that is its reputation.
Michael Gent	Saratoga Springs, NY	2016-03-16	Once you open the floodgates,there'll be no stopping them.The town is enough of a mess already.

Name	Location	Date	Comment
Anthony Smith	Washington, DC	2016-03-16	I'm shocked that the lovely tree-lined streets of my hometown would be destroyed by this condo developer. Enforce the zoning laws and stop this blight on the community.
shawn banner	Saratoga Springs, NY	2016-03-16	Our town is special because far sighted folk created a charter and zoning codes that preserve what is best about Saratoga. Lately, it seems that special dispensation keeps getting given to folks who want to build exactly what those far-sighted zoning laws and city planning decisions were meant to avoid. Growth is good--in fact, growth is great, but not growth that breaks the carefully crafted rules that make Saratoga a pleasure to reside in. Please do not keep giving in to developers' whims at the expense of what makes our fair city both fair and special!
Z. Parisi	Saratoga Springs, NY	2016-03-16	cp
Amber Duffney	Keeseville, NY	2016-03-16	O remember Saratoga the way it used to be. I have seen neighborhoods destroyed by "improvement", I would hate to see Saratoga to become a city of high rises, and lose its charm and historic value.
Sunshine Stewart	Greenfield Center, NY	2016-03-16	Keep Saratoga beautiful!!!!
Meghan Cherny	Corinth, NY	2016-03-16	Bit by bit we are losing our history and our roots, that which makes it all beautiful. Saratoga is beautifully old, we must fight for her.
Janice Bellamy	Saratoga Springs, NY	2016-03-16	Too many extreme variances requested. This won't blend in with the neighborhood. The builder is asking the Zoning Board for special treatment.
Amy Barakat	Saratoga Springs, NY	2016-03-16	I don't like the direction my hometown has headed since I was a child. Too much commercialization and too much building.
patricia rubio	saratoga springs, NY	2016-03-16	I am concerned about the violation of the City zoning laws the variance would entail.
Kathleen Brown	Saratoga Springs, NY	2016-03-16	Wrong plan, wrong place, & more overpriced real estate not needed!
bob mctague	saratoga sp, NY	2016-03-16	Our neighborhoods are under attack by greedy builders who have no regard for families that live in the communities.
Daniel Schwank	xxxxxxxx, NY	2016-03-16	I'm against the overdevelopment that's destroying this town
Shealyn Heritage	Ballston Spa, NY	2016-03-16	I for one may not live in Toga directly but was born at Saratoga hospital lived in the outside towns all my life and have many Saratoga relatives of all era of Saratoga. It sadden my heart thinking about the stories I've heard of old Saratoga, Stories I have from Saratoga In the times before all the condo when we went to see our Saratoga family and The Saratoga now. Why does everything have to be so glamorized. We need some original and not just Original historical. Stop changing zoning laws for these big wig glamizatation.
Cindy June	Ballston Spa, NY	2016-03-16	Save my hometown from the developers who only see \$\$\$\$\$
Lori LeBarron	Gansevoort, NY	2016-03-16	There seems to an influx of developers who are presenting proposals that do not adhere to Saratoga Springs zoning laws. This needs to stop!
Leslie Brown	Saratoga Springs, NY	2016-03-16	There is way too much development in Saratoga and we're losing the quietness of the city. Please stop the building.
Joan Nellhaus	Saratoga Springs, NY	2016-03-16	This is wrong in so many ways. Integrity must be maintained.
Hillary Takahashi	Saratoga Springs, NY	2016-03-16	Protect our picturesque and wonderful neighborhoods.
Mary O'Donnell	Saratoga Springs, NY	2016-03-16	As a native, I have watched our city change way too much and not for the better in my estimation. This project would set a precedent and continue to ruin the very reason some people moved here. We want to keep our city's character.

Name	Location	Date	Comment
Jay Rogoff	Saratoga Springs, NY	2016-03-16	Approval of Downton Walk, a development entirely out of character with the neighborhood, would send a signal to developers that our zoning regulations are meaningless and can be circumvented at will.
Judi Duclos	Saratoga Springs, NY	2016-03-16	I do not like the path that our beautiful city seems to be on!!!!
Penny Jolly	Saratoga Springs, NY	2016-03-16	This is a residential neighborhood, protected supposedly by our zoning laws. Please observe those laws! Do NOT permit all these special variances. Don't overcrowd our neighborhoods and try to make them into something they are not: a pretentious "Downton Walk" with expensive condos instead of separate one-family homes of modest size.
Brucie Rosch	Saratoga Springs, NY	2016-03-16	Developers can make their money elsewhere. It would be one thing if they had a track record of building affordable housing in Saratoga Springs, but They. Do. Not.
Tracy Millis	Saratoga Springs, NY, NY	2016-03-16	The entire project is foolish.
Regina Camilletti	Saratoga Springs, NY	2016-03-16	This development will scar an otherwise homogenous, established neighborhood of older homes. People are invested in these homes and that neighborhood. Who has the right to step in and on behalf of a builder and his cohort, threaten their investment? If anything goes, how about lets build some stables next to City Hall and put those 7 condos on East, really close to Skidmore. Sure. I would sue you if I could.
Jacklyn Clark	Saratoga Springs, NY	2016-03-16	I don't want this in my neighborhood, I've lived on this street for 24 years and to alter the streetscape with gaudy condos would be a disgrace. More importantly if the city government allows this to become reality that would be sinful. Keep within the parameters of the neighborhood, amen!!!!!!
Barbara Ungar	Saratoga Springs, NY	2016-03-16	Developers and greed are ruining what makes Saratoga Springs a desirable place to live and visit.
Celete Caruso	Saratoga springs, NY	2016-03-16	I'm signing because the Integrity of each neighborhood within the city needs to be maintained
Suzanne kwasniewski	Saratoga Springs, NY	2016-03-16	Too many projects are approved that deviate from zoning ordinances.
Richard Hibbert	Burlington, VT	2016-03-16	My mother has lived on Jumel Place, in the other block, since 1959. My siblings and I spent part of our formative years in that neighborhood. The house belongs to our family, and we value the character of the neighborhood. That includes the portion of the street for which this project is proposed. I believe that this would be a drastic, and negative, change in the character of this part of the city.
Annette Damron	Lecanto, FL	2016-03-16	I was born and raised there and don't want to come home to a metropolis.
Susan Traylor	Saratoga Springs, NY	2016-03-16	I don't want Saratoga Springs, my beautiful home town to turn into a Clifton Park!
Marisa Wade	Saratoga Springs, NY	2016-03-16	Saratoga is starting to loose some of it's charm to all of these apartments and condominiums
JOHN DUANE	Middle Grove, NY	2016-03-16	to keep saratoga saratoga !
Arthur Porter III	Saratoga Springs, NY	2016-03-16	I believe that this is yet another example of the abuse of the zoning variance process to circumvent existing zoning designations and the Comprehensive Plan.
Katherine Totten	Saratoga Springs, NY	2016-03-16	Enough is enough
Karin Vollkommer	Saratoga Springs, NY	2016-03-16	This project is too big for the neighborhood.
kathleen oreifice	westport, CT	2016-03-16	I want Saratoga to stay the way it is. It's already changing too much.

