**PUBLIC HEARINGS**

2019 – 2024 Capital Budget and Program

Mayor Kelly opened the public hearing at 6:55 p.m.

Mayor Kelly advised this is the first of 2 public hearings. The second public hearing will be held on August 21<sup>st</sup> and a vote will be taken that night. The capital budget and program is available for review in the City Clerk's Office and on line.

No one spoke.

Mayor Kelly concluded the public hearing at 7:00 p.m. and left it open.

**CALL TO ORDER**

Mayor Kelly called the meeting to order at 7:00 p.m.

## **PUBLIC COMENT**

**Mayor Kelly said the public comment period is limited to a total of 15 minutes and individuals are limited to two minutes.**

Mayor Kelly opened the public comment period at 7:01 p.m.

Don Colissimo of Waterview Drive, Saratoga Springs stated last Friday night they had a dinner party and a medical emergency occurred. They called 911 and it took 10 minutes for them to get to them. His friend was transported to Saratoga Hospital where he passed away. He could only wonder what the outcome could have been if the EMS was on the east side. There is no mention of this facility in the Capital Budget.

Sam Brewer of Saratoga Springs stated he saw in the paper someone was driving a truck and yelling racial comments. He would like to encourage the City to enforce verbal harassment laws. He read a letter (attached) he submitted to the Council a couple years ago.

Kevin Eagan, director of government affairs for Charter Communications, stated he and others from his company have met with people from the City on several occasions to discuss broadband initiatives. He asked the City Council to take caution and due diligence as it considers to move forward with this new legal and financial arrangement. The agreement is structured to favor SiFi. There are numerous elements of the agreement that are suspect.

Mayor Kelly closed the public comment period at 7:08 p.m.

Commissioner Martin stated he agrees the City would be better served if we had fire/EMS on the east side. He would like to add an item to his agenda to report on the forum held last week.

Commissioner Madigan advised that it doesn't appear the EMS station is listed in the upcoming capital budget but there is a place holder for it. When we find the right land and can move forward on the purchase, we are ready to go with the proper funding.

Mayor Kelly stated Commissioner Martin has been actively looking for land for an east side EMS station. There is not a lot of land in that area.

Commissioner Franck stated the area of 9P and Gilbert Avenue is under the jurisdiction of the state.

Declaring the Council wanting to act as lead agent for SEQRA will kick off the 30 day window for interested parties to notify them of their interest.

Mayor Kelly stated she is in support of the project. She believes the Planning Board would be the most appropriate lead agent.

Commissioner Martin stated he is torn as to who would be best lead agency for this.

Discussion: Community Forum Held Last Friday

Commissioner Martin advised a number of neighbors of the Doten Avenue area were concerned about a person driving a pick-up truck shouting out slogans that are considered obscenities followed by racial comments. They were directed at residents of color in that neighborhood. The neighbors got together and called a community forum. The police spoke with the person committing these acts. Because there was no imminent threat of danger or destruction of property there is nothing the police could do. He has great respect for the neighbors and what they are doing and no tolerance for this type of action.
