NOTICE TO RESIDENTS OF WOODLAWN AVENUE

The City of Saratoga Springs has awarded a contract to August Bohl Contracting Co. to replace the water main on a portion of Woodlawn Ave. The work will begin at First Street and proceed to the South to Walton Street. Because the existing water main must be removed to install the new water main, temporary water services will be provided to maintain water service at all times except for short interruptions when the services are being transferred to the temporary services and later when the services are connected to the new water main.

The installation of the watermain will take place in the following 3 phases, working from north to south:

1. First Street to Greenfield Ave
2. Greenfield Ave to Van Dam
3. Van Dam to Walton Street

We expect to mobilize on 9/7/16, with approximately 1 month for each phase, with completion in early December, 2016. In May of 2017, the full width of Woodlawn Ave, from First Street to Walton Street, will be milled and re-surfaced.

During each phase of the construction, that portion of Woodlawn will be closed to Thru Traffic, with local access to all properties. Access to driveways will be maintained at all times.

Should you have questions or issues during the construction of this project, you may contact the following:

Timothy Wales, City Engineer, Ph 587-3550, Ext. 2621, E-Mail: tim.wales@saratoga-springs.org

Edwin Lawson, Project Manager, Ph 689-1820, E-Mail ELawson@cmellp.com

David Flynn, Site Engineering Inspector- Ph 419-3864, E-Mail dflynn@cmellp.com

Donald S. Quay, August Bohl Contracting Co., Ph 463-6696,

E-Mail donquay@nycap.rr.com

This type of construction necessitates that local residents suffer some inconvenience, but we will try to minimize your inconvenience. We ask for your patience and understanding, knowing that at the completion of this project Woodlawn Ave will be greatly improved.