Name	Location	Date	Comment
Amy Syrell	South Glens Falls, NY	2016-03-16	Saratoga Springs needs to be a place for all people, not just those with a lot of money.
Jill P McMahon	Saratoga Springs, NY	2016-03-16	The project seems too large for the space available. More shoehorning of big houses out of character with the neighborhood that loom over their neighbors.
Frank Capone	Saratoga Springs, NY	2016-03-16	preserve the residential character
Bette Brill	Saratoga Springs, NY	2016-03-16	Just do not change the zoning laws for this or any project in a neighborhood that is not zoned for it....
amejo amyot	saratoga springs, NY	2016-03-16	I like green space around homes and consistent density in neighborhoods. this is a 1 and 2 family area.
Patricia Cornute	Saratoga Springs, NY	2016-03-16	Too many developments already in our town, hard to recognize the charming place it used to be., when the sun can't even shine down on you as you walk down certain streets any more.
sue scherer	Saratoga Springs, NY	2016-03-16	Enough with the overgrowth.
linda battiste	Schenectady, NY	2016-03-16	I grew up in Saratoga and it's beautiful the way it is!
Mary Frances Healy	Saratoga Springs, NY	2016-03-16	I have lived here my whole life and don't like the direction we are going
MaryAnn Wager	Saratoga Springs, NY	2016-03-16	I have lived in Saratoga my entire life and I am concerned for the future of our beautiful city. It is quickly losing its historical look and feel.
Patricia Mathews	Sanford, ME	2016-03-16	I strongly believe in preserving the integrity of all cities, but most importantly those cities that represent the history of our country. I lived on Jumel Place until I graduated from college. When I go back to visit family I am often disappointed to see yet another set of new and expensive Town Houses, apartment buildings, hotels, and condos. With each change Saratoga Springs loses a little of its identity. Just take a walk on Jumel Place, and you will clearly see that a development of this type is out of character with the neighborhood. Saratoga, a city I have always been proud to call my hometown, should not lose its charm to moneymaking investments.
Deb Garrelts	Saratoga Springs, NY	2016-03-16	I agree that we are being over-run with condominiums and that our neighborhoods need protection
Denise Dart	Clifton Park, NY	2016-03-16	I'm signing because I am a native Saratogian and the alleged zoning codes worked against my Dad and now we have foreigners coming in and being allowed to build wherever and however big they want just because they have the money.
Barbara Claydon	Saratoga Springs, NY	2016-03-16	inappropriate development of the space for the existing neighborhood in which I happen to live
Paul Hibbert	Broken Arrow, OK	2016-03-16	My family has property on Jumel place
Chris Pringle	Saratoga Springs, NY	2016-03-16	I've lived in saratoga almost all my life and I'm sick of seeing this great little town desecrated by these monstrosities being built with no thought what so ever. The west side of town now looks like a haven for yuppies and has driven out the families that have resided there for years. Downtown hardly looks the same as I remember it as a child. All the once family owned businesses that occupied Broadway are now gone and these corporate goons have bullied their way in forcing the rent to a ridiculous level that only 6 figure a year income families can afford. This use to be a great place to live a place I called home now I don't even recognize the town I grew up in. Enough is enough.
Joyce McKnight	Lake Luzerne, NY	2016-03-16	Saratoga Springs already has empty developments...the zoning board is either ineffectual or "on the take."

Name	Location	Date	Comment
Ann Diller	Gansevoort, NY	2016-03-16	I am appalled at the over-development that has changed our city so that it unaffordable to longtimers, courtesy of boards that are overly generous to developers.
Randy Hammond	Porter Corners, NY	2016-03-16	Saratoga is heading in the wrong direction
helen travis	Saratoga Springs, NY	2016-03-16	They are destroying Saratoga making hard for families to live homeless rase now its more homeless families working families that can't effored Saratoga price or anywhere els for that matter rent has raise so high everywhere its sad and decrees
kayla rynasko	Schenectady, NY	2016-03-16	Born and raised in Saratoga. Graduate of Saratoga high. All my family lives here!
Kathy Becker	Greenfield Center, NY	2016-03-16	I was born and raised in Saratoga Springs. I am so upset by huge changes that have been made in Saratoga. What ever happened to preserving the historical buildings in the city. It looks like the almighty dollar has won out. It is such a shame and so sad.
Liz Mark	Gansevoort, NY	2016-03-16	Saratoga is being overrun by greedy developers like Bonacio and losing its charm.
Charles Kish	Saratoga Springs, NY	2016-03-17	The character of too many neighborhoods are at stake when projects are granted that require numerous large scale changes to existing zoning. When developers profit concerns trump zoning considerations and justifiable and considered opposition by neighbors to this degree, who's opposition is totally supported by current zoning, the zoning board is not doing it's job. There is zoning for a reason based on long term plans and consideration for the city as a whole. Wholesale variances granted solely for the purpose of developer profit is a travesty.
Nancy Flynn	Buskirk, NY	2016-03-17	We have a family home on the other block of Jumel Place that my mom lives in and believe this will hurt the whole street and set a bad precedent.
Ann Haller	Saratoga Springs, NY	2016-03-17	This is an inappropriate use if the land. It is not in accordance with the zoning. developers should not be exempt from rules just because they want to maximize their profits. The city is running out of build-able lots, so the developer is trying to squeeze as much profit as he can out of this lot.
renee harder	gansevoort, NY	2016-03-17	way to much development now
Richard Dunham	Saratoga Springs, NY	2016-03-17	I do not believe that a previous factory/Dance Studio in a residential neighborhood needs to be re-zoned to accommodate more living space than the current regulations allow. Enough croneism. Build a house, or two.
Kelly Mackison	Gansevoort, NY	2016-03-17	I am bored in raided is Saratoga
Jodi Stevens	Saratoga Springs, NY	2016-03-17	I grew up on this area and just can't stand by and watch the integrity of this beautiful, quaint neighborhood be destroyed...
Jennifer Kleindienst	Middletown, CT	2016-03-17	I grew up near Saratoga and visit often. I would hate to see the city's charm erode with a project like this.
Patricia Duval	Portland, OR	2016-03-17	To oppose approvals requested for this project. Plan is totally irrelevant to the existing neighborhood. Approving these requests would set a bad precedent and many of Saratoga neighborhoods would be at risk.
Gloria Burke	Waterville, ME	2016-03-17	This would set a terrible president.
Dorene Couch	Saratoga Springs, NY	2016-03-17	I want to show my support for our local residents and weigh in on matters of development that will have a negative impact on our neighborhoods

Name	Location	Date	Comment
Wayne T. Senecal	Saratoga Springs, NY	2016-03-17	I believe the developer's application is a change in use requiring City Council Approval not just Zoning Board of Appeals approval.
Jerome Luhn	Saratoga Springs, NY	2016-03-17	People are entitled to know what development plans are being proposed so that they, and the officials entrusted with authority over zoning decisions, can make informed judgments that affect the character of the place where they live over the long term. Seemingly material omissions in presentation, together with behavior by the developer and relevant board officials, have given neighbors reason to raise questions, such as whose interests enjoy primacy in this proposal? No one wants to wake to rude surprises after the foundations are poured. That's something any developer should understand.
Sheila Levo	Saratoga Springs, NY	2016-03-17	I'm signing because although I am a Saratoga native, I no longer live in the city. After my husband died, I sold my house as the upkeep (lawn, snow, etc.) was too much for me. The prices for decent rentals in the city were outrageous. I was forced to look elsewhere and as a consequence, I now live in Ballston. This project, if allowed, would be another example of pricing the middle class out of Saratoga.
Melanie Herter	New York City, NY	2016-03-17	Trying to keep my neighborhood from illegal property use and major congestion
Ina Harney	Saratoga Springs, NY	2016-03-17	This has to stop in Saratoga, not only in my backyard but this one too. Residents have to pay attention to all of these plans, not only their neighborhoods. Every time the builders manage to get one over on our city government leaders and build these monstrosities it gives them permission to ruin another neighborhood.
Nicholas Rossi	Parrish, FL	2016-03-17	I lived in Saratoga 62yrs. I grew up in that part of town & owned a home at 213 East AVE. Allowing this development is wrong
James Lestrangle	Saratoga Springs, NY	2016-03-17	Stop putting the interests of the wealthy ahead of long time Saratoga residents. We have enough development already. Too many people moving in making everything more expensive and causing traffic congestion.
richard bradley	Ballston Spa, NY	2016-03-17	developers are destroying the Saratoga I grew up in. they just need to leave things alone. they are just fine as they are
Henry Bovee	Saratoga Springs, NY	2016-03-17	For my friend
Michael Graul	Granby, CO	2016-03-17	I would like to see the zoning laws upheld in this single family neighborhood where I grew up. I hope those individuals on the zoning board haven't lost sight of doing what is right.
HEATHER STABLES	SARATOGA SPRINGS, NY	2016-03-18	This is NOT NYC....
Michael Stoneback	Saratoga Springs, NY	2016-03-18	developers are ruining the city with maximizing land use with the approval of city boards and their own interpretation of zoning

A NOT-SO-LITTLE BIT OF INTERESTING DOWNTON INFO . . .

