**\*Please note that all applications granted approval by the Design Review Commission and/or the Zoning Board of Appeals shall expire within eighteen months unless a building permit is issued and actual construction has begun (section 240-7.12)**

Application is hereby made to the Building Department for the issuance of a building permit for construction as herein described, pursuant to provisions of the Zoning Ordinance of the City of Saratoga Springs and in accordance with the N.Y. State Uniform Fire Prevention and Building Code which is applicable to new construction of buildings, and to conversions, additions and alterations to buildings. The owner and the applicant agree to comply with all applicable laws, ordinances and regulations and with all regulations and procedures as explained in this application, and will allow all inspectors to enter the premises for all required and necessary inspections.

The following regulations shall apply:

- A. This application shall be completed and signed by the property owner and the applicant, and submitted to the Building Department.
- B. This application must be accompanied by:
  1. Plot plan showing lot dimensions, existing and proposed buildings or structures on the lot and their distances to one another as well as to the lot lines, and all other pertinent details of the property. A copy of a legal survey is required for all new construction and may be required at the discretion of the building inspector for all projects as deemed necessary.
  2. One complete set of plans and specifications for the proposed construction, each plan bearing the signature and seal of a New York State Registered architect or licensed professional engineer, (exception: projects where no structural work is necessary and expenditures are minor, in accordance with the State Education Law). For all new construction completed checklists shall be submitted (see attached).
- C. Insurance requirements:
  - Contractor must provide: (a) **certificate of liability insurance showing a one million dollars per occurrence and two million dollars aggregate, with the City of Saratoga Springs listed as additional insured and certificate holder;** (b) **certificate of workers compensation insurance, on either the State approved C-105.2 form or the U-26.3 form;** (c) **certificate of disability insurance, on either the State approved DB-120.1 or DB-155 form;** (d) If needed, Form CE-200 for WC/DB exemption is found at [www.wcb.ny.gov](http://www.wcb.ny.gov).
- D. Application fee as required by the City Code and as calculated by the building department, shall be paid by check or money order (payable to "Commissioner of Finance".) Work covered by this application shall not commence prior to permit issuance.
- E. Occupancy of any building or premises to which this application applies shall not occur prior to the issuance of a required Certificate of Occupancy.
- F. Any deviation from approved plans must be authorized by the approval of revised plans subject to the same procedure established for the examination of the original plans by the building department, including any required fees.
- G. Building Department shall be notified (minimum notice – 24 hours in advance) according to this required schedule of inspections. (Note; before subsequent inspection requests will be scheduled, all prior inspections shall have passed). See attached card for required inspections included with building permit when issued.
- H. The building permit is effective for two years from the date of issuance unless a different period of time is specified.
