FOR IMMEDIATE RELEASE

City of Saratoga Springs Announces Distribution of COVID-19 Rapid Test Kits

Distribution Event for City Residents

Saratoga Springs, New York, February 22, 2022 — The City of Saratoga Springs announced today that the City will be offering a drive-thru COVID-19 Rapid Test Distribution for residents of the city on Saturday, February 26, 2022 at Geysers Road Elementary.

As mentioned by Commissioner Moran during the [February 15th](#) City Council meeting, there will be another drive through distribution on Saturday, February 26 from 1:00 PM until 3:00 PM.

In addition, arrangements have been made to distribute them out of the Rec Center on Vanderbilt Avenue during normal hours of operation as well as both of our Fire Stations (Lake Avenue and West Avenue).

The distribution is open to citizens of Saratoga Springs, and due to increased supply capacity, we will be providing up to 4 kits per person present.

Additional questions can be directed to the Accounts Department at 518-584-3550 x 2543. We will continue to have these events throughout the City, as long as we continue to receive test kits.