On closer inspection of the plans for Downton Walk, I realized that I had picked up **footprint** square footage for the homes from the permeability chart. It is my understanding that, for permeability numbers, one presents the square-foot measurements of the footprint of the home **only**. That means **only the first floor** of a multi-story home.

That is where I got the size figures I posted in my previous letters. That begins to explain why, in the builder's response to my latest missive, the square footage **he** presented had jumped at the high end, to 3,000+ square feet. **Note the plus sign.**

We believe it's there for a reason . . .

If a builder puts the square footage of the footprint on a permeability chart, and it is 2,700 square feet for example, it is likely that the square footage of the entire house -- all floors -- will be much larger than that.

So, using rough figures as an example, because it's impossible to know if the second floor will cover every square foot of what is below it (some homes have slightly smaller second floors – but not usually very much so), one **could** estimate that a home that we thought was 2,700 sq. ft. could really be as large as 4,000 to even 5,400 square feet (the discrepancy being any porches and overhangs included in that 2,700 figure; and the second floor might or might not extend over them.)

This leads us to the permeability chart for Downton Walk . . .

The numbers are not all easy to read, as this is a small side chart, on a plan that has fuzzy type. And, keep in mind, this is supposed to be the **footprint** of the building – including **only** the first floor (overhangs and porches are in other areas of the chart).

The footprints of the seven homes alone add up to 14,526 sq.ft. (builder's numbers).

The builder has already told us that two of the structures are 1,800 sq.ft. – which would probably be those with the 1,357 sq.ft. and 1,472 sq.ft. footprints on his chart. Let's assume they will be exactly 1,800 sq.ft. each. That means that the second floor adds just under 40% to the footprint size.

On the larger ones, he has quoted 2,800 – 3,000+ sq.ft.

To begin at his 2,800-sq.ft. number for the larger homes, you also need to add around 40% to the smallest large home.

So we'll use 40% as a general guide.

(**ALERT:** This is where that plus sign after the 3,000 sq.ft. quote comes in; because a 2,759 sq.ft. home footprint – which is the size of one footprint on his chart – **without** its attached garage that would add almost 600 sq.ft. more -- with only 40% added for a second floor, means there likely will be at least a 3,900 sq.ft. structure [and the overhangs will add an additional 228 sq. ft. and the garage almost 600 sq. ft. more, for a total of approximately 4,700 sq.ft.]. We have no way of knowing if the builder will be including living space over the garage, so we didn't include that in these figures.) Obviously, much more detail is needed from the builder.

The builder has said that the total **footprint** for all seven homes is 14,526 sq. ft. That does NOT include the roof overhangs. In addition, the garages themselves total 4,175 sq.ft. (Again, please keep in mind that, not having seen full architectural plans, we can't tell if there will be any living space built above the garages, so although we are adding in the builder's number, we are not adjusting the garage number with the additional 40 percent.)

The following total is likely on the small side, because we're assuming that the second floor is only 40% the size of the first floor (not very likely); and we're **ignoring** that the plans show windows in four different floors of the buildings. Why would there be windows in a basement, if it is only used for storage? And the window on the top floor is a clue to the possibility of a small attic room as well.

Please keep in mind that the surrounding homes on Jumel Place average about around 1,450 sq.ft., with half of them being somewhat smaller, and one as small as 900 sq. ft. **(This includes the total interior square footage of all floors.)**

Because of the way Downton Walk homes are situated in the plans, and because there is such little room for green space between them, they will mass visually, on Jumel Place, as if they are one giant compound, likely exceeding 25,000 sq. ft. -- including the homes, the (*single-story*) garages, and the porches. (Note: There is also something labeled "Living" that is another 5,665 sq.ft. in the non-permeable section. Because we cannot determine what that is, exactly, it is not included it in the 25,000 estimated sq.ft. size of the "Downton Walk Enclosure".

If this project goes through to completion as currently designed, the only upside we see, in addition to the removal of the existing factory building, might be the possibility of more Hershey bars at Halloween.

###

MORE THAN 25,000 SQUARE FOOT MASS ?
A NOT-SO-LITTLE BIT OF INTERESTING DOWNTON INFO . . .

On closer inspection of the plans for Downton Walk, it appears that there has been some misconception regarding the actual size of the development. If people are visualizing the quoted sizes that have been used in the various articles that have previously been presented, they might be in for a surprise.

It appears that a complex that felt large at the 14,526 sq.ft.-total of first-floor footprints -- which is the only measurement that was written the drawings -- when massed together as complete homes -- will likely produce what, visually, will appear to be an almost contiguous structure well in excess of 25,000 sq.ft.

This writer, for one, previously referred to square-footage for the homes from the builder's permeability chart. However, for permeability numbers, only the square-foot measurements of the first floor of the home are used, regardless of how many stories will be added to that. So the actual structure, once it is built, unless it is single-story construction, will be appreciably larger. And the drawings of Downton Walk indicate homes with two or more floors.

Please note that, to get to the larger figure, we have used 40% as a conservative addition for the second floors of these homes. There is no way of knowing how these homes will really lay out, because Mr. Witt has not provided this important information to the neighbors or community. Many homes in Saratoga are built

almost like boxes, with the first floor and second floor being exactly the same size. In such case, one would simply double the square footage to get the total living area. Others have a more modest upper level. So 40% was our compromise.

And keep in mind that we're ignoring that the plans show windows for four different levels. Why would there be windows in a basement, if it is only used for storage?

And the window on the top floor is sometimes a clue to the possibility of a small attic room as well. We also have added nothing for any space that might be built above the garages. So that "in excess of 25,000 sq.ft." could easily become a much larger number. Obviously, more detail is needed from the builder to be complete on this.

But this begins to explain why, in the builder's response to my latest missive, the square footage he presented had jumped at the high end, to 3,000+ square feet. His plus-sign is quite accurate, because the addition of multiple floors to the home sizes written on that chart makes a huge difference.

For perspective, please keep in mind that the surrounding homes on Jumel Place average about 1,450 sq.ft., in size, with half of them being somewhat smaller, and one as small as 900 sq. ft. (This includes the total interior square footage of both floors on any two-story structures.)

So, visually, five of those average-size Jumel Place homes, if placed on that lot after subdivision to the maximum number of homes allowed there by Code, would create a visual mass of only 12,100 square feet, including relative proportions of Mr. Witt's figures for overhangs, garages, porches, and such -- less than half of what is proposed (and only conservatively approximated) -- and much more in keeping with the character of the neighborhood.

The ZBA should allow Mr. Witt to build what **is** permitted there: five single-family homes or four two-family homes, not "seven single-family condominiums" which are not permitted in an Urban Residential-3 Zoning District.

###

Susan Barden
Zoning Board of Appeals
Saratoga Springs City Hall

17 March, 2016

Ms. Barden & Members of the Zoning Board of Appeals,

I have lived on the 200 block of Lake Avenue for 25 years. The back property line of my home abuts the property of 27 Jumel Place and runs nearly its entire length. I have a great many concerns in regard to the Downton Walk development plan that is proposed for that location.

Our current zoning laws forbid developments of this kind, not only in our Urban Residential-3 classification, but also within the larger Core Residential Neighborhood-1. Multi-family housing is against the codes.

Mr. Witt's proposal that this project is a "single-family condominium" attempts to skirt these codes by tying together two separate types of housing. Either it is a single-family designation, or it is a condominium. To go forward as single-family and fit multiple homes on the lot, he would have to subdivide – for which he has not applied. This would only allow up to five homes on the lot, not seven as proposed. Without subdivision, it goes forward as a condominium, which is forbidden in this district.

In order to accommodate seven homes onto the lot, several variances to the legal property setbacks have been requested. However, these variances are not within an acceptable range. They seek to nullify nearly all space between properties. The legal setback is 25 ft. A variance bringing that space down to 6 ft. is unacceptable. It poses privacy issues, as well as safety issues for not only the existing neighbors, but for those who will be living in these new homes.

Yes, the current building at 27 Jumel sits on top of its property lines. It was built before zoning laws were implemented to protect the character and safety of our neighborhoods. The proximity of the current structure has always been a sore point, but I feel that adding only 6 ft. of space is still not adequate to provide privacy and prevent noise. Especially since the trees that exist along the back will be removed and cannot be replaced, as they would pose a risk to the foundations of these new homes.

