

A PROCLAMATION  
OF THE CITY OF SARATOGA SPRINGS, NEW YORK

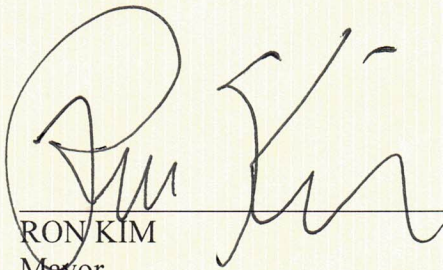

WHEREAS, two hundred and thirty-six years ago, a group of Americans met to define what it means to be free. Since then, the United States Constitution has been a standard for the citizens of free nations around the world, protecting their rights and privileges under a government ruled by laws, and providing a powerful and effective weapon against terrorism and tyranny; and

WHEREAS, in these times we are often reminded that there are people in the world who seek to diminish constitutional rights to gain power, and to deprive others of the right to live and act as they choose in a country where all persons are treated equally according to law. Our liberty is guaranteed to us under the Constitution, and it has never been more important to us than it is today;

NOW, THEREFORE, I, RON KIM, Mayor of the City of Saratoga Springs, am pleased to join with federal, state and local officials across our great nation, in proclaiming the week of September 17 through 23, 2023 as

**CONSTITUTION WEEK**

Dated: September 19, 2023
