

**CITY OF SARATOGA SPRINGS
OFFICE OF THE COMMISSIONER OF FINANCE
QUARTERLY FINANCIAL REPORT
FOR THE QUARTER ENDED
MARCH 31, 2011**

I respectfully submit to the City Council the First Quarter Financial Report of 2011. Please note that this report is prepared on a cash basis and no adjustments have been made for receivables or payables.

General Fund Revenues

Property taxes in the General Fund are recognized as revenue for the full amount levied at the time the tax roll is posted to the general ledger. The Finance Office has reviewed the payments made as of 03/31/11 and 47% has been collected or \$7,360,066.88. Last year at this time 44% was collected. You will recall that property taxes can be paid in four installments with the first installment due March 1. However, the City offers a discount of 2.25% if the full year is paid on or before March 1. This accounts for the greater than 25% collection rate after only the first due date has passed.

Building permit receipts increased 345% and fines and forfeited bail increased 21% from 2010. Casino Rental decreased 31% from last year. The City received \$57,000 in SAFER aid and \$34,000 in rental fees for the indoor recreation facility. These are new revenues in 2011.

As of 03/31/11 the City has not received many of the larger revenue streams. For instance, Sales Tax figures include only one month since February and March collections are not distributed to the City from NYS Taxation and Finance until April and May, respectively. Hotel Occupancy Tax is paid to the City from the County on a quarterly basis. The first quarterly payment for 2011 will be received in April. County surplus distribution is paid on a quarterly basis too, with the first payment due in April. NYRA Admissions Tax is paid annually after the racing season has closed. The bulk of Franchise Tax is paid annually, in the last quarter of the year. State Aid Revenue sharing is distributed in two installments, September and December. The largest share is received in December. Mortgage Tax is paid semiannually in May and November. CHIPS State aid is usually not received until September as a reimbursement for road improvements completed during the summer months. Summer Program revenue in the Recreation Department will not be received until registration starts in April.

Taking into consideration the property tax revenue recognition issues, approximately 26% of revenues were actually received as of 03/31/11. This activity is consistent with prior years.

Water and Sewer Revenues

The first quarter water and sewer bills for 2011 are mailed in April for a May 15th due date. Therefore, no significant revenues have been recognized as of 03/31/11.

Capital Revenues

The City will issue a General Obligation bond in April to finance the 2011 capital projects.

General Fund Expenses

Mayor's Office – Many contributions to outside organizations and events have been paid in full as of 03/31/11. Most other expenses are fairly consistent.

Finance Office – Discount on Taxes is a final figure.

Accounts – The Accounts office has over 33% of the 2011 budget encumbered for expenses associated with assessment disputes.

All – Liability insurance has been paid in full for the year. Additional expenses would be for claims or additional coverage. Most departments' expenses are running at about 25%, which is on target for 03/31/11 and is consistent with the first quarter of 2010. Variances are due to seasonal expenses and grants.

Capital Expenses

Capital expenses are usually larger in the months where weather is more conducive to construction. In addition, large vehicle purchases often take many months to be built according to bid specifications.

Community Development

Since the Community Development block grants are awarded on a different schedule than the City's fiscal year, no budget is established.