I, and my neighbors, do not oppose new housing being brought into our neighborhood. We fully support Mr. Witt's effort to provide residential infill for the city and beautify the street of Jumel Place. However, we feel the scale of this project is over-zealous and out of character - not only for our neighborhood, but with the rest of Saratoga as well. A neighborhood boasting very modest sized homes (averaging 1450 sq.ft.) that are late American victorian/craftsman/turn-of-the-century in design is not the proper place for extremely large English country style homes.

Should the Downton Walk development be approved with the current variance requests, it paves the way for future developments of this scale to move into other neighborhoods throughout town, thus threatening the integrity and historical character of our city.

The neighbors ask that there be negotiation on the scale of the project and the requested variances. We would love to welcome Mr. Witt's talents into our neighborhood. But we desire our zoning laws to be upheld. They were not put in place just to be cast aside on a whim. We ask that you please take our concerns into consideration.

Thank you for your time.

Sincerely,

Kira Cohen

OUR STANCE AS NEIGHBORS of proposed "Downton Walk":

- We don't oppose Mr. Witt per se, or that he should develop this property.
- But we are concerned about the scale of the variances he is requesting and of the project as currently designed.
- We are concerned that the current design and density of the proposal and the number and size of the proposed homes are out of character with this historic neighborhood.
- We would like a revised more reasonable proposal.

WATER UNDER THE BRIDGE . . .

After spending much time with the drawings and plans for Downton Walk, something about the numbers has not felt right. But, this time, it had to do with permeability, the amount of vacant land on a lot that is available to absorb water, such as rain, melting snow, pipe break, swimming pool overflow, etc.

Because we were previously pursuing other issues, we didn't really look at the math in the permeability charts presented on the drawings. A closer examination reveals some inconsistencies and numbers don't seem to add up.

If you want to follow along, we draw your attention to the builder's package presented at the March 7, 2016 meeting of the Zoning Board of Appeals. Copies of the documents can still be found online at <http://www.saratoga-springs.org/AgendaCenter/ViewFile/Item/379?fileID=1546>

We are referring specifically to pages 14 & 17. The numbers on page 14 are very fuzzy, because they are reduced copies of what appears to be a blueprint. So, our figures might not be exact, but we are confident that they are very close. Also, it is our understanding that, to find the permeable area that is left on a lot, one adds the footprints of the homes planned for the land to the other areas designated as non-permeable, because the areas under roof are considered non-permeable.

Witt states on the drawings chart that the **non-permeable area** (listed as the size of the road, driveways, pavers, porches, “living”, and garages -- **excluding** the housing footprints) is roughly **21,300** sq.ft. When we add in the home **footprints** total from the other chart – roughly **15,900** sq.ft. – we arrive a grand total of non-permeable surface of **37,200** sq.ft. Yet, the area of the lot itself is only **34,765** sq.ft. So something **must** be wrong, especially when 25% of the land – in this case, **8,691** sq.ft. – must be kept permeable.

At best, perhaps we could remove the “Living” line item in the Non-Permeable Areas part of the chart on page 14. That represents about 5,660 sq.ft. We cannot understand what that is. So we’re thinking perhaps it was a mistake? That would **adjust** the designated **Non-Permeable area** to **15,640** sq. ft. Added to the **15,900** sq.ft. of **home footprints**, the **total Non-Permeable** would be reduced to **31,540**. However, the difference of **3,225 sq.ft. (9.28%)** does not meet the City’s need for **8,691 sq. ft. (25%)** of permeability.

At a glance, it appears to all work beautifully for him on page 17, **because** he has only cited Roads and Driveways as non-permeable, **neglecting to add in the other non-permeable items on his chart on page 14: specifically pavers, porches, “living”, and garages.** If there is a viable reason for this, we would greatly appreciate an explanation. If not, we think the City has an obligation to make certain he’s not accidentally taking advantage of more area variances than he is requesting.

We feel quite certain that, should this project proceed, detailed plans with accurate measurements will be forthcoming. But that might be far too late, because it is not impossible that the ZBA will have already cast the die for the Jumel Place "seasonal swimming pool" which -- because of non-permeability of the land -- could periodically replace the street itself.

So we ask the ZBA to stop this process and request accurate accounting of permeability as well as further information on the expected final sizes of the homes being planned, as at least five of the square footages being discussed in the media either match or come close to the sizes that appear as **single-story footprints** on the permeability chart -- while the project elevations call for multiple story structures.

Subject: Downton Walk Proposal-27 Jumel Place

Ladies and Gentleman of the Zoning Board of Appeals,

There is no reason that Mr. Witt should be granted any variance to the current zoning law of the City of Saratoga Springs. The lot upon which he wishes to build is in a UR3 zone which does not permit the type or size of structure which he seeks permission to erect. The homes surrounding this site are single family residences with no more than 2000 square feet of living space. The structures proposed by Witt simply do not fit in the neighborhood, and clearly will change or alter the character of this neighborhood.

Mr. Witt can build homes that do, in fact, blend with the neighborhood, that do not violate

the zoning law and do not require any variances and still realize a profit..

This seems another example of local builders trying to convince the Zoning Board that in order to make a profit they must be given a variance. There is no hardship that he will suffer if not granted the variance that he seeks.

As an owner of two homes in Saratoga's Historic District (one on Circular Street and one on White Street) and a resident of Saratoga's historic district for over thirty years, I am appalled by the gross changes that have begun to encroach on our neighborhoods.

Please deny the variance for the benefit of the city and the residents who have made Jumel Place their home.

Thank you,
Kira Lajeunesse

Subject: Opposition to proposed 27 Jumel Place development

Ms. Barden,

I'd like to express my objection to the proposed Downton Walk project and the associated variance requests for the 27 Jumel Place property. I live several houses away on Jumel Place, and I strongly feel that the scope of the project is not fitting or appropriate for our neighborhood. Additionally, the proposed density and the number of requested variances are concerning for both this particular property and the precedent that approval may set moving forward. I am not opposed to rejuvenation of this property in general, just the specifics of this particular proposal. I would support a more balanced project in line with

the invaluable character of our neighborhood.

I often walk past this property on my way to East Side Rec with my young son, and I do not want that part of our street to be built up in a fashion so incongruous with the scale, architecture, and lot set-up as the rest of the street.

Thank you for your consideration of the views of the neighbors as you evaluate this decision.

Laura Giannini

Subject: Downto Walk

Dear Ms. Barden,

I wish to urge the ZBA to turn down the request for all the variances so that the builder can build 7 codos in what is clearly a neighborhood of one-family houses on individual plots of land. I live about 3 blocks away from the site and often walk there; Downton Walk simply does not fit in: it's pretentious, crowded, and totally out of character with the neighborhood. That's why we have zoning laws: to maintain certain types of structures in certain parts of the city. Please do NOT waive these zoning restrictions.

Thank you,
Penny Jolly

Subject: downtown walk

Ms. Barden and zoning board of appeals,
I am voicing objection to the downtown walk project.
the zoning variances and elimination of set backs is an intrusion
on the existing neighborhood.

The "charm" of the condo units does not fit at all in the existing
character of the neighborhood despite Mr. Witt's extensive
reputation. It calls to mind a McMansion that was built on
North Broadway which inspires ridicule for being over the top and pretentious.

The project impacts its immediate neighbors in a negative way
through loss of trees, loss of light by towering over other structures, and
loss of privacy through reduced or eliminated setbacks.

I urge the zoning board of appeals to reject the project as it is until changes are made
to lessen the negative impacts on neighbors and the neighborhood.

Subject: The Witt Construction Project called "Downton Walk"

To: bbirge@saratoga-springs.org, maynard@saratoga-springs.org,
cindy.phillips@saratoga-springs.org, gonzalez@saratoga-springs.org,
Christina.Carton@saratoga-springs.org, susan.barden@saratoga-springs.org

Cc: jwitt@wittconstruction.com, Sam Zucchini [REDACTED] >, Debbie Garrelts [REDACTED] >, William Yusavage [REDACTED]

Dear Members of the Zoning Board of Appeals

I am writing to express my concerns about the project called "Downton Walk" proposed by John Witt. My husband, William Yusavage and I currently own a two-family home at [REDACTED] East Avenue, and I own a a single family home located behind my house at [REDACTED] East Avenue, around the corner from Jumel Place. I pass the lot in question on a daily basis when walking. I have lived in Saratoga Springs since 1991, and have owned four houses in the city, including three in this neighborhood. I have lived on East Avenue for a combined total of 20 years, and I love it because of the neighbors who all look out for one another.

