

**CITY OF SARATOGA SPRING  
OFFICE OF THE COMMISSIONER OF FINANCE  
QUARTERLY FINANCIAL REPORT  
FOR THE QUARTER ENDED  
JUNE 30, 2009**

I respectfully submit to the City Council the Second Quarter Financial Report of 2009. Please note that this report is prepared on a cash basis and no adjustments have been made for receivables or payables.

**REVENUES**

General Fund Revenues

Property taxes in the General Fund are recognized as revenue for the full amount levied at the time the tax roll is posted to the general ledger. The Finance Office has reviewed the payments made as of 06/30/09 and 67% has been collected or \$9,310,682.79. In comparison to the same period last year, 63% was collected. You will recall that property taxes can be paid in four installments with the first installment due March 1. However, the City offers a discount of 2.25% if the full year is paid on or before March 1. While collections are stronger for the six months of 2009, the City has on it books a receivable for delinquent taxes from NYRA for City and County property taxes in the amount of \$416,242, \$117,342 from 2008 and \$298,900 from 2009.

Building permit collections represent only 20% of budget. This is a 69% decrease in revenue from 06/30/08.

Parking ticket revenue for the second quarter of 2009 is only 36.9% collected and is 25% less than 06/30/08.

Most of the new fees instituted by the Department of Public Safety for 2009 are at or above 50% collected with the exception of false alarms, which is only 7% of budget.

Receipt of grant funds varies based on the specific requirements of the grant, therefore some grant revenues may be fully received, while others may not be received at all or may be partially received.

The race track parking program will not begin until July.

VLT surcharge will not be received in 2009.

As of 06/30/09 many of the City's larger revenue streams are received on month(s) after the period they are collected for. Such as:

- Sales Tax figures include distributions for January through April, May and June collections will be distributed in July and August, respectfully. Sales tax is not expected to meet budget and when compared to last year, collections are down 9%.

- Occupancy Tax is paid to the City from the County on a quarterly basis. The first quarterly payment for 2009 was received in April. With only one quarter received, the tax is 2% less than 2008.
- County surplus distribution is paid on a quarterly basis too and the first payment was made in April. It is estimated to meet budget and consistent with prior years.
- NYRA Admissions Tax is paid annually after the racing season has closed.
- The bulk of Franchise Tax is normally paid annually, in the last quarter of the year. However the 2008 payment was not received by the City until May of 2009 and therefore was recorded as 2009 revenue since the period for recording 2008 receivables had passed.
- State Aid Revenue sharing is distributed in two installments, September and December. The largest share is received in December.
- Mortgage Tax is paid semiannually in May and November. It is estimated Mortgage tax will meet the budget.
- CHIPS State aid is usually not received until September as a reimbursement for road improvements completed during the summer months.

Taking into consideration the property tax revenue recognition, approximately 58% of revenues were actually received as of 06/30/09. This activity is an improvement from prior year when overall revenues were 49% of budget and is mainly due to the increase in property tax collection.

#### Water and Sewer Revenues

The second quarter water and sewer bills for 2009 are mailed in July for an August 15<sup>th</sup> due date. Therefore, only one quarter of revenue has been booked as of 06/30/09.

#### Capital Revenues

The City will issue a General Obligation bond in September to finance the 2009 capital projects.

### **EXPENSES**

#### General Fund Expenses

Finance Office – Transfers out vary based on the timing of when capital and debt expenses occur.

DPS – Police 207 C expenses have exceeded the budget and are 127% expended.

All Departments – Liability insurance has been paid in full for the year. Additional expenses would be for claims or additional coverage. Final retirement charges will not be applied until year end. Most departments' expenses are running at or below 50%, which is on target for 06/30/09 and consistent with 2008. Line item and departmental variances above or below 50% are due to retirement expense, seasonal expenses and grants.

Capital Expenses

Capital expenses vary based on the timing of the project.

Debt Service Expenses

Debt payments for each bond are made semiannually and at varying times during the years.

Community Development

Since the Community Development block grants are awarded on a different schedule than the City's fiscal year, no budget is established.
