### City of Saratoga Springs Announces Short-Term Rental Workshop

*Second Public Forum to Discuss Short Term Rentals in the Spa City*

**Saratoga Springs, New York, October 25, 2022** —Commissioner of Accounts Dillon Moran has set a date for a second public workshop hosted by the Accounts Department to continue the discussion about short term rentals in Saratoga Springs.

“We hosted a public workshop at the beginning of October to initiate the discussion about our community’s long history of rentals, and the current landscape and impact of short-term rentals. It was clear that the conversation needs to continue. Saratoga Springs is a destination and a community, and it is important to define short-term rentals and for local government to work toward effective and enforceable regulations especially regarding public health and safety challenges,” said Commissioner Moran. “The positive economic impact for locals must be balanced with housing availability, maintaining the character of neighborhoods, and public safety measures.”

Saratogians interested in discussing short-term rentals and potential changes necessary to address the short-term rental market are encouraged to participate.