Its a warm and inviting neighborhood of middle-class families, and I know a number of them personally.

First, let me say that I mistakenly signed a letter of support for the project last week when Mr. Witt came to my house on a door-to-door mission to gain support. I was pleased to hear that the stucco building that is currently at the location on Jumel Place would be replaced with housing, however now I am concerned with the style and scope of the project.

My current understanding is that the lot is zoned for five single-family homes or four two-family homes. I understand that Mr. Witt wants to build seven single family homes on this lot. Unfortunately, the project he has put forth does not appear to fit into the neighborhood, because of its design and scope. It is my understanding the required setbacks are being violated with this plan. Looking at the rendering, it appears to have a stone facade and an Elizabethan design. Contrast this with the modest wood-framed Victorian homes surrounding the lot on all sides, and it looks completely out-of-place. It certainly appears that there would be no back yards, front yards or even adequate parking spaces on the lot, which is concerning to me as a local resident. It means that these houses would not appeal to families, but rather to retirees or those purchasing a second home, who don't want the trouble of yard upkeep. As second homes these houses may sit empty for much of the year. In addition, I am concerned that the lot may be fenced in at a height of 8 feet. Nothing says "I don't want to get to know my neighbor" more than an 8 foot high fence! Look around the neighborhood and note that there are almost no high fences separating yards. In fact, our fences are 3 or 4 feet high so that we can chat with our neighbors, and keep an eye on each other's homes, especially during the racing season when burglaries and other crimes spike in our neighborhood.

For these, and many other reasons, I respectfully request that the Zoning Board of Appeals deny Mr. Witt's current proposal and ask him to modify his plans to include no more than five single-family homes, with Victorian style architectural elements, adequate off-street parking, and that no high fences be erected that would wall-off the houses like a gated community.

Thank you for your consideration of my request.

Subject: Jumel Redevelopment Proposal

Dear Mayor Yepsen and the City Council.

I'm sure by now you are aware of the Downton Walk Development proposed for 27 Jumel. Though we all probably agree that the removal of the factory building that presently occupies the property and replacing with residential housing would be the ideal for all involved parties, the present proposal before the Zoning Board of Appeals violates the spirit and intent of the current zoning ordinances. This is not only manifested by the number of variances sought (5) but also by the significant amount of relief requested for each variance. The net result is not just a minor tweak such as to allow a homeowner change a deck, or perhaps enlarge a garage built for buggies to accommodate a vehicle, but rather the variances are being used to subvert the local Zoning. It is important that this **not** become a precedent that can be cited for development in other City residential areas!

To be sure I do not blame the developer. It is in the realm of the City Planners and the Zoning Board of Appeals to protect the spirit of the Zoning ordinances yet provide case specific variances that will minimally alter the spirit of the zoning. This is especially important in residential areas. I contend, at least in this case, those we have hired or appointed, have fallen short in carrying out the mission that the residents have entrusted them to perform.

The Zoning Board of Appeals has yet another chance on Monday to review the application and hopefully recommend to the developer a resubmission of a plan that will not subvert the intent of the Zoning Ordinances. I would hope the Mayor and City Council would also agree that the spirit of the zoning should not be compromised and will also express their concerns to the Zoning board of Appeals.

Respectively,

Gerald Mattison,

Susan

I have been following the approval process regarding Downton Walk and wanted to express my support. It is my understanding the Saratoga Springs Planning Board has agreed to an extension of the previously received approval of the development and a similar extension request will be reviewed by the Saratoga Springs Zoning Board.

Before moving to Saratoga Springs in 2014 I lived in Manhattan so I am familiar with housing density. The plans I have seen for Downton Walk are aesthetically appealing and representative of "the art of the possible" when designing residences in an existing neighborhood.

My Saratoga residence (Park Alley North) is in an area that was developed by John Witt. While I did not purchase my home from Witt Construction, I bought the home because I was impressed with the quality of the construction and what Witt Construction was able to create in a relatively small area. I am confident Witt Construction will deliver a similar result with the development of Downton Walk.

Subject: Jumel Place - Downton Walk

Dear Ms. Barden and members of the zoning board,

I am writing to express my concern about the variances requested by Mr. Witt for the proposed project on Jumel Place. The size and scope of the project is not in scale with the existing neighborhood, and the density for the size of the property is inappropriate for this UR3 zoned area. The current zoning exists for a reason, and if you grant these variances, this will give license to any builder who wishes to do the same. The city is already choking under all the growth, and we are losing the quaint character of what was Saratoga.

Mr. Witt builds beautiful homes. I respectfully ask that he submit a project that is smaller

in size, more fitting to the surrounding homes (most of which are under 2000 square feet), which do not encroach on the neighbors, and one that keeps more green space in our neighborhood. Deny this change in zoning for the good of our city, and the neighbors on Jumel.

Respectfully Submitted,

Linda Reese Church

Susan,

I live very near-by this proposed project and am extremely concerned.

Seven single condominiums could easily be only the beginning of a major change to our small early 20th century neighborhood.

I was born and raised in Los Angeles, CA where set backs and limits on the number of stories have been ignored. The results are in a word, a "mess"!

If zoning regulations/laws are waived for Mr. Witt then a long line of developers will follow! A precedent should definitely not be set here, no exceptions!

Ms. Barden,

We own [REDACTED] Jumel Place, which has a long shared property border with the proposed property.

The issue of the application for variance for 27 Jumel has only recently come to our attention.

We oppose the variance for the number of proposed properties for the sight.

Furthermore, we particularly opposed the variances for the setback, since buildings would be within 6 feet of our property, as well as the proposed 8 foot fence, if indeed that fence will border the back yard of [REDACTED] Jumel.

These variances will adversely impact the enjoyment and aesthetics of our property. In fact, I am sure the zoning codes were designed to protect property owners from precisely such an adverse impact.

Sincerely,
Scott and Martha Dexter

Subject: Downton Walk

Dear Ms. Barden,

I've read the Saratogian article on Downton Walk and I have been aware of this project. I'm worried that it is a clever way to get around zoning laws. What is the point of zoning laws if you can get around them so easily? I'm not from this neighborhood. I live in Saratoga. If John Witt is granted what he's asking for then why do we have laws if any developer can come in and develop any way he/she wants in this City? I don't understand how this project was approved the first time and why it is being considered again. Thank you and I appreciate the opportunity to make my feelings known.

Sincerely,

Stephanie Waring

Ms. Braden -

My wife Linda and I live at [REDACTED] East Ave. and also own the residence at [REDACTED] East Ave. As we have previously communicated to Mr. Witt, we are in support of his project and believe it will ultimately improve the neighborhood. Our one concern, also communicated to Mr. Witt, is in regards to the demolition of the current property. Specifically, this property has been (mostly) vacant and in disrepair for several years and we are worried that there may be various 'pests' living in/on the property that may become dislodged during demolition and then relocate throughout the neighborhood. Mr. Witt has assured us that he will take proper measures to ensure this does not happen. We would ask that the city be aware of this concern and stress/ensure remediation measures are taken when granting Zoning approval.

All,

We are pleased to inform you that we are moving along with our plans for the property on 27 Jumel Place, Saratoga Springs. Due to the lengthy probate process the City approvals we received have expired. We received approval for an extension from the Planning Board last night and we are scheduled to go before the Zoning Board again this month to apply for an extension. Attached is a drawing of the proposed 7 lot single family condominium project. The project will improve the neighborhood by eliminating the existing commercial building and constructing attractive homes which will fit in the neighborhood with similar setbacks to the existing homes on the street. This project is sure to enhance the neighborhood and increase property values.

