

Board Members Present: Camille Daniels, Heather Williams, Will Borchers, Kendall Hicks, Daniel Mullan Jr, Holly Hammond, Heather Reynolds

*Issues: Can the recording hear everyone, do we need to be better positioned, agendas, meeting wasn't livestreamed, owl, talk to IT, how to spread the word (city council meetings), data repository? etc.

*Press release recapping the first meeting, out to the press and on socials, get the word out, BUT intention needs to be defined

*Take photo of board members

Camille welcomes the group, arrive/be present

Heather Williams starts introductions, everyone introduces themselves

Heather Williams begin agenda item #3 Sharing, speak with a partner on strengths of the City, deep listening

**Heather Williams asks the group to bring a story about someone that surprised you

Camille would like to analyze the recurring themes that come from peoples stories, the mic is passed around for what people would want to work/speak on in this panel, define what this panel is looking to achieve

Daesha brings up 50-point plan, worked to create it

Camille states she will share the Restorative Justice resolution in the data repository

Camille speaks on next steps, professionals, consultants

Heather Williams speaks on how we can't lose sight on the hearing everyone/perspective

Will Borchers brings up hiring a translator, volunteer

The co-chairs asked the group how the first meeting went

Daesha asks Dan Mullan about a statement the PBA released about the restorative justice ordinance

Dan Mullan says he has to read the statement but clarifies he supports the panel and wants to inflict positive change in the community he cares about

Co-chairs adjourn out the meeting