We hope that you will express your support by sending a brief email to Susan Barden (the planner assigned to the ZBA) susan.barden@saratoga-springs.org. as we go before the City Zoning Board of Appeals for approval on Monday, March 21, 2016 at 7pm. It is important to include your name and physical address on the email. Please send the email to Susan Barden and cc me so that John Witt will have a copy of all letters supporting the project.

Once the extension is approved, we plan to close on the property and move full speed ahead with construction!

Best,
MR

Subject: Downton Walk Zoning Variance

Dear Ms. Barden,

I wish to add my voice to those City residents in opposition to the proposed zoning variances necessary to permit the Witt subdivision called Downton Walk. John Witt has repeatedly shown his insensitivity to the needs of the communities where his subdivisions are being developed. His only concern is to maximize the return on his investment in the parcels he purchases. He has wantonly cleared in a designated "no cut" zone in the Town of Greenfield and has proposed clear cutting in a designated "Open Space" in a planned Conservation subdivision in the town of Saratoga. In the furtherance of his plans, he has repeatedly attempted to misconstrue the provisions of the zoning regulations and the explicit provisions of the Comprehensive Plan to achieve his ends.

While he is fully aware of the Zoning requirements in a Urban Residential-3 zone, Witt simply believes that the Zoning laws and the provisions of the City's Comprehensive Plan do not apply to him. Below I have reproduced an excerpt from an well written and researched article by City resident, Sandy Cohen. The article succinctly describes Witt's attempt to manipulate the zoning provisions well beyond their original intent and shows his total disregard to the explicit provisions of the City's Comprehensive Plan. His lack of concern for community character simply knows no bounds.

Please advise the Zoning Board of Appeals to deny this application.

Respectfully,
John Cashin

The most basic of the issues was the **seven condominiums** he is proposing to build. All will be free-standing structures. So, in his mind, they are basically single-family homes. However, the owners will only be buying the walls and the space within them. The land under and around them will be owned by all the homeowners with an undivided interest and managed by a Homeowners Association that they will direct to maintain and care for it – thus the condominium moniker. The ZBA feels that such ownership is not enough to consider the project a “regular” condominium for zoning purposes – because it will “look like” it’s made up of single-family homes. This becomes a confusing issue, because, on one hand, the builder is admitting he is building condos, only because of the land-ownership factor; but, on the other hand, he wants special consideration for his request to place more structures on the lot than allowed by law.

Most communities refer to Witt’s model as “zero-lot-line” homes and do not “condominiumize” the land. Zero-lot-line homes are considered **cluster housing** and, in Saratoga Springs, are allowable **only** in the Urban Residential-1 (UR-1) and Suburban Residential-2 (UR-2) districts. The codes for those types of communities require the land to be subdivided before it can be approved. Witt has not applied for subdivision, which requires much heavier oversight before approval. The codes addressing cluster housing **require** adherence to proper set-backs to existing properties, although they can be ignored between the homes within land being developed. They also require a strict percentage of the land to be left green. Witt is requesting relief from those setbacks; and has not even made a request for as much relief as he would need, because of the orientation of the homes on the land. And he is not leaving anywhere near as much green land surrounding those homes as required by law. But even those two issues are trumped by the fact that these **are** condos that may NOT be built in a UR-3 district.

If Witt wants to continue to ask for such allowances, especially for condos/multi-family housing in a UR-3 area, we believe it is incumbent on him – by the City’s Comprehensive Plan, Charter, and Zoning Codes – to petition the City Council, which we also believe is the **only** group that can make such exception, by changing language in the Comprehensive Plan itself to allow multi-family housing in a Core Residential Neighborhood-1 (CRN-1) category. However, such a drastic change as this would be opposed by most of the more than 10,000 homeowners throughout the residential neighborhoods in our city.

We contend that the Zoning Board of Appeals will be operating outside of its purview, if it approves Witt’s application.

To: Saratoga Zoning Board of Appeals

Saratoga Council and Planning Board,

First of all I can appreciate the awkward position in which the proposal to develop 27 Jumel Place puts the Zoning Board of Appeals, after having already approved the numerous substantial variances two years ago. Having said that, this also gives the Zoning Board, the neighborhood, and the Saratoga Community at large, another opportunity to take a second look at this proposal and its potential city wide long term effects.

I think we all agree the development of the property into residential use could be an asset to the neighborhood and the City Tax Rolls as well.

The broader questions, First : Is this is the right development for this piece of property? John Witt and his construction company are well-known at producing high quality, high end units. By John's own description this would add six million + to the tax rolls. However, a project of this magnitude on this property is requiring numerous (at least 5) and substantial variances (90% and more) relief with major modifications to the zoning regulations in a residential area.

Second: There are questions as to this type of development in the UR-3 zoning. This kind of development seems to be a first for the City's residential areas...Do we really want to make quasi-single family / condominium a precedent for change for other parts of the City's residential zoning?

One of the criteria that the Zoning Board of Appeals must consider is **"Whether the benefits sought by the applicant can be achieved by any other means"**.

Does anybody really believe you need a six million dollar plus project to reasonably and economically develop this site? It seems reasonable that a scaled back project even in the 3 to 4 million dollar range that stays within zoning requirements would be feasible and lucrative. Even at that level it far surpasses the value of any property in the area, perhaps even the Eastside. Understandably a developer wants to maximize their investment; however it should not be the role of the Zoning Board of Appeals to grant variances to ensure increased profitability of the development. A more modest development that remains within the guidelines is in order.

Another criterion the ZBA must consider is **"Whether the variances will produce an undesirable change in the neighborhood or a detriment to nearby properties"**.

An increase of lot coverage over 50% above Zoning restrictions is very significant, especially considering this is one of the largest parcels in the neighborhood. Although none of the public materials available indicate the height of any of the buildings, presumably all are well under the 60 ft zoning limit. Pertaining to the two Jumel Place facing structures however, the graphics indicate 3 stories with copula's which are well above the surrounding 1 to 1 ½ story homes; in addition they rise up 1 foot from the sidewalk. Slightly smaller homes appear to be depicted toward the rear of the property. At such heights privacy to the surrounding neighboring back yards is reduced. The development is also surrounded with a 6 to 8 foot opaque wall separating the older neighboring properties from the new development. All of these would seem to be an undesirable change if not a detriment to the neighborhood. A more modest development that remains within the guidelines would be appropriate.

A third consideration of the ZBA is **"Whether the variance is substantial"**

All Five of the variances sought after seem very substantial, ranging from a 50% to 90% relief in the codes. A more modest development that remains within the guidelines is obtainable.

And the last ZBA consideration: **"Was the alleged difficulty self created?"**

The concerns of criteria 1, 2, & 3 can all be resolved with: A more modest development that remains within the guidelines of the zoning.

I urge the Zoning Board of Appeals to deny the zoning variances and to suggest a redesign of the proposed development.

Respectively Submitted,

Gerald Mattison

We are writing to ask you to deny the zoning appeal from ANW Holdings for variances to build 7 unit condominium project on the property of 27 Jumel Place. We would welcome the development of our adjoining property; however we feel the variances that have been requested are too excessive. In addition, according to the definition of condominium in our city zoning ordinance as a multi-family dwelling, it is not allowed in the UR-3 zoning district.

The Saratoga Springs Zoning Ordinance defines a condominium as follows:

"CONDOMINIUM: A multifamily dwelling containing individually owned dwelling units, wherein the real property title and ownership are vested in an owner, who has an undivided interest with others in the common usage areas and facilities which serve the

development."

A subdivided lot this size, of which this request for a variance is not, in a Core Residential Neighborhood-1 or a UR-3 Zoning District would allow for 5 single family homes or 4 two-family homes.

The Land Use category of Jumel Place in our city's 2015 Comprehensive Plan is a Core Residential Neighborhood-1 (CRN-1), allowing a maximum density of 10 units/acre. In our city's Zoning Ordinance, Jumel Place is located in an Urban Residential-3 (UR-3) Zoning District, which allows for only single and two-family homes to be built. By law, this particular parcel of land is large enough to allow five single family homes or four two-family homes.

The request for seven single family condominiums is 40% over the density allowed in an UR-3 Zoning District and creates a 40% density bonus. In our city's Zoning Ordinance, a density bonus of this magnitude is only allowed for affordable senior housing. This project has not been presented as neither senior nor affordable housing.

To allow for the density the applicant is requesting, the city council would have to change the Land Use category of this area in the Comprehensive Plan from a Core Residential Neighborhood-1 (CRN-1), which allows up to 10 units/acre, to a Core Residential Neighborhood-2 (CRN-2), which allows up to 15 units/acre.

The substantial variances the applicant is asking for include:

1) The maximum building coverage allowed on this lot is 30%. The previous request was for a 43.5% building coverage allowance, or 45% more than what is allowed. The request has been increased to 46%, or 53.3% more than what is allowed.

2) The rear yard setback required for each unit is 25 feet. The applicant is asking that this requirement be eliminated by 100% for five units, going from the 25 feet required to zero (0) feet. For the remaining two units he is asking for a 76% reduction in the rear yard setback from 25 feet to 6 feet.

3) The front yard setback required for the two front units is 10 feet. The applicant is asking for one (1) foot, a 90% reduction in the front yard setback.

4) The fence height allowed in this UR-3 residential area is six feet. The applicant is asking for an eight foot fence, a 33% increase in height over what is allowed.

5) The applicant is asking for a maximum principal building on one lot to be increased from one to seven, a 600% increase.

We hope you will agree that this appeal to the Zoning Board of Appeals by ANW Holdings should be denied at this time.

Thank you.

Sincerely,

Jane Valetta

Subject: ZBA area variance at 27 Jumel Place (#2795.1)

March 1, 2016

To: Saratoga Springs Zoning Board of Appeals

RE: #2795.1, ANW Holdings, seeking area variance for 27 Jumel Place

Dear members of the ZBA board,

I appreciated the opportunity to speak to the board during the previous ZBA meeting on Feb 22, and would like to re-iterate my concerns with this area variance request.

In particular, I am concerned about ANW Holding's request for a variance on the minimum rear setback. My understanding is that UR-3 zoning requires a 25' minimum rear setback. My understanding is that ANW Holdings seeks a variance to reduce this to a 6' setback across the entire rear of the property line.

I ask the board to deny this rear setback variance for two reasons.

1. The variance is substantial. I acknowledge that there is a building with an existing variance on the rear setback. However, this existing rear variance is a 1-story structure limited to the northeast corner of the lot. The northwest rear corner is currently open space. ANW's request will substantially increase the existing rear variance. It will extend the variance upwards by at least one full additional story as well as an additional gabled roof. There also appears to be a steeple structure on a rear building. I do not know the exact proposed heights, but I am guessing it increases the rear variance from a 10' height to 30'. It will also extend the rear variance from the northeast half of the lot to the entire rear lot line. This is a significant increase in the mass and scale of the existing rear setback variance.
2. The variance will be a detriment to nearby properties and will produce an undesirable change in the neighborhood. My property is [REDACTED] Lake Ave, corner to the northwest. If the proposed variance is approved, a 2-story gabled roof building will be only 6' from my backyard, and will overshadow my back yard and invade my family's privacy and be a detriment to our enjoyment of our back yard. Although ANW's rendering appeared to show some foliage along this rear setback, I believe that this 6' setback is likely to be insufficient to plant any trees along the setbacks. I believe that allowing large multi-story dwellings 6' from the rear lot line will in fact be a detriment to my property and will produce an undesirable change in my neighborhood.

I ask the board to consider a compromise, whereby the rear setback is limited to the existing variance on the northeast corner. The northwest corner should be left as open space, reducing the number of proposed buildings from 7 to 6, and allowing open space for the planting of trees and green space.

Thank you for your consideration,

Max Peter

Granger Ave

Concept Site Plan

Site Plan with Existing Building

Proposed Downtown Walk

Examples of drives, paving areas, yards and green space

Area Variance Criteria

1. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties
2. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible
3. Whether the requested area variance is substantial
4. Whether the proposed variance will have adverse physical or environmental effects on neighborhood or district
5. Whether the alleged difficulty was self-created

1. Whether granting the variance will produce an undesirable change in the character of the neighborhood or a detriment to nearby properties

Granting the use and area variance will **not** produce an undesirable change, but rather enhance the neighborhood.

By eliminating a large commercial & multi-family structure that takes up ~50% of the lot and fails to meet the front, side and rear setbacks. Its replacement will be a very attractive single-family condominium project.

2. Whether the benefit sought by the applicant can be achieved by other feasible means. Identify what alternatives to the variance have been explored (alternative designs, attempts to purchase land, etc.) and why they are not feasible

Other feasible means are **not** available:

Alternative designs options are fewer units, smaller units or taller units.

- Fewer units will make the cost of the land for each unit prohibitive. (See following slide)
- Smaller units would be both undesirable and smaller than the surrounding homes. The proposed home sizes are consistent with that of the existing neighborhood.
- Taller units would not be in keeping with the homes in the existing neighborhood

All adjacent land is currently occupied with single family homes.

Estimated Development Costs

Jumel Place Project

Land Purchase	370,000
4103 Land Development-Professional Fees	23,000
4116 Land Development - Interest	42,000
4117 Land Development - Taxes	20,000
4132 Land Development - Soil Testing	11,700
4140 Land Development - Construction	60,000
4141 Land Development - Fill Dirt	21,000
4142 Land Development - Demolition & Asbestos Removal	155,000
4142 Land Development - Lot Clearing	10,000
4145 Land Development - Silt Fencing	6,000
4155 Land Development - Electric lines	24,000
4183 Land Development - Trees	<u>12,000</u>
Total	754,700
Reasonable Return for Development Risk	<u>150,700</u>
Total Cost of Land to Be Divided by number of Home Sites	905,460

3. Whether the requested area variance is substantial

The requested variance is not substantial due to :

- The new setbacks requested are less than what currently exists with the existing structure.
- The new setbacks are consistent with the setbacks of other single family homes in the neighborhood.
- The percent of lot to be covered is less than the existing multi-use structure.
- The permeable area of the lot will be increased with the new development as compared to the existing development

4. Whether the proposed variance will have adverse physical or environmental effects on neighborhood or district

The proposed variance will **not** have adverse physical or environmental effects on neighborhood or district.

- The proposed single family development will be contained on the one lot with one curb cut for all vehicle access to the property
- The net permeability of the development will be great than the existing development

5. Whether the alleged difficulty was self-created

The difficulty was self-created, **however:**

It was created by the need to change the deteriorating non-conforming multi-family/ mixed-use structure to a use consistent with the existing neighborhood.

- The change will be a win for the neighbors with the replacement of a multi-use / commercial structure with single family homes.
- The change will be a win for the city with additional tax revenues and a higher tax base.

Re: APPLICATION FOR CONDOMINIUMS
AND REQUESTS FOR ZONING VARIANCES
27 JUMEL PLACE, SARATOGA SPRINGS, BY BUILDER – JOHN WITT

It appears that the Saratoga Springs Zoning Board of Appeals might be in danger of overstepping its purview if they approve Developer John Witt's current request which will effectively change the zoning ordinance regarding the type of housing allowed in a long-existing Jumel Place neighborhood, within a mile of Saratoga Race Course. Witt has requested an area variance, when what he needs is a use variance, because the condominiums he proposes are not legally allowed within the property's UR-3 zoning. According to our zoning laws – which have the stated interest of maintaining a particular harmony within each of the city's different districts – such use variance would need the approval of the City Council, not an end run through the ZBA. But a vote is scheduled for the ZBA meeting on March 7.

Although the City offers ample opportunity to build cluster housing in UR-1 and SR-2 zones (per Article 4, Section 241-13-A of the city code - ecode.360.com), Witt is attempting to cluster seven single-family condominiums on a 0.79-acre UR-3 lot. Current zoning only allows for either one single family residence or one two-family residential structure. In his proposal, the seven owners would each have an undivided interest in the entire property, while they own their individual structures that sit on the commonly-owned land (which is what defines its condominium status). Contrary to claims that condominiumizing the land alone is only a financial move, it is a clear change of use of the land, in that it automatically includes the clustering model which, in addition to being restricted to specific other areas of the City, allows for tighter lot-lines between homes, albeit they must still follow specific setback and open space codes.

In addition to such change of use, he has also asked for setbacks that would be in violation of code even within a clustered community – as crowded as 1-foot from the existing front sidewalk (10 feet is legal) and 6-feet from the rear (25' is legal). Witt is also requesting additional height, approaching three-storeys, on his structures – which would be interruptively noticeable from Lake Avenue (Route 29), one of the main thoroughfares into the City. He also wants permission to erect an 8-foot fence around three sides of the perimeter to enclose/isolate his Downton Walk community, an English-Cotswold-style development, from the rest of the Victorian/American-turn-of-the-century neighborhood, in which some homes have been there since the late 1800s among others from the 1920s.

APPLICATION FOR CONDOMINIUMS
AND REQUESTS FOR ZONING VARIANCES
27 JUMEL PLACE, SARATOGA SPRINGS, BY BUILDER – JOHN WITT
PAGE 2 OF 2

Saratoga code (Section 241-13-G) states that new clustered housing – which includes condominiums, townhouses, row houses, zero-lot-line homes, and other multiples – are ONLY allowed in UR-1 and SR-2 locations. In order to build them, even in the specified districts, one must first file for a subdivision of the property, which Witt has not done. That would have resulted in permission to build only five single-family homes or four two-family homes on that size property, ***along with the requirement that each structure must adhere to code setbacks from existing property lines and, within the new multiple community, must meet the percentages of open space.***

The percentage of open space of this project, as presented, does not even adhere to cluster code; nor do the requests for relief from setbacks between the cluster structures and existing neighboring properties, including the City-owned sidewalk. Much of the builder's positive comparison on building standards are irrelevant, as they take into consideration the structure currently on the site, which was built before Saratoga had zoning codes.

Neighbors have no issue with Witt as a quality builder. Nor do they have issue with multiple structures on the property, as long as there is adherence to existing codes. Overloading the space and radically cutting setbacks endangers both the new property and the neighboring structures. It also presents quality of life issues for the current residents, including increased noise and the effect of being walled-off from the contiguous neighborhood. As it is currently planned, the project ***will alter the essential character of the neighborhood and will present an adverse physical impact on the community in which it would be situated.*** The concept of allowing condominiums in UR-3 neighborhoods is a slippery slope that would present an even greater threat to the entire City. Such disregard of our zoning codes will open the door to requests and expectations of similar divergent development in other neighborhoods.

Re: Illegal Application for “seven single family condominiums,”
and requests for substantial Zoning Variances at
27 Jumel Place, Saratoga Springs, by ANW Holdings, Builder, John Witt

Public Hearing #2 to be held at the Zoning Board of Appeals meeting on March 7, 2016

Fr: Neighbors of Surrounding Properties

On Monday night, March 7th, the Zoning Board will be deciding on a major project on Jumel Place which is illegal and out of character with the neighborhood. The builder, John Witt, is asking for 7 single condominiums which would be selling for up to 1.5 million dollars per unit. Condominiums are not allowed in UR-3 zoning and the lot is zoned for only 5 units. The builder should be required to follow the zoning law. Mr. Witt is also asking for substantial variances as well.

The Zoning Board of Appeals needs to protect the residential neighborhoods on East Avenue, Lake Avenue, Granger St, and Jumel Place, which surround 27 Jumel Place, from this massively overdone and illegal application. This project will negatively impact the value of our homes and the quality of life in our neighborhood. There are far too many legal questions and large variances being sought, which if granted, would make zoning law useless.

First and foremost, the Land Use category of Jumel Place in our city’s 2015 Comprehensive Plan is a Core Residential Neighborhood-1 (CRN-1), allowing a maximum density of 10 units/acre. In our city’s Zoning Ordinance, Jumel Place is located in an Urban Residential-3 (UR-3) Zoning District, which allows for only single and two-family homes to be built. By law, this particular parcel of land is large enough to allow five single family homes or four two-family homes.

The applicant is requesting to build “seven single family condominiums.” Condominiums are not allowed on Jumel Place, as by definition in our Zoning Ordinance, condominiums are multifamily. The city’s Zoning Ordinance states the definition of a condominium as follows: “CONDOMINIUM: A multifamily dwelling containing individually owned dwelling units, wherein the real property title and ownership are vested in an owner, who has an undivided interest with others in the common usage areas and facilities which serve the development.”

Multifamily structures are not allowed in a Core Residential Neighborhood-1 or a UR-3 Zoning District. The request by the applicant must be called what they are, 7 single family homes. However, only 5 single family units are allowed on this size lot, or 4 two-family units. (Actually only one unit is allowed, as the applicant has not sub-divided the lot.)

The request for seven single family homes is 40% over the density allowed in an UR-3 Zoning District and creates a 40% density bonus for Mr. Witt's \$700K to \$1.5 million dollar homes. In our city's Zoning Ordinance, a density bonus of this magnitude is only allowed for affordable senior housing. This is not affordable housing.

To allow for the density the applicant is requesting, the city council would have to change the Land Use category of this area in the Comprehensive Plan from a Core Residential Neighborhood-1 (CRN-1), which allows up to 10 units/acre, to a Core Residential Neighborhood-2 (CRN-2), which allows up to 15 units/acre.

Why is the applicant insisting on calling these seven single family homes "seven single family condominiums"?

Is it because the applicant believes he will only have to provide back yards for two of the seven units, as his application shows? Five of the units have no back yards at all. A 25' back yard setback is required for every unit in a UR-3 Zoning District.

Is it so the applicant doesn't have to spend the money to subdivide the lot?

Is it because the applicant thinks he will be allowed more units than the maximum of five single family homes allowed on this lot?

Is it because these \$700K to \$1.5 million dollars homes may receive a condominium tax break, thereby forcing the far more modest homes in the area to virtually subsidize them?

Is it because of all of these reasons? We simply do not know.

Legally, whether these seven single family homes are called condominiums, or not, they are not allowed on this property site. **Only five single family homes are allowed by law on this property.** Approving this application would be in violation of the city's Comprehensive Plan and its Zoning Ordinance.

In addition to the applicant requesting two units more than legally allowed on this lot, the applicant also is asking for the following massive variances.

Variance 1) The maximum building coverage allowed on this lot is 30%. The applicant had previously asked for a 43.5% building coverage allowance, or 45% more than what is allowed. He has recently increased this request to 46%, or 53.3% more than what is allowed. Granting either of these requests would be substantial.

Variance 2) The rear yard setback required for each unit is 25 feet. The applicant is asking that this requirement be eliminated by 100% for five units, going from the 25 feet required to zero (0) feet. For the remaining two units he is asking for a 76% reduction in the rear yard setback from 25 feet to 6 feet.

Variance 3) The front yard setback required for the two front units is 10 feet. The applicant is asking for one (1) foot, a 90% reduction in the front yard setback. The applicant claims that this is so "our (2) front porches [can] be placed on the unit." However, his drawings show that he is not proposing porches, only overhangs.

Variance 4) The fence height allowed in this UR-3 residential area is six feet. The applicant is asking for an eight foot fence, a 33% increase in height over what is allowed. Why is this necessary only for this development? Is the applicant trying to exclude the rest of the neighborhood? A fence this high would create an exclusive walled enclave shutting out the existing neighborhood.

Variance 5) The applicant is asking for a maximum principal building on one lot to be increased from one to seven, a 600% increase. As mentioned earlier, only five single family units are allowed by law on this property, after the property is subdivided. Why is this property not being subdivided?

This project will negatively impact the value of our homes and the quality of life in our neighborhood.

There are far too many legal questions and large variances being sought, which if granted, would make zoning law useless.

This illegal application with its substantial variances needs to be denied by the Saratoga Springs Zoning Board of Appeals at their upcoming meeting on March 7th.

The neighbors would support a more balanced project with 5 single family homes on 30% of the land with more standard setbacks.

Dear Ms. Barden -

My husband and I live at [REDACTED] Jumel Place, [REDACTED] across the street from 27 Jumel Place. We received the notice of public hearing for the above mentioned project. It is unlikely that we will be able to attend the meeting on Monday February 22 in person, but wanted to make a statement for the record.

We are in support of the project. The project is an enormous improvement over the existing structure, and its previous uses.

We understand the request for variance from the front yard setback, and agree it will maintain a similar look to what exists on the street.

Thank you.

Sincerely,
Tracy and Johnny Miller
